drawn on with marker pen - blissfully unaware of the very real threat all around him. With equal fascination for the local gang - the Dell Farm Crew - and the pigeon who visits his balcony, Harri absorbs the many strange elements of his new life in England: watching, listening, and learning the tricks of inner-city survival. But when a boy is knifed to death on the high street and a police appeal for witnesses draws only silence, Harri decides to start a murder investigation of his own. In doing so, he unwittingly endangers the fragile web his mother has spun around her family to try and keep them safe. A story of innocence and experience, hope and harsh reality, Pigeon English is a spellbinding portrayal of a boy balancing on the edge of manhood and of the forces around him that try to shape the way he falls.
