The Legacy of Heorot Dec 25 2021 BOOK ONE IN THE CLASSIC HEOROT SERIES FROM GENRE LEGENDS LARRY NIVEN, JERRY POURNELLE, AND STEVEN BARNES The two hundred colonists on board the Geographic have spent a century in cold sleep to arrive here: Avalon, a lush, verdant planet lightyears from Earth. They hope to establish a permanent colony, and Avalon seems the perfect place. And so they set about planting and building. But their very presence has upset the ecology of Avalon. Soon an implacable predator stalks them, picking them off one by one. In order to defeat this alien enemy, they must reevaluate everything they think they know about Avalon, and uncover the planet's dark secrets. At the publisher's request, this title is sold without DRM (Digital Rights Management). About The Legacy of Heorot: "Page-turning action and suspense, good characterization and convincing setting . . . may be the best thing any of those authors has written."—The Denver Post "Outstanding! . . . The best ever, by the best in the field . . . the ultimate combination of imagination and realism."—Tom Clancy "Well written, action-packed, and tension filled . . . makes Aliens look like a Disney nature film."—The Washington Post "Spine-tingling ecological tale of terror."—Locus About sequel Beowulf's Children: "Few writers have a finer pedigree than those here. . . . [Seeing Yourself Through God's Eyes](#) Jan 14 2021 Do you know who you are? Even more importantly, do you know Whose you are? Christians often look at their lives through natural eyes and see themselves as lonely, depressed, unacceptable to God, unable to be who they really want to be. But a Christian who looks at him or herself through God's eyes sees someone quite different. In this encouraging book, bestselling author June Hunt helps you change your focus as you look in the mirror of God's Word. The reflection she urges you to see includes you as: a child of God chosen by God reconciled to God created to do good works for Christ secure in the love of God These are just five of the wonderful aspects of you as seen through the eyes of God. In this life-changing 31-day

devotional, you'll find riches in your own life you never knew you possessed.

You Matter to God Jun 26 2019 Beloved bible teacher uses powerful biblical teachings to free readers from guilt, insecurity, fear, and shame, in order to realize how incredibly loved they are.

Their Eyes Were Watching God Apr 16 2021 One of the most important and enduring books of the twentieth century, *Their Eyes Were Watching God* brings to life a Southern love story with the wit and pathos found only in the writing of Zora Neale Hurston. Out of print for almost thirty years—due largely to initial audiences' rejection of its strong black female protagonist—Hurston's classic has since its 1978 reissue become perhaps the most widely read and highly acclaimed novel in the canon of African-American literature.

The Pearl of God's Eye: A Fresh View of Biblical Women and God's Love for Us Jun 18 2021 *The Pearl of God's Eye* explores contemporary issues that affect the lives of women by examining the voices of women in the Bible that are often silenced and overlooked. It confronts the dishonor that women experience in and out of the church. The palpable sense of inferiority and objectification from which there seems no escape. It satisfies the hunger to retreat to a safe space where one can perceive themselves as fully human with the assurance that God sees and knows the unique challenges of being a woman. *The Pearl of God's Eye* gives women the opportunity to see their gifts as expansive and without boundaries to be used for the kingdom of God in ways that can challenge the status quo. In *The Pearl of God's Eye*, one learns from Deborah that God uses women to lead and work side-by-side with men. From Jael, that the call to act with military force never diminishes womanhood or femininity in the sight of God. From Zelophehad's daughters, one can learn the power of women who unite to raise their voices for justice. After reading this book, women will begin to understand that they are truly made in the image of God. They will know without a doubt that

they are loved beyond measure.

Good to Great in God's Eyes Jan 26 2022 Now poised to reach a new readership, Good to Great in God's Eyes shows how Christians can honor God with lives of great faith and excellent work. Believers become great in God's eyes by applying the ten common characteristics of great Christians: - think great thoughts - read great books - pursue great people - dream great dreams - pray great prayers - take great risks - make great sacrifices - enjoy great moments - empower great people - develop great habits Using Scripture, personal stories, and examples from Christians who left a lasting legacy, bestselling author Chip Ingram offers practical steps for becoming great in all areas of life, in spiritual growth, family, relationships, and career. Includes a foreword by Bob Buford and helpful discussion questions to facilitate group or individual study.

The Eye of the Falcon (Gods and Warriors Book 3) Jul 28 2019 Winter was colder than anyone can remember, and there is no spring. The eruption of Thalakrea has shrouded the sky in ash, and blotted out the Sun. Fate brings Hylas to the island of Keftiu. He is desperate to find his friends: Pirra, the daughter of the High Priestess, and Havoc the lion cub. But Keftiu has suffered more than anywhere from the fury of the gods, and the once-prosperous island has been ravaged by cold, famine and plague. As Hylas sets off alone, he is tormented by the fear that Pirra and Havoc may not have survived the winter...

Eye of the Gods Sep 29 2019 The Powers of a Goddess Carry a Perilous Cost When Andrea discovers an Evil Eye talisman at her Gram's house in Greece, she's gifted with the powers of Aphrodite, and learns the true story of her family's cursed past. She leaves to attend the boarding school of her dreams in California, using these powers to join the school's Secret Society--while trying not to crush

on Aden, the brooding boy she's hopelessly drawn to. But her charmed new life is put on hold when Aphrodite summons Andrea to Mount Olympus to offer her a bargain: free her powerful family from their crumbling celestial prison and gain their protection--or risk death by the vengeful Gorgon that killed her mother. All she has to do is use Gram's talisman to find the other twelve descendants of Olympia. Easy--until it's stolen as part of the initiation into the Secret Society. As Aden helps her search for it, she discovers the part of the plan Aphrodite didn't mention--the gods will enslave mortals once Andrea frees them. Now she must trust her greatest weapon--her heart--to stand against the immortals willing to sacrifice her and the boy she loves.

Outies Mar 16 2021 Larry Niven and Jerry Pournelle rocked the science fiction world with *The Mote in God's Eye*. Sentient, capable, and even charming, the "Moties" nevertheless proved to be enemies of humankind--not by intent, but by dint of biology. With a fresh point of view, deep continuity, and page-turning plot twists, Pournelle brings a new generation of Moties to life for a new generation of readers. *Outies* introduces new characters, adds depth to beloved old ones, creates a rich, imaginable world, and stands the very notion of "first contact" on its head by questioning what it means to be an alien and an outsider.

God's Eye: Awakening: A Labyrinth World Novel Apr 28 2022 From Wall Street Journal bestselling author Aleron Kong comes, Awakening, Book One of God's Eye, the long awaited second series of the Labyrinth Universe! Telos is a world at the center of the Universe. A bright jewel wrapped in a Lattice of realities. It is a world that gods and demons call home at the beginning of a new age. Remy is a newly risen deity, struggling to survive in a Battle Royale where the consequences are worse than death and last longer than damnation. He will find that he cannot live without his tribe of worshipers. Their strength is his, and his is theirs. Other tribes want nothing more than to feast upon their flesh and consume their power. It is a deadly race of technology and power, faith and corruption, of commoners and legends. Gods of ancient pantheons and demons of forbidden nightmares compete in a timeless game where the stakes are the souls of every living being. These old forces will come to fear a newly risen god. His name will become a curse on their lips. His name will be a chant in the mouths of the faithful. His name will be carved in time. Zero Fell, Zero Fell, ZERO FELL!

God's Eye View Aug 21 2021 In God's Eye View, Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly, time-bound viewpoint. The higher we go, the smaller our problems seem. Tenney also teaches the Principle of Magnification: The closer you get to something, the bigger it appears. In other words, worship not only "shrinks" our problems; it also magnifies God in our lives and to others. Worship doesn't really change our problems; it just minimizes their influence over us as we focus on God. He doesn't promise to remove all of our circumstances, but God does assure us that in His presence and from His perspective--we can see things as they really are and not how they appear to be. In the book of

Revelation John was instructed to "behold the Lion," but from an earthly perspective John saw only the Lamb. The heavenly perspective reveals that the Lamb is the Lion, the babe of Bethlehem is the "ancient of days," and the dragon is really a weakened lizard. God's eye view is higher than man's. Higher than a bird's eye view, higher than a man's eye view is God's eye view.

The Eye of the Chained God Aug 28 2019 In the aftermath of the plague demons' attack on Fallcrest, Roghar's inspiring optimism has played a significant role in the rebuilding of the town. Albanon, meanwhile, has not recovered so well. Tormented by his experiences and his near-transformations first by Vestapalk then by Kri, he has retreated to Moorin's tower, where he immerses himself in books. He is the last member of the Order of Vigilance, touched by both the Voidharrow and Tharizdun--he feels as if he stands on the brink of madness. The Nentir Vale has been ravaged by the abyssal plague and the plague demons. The area is lawless and suspicions run rampant. Only safe as long as they hide, the heroes scout as close as they dare. But with Vestapalk growing ever-stronger and plague demons on the rise, they know they have to act soon. The world cannot afford to wait any longer. As they journey toward the greatest concentration of demons they learn they are on the right path and they gain an ally. Kri, believed dead, resurfaces with wisdom garnered from the Chained God. It seems even Tharizdun himself is against Vestapalk. From the Paperback edition.

Finishing Well Nov 11 2020 'God's purpose for us is to show, as we get older, that he gives us his strength and, through our experiences of him, his wisdom,' says Ian Knox. 'God is not finished with us. In our later years we are not only to be blessed, but to be a blessing and bring a blessing.' As we get older, some of us grow more frenetic in our anxiety to demonstrate that the force is still with us. Others withdraw, often quite abruptly. What is God's view of ageing? The Bible has much to say, and

many stories to tell, about those who did great things, those who did ordinary things well, those who prayed, those who used their gifts, those who suffered, those who went right to the end – and those who, in later years, got it absolutely wrong. How are we going to face the prospect of ageing? Will we subside, give up? Or shall we view retirement as a gift from God, an opportunity to reach out to others? Our older years are full of possibilities, not least of which is that of helping others find Christ.

God's Eye Oct 11 2020 Loneliness is all that Brenna has ever known. She doesn't expect that she will ever even know true companionship, let alone love. People say she was born with the mark of Odin, but Brenna feels it as a curse rather than a blessing. Those who would tell her she is favored by the Allfather are too afraid to look on her; she is apart from her people. Yet she has learned the power of her difference, and turned it to her advantage. She is a shieldmaiden, with a legendary reputation for her valor as well as for her godly gift. Vali is a giant among his people, well-liked and respected. He is of the Úlfhéðnar, a berserker, one of Odin's own elite warriors, and one of the fiercest and bravest warriors to wield an axe or spear. He is the Storm-Wolf; his strength and ferocity are his gifts from the Allfather. Fortune threw the two warriors together when they were but children. Fate brings them together again as warriors when two jarls ally for a raid into Estland. Again and again, Vali seeks Brenna out. He sees her; he sees the woman behind the whispers. More than that, he will not look away. Vali has not forgotten the debt he owes Brenna from their very first meeting, and in seeking his opportunity to repay her, he finds a lonely, beautiful woman whose quiet strength captures his heart. But the sagas do not sing of warriors who live quiet lives, or of love that does not know trial and tribulation. Favored by the gods they may be, but that does not protect Brenna and Vali from the simple and devastating hardships of their lives. Their reputations cannot help them. It

is their love that must become their legend. Note: Explicit sex and violence

The Gripping Hand May 30 2022 A quarter century after humanity quarantines the aliens known as Moties within the confines of their own solar system, the single wall between them and the galaxy beyond begins to crumble. Reprint.

The Burning City Dec 01 2019 Each an acclaimed author in his own right, Larry Niven and Jerry Pournelle have collaborated on some of the biggest bestsellers in science fiction history, including the No. 1 New York Times bestseller *Footfall*, as well as *Lucifer's Hammer*, *Inferno*, *Oath of Fealty*, and *The Mote in God's Eye*. Now Niven and Pournelle have combined their award-winning talents and imaginations to produce a masterpiece of epic fantasy that rivals the works of Robert Jordan and David Eddings. Set in the world of Niven's popular *The Magic Goes Away*, *The Burning City* transports readers to an enchanted ancient city that often bears a provocative resemblance to our own modern society. Here Yagen-Atep, the volatile and voracious god of fire, holds sway, alternately protecting and destroying the city's denizens. In Tep's Town, nothing can burn indoors and no fire can start: by accident -- except when the Burning comes upon the city. Then the people, possessed by Yagen-Atep, set their own town ablaze in a riotous orgy of destruction that often comes without warning. Whandall Placeholder has lived with the Burning all his life. Fighting his way to adulthood in the mean-but-magical streets of the city's most blighted neighborhoods, Whandall alone dreams of escaping the god's wrath to find a new and better life. But his best hope for freedom may lie with Morth of Atlantis, the enigmatic sorcerer who killed his father! Both gritty and exotic, *The Burning City* is unique fantasy vision unlike any you have read before.

Battle of the Linguist Mages Jul 20 2021 "This is a stand-alone novel with material enough for six... By the halfway point, it had blown my mind twice... an audacious, genre-bending whirlwind."

—New York Times “It reads like Snow Crash had a dance-off with Gideon the Ninth, in a world where language isn't a virus from outer space, it's a goddamn alien invasion.” —Charles Stross In modern day Los Angeles, a shadowy faction led by the Governor of California develops the arcane art of combat linguistics, planting the seeds of a future totalitarian empire. Isobel is the Queen of the medieval rave-themed VR game Sparkle Dungeon. Her prowess in the game makes her an ideal candidate to learn the secrets of "power morphemes"—unnaturally dense units of meaning that warp perception when skilfully pronounced. But Isobel's reputation makes her the target of a strange resistance movement led by spellcasting anarchists, who may be the only thing stopping the cabal from toppling California over the edge of a terrible transformation, with forty million lives at stake. Time is short for Isobel to level up and choose a side—because the cabal has attracted much bigger and weirder enemies than the anarchist resistance, emerging from dark and vicious dimensions of reality and heading straight for planet Earth! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In God's Eyes Sep 21 2021 If I asked you to name all of the things you love, how long would it take you to name yourself? If you're anything like the vast majority of humanity, you most likely wouldn't make it onto your own list. *In God's Eyes*, will show you how to adjust your list to: Recover Your Identity Receive Your Inheritance Release Your Influence

[New Essays on Their Eyes Were Watching God](#) Mar 04 2020 An analysis of the literary values of Hurston's novel, as well as its reception--from largely dismissive reviews in 1937, through a revival of interest in the 1960s and its recent establishment as a major American novel.

In God'S Eyes Sep 09 2020 *In Gods Eyes* presents a series of poems written by author Dell Cantrell in thanksgiving to God for his two grandsons. While listening to sermons, reading scripture, or

hearing the weekly lessons read in church, Cantrell often heard God speaking to him and giving him new ideas. He then spent quiet time with Him in prayer, and they would write each poem together. Seeking to inspire readers to draw closer to God and to use that relationship to help grow Gods kingdom, this collection offers inspirational poetry that reaches out with faith. Are You Born of the Spirit? Jesus said that truly no one will ever be able to see the kingdom of God without being born from above. To enter Gods kingdom, you must be born of water and the Spirit by having faith in God and His love. God sent His only Son not to condemn the world but that everyone might be saved through Him for eternity, And all believers born of the Spirit will never perish but have eternal life; and this is promised to you and me. Proceeds from the sale of this book will be donated to the building fund of Trinity Episcopal Church, Baytown, Texas.

by the earlier adepts, it is the logical beginning of any occult discussion of the endocrine chain. The epiphysis cerebri, or pineal body, secures its name from its peculiar shape (thepinus, or pine cone) and arises in the fifth week of the human embryo as a blind sac branching off from that section of the brain which is next in front of the mid-brain—the diencephalon—which includes the area of the third ventricle and adjacent parts. The distal, or remote, portion of this sac becomes the body of the gland. The proximal portion (the point of attachment or origin) remains as the stalk. Is not this pine cone the one to which E. A. Wallis-Budge refers in his *Osiris and the Egyptian Resurrection*, when in describing the entry of Ani into the presence of Osiris in the Egyptian ritual of Coming Forth by Day as “the so-called ‘cone’ on Ani’s wig,” for which the good Egyptologist could find no intelligent reason? Is this not also the whirring cone which was among the symbolic playthings of the child Bacchus and which Bastius describes as a small cone-shaped piece of wood around which a cord was wound so that it might be made to spin and give out a “humming noise”? (See *Orpheus*, by G. R. S. Mead.) Those acquainted with the esoteric function of the pineal gland or who have experienced the “whirring” sound attendant upon its activity will realize how apt is the analogy.

The God's Eye Jan 02 2020 Rafe Lancaster is reluctantly settling into his role as the First Heir of House Stravaigor. Trapped by his father's illness and his new responsibilities, Rafe can't go with lover Ned Winter to Aegypt for the 1902/03 archaeological digging season. Rafe's unease at being left behind intensifies when Ned's fascination with the strange Antikythera mechanism and its intriguing link to the Aegyptian god Thoth has Ned heading south to the remote, unexplored highlands of Abyssinia and the course of the Blue Nile. Searching for Thoth's deadly secrets, Ned is out of contact and far from help. When he doesn't return at Christmas as he promised, everything points to trouble. Rafe is left with a stark choice - abandon his dying father, or risk never seeing Ned

again.

God's Eye Dec 13 2020 A reprint of the classic study of the Katyn Forest Massacre where captured Polish officers were murdered by the Soviet Police as part of a campaign that killed over 25,000 prisoners First published in 1999, Fred Fox's *God's Eye*, as one reviewer explained is part history and part biography. The historical part tells the story of Katyn and other killing fields where more than 20,000 Polish officers, soldiers, border guards, police, and other officials, as well as ordinary citizens, were executed during World War II. The narrative stretches from 1940 to the present, tracking successive investigations that uncovered the truth bit by bit. The hero of Fox's book is a self-taught photo-interpreter of professional caliber named Waclaw Godziemba-Maliszewski. The data collected at the time of the crime were aerial reconnaissance photographs taken by the German Luftwaffe, which were seized, classified, and stored in the "evidence room" of the US National Archives until they were declassified in 1979. The methods used to finally solve the crime were modern photo interpretation and photogrammetry. German occupation forces stumbled onto mass graves at Katyn in April 1943. Nazi propagandist minister Josef Goebbels charged the Soviets with mass murder, hoping to exploit the grisly discovery to shatter the Anglo-American-Soviet wartime alliance. The Germans exhumed many of the corpses and brought in an international team of forensic experts and other observers to substantiate the Soviet atrocity. Stalin blamed the Germans for the massacres, and London and Washington accepted his version of the story as the truth. As time went on, most historians in the West concluded that the Soviets were to blame, since what little evidence there was suggested that the Poles were killed while in Soviet, not German, captivity. Nevertheless, doubts persisted for decades. The biographical part of Fox's book focuses on Maliszewski's indefatigable efforts to identify execution and burial sites, establish Soviet culpability,

and pressure Warsaw and Moscow to complete a full official investigation. Maliszewski, who was born in Scotland in 1948, developed an interest in Katyn early in life when he learned that a relative had been among the victims. Interest turned into obsession, however, when he discovered that the solution to the crime might lie in aerial reconnaissance photographs that the Germans themselves had taken of Smolensk and the surrounding area. While doing research at the US National Archives, Maliszewski came across an intriguing article from the CIA's in-house journal, *Studies in Intelligence*. The author, a respected CIA photo interpreter, had used the German film footage to analyze the physical characteristics of Katyn, identify burial sites, and draw inferences regarding German versus Soviet culpability.

Over the Rainbow - God's Eye for the Gay Guy Apr 04 2020 Angel's autobiography through the metaphors of the story, *The Wonderful Wizard of Oz*

Through God's Eyes Mar 28 2022 When you feel stuck in your job or relationship . . . when all you

worked for leaves you feeling empty inside . . . when fear of what is to come consumes sleepless nights . . . when love seems like an impossible choice to make . . . when the world is not large enough to contain your grief . . . when you struggle to forgive the unforgivable . . . there is one solution that brings true peace. See the world through God's eyes. Look through God's eyes and you see that you are being guided in every moment with infinite wisdom and inexhaustible love, that life is unfolding with indescribable beauty and grace, that Spirit is gently urging you to align your will with Divine Will and be a source of love, hope, and healing energy to all who cross your path. If you have more confusion than clarity about how to live your beliefs, the ancient wisdom permeating "Through God's Eyes" offers the hope and promise that you can escape from the prison of human perception, welcome peace, love, and joy as the dearest of friends, and become a more positive and powerful force for good in the world. "Through God's Eyes: Finding Peace and Purpose in a Troubled World" is unique in two fundamental ways. First, it is the only book that presents a vast array of spiritual principles in an elegant, engaging format that shows how all these concepts interact, how to weave them together into a cohesive worldview, and how to practically apply this spiritual wisdom to daily life. Second, its inventive format alternates illuminating comments with inspiring quotes that support, build upon, and flow into each other to convey penetrating insights into the meaning and purpose of life and the vastness of human potential. TESTIMONIALS "Through God's Eyes" is a superb book, a truly enlightened piece of work that is an essential read for all people who are truly devoted to the care and refinement of their soul. Phil is a contemporary mystic, a man whose life is a living commitment to spiritual service. I am honored to know him. Caroline Myss, author of "Defy Gravity" Regardless of how you conceive the Absolute-as God, Goddess, Allah, Universe, or simply as a sense of cosmic beauty and order-your belief will be enriched by "Through God's Eyes." This fine

book is a refreshing departure from the preachy ideology of religious dogmatism. It reveals the richness, complexity, and meaning of everyday life, warts and all. Larry Dossey, MD, author of "The Power of Premonitions" In "Through God's Eyes," Phil Bolsta has assembled a Dream Team of spiritual wisdom. The book gathers together remarkable luminaries from every tradition-and non-tradition as well-and creatively organizes them into topical categories, like panelists in separate meeting rooms at a large conference; only these wise ones are available to readers any time they are needed. And we all need them. As we make our way along the spiritual path, with all its perplexities, complexities, mysteries, and ambiguities, these trusted companions can provide reliable, timeless guidance. Philip Goldberg, author of "American Veda" At first glance, this monstrous 538-page book appears to be a collection of inspirational quotes from cultural icons as well as sages throughout the ages. However, as you read the book carefully, you will be pleasantly surprised to discover that it actually provides a detailed road map for your spiritual quest for a meaningful and harmonious life. Here lies the genius of Bolsta-he makes the profound look simple and his simple steps can lead to profound changes in individuals and society. Dr. Paul Wong, author of "The Human Quest for Meaning" One of the most important books I've ever read. An incredible compilation of spiritual wisdom and insight. It's the owner's manual God should give you when you're born. Robert Peterson, author of "Out of Body Experiences"

The Mote in God's Eye Nov 04 2022 The accidental killing of a group of emissaries to Earth threatens man's survival

The Eyes Of God Feb 01 2020 A young king breaks with the past and makes peace with the kingdom his father has fought for years. To seal the bargain he is offered the hand of the kingdom's princess. And so begins a fast moving epic of madness, obsession, prejudice and sheer magic. John Marco has

woven an intricate tale of personalities driven by love, hatred and ambition. Each character must, in the end, pay the price for their actions and THE EYES OF GOD is, at its core, an almost classical tragedy. Rich in its evocation of magical lands, detailed in its dissection of motive, compelling in its characters, THE EYES OF GOD is the work of a natural storyteller revelling in his ability.

Through God's Eyes: Marriage Lessons for Women May 18 2021 What do we really know about marriage? Is it just about the happily ever after? We find Mr. Right, a nice venue, a ring, a beautiful dress and a pair of tux. We promise "till death do us part." If it's that simple, why do so many marriages end in divorce? Could it be that we're looking at marriage from the wrong perspective? *Through God's Eyes: Marriage Lessons for Women* is a Bible study that invites you to: - Look at your marriage through the lens of the Bible-Learn from the ancients how to have the marriage God intends-Embrace your role as a wife as you draw closer to your Heavenly Father.As you study the biblical couples in *Through God's Eyes: Marriage Lessons for Women*, you learn what God intended (and did not intend) for marriage.

I Am Special Feb 12 2021 *I Am Special* is a simple to read book that emphasizes that it is not what we do or our unique physical attributes that makes us special. It is solely because each of us is uniquely formed by God and God does not make mistakes. Teaching your child values begins with a child's understanding of who they are and therefore, from where those values originate. To understand that we are unique individuals formed by the Most High God gives your child an understanding of their immense value. No other creature was created in the image of God. Our self-esteem or self-worth should not be based on what we do or by any special talent or ability. Something is only worth what someone is willing to pay for it. God not only created one of each of us, but shows how valuable we are to Him by sending His Son to die for us.

The God's Eye View Aug 01 2022 NSA director Theodore Anders has a simple goal: collect every phone call, email, and keystroke tapped on the Internet. He knows unlimited surveillance is the only way to keep America safe. Evelyn Gallagher doesn't care much about any of that. She just wants to keep her head down and manage the NSA's camera network and facial recognition program so she can afford private school for her deaf son, Dash. But when Evelyn discovers the existence of a program code-named God's Eye and connects it with the mysterious deaths of a string of journalists and whistle-blowers, her doubts put her and Dash in the crosshairs of a pair of government assassins: Delgado, a sadistic bomb maker and hacker, and Manus, a damaged giant of a man who until now has cared for nothing beyond protecting the director. Within an elaborate game of political blackmail, terrorist provocations, and White House scheming, a global war is being fought--a war between those desperate to keep the state's darkest secrets and those intent on revealing them. A war that Evelyn will need all her espionage training and savvy to survive, because the director has the ultimate advantage: The God's Eye View.
