Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

**Cross-Section of a Human Heart** Oct 28 2022 "'The first thing I'm going to do with my winnings, ' he said, 'is pay for laser hair removal in your armpits.' He even gestured to my cleanly shaven pits, because if referencing a woman's body hair on a date doesn't awaken her inner vixen, pointing to its location is sure to do the trick."An introverted Midwesterner with big feelings and a shameful people-pleasing streak, Abi Wurdeman hoped her

twenties would transform her into one of those fierce, take-charge broads quoted on sassy refrigerator magnets. But somewhere between facing her own demons at a soul-sucking casino job and making the occasional ill-timed confession of love, Abi learned you can't reinvent who you fundamentally are . . . and that the secret to adult tenacity lies not in changing yourself, but in knowing yourself. Ninety percent memoir and ten percent unsolicited advice, *Cross-Section of a Human Heart* is the story of a floundering journey from mousey young adult to proper grown-ass.
