Conjugate Problems in Convective Heat

Transfer Dec 31 2019 Illustrates Calculations Using Machine and Technological Processes The conjugate heat transfer (CHT) problem addresses the thermal interaction between a body and fluid flowing over or through it. This is an essential consideration in nature and different areas of engineering, including mechanics, aerospace, nuclear engineering, biology, and meteorology. Advanced conjugate modeling of the heat transfer process is now used extensively in a wide range of applications. Conjugate Problems in Convective Heat Transfer addresses the latest theory, methods, and applications associated with both analytical and numerical methods of solution CHT problems and their exact and approximate solutions. It demonstrates how the true value of a CHT solution is derived by applying these solutions to contemporary engineering design analysis. Assembling cutting-edge information on modern modeling from more than 200 publications, this book presents more than 100 example applications in thermal treatment materials, machinery operation, and technological processes. Creating a practical review of current CHT development, the author includes methods associated with estimating heat transfer, particularly that from arbitrary non-isothermal surfaces in both laminar and turbulent flows. Harnesses the Modeling Power of CHT Unique in its consistent compilation and application of current knowledge, this book presents advanced CHT analysis as a powerful tool for modeling various device operations and technological processes, from relatively simple procedures to complex multistage, nonlinear processes.

Ice Like Fire Dec 23 2021 Game of Thrones meets Graceling in this thrilling fantasy, the heart-pounding sequel to New York Times bestseller *Snow Like Ashes*. This action-packed series is perfect for fans of *An Ember in the Ashes* and *A Court of Thorns and Roses*. It's been three months since the Winterians were freed and Spring's king, Angra, disappeared—thanks largely to the help of Cordell. Meira just wants her people to be safe. When Cordell's debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria's lost chasm of magic. The last time the world had access to so much magic, it spawned the Decay. So when the king of Cordell orders Meira and Theron on a mission to discover the chasm's secrets, Meira plans on using the trip to garner support to keep the chasm shut and Winter safe—even if it means

clashing with Theron. But can she do so without endangering the people she loves? Mather just wants to be free. The horrors inflicted on the Winterians hang fresh and raw in Januari—leaving Winter vulnerable to Cordell's growing oppression. When Meira leaves to search for allies, Mather decides to take Winter's security into his own hands. Can he rebuild his broken Kingdom and protect his people from new threats? As the web of power and deception is woven tighter, Theron fights for magic, Mather fights for freedom—and Meira starts to wonder if she should be fighting not just for Winter but for the world.

The Academy - Push and Shove May 04 2020 Sang Sorenson struggles with her growing feelings when the Academy boys take her in and draw her closer into their world. They work together to uncover the true secrets happening at Ashley Waters High School, where Principal Hendricks will stop at nothing to take them all down. Adding to their complications, Nathan's father shows up, and he's just as ruthless and violent as ever, beating up on Nathan. Sang offers Nathan refuge in her home, but Marie is fed up with the boys. She wants them out—all of them—and wants them to take Sang with them. Where will Sang go? What will happen to Nathan? And what about Mr. Hendrick's spies, watching all of them? Kota, Victor, Silas, Nathan, Gabriel, Luke and North will have to focus to get out of this mess, but with Sang assisting them, they're struggling to keep control. They all promised not to make a move on Sang unless she initiates, but the tension is driving them all to distraction. With the help of Dr. Green and Mr. Blackbourne, they will have to stay strong and engaged. But a first kiss is imminent, and will cost them all more than they could ever have imagined. The Academy, Endlessly Steadfast Keywords: spies, family, young adult, child abuse, coming of age, friendship, action, adventure, YA, mysteries, thrillers, Charleston, academy, menage, reverse, harem, dysfunctional, relationships, social situations, sleuth, private detective, neglect, family, families, high, school, sibling, bullies, bullying, love, romantic, romance, teen, drama, love triangle, contemporary, secrets *Girl in the Bearskin* May 16 2021 Adelina Yousef is sent home penniless and thankless for the job she's done protecting her country. On her way home, she meets a demon, who tests her courage: If she lives for a full seven years under a cloak of a bearskin, never washing, never trimming her hair or nails, she will forever have all the money she will ever need. If she dies during the seven years, he claims her soul. She agrees, and at first she lives okay, but

as the years go on, as people begin to turn their backs on that ugly, filthy girl in the bearskin, her courage begins to falter. Can anyone ever look past her appearance to give her food, shelter, or even love? And why does the demon follow her so close, and tempt her at every turn to give up, to give her soul to him?

[200 Puzzling Physics Problems](#) Mar 14 2021

This book will strengthen a student's grasp of the laws of physics by applying them to practical situations, and problems that yield more easily to intuitive insight than brute-force methods and complex mathematics. These intriguing problems, chosen almost exclusively from classical (non-quantum) physics, are posed in accessible non-technical language requiring the student to select the right framework in which to analyse the situation and decide which branches of physics are involved. The level of sophistication needed to tackle most of the two hundred problems is that of the exceptional school student, the good undergraduate, or competent graduate student. The book will be valuable to undergraduates preparing for 'general physics' papers. It is hoped that even some physics professors will find the more difficult questions challenging. By contrast, mathematical demands are minimal, and do not go beyond elementary calculus. This intriguing book of physics problems should prove instructive, challenging and fun.

Protocol dictates the boys keep the details of Sang's official introduction to the Academy a secret from her. The only thing they can advise her to do is to work on what will become her mantra: She is determined to stay with her team, no matter what. Despite her

wishes, however, the boys are second-guessing her place with them, concerned for her safety. With dangers all around and threats closing in, some of the boys are questioning if this is the right time to bring her to meet the Academy at all. Sang is challenged with being the brave face among them and instilling the confidence needed to keep her with them. However, in order to appear compliant with the Academy's rules, she has to be willing to listen and try their suggestions. As the boys have suspected and feared, the council wants to see how she'll work with a different team. An all-girl team. She has no choice but to go along with the proposal or risk losing a shot at the Academy. But when the Academy's inner world is revealed to her, Sang knows that she's finally found her place-somewhere she belongs-and she sees a future with them. The deeper she gets, the more she sees how she can make a difference. Learning what she is capable of and the impact she can have, she feels obligated to help. There's so few girls, and they need her. The guys try to stick to their plan, but every team must pay their debts, and the cost of keeping her might be more than any of them can afford. It's up to Sang alone to prove to the Academy where she truly belongs-but can she resist the call of a new team that needs her? As Told By Nerdy Oct 21 2021 Sarah "Nerdy" Littman is your typical high school nerd—geeky glasses, straight A's, the works. Her only social life consists solely of hanging out at the cafeteria with her best friend Becky Tyrone, as she tries to avoid being bullied by her arch nemesis Matt Adams. When superstar Leon Walden transfers to their school pretending to

be just another regular student, Sarah's life completely turned upsidedown, much to her chagrin. Things get even more complicated when Leon moves in next door and deliberately befriends her. And when Sarah finds herself falling for the teen star, she learns that there is no mathematical equation or scientific formula that can help her sort out her feelings.

The Academy - Hoax Jan 30 2020 Someone tried to kill Kayli Winchester. That someone is going to pay. After going overboard and nearly drowning, Kayli regroups and joins Axel, Corey, Brandon, Marc, and Raven back on board the Lucienda. This time, she's brought reinforcements. Liam and Henry join the team in an all-out hunt for a killer. It can't be too hard; there's only so many places to hide on a cruise ship. But the number of suspects is climbing. Tensions are high, and everyone is on alert, but along the way, there's way too many distractions-very hot distractions. Kayli's done hiding her feelings. She's showing her hand, come what may. She's never held back before she met this team-why start now? But when one of their team members disappears, all clues point to mutiny. Is the team going to fracture because of her? Did someone throw her overboard because of jealousy? Kayli refuses to believe it, but she'll have to provide proof before the murderer finds out she's still alive and comes back to complete the job.

Ghost Bird - The Academy Omnibus Part 1 Aug 19 2021 Books 1 - 4 in the wildly successful (and swoon-inducing) Academy Ghost Bird Series, together for the first time at a low price. This bundle includes an exclusive that fans have been begging for: Meeting Sang, an alternate POV story of how it all began. Introductions-Book 1 With an agoraphobic mother and a barely-there father, Sang Sorenson abhors the isolation keeping her in the shadows. What she craves is a fresh start and to be accepted as ordinary, because for her, being different meant being cast out alone. When her family moves to a new school district, Sang infiltrates a group of boys, each nearly perfect in every way. Grateful for an influence outside of her parents' negativity, she quickly bonds with the boys, hoping to blend in and learn from them what it means to have friends. Only the boys have secrets of their own and they'll do anything to keep her safe from the knowledge of the mysterious Academy they've sworn allegiance to. Bit by bit, Sang discovers her friends are far from what she'd expected. Will her loyalty change when she's forced to remain in the dark, or will she accept that she's traded one house of secrets for another? Meet Kota, Victor, Silas, Nathan, Gabriel, Luke and North in a story about differences and loyalty, truth and mystery, friendships and heart-throbbing intimacy. The Academy, ever vigilant. First Days-Book 2 As a new student to Ashley Waters High School, Sang Sorenson hopes her new friends will be the change she's been craving and will make fitting in a breeze. But Academy students aren't there to take it easy at the overcrowded school rife with violence. When fights begin, Sang will uncover the true reason the boys traded in their private school lives for public ones. This year, Sang will no longer be invisible. This year, Sang is a target. The principal and vice principal are hot to take Sang down, and her own mother is determined to entrap Sang forever in her belief that the

safest place to be is in the shadows. Despite this, Nathan, Luke, Kota, North, Silas, Victor, and Gabriel will discover Sang's unyielding loyalty. And they will sorely need it. The Academy, supremely influential. Friends vs. Family-Book 3 Sang Sorenson is forced to suffer through another of her mother's extreme punishments that almost kills her. The Academy boys vow it will be the last. They're determined to keep Sang safe, especially from her own family. Their solution: complete infiltration into her life. Kota, Luke, Silas, Nathan, Victor, Gabriel and North do everything within their power to show Sang what true loyalty means. It takes more than blood to make a family and they want Sang in theirs. Sang experiences a taste of freedom and what it's like to truly be cared for, wanted. Sang learns a bit more about the boys' broken families and they discover more than they ever imagined about Sang's. The Academy was the answer to their problems. Could it be hers? Sang's actions force her mother to reveal a startling truth that will change Sang's and the boys' lives in unpredictable ways. Forever. The Academy, Allegiance Forgiveness and Permission-Book 4 Sang Sorenson's abusive mother is secure in a hospital and her father has vanished to a new family of his own, leaving Sang and her sister to fend for themselves. But Sang is never really alone. The Academy team has stepped in, promising to protect and care for her. Kota, Victor, Silas, Nathan, Gabriel, Luke and North take over, showing Sang they can be depended on for anything. But just because her parents are away, doesn't mean Sang's life has become any easier. The newfound freedom will have a higher price than any of them could have imagined. Principal Hendricks now wants to use Sang to exploit Academy secrets. Mr. McCoy has his own dark plans for her. Enemies are closing in. Sang will need to believe in the boys, and the boys will need to trust her if they want to survive their rivals. And each other.

Dune (Movie Tie-In) Nov 09 2020 SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling. Frank Herbert's classic masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time. Set on the desert planet Arrakis, Dune is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for.... When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's

most ancient and unattainable dream. A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

Love's Cruel Redemption Apr 26 2022 Sang's life was on pause after the dramatic break with her real family. Now she's back in the game, returning to Ashley Waters to appear like a normal student. However, returning to school hasn't made her life any easier. When it comes to the Academy and her role in the secret organization, there's no such thing as normal. When Kota's mother catches Sang and the guys in the complex web of lies they've woven, everything starts to unravel: Their relationships, their ties to the Academy. Everything's under risk of exposure. Nathan struggles most with his conscience and lying to Erica Lee, the woman who supported him when his own mother was never there, doesn't seem like the right thing to do. She's his family and Nathan knows you shouldn't lie to family. But he also knows the truth could hurt her: It could put Erica in danger. And it could force Kota to make a choice he should never have to: his mother and sister, or his team—his chosen family. With Ashley Waters High School under attack and the principal now missing, the Academy needs to maintain its cover more than ever. It's a bad time for Erica to start

discovering what the Academy is really all about. But to protect them all, Nathan's willing to take the heat. He'll do it for Sang, as well as Kota, Victor, Silas, Gabriel, Luke, North, and the rest of the team. He may be their only chance at survival. But Sang, who committed to be all in with her team, isn't about to let Nathan go down alone. The Academy: Family First *Luke* Jun 28 2022 The Academy: Ghost Bird series in a different look at the very beginning. Read Introductions with a whole new perspective--the boys'. Luke Taylor can't seem to ever relate to his brother, North. They're like night and day: North is rigid and intense where Luke is playful and a dreamer, his head often in the clouds. Being around each other too long can be difficult. The Academy and Luke's friends helped to bring them together, and Luke will be forever grateful, but North is just no fun sometimes. Luke can't wait for the new job at the high school this year. He's eager to expand his friendship circle...and maybe having a project to focus on will help North blow off some steam. When the Academy hires the team on a small side job, Luke and North are forced to stick together. The brothers are on the job, but they struggle to communicate and work together. The rest of the team are reluctant and dragging their feet on their current mission. Something about a girl having trouble at home. Who is this Sang Sorenson and how can one shy, mysterious girl turn a dedicated Academy team upside down nearly overnight? The brothers need to find out. But if they can't come together, they not only risk losing her but their differences might just tear the entire team apart.

Phoenix Mar 02 2020 Be careful what you wish for... On my eighteenth birthday, I desired nothing more than the chance to explore the world. Make friends. Maybe even fall in love. I never expected my quiet, sheltered life in the wilderness to come crashing down around me. But my dad has been keeping secrets. And after a decade of hiding, the past has finally caught up with us. The past, plus six hot guys with secrets of their own. In a way, my wish has come true. Now, I just need to determine whether that's a good thing. *Phoenix is book one in The Stardust Series, a slow-burn contemporary reverse harem romance.

The Academy - Accessory Feb 10 2021 From USA TODAY Bestselling Author, C. L. Stone, read *Accessory*, the fourth book in The Academy Scarab Beetle Series. Kayli Winchester is still recovering from her last adventure and is out hunting for her missing brother, Wil, when Ethan Murdock calls, asking for help. Billions of dollars have gone missing and Kayli is the perfect person to find them - as one of the few people Ethan trusts. Only one problem: The team is led by Blake Coalter. Kayli negotiates her way into a co-lead position, but for the Academy guys, that might not be good enough. The Academy doesn't trust Blake and the last thing they want is for her to get mixed up with him. The guys can't persuade the willful Kayli to abandon the cause. They give her five days to convince them they should stay in this job. If she can't, the boys want her to walk away. Kayli goes undercover and becomes the hot topic around some of the most wealthy and powerful CEOs in Charleston. Now she has to prove she's a secret investor for old Mr. Murdock from before he disappeared, and convince them all she's the real deal. She dives into her assignment head-first, but one uncovered complication after another threatens the mission. No matter how close to the chest Kayli plays her hand, secrets have a way of being discovered, and Axel, Corey, Brandon, Marc and Raven aren't going to like the truth she's keeping from them. Being forced to work together for a week with an enemy may tear them all apart, leaving Kayli with nothing. It might be up to Blake Coalter to save them from each other.

The United Nations and Security Sector Reform Jul 26 2019 Multilateral organizations - the United Nations (UN) in particular - have played, and continue to play, an important role in shaping the security sector reform (SSR) agenda, both in terms of policy development and the provision of support to a wide range of national SSR processes. This volume presents a variety of perspectives on UN support to SSR, past and present, with attention to policy and operational practice. Drawing from the experience of UN practitioners combined with external experts on SSR, this volume offers an in-depth exploration of the UN approach to SSR from a global perspective.

deliberately kept Earth as an ignorant backwater - and as a source of recruits for its war against hostile aliens. Now, other alien races have formed a new alliance against the Union. And they've invited the incensed people of Earth to join them. Managing the Colonial Union's survival will take all the political cunning and finesse its diplomats can muster. And Harry and his team will be deployed to deal with the unexpected - for failure is unthinkable. Continue the gripping space war series with *The End of All Things*.

The World of the Rural Labourer in Colonial India Apr 02 2020 The editor has selected, out of a huge body of published and unpublished material, the key essays which show up the major themes that have dominated the historiography on India's rural labor. A variety of perspectives - the economic, the cultural, the demographic, the taxonomic, the political, the colonial, the nationalistic--are either presented or extensively commented on. In keeping with the format of this series, a detailed introduction discusses how and why the study of agricultural laborers came into existence, as well as shifts in perspective and changes in the questions asked. The volume shows how historical information on labor was gathered by British administrators and census operations, the uses to which this was put by nationalist writers, the revisions and additions to this by contemporary economic historians, and the various new perspectives from which we can now view peasants and their world.

Trickery Nov 21 2021 Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world—a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series
Game Feel Oct 09 2020 "Game Feel" exposes "feel" as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks where game design is concerned. They create the meta-sensation of involvement with a game. The understanding of how game designers create feel, and affect feel are only partially understood by most in the field and tends to be overlooked as a method or course of study, yet a game's feel is central to a game's success. This book brings the subject of feel to light by consolidating existing theories into a cohesive book. The book covers topics like the role of sound, ancillary indicators, the importance of metaphor, how people perceive things, and a brief history of feel in games. The associated web site contains a playset with ready-made tools to design feel in games, six key components to creating virtual sensation. There's a play palette too, so the designer can first experience the importance of that component by altering variables and feeling the results. The playset allows the reader to experience each of the sensations described in the book, and then allows them to apply them to their own projects. Creating game feel without having to program, essentially. The

final version of the playset will have enough flexibility that the reader will be able to use it as a companion to the exercises in the book, working through each one to create the feel described.

After the Coup Jun 16 2021 In a universe of harsh interstellar conflict, the practice of interspecies diplomacy—when possible—is important. So being a Colonial Union officer attached to an interplanetary diplomatic mission sometimes means taking a fall. Literally. The Academy - Introductions Aug 31 2022 With an agoraphobic mother and a barely-there father, Sang abhors the isolation keeping her in the shadows. The only thing Sang craves is a fresh start and to be accepted as ordinary by her peers, because for her being different meant being cast out alone. When her family moves to a new school district, Sang infiltrates a group of boys nearly perfect in every way. Grateful for an influence outside of her parents' negativity, she quickly bonds with the boys, hoping to blend in and learn from them what it means to have a natural relationship with friends. Only the boys have secrets of their own and they'll do anything to keep her safe from the knowledge of the mysterious Academy that they've sworn allegiance to. Bit by bit, Sang discovers that her friends are far from the normalcy she expected. Will her loyalty change when she's forced to remain in the dark, or will she accept that she's traded one house of secrets for another? Meet Kota, Victor, Silas, Nathan, Gabriel, Luke and North in a story about differences and loyalty, truth and mystery, friendships and heart-throbbing intimacy. The Academy, ever vigilant.

Atlantis Academy Aug 26 2019 Humanity is one secret society away from extinction. The children of Atlantis use magic to keep us safe. If they make it through the Academy. Hi, I'm Lyric. And I'm kind of a mess. ADHD, that's me. I'm a high school drop-out, late everywhere I go, and one screw-up away from being homeless. I'm a loner, and I like it that way. Who needs friends when you have a Redwood forest nearby? Trees never bully me like the kids did at school. Or get drunk and throw things at my head. After my mom died, I figured life couldn't get much worse. I thought it might even get better. Ha. The universe has a great sense of humor. I should've listened to the rumors about evil spirits. About the angry, ancient magical creatures haunting our small Oregon Coast town. But did I? No. That was my first mistake. And it might be my last. 'Cause now I'm in a battle for my life. A whole new world has opened up... a magical world I don't understand. And the blood in my veins says I belong here. But I have to prove myself to save myself. And when have I ever done that? *Atlantis Academy* is a unique new series that weaves together an elite college of magic with the ancient myth of Atlantis. If you love quirky characters, magic, fantasy, and a story filled with plenty of mystery, thrills, and a romance, you'll love going on this adventure with Lyric!

The Second Great Dune Trilogy Oct 28 2019 The Second Great Dune Trilogy contains *God Emperor of Dune*, *Heretics of Dune* and *Chapter House Dune*, and concludes the *Dune Chronicles*, one of the most influential SF series ever written. Herbert's evocative, epic tales are set on the desert planet Arrakis, the focus for a complex political and military struggle with galaxy-wide repercussions. More than three thousand years have passed since the first events recorded in Dune. Only one link survives with those tumultuous times: the grotesque figure of Leto Atreides, son of the prophet Paul Muad'Dib, and now the virtually immortal God Emperor of Dune. He alone understands the future, and he knows with a terrible certainty that the evolution of his race is at an end unless he can breed new qualities into his species. But to achieve his final victory, Leto Atreides must also bring about his own downfall... Read the series which inspired the 2021 Denis Villeneuve epic film adaptation, *Dune*, starring Oscar Isaac, Timothée Chalamet, Zendaya and Josh Brolin.

Gabriel Apr 14 2021 *The Academy: Ghost Bird* series in a different look at the very beginning. Read Introductions with a whole new perspective--the boys'. Despite having eight great friends thanks to *The Academy*, what Gabriel Coleman really wants is a connection with someone special. However, he's never had much luck with girls. He doesn't have the sleek looks, wealth, or charm like his friends. *The Academy* has helped him a lot since his family died in tragic accidents, and he'll always be grateful for what they've done for him, but he can't help wanting more. When his friends talk about the new girl they've met, Sang Sorenson, he's shocked to learn about the horrible things that are happening to her. He hasn't even met her yet so there's no way he could have guessed how sweet, considerate, and inquisitive

she is. How could anyone think to do anything horrible to her? But he knows, if only by her haunted expression, there's more to her than the sweet girl his friends are half in love with already. Of course, he's all in to help her. From the moment Gabriel and Sang meet, there's an immediate connection. She's a girl who asks him questions, and seems genuinely interested in his answers. Seems genuinely interested in him. Gabriel wants to do the right thing by helping his friends keep an eye on her, but he can't shake the feeling that there's something more between him and Sang. He can only hope she sees it too. Re-Centring the City Jul 06 2020 What is the role of monumentality, verticality and centrality in the twenty-first century? Are palaces, skyscrapers and grand urban ensembles obsolete relics of twentieth-century modernity, inexorably giving way to a more humble and sustainable de-centred urban age? Or do the aesthetics and politics of pomp and grandiosity rather linger and even prosper in the cities of today and tomorrow? *Re-Centring the City* zooms in on these questions, taking as its point of departure the experience of Eurasian socialist cities, where twentieth-century high modernity arguably saw its most radical and furthest-reaching realisation. It frames the experience of global high modernity (and its unravelling) through the eyes of the socialist city, rather than the other way around: instead of explaining Warsaw or Moscow through the prism of Paris or New York, it refracts London, Mexico City and Chennai through the lens of Kyiv, Simferopol and the former Polish shtetls. This transdisciplinary volume re-centres the experiences of the 'Global East', and thereby our understanding of world urbanism, by shedding light on some of the still-extant (and often disavowed) forms of 'zombie' centrality, hierarchy and violence that pervade and shape our contemporary urban experience.
