Justice League vs. The Legion of Super-Heroes (2022) #1 Jul 28 2022 One thousand years in the future, a Legion of Super-Heroes comes together to dedicate their lives to recapturing the great age of heroes of the 21st century. When the heroes discover that reality is falling to a great darkness in both times simultaneously, the Justice League and the Legion of Super-Heroes must team up to stop it all. But what is the connection between the secrets of the new Gold Lanterns and the coming of the Great Darkness? A monumental DC epic event miniseries!

Legion of Super-Heroes: The Silver Age Vol. 1 Jun 26 2022 It started out as just another Superboy story--on the face of it, perhaps a bit more innovative than most, although it was published during one of the most creative periods in DC Comics history. It wound up changing the entire comics field. The Legion of Super-Heroes was merely a clever title for a group of teenage superheroes (only three of whom were actually named) from the far future who went back in time to pay tribute to the greatest teenage superhero of them all--the Boy of Steel, Superboy. But the interest from comics fans was so great, the super-team was brought back time and time again, in the majority of Superman Family titles. Eventually, demand grew so strong that the Legion of Super-Heroes was awarded its own continuing series. Legion of Super-Heroes: The Silver Age Vol. 1 collects stories from Adventure Comics #247, #267, #282, #290, #293, #300-310, Action Comics #267, #276, #287, #289, Superboy #86, #89, #98 and Superman #147.

Legion of Super-Heroes: Before the Darkness Vol. 1 May 26 2022 Pivotal early-1980s Legion of Super-Heroes stories, set just before the epic Great Darkness Saga, are now available in the first volume of an all-new collection! The greatest heroes of the 30th century star in these classic stories that set the stage for The Great Darkness Saga, one of the most beloved tales in Legion history! First, the Legion--including Mon-El, Brainiac 5, and Phantom Girl--takes on a Circus of Death! Then, the villainous Dagon strikes, kidnapping several Legionnaires' parents for ransom! And the Fatal Five return--now working for the Dark Man! Plus, in Secrets of the Legion of Super-Heroes, find out startling new information from the past of the Legion and their ally R.J. Brande! This volume collects Legion of Super-Heroes #260-271 and Secrets of the Legion of Super-Heroes #1-3.

The King's German Legion (1) Sep 17 2021 The formation of the King's German Legion resulted from the occupation of Hanover, their homeland, by the French in 1803. After assorted expeditions including Copenhagen in 1807 and Moore's retreat to Corunna, the Legion joined Sir Arthur Wellesley in the Peninsula. It was here that they were to earn undying renown as the crack corps of Wellington's army. The Legion represented about 20% of Wellington's fighting strength and distinguished itself in all the major actions, including their famous charge at Garcia Hernandez during the Salamanca campaign (1812), which was fought during the Peninsular War (1808-1814).

Savage Legion Mar 12 2021 "They call them Savages. Brutal. Efficient. Expendable. The empire relies on them. The Savages are the greatest weapon they ever developed. Culled from the streets of their cities, they take the ones no one will miss and throw them, by the thousands, at the empire's enemies. If they live, they fight again. If they die, there are always more to take their place. Evie is not a Savage. She's a warrior with a mission: to find the man she once loved, the man who holds the key to exposing the secret of the Savage Legion and ending the mass conscription of the empire's poor and wretched. But to find him, she must become one of them, to be marked in her blood, to fight in their wars, and to find her purpose. Evie will die a Savage if she has to, but not before showing the world who she really is and what the Savage Legion can really do!"--
