[Dragonfly in Amber](#) Aug 18 2021 THE SECOND NOVEL IN THE BESTSELLING OUTLANDER SERIES - now a major new TV series. For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to the majesty of Scotland's mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones, about a love that transcends the boundaries of time, and about James Fraser, a warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Now a legacy of blood and desire will test her beautiful daughter as Claire's spellbinding journey continues in the intrigue-ridden court of Charles Edward Stuart, in a race to thwart a doomed uprising, and in a desperate fight to save both the child and the man she loves.

Lost Towns of Mason County, Michigan Mar 25 2022 More than a century ago, Mason County was a much different, harsher place. Arriving by foot and boat to find a dense wilderness, hardy pioneers carved out tiny settlements stretching right to the coast of Lake Michigan. When the lumber industry arrived in Michigan, the settlements grew to boomtowns and new towns formed. To serve the lumber industry, the railroad spread across the county, and immigrants and settlers flooded in to have their chance at the American Dream. But when the lumber ran out, the mills closed down. Jobs disappeared, and so did these towns. Out of the thirty-nine settlements, only two cities and six fading villages remain today. Join local author Sandi Lewis-Malburg as she uncovers the towns that time forgot.

Lamb to the Slaughter (A Roald Dahl Short Story) Dec 22 2021 Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police. . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer ) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

[Amber Scott is Starting Over](#) Jun 03 2020 A city girl through and through - how will she cope with country life? The brilliantly entertaining new novel from the author of Katy Carter Wants a Hero. Amber Scott loves her city life - a terrific job working on a glossy magazine, and a fiancé, Ed, she's known since Uni. Even if Ed doesn't take her job seriously (as a solicitor, he doesn't have much time for women's magazines!), it is Amber's dream job. So Ed's news that he has taken a job in the West Country turns Amber's world upside down. The new life in Cornwall does not get off to the best start. The huge house Ed was so keen on is, well, huge - what is Amber going to do with four acres? And do M&S make Aga-ready meals? And when a handsome, if surly, man leads the local hunt over her land, it's more than Amber can stand. So how is it that, before long Amber is friends with the local eccentric Lady of the Manor, making love potions at her mother's

recommendation - and answering the door naked to strangers...?
