Pangs of Love and Longing Jul 13 2021 The complex relationship between psychic structures, social norms, and aesthetic representations is a challenge for every analysis of the historical manifestations of human desire. Pangs of Love and Longing: Configurations of Desire in Premodern Literature sets out to provide a deeper understanding of this relation by an assessment of linguistic and artistic configurations of desire in European literature from Antiquity to the Early Modern period. The aim is to explore historic continuities and ruptures in attitudes towards sexuality, pleasures and bodies, as these are represented in a variety of cultural forms, in order to demonstrate the plurality of premodern desire – and, ultimately, to offer fresh perspectives on our present reality. The seventeen scholars participating in the anthology bring together theories and assessments from different areas of the Humanities – German, French, Italian, Spanish, English, and Comparative Literature, History of Ideas and of Art, Theology, Philosophy and Gender Studies. They are all engaged in cross-disciplinary activities at universities in Sweden, Norway and Denmark, and they all participate in the Scandinavian network “Configurations of Desire in Premodern Literature” initiated in 2010.

Longing for More Apr 29 2020 The quiet places of your heart, do you ever yearn for something more? Many Christian women, if we are honest, feel discontented about aspects of our lives. Some of us long to be married, while others long to escape from marriage. Some of us struggle with our roles in the church, wondering why God would give us gifts that are not allowed to flourish. Some of us feel we have no voice. Others of us have no idea what we would say if we did. Ruth Haley Barton believes that what lies underneath all our confusion is a longing for freedom—not the freedom to do as we please, but the freedom to discover our full identity in Christ and use our gifts to serve God. With wisdom and charity Barton's exhilarating book explores the many areas of a woman's life that need the freeing touch of Christ such as vocation, relationships, spirituality, identity, sexuality, singleness, marriage and motherhood. Avoiding both feminist and fundamentalist trappings, she affirms our longings as important markers which point us toward Gods renewing love. Barton's honesty, biblical insight, practical examples and loving encouragement combine to form a powerful, empowering book that will transform the way you live out your identity and purpose in Gods kingdom.

[Spirit Hunger](#) Jul 25 2022 We all have a desperate need for God – not just for following him or being committed to him, but to be intimately connected to him. We long for purpose, for affirmation, for attention, for nurture. But Gari Meacham writes that we fall short of being desperate for God, or we miss the longed-for romance with God we hear about in scripture. We're uncertain how to distinguish our longings from our fears. When, says Meacham, did our longings turn to hauntings? And when did we buy into the counterfeit yearnings for control, and the insecurity, perfectionism and other attitudes that quench Spirit Hunger? The answer to Spirit Hunger is to engage God like never before. In this book Meacham shows through her story and the stories of others how to turn worry into belief, problems and heartaches into a life of intimate prayer, and sighs for intimacy into closeness with God. She discusses her discoveries about prayer including why asking is sometimes hard, how we can notice and track God's movements as we seek his answers, and why it's sometimes such a struggle to believe after we've prayed. Meacham writes, “With the authenticity of my own life stories—marriage to a professional baseball player, struggles with severe food bondage, and a father who was a quadriplegic—I came to the crisp realization that my prayer life and my belief needed to match. Spirit Hunger provides a clear path towards matching these heart cries—leading away from crumbs and counterfeit, to a hungering for God.”

[Spirit Hunger Workbook](#) Sep 27 2022 In this six-session small group Bible study (DVD/digital video sold separately), Spirit Hunger, Gari Meacham peels back the layers of lesser loves we use to fill our true 'hunger' for a relationship with God. It's often tempting to stay safe with God. Do your prayers reflect the desire you have to communicate with God? Do you listen for God, or talk right over him? What would happen if you truly abandoned yourself to experience an adventure with God? Gari invites you to get gutsy with God. In Spirit Hunger, she journeys with you to the raw places of desiring God and discovering a faith-filled way of praying and believing the God we adore. Spirit Hunger unwraps our heart's desire to engage God, even when we cover that desire with lesser loves. Meacham writes, “With the authenticity of my own life stories—marriage to a professional baseball player, struggles with severe food bondage, and a father who was a quadriplegic—I came to the crisp realization that my prayer life and the belief needed to match. Spirit Hunger provides a clear path towards matching these heart cries—leading away from crumbs and counterfeit, to a hungering for God.” Relatable and relative, Gari addresses the following topics in Spirit Hunger: Longing and Numbing: Are these signs of a hungry spirit? Believing: Is our prayer life really a worry life? Travelling and Shouldering: Do we understand how to pray with an intensity and intimacy? Questioning: What about the outcomes we can't reason with or explain? The Holy Longing Oct 04 2020 Ronald Rolheiser makes sense of what is frequently a misunderstood word: spirituality. In posing the question “What is spirituality?” Father Rolheiser gets quickly to the heart of common difficulties with the subject, and shows through compelling anecdotes and personal examples how to channel that restlessness, that deep desire, into a healthy spirituality. This book is for those searching to understand what Christian spirituality means and how to apply it to their own lives. Rolheiser explains the nonnegotiables—the importance of community worship, the imperatives surrounding social action, the centrality of the Incarnation, the sustenance of the spiritual life—and how spirituality necessarily impacts every aspect of human experience. At the core of this readable, deeply revealing book is an explanation of God and the Church in a world that more often than not doubts the credibility of both.

Longing for Spring Nov 24 2019 Delving into the widespread, contemporary longing for a more serious and communal experience of Christianity, this book provides important theoretical underpinnings and casts a vision for a new monasticism within the Wesleyan tradition. Elaine Heathand Scott Kisker call for the planting of neo-monastic churches which embody the Wesleyan vision of holiness in postmodern contexts. This book also points toward some vital shifts that are necessary in theological education in order to equip pastorsto lead such communities. Longing for Spring helps Wesleyans of all stripes understand the theory and praxis necessary for planting neo-monastic communities as a new model of the church that is particularly important in the postmodern context. The authors write in an engaging, conversational style that is conversant with postmodern culture, yet thoroughly informed by critical research. Heath and Kisker boldly challenge the imagination of the church, both within and beyond Wesleyan traditions, to consider the possibility of revitalizing the church through the new monasticism.

[A Royal Waste of Time](#) Oct 24 2019 Following up on her Reaching Out without Dumbing Down, Marva Dawn here insists that churches need to engage in a serious process of community discernment concerning worship in order to employ the best tools and forms, and she offers extensive reflections to further the discussion. Each part of A Royal “Waste” of Time begins with a sample Scripture-based sermon since Dawn emphasizes that the church's worship must follow biblical guidelines and form a biblical people.

The Five Longings Jul 21 2019 How identifying what you want can reveal deep truths about yourself—and how working with those longings can lead to a happier, more satisfying life If you've ever had a vague sense that something's missing from your life, congratulations: that longing for something better is a sign of being fully human, fully alive. But what's even more wonderful, according to Dave Richo, is that when you identify and carefully examine the things you long for—like love, meaning, freedom, happiness, and growth—you not only discover deep truths about yourself, but you also find that the things you long for never really “missing” at all. Richo provides enlightening advice and practices for accessing just this kind of profound self-discovery, illustrated by a wealth of examples from depth psychology, religion, and literature. Our longings in fact point to the presence of something transcendent in us, he shows. In seeking something better, we are seeking that which we already are. “David Richo does a brilliant job unpacking the unhealthy versions of ego that confine us. Through psychological and Buddhist wisdom teachings and a range of powerful practices and meditations, we are guided beyond the identity of separate self to the loving awareness that is our deepest essence.”—Tara Brach, PhD, author of Radical Acceptance and True Refuge

Prayer Oct 28 2022 Prayer: Our Deepest Longing looks at the issues facing people of faith in today's culture, and offers a way of more effectively dealing with them by seeking out opportunities for prayer. With simple, down-to-earth language, Rolheiser illustrates the importance of prayer and offers techniques on how to pray, using examples from daily life, Scripture, and contemporary writers. He delves into the places that we fear to go with our issues about prayer, encouraging us with gentle kindness and words of hope and inspiration. The book is divided into five sections. 1. Why Pray? Illustrates the purposes and benefits of prayer for ourselves, as well as for the broader Catholic community and even the world. 2. Why Is It so Hard? Notes how our contemporary culture conspires against taking time out for solitude and prayer, and how our own ego—with its fears, restlessness, and narcissism—can work against developing a deeper relationship with God through prayer. 3. What Is Prayer? Outlines the two basic types of prayer, that is, affective (personal) and priestly (for the world). This section also notes the many ways or methods for each type of prayer, such as meditation, contemplation, the divine office, the Mass, and Scripture. 4. Sticking with It When It Gets Hard. This section covers the development of mature prayer, discussing ways to pray in times of boredom, disillusionment, crisis, helplessness, or after a loved one's death. 5. Mysticism. Here we learn about this increasingly popular form of intimate relationship with God. There will be a leader's guide for this book, making it an ideal resource for use with prayer groups, small faith communities, and retreats. This is a book for all manner of believer, whether your faith is solidly rooted in Catholicism, wavering between the Christianity of childhood and non-participatory faith as an adult, or just not sure what you believe—or whether you believe at all. It addresses topics that typify our culture, such as narcissism, pragmatism, efficiency, and self-gratification, and that work against a healthy spiritual life. Finally, the book takes us to a place of contact and comfort, in relationship not only with God but with our true selves as well.

[Embracing a Feeling Heart](#) Aug 14 2021 Embracing a Feeling Heart is a Christ-centered curriculum for people who would like to learn about the role that emotions play in our lives. God created people to feel a wide array of emotions, which give us valuable information about our hearts. Because of the fall, we tend to mishandle, misread, repress, suppress, avoid, or deny feelings, which make us great pretenders and experts at deceit. If you've been taught that emotions are unimportant or wrong to feel and express or you have experienced shame over the emotions you experience, this book will give you new insights that will give you the freedom to experience all the emotions you were created to feel. This book can also help you learn to live a more authentic life, experience a deeper sense of community by helping you to form heart connections, and give you a deeper understanding of the Creator. Wendy J. Mahill is a member of the American Association of Christian Counselors, a lay counselor at Riverlakes Community Church in Bakersfield, California, and the director of Passionate Heart Ministries. She's written two other books used in this ministry. Growing a Passionate Heart is designed to help survivors of childhood sexual abuse and Growing a Courageous Heart is designed to help women struggling with eating disorders. In this epic journey of healing through feeling, Wendy pours out her personal testimony in each chapter helping to bring about greater relevance, awareness, and understanding. I wholeheartedly recommend Wendy's book. Through this curriculum and the power of Christ, healing steps can be taken from denying a wounded heart to Embracing a Feeling Heart. Love Me Anyway Sep 15 2021 There may be no more powerful desire in the human heart than to be loved. And not just loved, but loved anyway. In spite of what we've done or left undone, in spite of the ways we have failed or floundered. We long for an unconditional, lavish love that we know intrinsically we don't deserve. If you are tired, sad, yet always longing, bestselling author Jared C. Wilson has incredible news for you: that kind of love actually exists, and it is actually something you can experience—whether or not you're in a romantic relationship. In his signature reflective, conversational, and often humorous style, Wilson unpacks 1 Corinthians 13 to show us what real love looks like. Through engaging stories and touching anecdotes, he paints a picture of an extravagant God who not only puts the desire for love into our very souls but fulfills those desires in striking, life-changing ways.

The Holy Longing Dec 06 2020 "Longing is the core of mystery. Longing itself brings the cure." Rumi in every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship, spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry, when we misplace it onto objects, such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. The Holy Longing tells the stories of teachers in many traditions Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people Catholic believers, students of Zen and TM, followers of Trungpa Rinpoche and Rajneesh and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith-moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way.

The Rubais of Rumi Nov 05 2020 The first English translation of the rubais of Rumi - Presents 233 of the most evocative of Rumi's 1,700 rubais - Shows that the mystical embrace is the way to directly experience the Divine Rumi is well known for the over 44,000 verses that appear in a 23-volume collection called the Divan-i Kebir. Yet Rumi also composed 1,700 rubais, short aphorisms and observations, whose depth and message belie their brevity. The form of rubais first became well known through the 11th-century collection *The Rubaiyat of Omar Khayyam*. But unlike Khayyam, who like most poets would sit and carefully craft each word, Rumi would compose and speak his poems through the spontaneous "language of poetry" that poured from his lips as he traveled the streets of Konya, Anatolia (present-day Turkey). Very few of Rumi's rubais have been translated into any of the languages of the contemporary Western world. Now, Nevit O. Ergin, the translator of the complete *Divan-i Kebir*, and Will Johnson present here 233 of the most evocative of Rumi's 1,700 rubais. Rumi's poetry expresses profound and complex truths in beautiful yet simple language. He reveals that by going deep into the interior of our heart and soul, we can arrive at a place in which we once again merge and connect with the divine. This mystical quest, Rumi contends, is the birthright of us all. Anything less than a complete dissolving into the world of divine union will not provide the satisfaction and peace that we all seek. The simple, yet profound spiritual truths and visions contained in *The Rubais of Rumi* lead the way to the path of reconnection to the direct energies of God.

Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

Longing for Eden Dec 26 2019 Most of us recognize intuitively and by observation that we are broken. We enter adulthood carrying emotional scars from our childhood that directly affect our ability to live healthy adult lives and invariably get passed on to our own children, continuing the vicious cycle—a cycle author Henry Yoder dates back to the garden of Eden. But most of us also have the intuition deep within ourselves that life was meant to be more than our experience of brokenness, that this brokenness was not originally intended. Where does that intuition come from? Is it purely wishful thinking you haven't been able to put away, even through all your pain? Or is it possible that God has pressed His image into you so deeply that even after all you've experienced, the Longing for Eden is still in your soul? Join Henry Yoder as he describes God's original intention for you as a creature formed in God's image and likeness, invites you to examine the cause of your brokenness, and offers a way forward toward the wholeness you long for.

The Deepest Longing of Young People Mar 21 2022 The best way to teach young people that they are valuable and meaningful is to offer them uninterrupted attention. By that simple yet powerful act, we are showing young people that it isn't what they can do for us that matters. What matters is their inalienable right to unconditional love. This is the deepest longing of our young people today, consistent, transparent relationship—not a new program or curriculum to tell them what to do or what they should value, but a caring, compassionate adult who will walk the path to wholeness with them. In *The Deepest Longing of Young People*, Jerry Goebel reminds us that the greatest statement we make to young people is to spend time with them—to come to them especially when they have been most inconsistent and, at that time, be least judgmental. Every parent and everyone who works with youth should read this book.
