[Wicked Wish](#) Aug 21 2019 I'm at the mercy of a fallen angel. I work for the Order of Magica, the supernatural version of the FBI. Sounds fun, right? Except I spend my days chained to my desk, writing reports, and wishing that I was out solving crimes. Well, be careful what you wish for. He's hot, lethal, and he's the only one who can help me master my dangerous powers. I don't want anyone to know about my magic, but I have no choice if I want to save my friend. Here's the catch: if the Order finds out that I'm working with Damian, I'll get canned. Maybe even hunted for what I am. But if I don't give him what he wants, he'll reveal my secret to the world.

Someone has stolen a dangerous artifact that could turn my world upside down. It could get me and my friends killed and bring destruction down on my city. Is Damian Malek to blame? He's a fallen angel. Handsome and lethal. A thief and a liar. And he's betrayed me before.

The heat between us keeps pulling us together, but his lies always tear us apart. If I want answers, I will have to risk everything. My job. My magic. My life. There's a riddle to solve. An ancient city to find. A deadly genie to defeat, and a dark storm rising in the burning sands. An action-packed urban fantasy, *Dark Storm* features a rebel heroine, a dark angel hero, and slow burn romance. Dive into the mysteries of the Arabian Nights and prepare yourself for edge-of-your-seat adventure amongst the shifting sands. Dragon Storm Mar 20 2022 Born with a secret power he must hide... Telryn "Trip" Yert has always been a little odd, with hunches that are too accurate to explain. Magic is feared and forbidden in Iskandia, so he's struggled his whole life to hide his eccentricities. As a boy, he was forced to watch his mother's execution. Her crime? Witchcraft. Understandably, Trip wants nothing to do with the power that lurks within him, always threatening to reveal itself. Instead, he dedicates himself to serving as an officer in the king's army, to battling pirates and imperial conquerors. He longs to become a soldier as respected and renowned as the legendary General Zirkander. But his country is in need of more than a soldier. After disappearing for over a thousand years, dragons have returned to the world. A few of them are willing to be allies to

mankind, as they were millennia before, but far more want to destroy or enslave humans and claim the world for themselves. There are few people left with the power to fight dragons. For reasons he doesn't understand, Trip may be one of those people. But if he chooses to learn more about his heritage and the power he can wield, he risks losing everyone he loves and everything he longs to be.
