The Huge Bag of Worries Jun 04 2020 "Wherever Jenny goes, her worries follow her-- in a big blue bag! They are there when she goes swimming, when she is watching TV, and even when she is in the lavatory. Jenny decides they will have to go. But who can she get to help her? This funny and reassuring story will appeal to all children who have occasional worries"--Page 4 of cover

Outing and the Wheelman Jul 26 2019

Women in the American Revolution Jan 30 2020 Without the support of American women, victory in the Revolutionary War would not have been possible. They followed the Continental Army, handling a range of jobs that were usually performed by men. On the orders of General Washington, some were hired as nurses for \$2 per month and one full ration per day--disease was rampant and nurse mortality was high. A few served with artillery units or masqueraded as men to fight in the ranks. The author focuses on the many key roles women filled in the struggle for independence, from farming to making salt-peter to spying.

The Great Virginia Triumvirate Oct 01 2022 Three remarkable Virginians stand out in their service to the new nation: George Washington, Thomas Jefferson, and James Madison. Kaminski presents a series of biographical portraits that brings these three men remarkably to life for the modern reader.

History for Ready Reference, from the Best Historians, Biographers, and Specialists: Greece-Nibelungenlied Jul 06 2020

Great Virginia Flood of 1870, The Nov 02 2022 In the fall of 1870, a massive flood engulfed parts of Virginia, West Virginia and Maryland. What began near Charlottesville as welcome rain at the end of a drought-plagued summer quickly turned into a downpour as it moved west and then north through the Shenandoah Valley. The James, Shenandoah and Potomac Rivers rose, and flooding washed out fields, farms and entire towns. The impact was immense in terms of destruction, casualties and depth of water. The only warning that Richmond, downriver from the worst of the storm, had of the wall of water bearing down on it was a telegram. In this account, public historian Paula Green details not only the flood but also the process of recovery in an era before modern relief programs.

You're Old, I'm Old . . . Get Used to It! Apr 02 2020 No-nonsense, wryly self-deprecating, and totally persuasive, *You're Old, I'm Old...Get Used to It!* unabashedly exalts the virtues of aging. Virginia Ironside wants you to know that getting old is a good thing--and not in that dreadful "sixty is the new forty" way. At sixty-five, she has no interest in pretending to be young and neither should you. Virginia celebrates all the "issues" that she and her fellow oldies embrace, including: • Talking about ailments (and the fabulous meds that come with them) • Grandchildren (the reward you get for not killing your children) • Wisdom (random disorganized knowledge you get to put a fancy label on because you're old)

The Conquest of Virginia; the Second Attempt Nov 09 2020

M.C. Higgins, the Great Aug 31 2022 Hamilton's classic coming-of-age tale: The National Book Award-- and Newbery Award--winning novel about a young man who must choose between supporting his tight-knit family and pursuing his own dreams Mayo Cornelius Higgins perches on top of a homemade forty-foot tower, considering two destinies. Behind him is his family's beloved house at the foot of a mountain that strip mining has reduced to loose rubble. In front of him, the beautiful Ohio River Valley and the great world beyond. As M.C. weighs whether to stay with the family and home he loves or set off into the world on his own, there appear on the horizon two strangers who will make his decision all the more difficult.

Virginia, the New Dominion May 04 2020

Virginia Woolf and the Great War Jun 28 2022 Levenback (George Washington U.) examines Woolf's war consciousness and looks at how her sensitivity to representations of war in the popular press and authorized histories affected the development of characters in her fiction, nonfiction, and personal writings. Levenback's readings of Mrs. Dalloway, *To the Lighthouse*, and *The Waves* are convincing in securing Woolf's position as a war novelist and thinker whose insights and writings anticipate current progressive theories on war social effects. Singled Out Feb 10 2021 Almost three-quarters of a million British soldiers lost their lives during the First World War, and many more were incapacitated by their wounds, leaving behind a generation of women who, raised to see marriage as "the crown and joy of woman's life," suddenly discovered that they were left without an escort to life's great feast. Drawing upon a wealth of moving memoirs, *Singled Out* tells the inspiring stories of these women: the student weeping for a lost world as the Armistice bells pealed, the socialite who dedicated her life to resurrecting the ancient past after her soldier love was killed, the Bradford mill girl whose campaign to better the lot of the "War spinsters" was to make her a public figure--and many others who, deprived of their traditional roles, reinvented themselves into something better. Tracing their fates, Nicholson shows that these women did indeed harbor secret sadness, and many of them yearned for the comforts forever denied them--physical intimacy, the closeness of a loving relationship, and children. Some just endured, but others challenged the conventions, fought the system, and found fulfillment outside of marriage. From the mill-girl turned activist to the debutante turned archeologist, from the first woman stockbroker to the "business girls" and the Miss Jean Brodies, this book memorializes a generation of young women who were forced, by four of the bloodiest years in human history, to stop depending on men for their income, their identity, and their future happiness. Indeed, *Singled Out* pays homage to this remarkable generation of women who, changed by war, in turn would change society.

Virginia and the Great War May 28 2022 Virginia played an important role during World War I, supplying the Allied forces with food, horses and steel in 1915 and 1916. After America entered the war in 1917, Virginians served in numerous military and civilian roles--Red Cross nurses, sailors, shipbuilders, pilots, stenographers and domestic gardeners. More than 100,000 were drafted--more than 3600 lost their lives. Almost every city and county lost men and women to the war. The author details the state's manifold contributions to the war effort and presents a study of monuments erected after the war.

Between the Acts Aug 26 2019 Outwardly a novel about life in a country-house in whose grounds there is to be a pageant, *Between the Acts* is also a striking evocation of English experience in the months leading up to the Second World War. Through dialogue, humour and the passionate musings of the characters, Virginia Woolf explores how a community is formed (and scattered) over time. The pageant, a series of scenes from English history, and the private dramas that go on between the acts, are closely interlinked. Through the figure of Miss La Trobe, and author of the pageant, Virginia Woolf questions imperialist assumptions and, at the same time, re-creates the elusive role of the artist.

Catherine the Great Oct 28 2019 RA great thumping triumph of a bookS ("London Telegraph"), this is the first comprehensive modern biography of Catherine the Great to explore her both as a woman and empress.

The Great Virginia Triumvirate Jul 30 2022 As the largest, oldest, and wealthiest of the original thirteen colonies, Virginia played a central role in the fight for independence and as a state in the new republic. This importance is reflected in the number of Virginians who filled key national leadership positions. Three remarkable Virginians stand out in their service to the new nation: George Washington as commander in chief during the Revolutionary War, Thomas Jefferson as the philosophic voice of the country, and James Madison as the chief architect of the nation's new constitutional system. In *The Great Virginia Triumvirate*, John Kaminski presents a series of biographical portraits that bring these three men remarkably to life for the modern reader. The passage of time, coupled with the veneration so often surrounding historical figures, has obscured the subtleties and complexities of the founding fathers' characters. To cut through this fog of myth, Kaminski relies on the words of the three Virginians themselves, sharing with us a trio of eloquent, and often candid, voices. (Jefferson once told John Adams that he had not written a history of his times because that history was to be found in his correspondence, where he could be especially direct and honest.) Kaminski also turns to the people who personally knew the three great Virginians--their friends, family, acquaintances, and enemies. Through their public and private writings, as well as the observations of their contemporaries, the subjects' distinctive qualities as individuals can be glimpsed with depth and immediacy. Taken from letters, speeches, diaries, and memoirs, the quotations and vignettes included here shed light on the actual person behind each

public image. George Washington offering a bowl of hot tea at night to a guest at Mount Vernon who has a cold; Thomas Jefferson extending condolences to John Adams on the death of his wife, Abigail; and James Madison bequeathing the silver-hilted walking cane, left him by Jefferson, in turn to the third president's grandson, Thomas Jefferson Randolph—such moments reveal personality and character in a way that no official act ever could. "Much is known to one which is not known to the other," Jefferson wrote, "and no one knows everything." The cumulative effect of many voices, however, can create a portrait of invaluable insight.

Legends of the Skyline Drive and the Great Valley of Virginia Apr 14 2021 "Legends of the Skyline Drive and the Great Valley of Virginia" by Carrie Hunter Willis, Etta Belle Walker.

Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. The Great Awakening in Virginia, 1740-1790 Nov 21 2021

The Great Valley Road of Virginia Mar 14 2021 The Great Valley Road of Virginia chronicles the story of one of America's oldest, most historic, and most geographically significant roads.

Emphasized throughout the chapters is a concern for landscape character and the connection of the land to the people who traveled the road and to permanent residents, who depended upon it for their livelihoods. Also included are chapters about the towns supported by the road as well as the relationship of physical geography (the lay of the land) to the engineering of the road. More than one hundred maps, photographs, engravings, and line drawings enhance the book's value to scholars and general readers alike. Published in association with the Center for American Places

Virginia on My Mind Jun 24 2019 Filled Z99 color photographs and memorable descriptions this tribute to the Old Dominion features an introduction written by Virginia author and columnist Guy Friddell

What's Great about Virginia? May 16 2021 What's so great about Virginia? Find out the top ten sites to see or things to do in the Old Dominion State! Virginia Mayo Mar 02 2020 the captivating story of Virginia Mayo's acting career Dozens of photographs.

Hiking Virginia Oct 09 2020 Winner of a National Outdoor Book Award Honorable Mention, Hiking Virginia is indispensable for exploring the Commonwealth. Authors Bill and Mary Burnham breath fresh air into popular Virginia destinations, and explore commonly overlooked yet equally dramatic hikes. Explore the history of a young American nation; watch stories of lost cultures come alive; and imagine the ghosts of Indian raiders, moonshiners, and outlaws haunting the backcountry routes of the past. Packed with notes on plants, trees, and geology, plus a list of local attractions and "good eats and sleeps" for the weary hiker, Hiking Virginia covers the Commonwealth's outdoors from the sea shores to the mountain slopes, past and present. Also included is a special section detailing the Appalachian Trail through Virginia, taking thru-hikers along the six-week route from Damascus, Virginia to Harpers Ferry, West Virginia. Inside readers will find: full-color photos, detailed color maps, accurate route profiles showing the ups and downs of each hike, tips on equipment, trip planning, hiking with dogs and children, accurate directions, difficulty ratings, trail contacts, and more.
