Oil and Gas Dictionary Jul 25 2022 Arranged in alphabetical order, this book provides an understanding for those not fully in command of the language in every area of oil and gas. It covers and explains three areas. Scientific and engineering terms are explained specifically for those with no technical background. In the same way general economic and financial terms regularly used in the industry are explained specifically for those with no economic or financial background. Finally, the book explains the industry-specific terms for those who need to understand aspects of the industry but have been hindered from doing so by their inability to discover the meaning of the jargon used.

A Treasure Worth Seeking Oct 28 2022 A woman searching for her long-lost brother teams up with a government agent to track him down, but they're about to discover shocking lies . . . and an undeniable chemistry that tempts them both. Erin: After years of searching for the brother she's never known, Erin O'Shea has finally found his San Francisco address. She stands on the doorstep, unaware that she's about to experience a shocking drama of family lies -- and meet an intriguing, infuriating man who will change her life. Lance: He's a G-man for the government's toughest cases -- like the big-money scam involving Erin's long-lost brother. But although Lance is immediately attracted to her, he could never predict that his feelings will drive him to break every rule in the book -- and put his career and even Erin's future on the line.
