When Scotland Was Jewish Jun 16 2021 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

A Historical Guide to Roman York Jan 24 2022 Considering that York was always an important Roman city there are few books available that are devoted specifically to the Roman occupation, even though it lasted for over 300 years and played a significant role in the politics and military activity of Roman Britain and the Roman Empire throughout that period. The few books that there are tend to describe the Roman era and its events in date by date order with little attention paid either to why things happened as they did or to the consequences of these actions and developments. This book is different in that it gives context to what happened here in the light of developments in Roman Britain generally and in the wider Roman Empire; the author digs below the surface and gets behind the scenes to shed light on the political, social and military history of Roman York (Eboracum), explaining,

for example, why Julius Caesar invaded, what indeed was really behind the Claudian invasion, why was York developed as a military fortress, why as one of Roman Britain's capitals? Why did the emperors Hadrian and Severus visit the fortress? You will also discover how and why Constantine accepted and projected Christianity from here, York's role in the endless coups and revolts besetting the province, the headless gladiators and wonderful mosaics discovered here and why the Romans finally left York and Roman Britain to its own defence. These intriguing historical events are brought to life by reference to the latest local archaeological and epigraphical evidence, to current research and to evolving theories relating to the city's Roman treasures, of which can be seen in the Yorkshire Museum in York, or in situ.

Online Music Distribution - How Much Exclusivity Is Needed? Nov 29 2019 This book analyzes regulatory models established in the field of online music distribution, and examines their consistency with the overarching objectives of copyright law. In order to do so, the book takes a deep dive into the provisions of international treaties, EU Directives as well as the German and US copyright systems and case law. It subsequently scrutinizes the identified regulatory models from the standpoint of the copyright's objectives with regard to incentives, rewards, a level playing field, and dissemination. Lastly, it endorses the improved market-based statutory license as a preferable instrument in the online music field. The book is intended for all readers with an interest in music copyright law. Part I will especially benefit copyright scholars and practitioners seeking in-depth insights into the current legal situation regarding streaming and downloading. In turn, Part II will above all appeal to scholars interested in "law and economics" and in the theoretical foundations of online music copyright. Policy recommendations can be found in Part III.

United States of Apocalypse Dec 11 2020 When World War 3 erupts on American soil it is up to some less than likely heroes to band together and stand tall against any and all comers as a once proud nation is brought to her knees. Cowardly terrorist attacks and indifferent Global communities have isolated America as she spirals into a desperate bid for survival. Follow Darlene Bobich, and her group on the west coast along with Michael Talbot on the east coast as they do everything in their power to thwart those that would take everything that they and all of us are, away.

Daredevils Sep 27 2019 Mormons meet Evel Knievel in this stunning coming-of-age novel about desire and escape At the heart of this coming-of-age novel set in Arizona and Idaho in the mid-1970s is fifteen-year-old Loretta - a beautiful girl with sharp intelligence and courage beyond her years and experience. Raised by strict Mormon parents, she secretly slips out of her bedroom to meet a so-called gentile boy. When her parents catch her returning one night, she is punished and forced to marry the much older Dean Harder, a devout fundamentalist who already has a wife and children. The Harders relocate to his native Idaho, where Dean's teenage nephew, Jason, falls in love with Loretta. Jason worships Evel Knievel and longs to leave his close-minded community. He and Loretta make a daring break for it. They drive all night, stay in a hotel, and relish their dizzying burst of teenage freedom - including a drunken encounter with (possibly) Evel Knievel himself. But someone Loretta left behind is on their trail... Shawn Vestal was born in 1966 in Gooding, Idaho. His story collection *Godforsaken Idaho* won the 2014 PEN/Robert W. Bingham Prize and was shortlisted for the Saroyan Prize. A graduate of the Eastern Washington University MFA program, his stories have appeared in *Tin House*, *Ecotone*, *McSweeney's*, *Southern Review* and other journals; his short memoir *A.K.A. Charles Abbott* recounts the story of his father, who took the family to Canada in flight from the law. He writes a column for *Spokesman-Review* in Spokane, Washington,

The Lost Book of Enki Jan 12 2021 The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these "gods" from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the story concerning our origins at the hands of the Anunnaki, "those who from heaven to earth came." In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first "astronauts." What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

The Forest Jun 24 2019 A remarkable and ambitious novel whose central character is not a man or a woman, but the ancient New Forest of England. Few places lie closer to the heart of the nation's heritage than the New Forest. Now Edward Rutherfurd weaves its history and legends into compelling fiction, from the mysterious killing of King William Rufus to treachery and witchcraft, smuggling and poaching: this is an epic tale of well-born ladies, lowly woodsmen, sailors, merchants and Cistercian monks. The feuds, wars, loyalties and passions of generations reach their climax in

a crime that shatters the decorous society of Jane Austen's Bath, and whose ramifications continue through the age of the Victorian railway builders to the ecologists of the present day.

Teaching Children Physical Education Mar 14 2021 Contains brief vignettes of elementary school physical education teachers demonstrating some of the teaching skills described in the book.

Kingdom Woman Oct 09 2020 A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In Kingdom Woman, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

Bloodleaf Dec 23 2021 "Enchanting, visceral, and twisty"—New York Times bestselling author of Ash Princess, Laura Sebastian "BLOODLEAF feels like a classic in the making." – Sara Holland, New York Times bestselling author of Everless A roar of a dark and luscious epic fantasy that's layered with heady romance, bloodthirsty magic, and ghostly intrigue—an absolutely wicked delight. Aurelia is a princess, but they call her a witch. Surrounded by spirits and burdened with forbidden magic, she lives in constant fear of discovery by the witch-hunting Tribunal and their bloodthirsty mobs. When a devastating assassination attempt reveals her magical abilities, Aurelia is forced to flee her country with nothing but her life. Alone and adrift in an enemy kingdom, Aurelia plans her revenge against the Tribunal, desperate to bring down the dark organization that has wrought terror upon her people for hundreds of years. But there's something deeply amiss in her new home, too, and soon she finds herself swept into a deadly new mystery with a secretive prince, the ghost of an ancient queen, and a poison vine called Bloodleaf. Aurelia is entangled in a centuries-long game of love, power, and war, and if she can't break free before the Tribunal makes its last move, she may lose far more than her crown.

Unlikely Animals Jan 30 2020 "This tragicomic novel is heartfelt, touching, and delightfully quirky. You'll fall in love with the offbeat cast of characters (both living and dead) and find yourself rooting for them right through the last page."—Good Housekeeping (Book Club pick) A lost young woman returns to small-town New Hampshire under the strangest of circumstances in this one-of-a-kind novel of life, death, and whatever comes after from the acclaimed author of Rabbit Cake. NAMED ONE OF THE BEST BOOKS OF THE YEAR (SO FAR) BY BOOKRIOT It was a source of entertainment at Maple Street Cemetery. Both funny and sad, the kind of story we like best. Natural-born healer Emma Starling once had big plans for her life, but she's lost her way. A medical school dropout, she's come back to small-town Everton, New Hampshire, to care for her father, who is dying from a mysterious brain disease. Clive Starling has been hallucinating small animals, as well as having visions of the ghost of a long-dead naturalist, Ernest Harold Baynes, once known for letting wild animals live in his house. This ghost has been giving Clive some ideas on how to spend his final days. Emma arrives home knowing she must face her dad's illness, her mom's judgment, and her younger brother's recent stint in rehab, but she's unprepared to find that her former best friend from high school is missing, with no

one bothering to look for her. The police say they don't spend much time looking for drug addicts. Emma's dad is the only one convinced the young woman might still be alive, and Emma is hopeful he could be right. Someone should look for her, at least. Emma isn't really trying to be a hero, but somehow she and her father bring about just the kind of miracle the town needs. Set against the backdrop of a small town in the throes of a very real opioid crisis, *Unlikely Animals* is a tragicomic novel about familial expectations, imperfect friendships, and the possibility of resurrecting that which had been thought irrevocably lost.

Chronicle of the Abbey of Bury St Edmunds Sep 19 2021 This is the first English translation for forty years of a medieval classic, offering vivid and unique insight into the life of a great monastery in late twelfth-century England. The translation brilliantly communicates the interest and immediacy of Jocelin's narrative, and the annotation is particularly clear and helpful.

Don't Tell the Nazis Jul 26 2019 Marsha Forchuk Skrypuch (author of *Making Bombs for Hitler*) crafts a story of ultimate compassion and sacrifice based on true events during WWII. The year is 1941. Krystia lives in a small Ukrainian village under the cruel -- sometimes violent -- occupation of the Soviets. So when the Nazis march into town to liberate them, many of Krystia's neighbors welcome the troops with celebrations, hoping for a better life. But conditions don't improve as expected. Krystia's friend Dolik and the other Jewish people in town warn that their new occupiers may only bring darker days. The worst begins to happen when the Nazis blame the Jews for murders they didn't commit. As the Nazis force Jews into a ghetto, Krystia does what she can to help Dolik and his family. But what they really need is a place to hide. Faced with unimaginable tyranny and cruelty, will Krystia risk everything to protect her friends and neighbors?

The Meditations Jul 18 2021 *The Meditations of the Emperor Marcus Aurelius Antoninus: The Complete 12 Books. A New Rendering Based on the Foulis Translation of 1742 by George W. Chrystal.* Meditations, literally "things to one's self", is a series of personal writings by Marcus Aurelius, Roman Emperor from 161 to 180 AD, recording his private notes to himself and ideas on Stoic philosophy. Marcus Aurelius wrote the 12 books of the *Meditations* in Koine Greek as a source for his own guidance and self-improvement. It is possible that large portions of the work were written at Sirmium, where he spent much time planning military campaigns from 170 to 180. Some of it was written while he was positioned at Aquincum on campaign in Pannonia, because internal notes tell us that the first book was written when he was campaigning against the Quadi on the river Granova and the second book was written at Carnuntum.

Economics Aug 31 2022 This work maintains the approach of the US text, *Principles of Economics* by Case and Fair, but with the main focus on Europe. This is reflected in the use of the open economy approach, the use of the Euro as the standard currency, as well as providing numerous European examples and applications. Maths Boxes enable the lecturer to decide on the amount of calculus they wish to include. End-of-chapter problems with selected answers at the end of the book allow students to assess their progress.

The Blossom and the Firefly May 04 2020 From the award-winning author of *Flygirl* comes this powerful WWII romance between two Japanese teens caught in the cogs of an unwinnable war, perfect for fans of *Salt to the Sea*, *Lovely War*, and *Code Name Verity*. Japan 1945. Taro is a talented violinist and a kamikaze pilot in the days before his first and only mission. He believes he is ready to die for his country . . . until he meets Hana. Hana hasn't been the same since the day she was buried alive in a collapsed trench during a bomb raid. She wonders if it would have been better to have died that day . . . until she meets Taro. A song will bring them together. The war will tear them apart. Is it possible to live an entire lifetime in eight short days? Sherri L. Smith has been called "an author with astonishing range" and "a stellar storyteller" by E. Lockhart, the New York Times bestselling author of

We Were Liars, and "a truly talented writer" by Jacqueline Woodson, the National Book Award-winning author of *Brown Girl Dreaming*. Here, with achingly beautiful prose, Smith weaves a tale of love in the face of death, of hope in the face of tragedy, set against a backdrop of the waning days of the Pacific War.

In the Words of Wellington's Fighting Cocks Jul 06 2020 The literature of the Peninsular War is rich with vivid source material – letters, diaries, memoirs, and dispatches – but most of it was written by British soldiers or by the French and their allies. As a result the history and experience of the Portuguese forces – which by 1812 composed close to half of Wellington's Army – have been seriously under-represented. That is why this pioneering book, which publishes for the first time in English the after-action reports written by the commanders of Portuguese battalions, regiments and brigades, is so important. For these detailed, graphic firsthand accounts give us a fascinating insight into the vital contribution the Portuguese made to the allied army and shed new light on the struggle against the French in the Iberian Peninsula. The authors provide an introduction tracing the history of the Portuguese Army prior to the Salamanca campaign of 1812, while tracking its organizational changes and assignment of commanders from 1808 to 1814. They include detailed notes on the after-action reports which set them in the context of each stage of the conflict.

Economics Oct 01 2022 "Written to engage you with real world issues and questions in economics, this book provides up-to-date coverage of the financial crisis and its many subsequent implications, which are vital to understanding today's economic climate. Case studies help you to understand how economics works in practice, and to think critically"--Back cover.

The History of the World in 100 Pandemics, Plagues and Epidemics Jun 28 2022 This revelatory book charts and explains the impact and consequences of successive pandemics, plagues and epidemics on the course of world history – all through the lens of today's ongoing global experience of COVID 19. Ranging from prehistory to the present day, it first defines what constitutes a pandemic or epidemic then looks at 20 guilty diseases: including cholera, influenza, bubonic plague, leprosy, measles, smallpox, malaria, AIDS, MERS, SARS, Zika, Ebola and, of course, Covid-19. Some less well-known, but equally significant and deadly contagions such as Legionnaires' Disease, psittacosis, polio, the Sweat, and dancing plague, are also covered. The book is ordered chronologically. Each chapter features an explanation and description of epidemiology, sources and vectors, morbidity, mortality, governmental response and reaction, societal response and impact as well as psychological issues where known - and the political, legal and scientific consequences it had or has for each locus at a local and international level. In short – the book explains how each of the events both made and influenced subsequent history in its own way, particularly how each shaped future medical and scientific research and vaccine development programmes. It also examines myths about infectious diseases, the role of the media and social media. Perhaps most importantly, Paul Chrystal asks what lessons have been learnt. Will we be better prepared next time? Because, if one thing is sure, there is going to be a 'next time'.

English as a Global Language May 28 2022 Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

Economics and Economic Systems Mar 02 2020 Although individuals and countries, for centuries, have exchanged goods and services for money, the formal field of economics—the study of wealth and how it is produced and distributed—is relatively young. Since Adam Smith's pioneering work in the 18th century, economics has developed a great deal, and with it, so has our understanding of market systems, such as capitalism and centrally planned systems. A detailed explanation of the scope of economics, historical development, and the strengths and weaknesses of various economic systems is provided.

The Wild Rose Aug 07 2020 The finale to the sweeping, multi-generational saga that

began with THE TEA ROSE and continued with THE WINTER ROSE. London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. As the last golden days of summer give way to the gathering clouds of war, two men and one woman find their lives forever intertwined in a lethal web of forbidden loves, hidden loyalties, and dangerous lies. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, THE WILD ROSE is a highly satisfying conclusion to the sweeping, multi-generational saga that began with the tea Rose and the Winter Rose - an unforgettable trilogy. Praise for the Rose trilogy: 'truly seductive, hard to put down, filled with mystery, secret passions, unique locations, and a most engaging heroine ... captivates from the first page to the last' - Barbara Taylor Bradford
