In many schools, the answers to these questions often range from "not very" to "not at all." When that's the case, grades are "broken" and teachers and schools need a "repair kit" to fix them. A Repair Kit for Grading: 15 Fixes for Broken Grades, 2/e gives teachers and administrators 15 ways to make the necessary repairs.

Our students study authentic texts and come to recognize these "patterns of power"--the essential grammar conventions that readers and writers require to make meaning. The first part of the book introduces a vibrant approach to grammar instruction and sets up what you need to immerse yourself in the Patterns of Power process, inviting students to experiment and play with language. The second part of the book offers over seventy practical, ready-to-use lessons, including: Extensive support materials Over 100 mentor sentences, curated for grades 1-5 Student work samples Tips and power notes to facilitate your own knowledge and learning Examples for application In Patterns of Power Jeff and Whitney suggest that taking just five minutes from your reading workshop and five minutes from your writing workshop to focus on how the conventions connect reading and writing will miraculously affect your students' understanding of how language works for readers and writers.

Uncle Jed's Barber Shop Nov 14 2021 Sarah Jean’s Uncle Jed was the only black barber in the county. He had a kind heart and a warm smile. And he had a dream. Everyone has a favorite relative. For Sarah Jean, it was her Uncle Jed. Living in the segregated South of the 1920s, where most people were sharecroppers, Uncle Jed had to travel all over the county to cut his customers’ hair. He lived for the day when he could open his very own barbershop. But it was a long time, and many setbacks—from five-year-old Sarah Jean’s emergency operation to the bank failures of the Great Depression—before the joyful day when Uncle Jed opened his shiny new shop and twirled a now grown-up Sarah Jean around in the barber chair. With James E. Ransome’s richly colored paintings brimming with life, this is a stirring story of dreams long deferred and finally realized.
