*Embrace* Dec 13 2020 Embrace who he is... or lose everything. Six weeks ago, Kieran Smith learned that his DNA had been altered during his time as a captive to the shifters. Kieran has always known he's a powerful Day Walker, but he's having trouble dealing with the fact that even to other Walkers, he's a freak. Just when he thinks things are finally settling down, Kieran learns that fate isn't done messing with him. His lover, Dakota, saves three teenage shifters who need more help than he and Dakota can give. Not everyone has recovered from dealing with the shifters responsible for Kieran's and others' years of torture, and now two strange Day Walkers have come to town, attacking the local Pack and causing trouble. It doesn't take long for Kieran and his friends to realize that the two Walkers have a connection to Kieran. A deep bond that is going to change everything. Kieran is either going to have to embrace his unique gifts and the things done to him or lose everyone he cares about. He won't be able to hide anything any longer as his past collides with his future...

**Pack Security** Nov 11 2020 A shy sexy artist and a man tormented by his past are thrown together for protection and security. Cassandra Wilson's world was just turned upside down. Someone broke into her studio and destroyed the art she'd put her heart and soul into. Pressure from her older brother and her Alpha has her accepting protection from the Beta's brother. She finds the ex-military non-shifter a sexy distraction. But when reality breaks through and reminds her that someone is after her, will Max be able to save her? Max Lawson knows he needs to get his act together. The last mission that forced him from the military still haunts him at night. When he's asked to help guard one of the woman in the Pack, Max isn't sure he's the right man for the job. He's never really felt like he belonged with the others since he is the only non-shifter around. But he owes his brother and accepts the job. Cassandra isn't anything like he'd imagined. She's strong and stubborn and he finds himself falling for her. Max needs to fix himself before he can even think about being the kind of man that Cassandra deserves. Resisting the sweet sexy artist, however, is easier said than done. When danger threatens to take her away before Max even has a chance to prove himself to her, he must fight with everything inside him--being able to shift...or not.

**A Matter of Days** Jan 02 2020 "Gripping and poignant, A Matter of Days takes readers on a heart-stopping journey of love and survival." — New York Times bestselling author Carrie Jones Their new reality begins in just a matter of days. On Day 56 of the Blustar Pandemic, sixteen-year-old Nadia's mother dies, leaving Nadia to fend for herself and her younger brother, Rabbit. Both have been immunized against the virus, but they can't be protected from what comes next. Their father taught them to "be the cockroach"—to adapt to and survive whatever comes their way. And that's their mission. Facing a lawless world of destruction and deprivation, Nadia and Rabbit drive from Seattle to their grandfather's compound in West Virginia. The illness, fatigue, and hunger they endure along the way will all be worth it once they reach the compound. Unless no one is waiting for them . . . "Fans of Rick Yancey's *The 5th Wave*, S. D. Crockett's *After the Snow*, or Cormac McCarthy's adult novel *The Road* will find this a satisfying read." —SLJ "An exciting apocalyptic road trip."

**The Edge of Always** Feb 12 2021 New York Times bestselling author J. A. Redmerski brings us the breathtaking sequel to her novel *The Edge of Never*. When everything falls apart, love remains . . . *The Edge of Always* Camryn Bennett has never been happier. Five months after meeting on a Greyhound bus, she and her soul mate Andrew Parrish are engaged-and a wedding isn't the only special event in their future. Nervous but excited, Camryn can't wait to begin the rest of her life with Andrew, a man she knows in her heart will love her always. They have so much to look forward to-until tragedy blindsides them. Andrew doesn't understand how this could happen to them. He's trying to move on, and thought Camryn was doing the same. But when Andrew discovers Camryn is secretly harboring a mountain of pain and attempting to numb it in damaging ways, there is nothing he won't do to bring her back to life. Determined to prove that their love can survive anything, Andrew decides to take Camryn on a new journey filled with hope and passion. If only he can convince her to come along for the ride...

**Jaws** Jul 08 2020 A special edition of *Jaws* by Peter Benchley reissued with a bright retro design to celebrate Pan's 70th anniversary. It was just another day in the life of a small Atlantic resort until the terror from the deep came to prey on unwary holiday makers. The first sign of trouble - a warning of what was to come - took the form of a young woman's body, or what was left of it, washed up on the long, white stretch of beach . . . A summer of terror had begun. Peter Benchley's *Jaws* first appeared in 1974. It has sold over twenty million copies around the world, creating a legend that refuses to die - it's never safe to go back in the water . . .

**Mayday** Jun 06 2020 In the tradition of *Counting By 7s* and *The Thing About Jellyfish*, a heartwarming coming-of-age story about grief, family, friendship, and the importance of finding your voice Wayne Kovok lives in a world of *After*. After his uncle in the army was killed overseas. After Wayne and his mother survived a plane crash while coming back from the funeral. After he lost his voice. Wayne has always used his love of facts to communicate ("Did you know more people die each year from shaking a vending machine than from shark attacks?"). Without his voice, how will he wow the prettiest girl in school? How will he stand up to his drill-sergeant grandfather? And how will he share his hopes with his deadbeat dad? It's not until Wayne loses his voice completely that he realizes how much he doesn't say. Filled with Karen Harrington's signature heart and humor, *Mayday* tackles an unforgettable journey of family and friendship.

**Broken Crown** Apr 16 2021 "When the music stops all any man has is his heart." Alan Manzone *Broken Crown* is the first of three Stand-Alone books in the Sand & Fog series. The new sequel to the Amazon Top # 100 Bestselling *The Girl on the Half Shell*, *Half Shell Series*. This book has a HEA. To achieve iconic fame and extraordinary wealth, legendary rocker Alan Manzone was willing to make sacrifices along the way. But his greatest regret is losing the love of his life, Chrissie Parker. There is no other woman on this earth for him. But wanting her, getting her, and keeping her aren't things Alan has ever been able to do well. Again and again, he loses her. Now alone, bitter, and filled with regret, he examines his life with Chrissie. Every moment of love. Every glorious moment of passion. Every torturous moment of parting. Finding happiness with a Parker is not an easily achievable thing, but he is desperate to have the future he's always struggled for and wanted with Chrissie. Now that the timing is perfect for them both, can Alan finally claim the only woman he has ever truly loved, or has the past made her lost to him forever? Can his unrelenting love for her survive the web of secrets that have at last been revealed? Is love enough for him to find forgiveness and happiness with Chrissie?

*Slacker* Jul 28 2019 Cameron Boxer is very happy to spend his life avoiding homework, hanging out with his friends, and gaming for hours in his basement. It's not too hard for him to get away with it . . . until he gets so caught up in one game that he almost lets his house burn down around him. Oops. It's time for some serious damage control--so Cameron and his friends invent a fake school club that will make it seem like they're doing good deeds instead of slacking off. The problem? Some kids think the club is real--and Cameron is stuck being president. Soon Cameron is part of a mission to save a beaver named Elvis from certain extinction. Along the way, he makes some new friends--and some powerful new enemies. The guy who never cared about anything is now at the center of everything . . . and it's going to take all his slacker skills to win this round.

**Quit Like a Woman** May 18 2021 'A brilliantly clever, meticulously researched, fearless, snort-out-loud funny read that grabs you and won't let go' Catherine Gray We live in a world obsessed with drinking. We drink at work events, lunches, book clubs and weddings. Yet no one ever questions alcohol's ubiquity. In fact, the only thing ever questions is why people don't drink. It is a qualifier for belonging. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some sort of magic elixir. It is anything but. When Holly Whitaker started to look for a way to recover, the support systems she found for recovery were archaic and patriarchal. Urging drinkers towards a newfound humility is great if you're a man, but if you're a woman and not in a position to renounce privileges you never had, a whole other approach is needed. She embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What's more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Honest, witty and trenchant, *Quit Like a Woman* is at once a ground-breaking look at drinking culture, a call to arms, and a celebration of learning how to claim everything life has to offer.

*It's Easy Being Green* Aug 21 2021 Surveys find that over 80 percent of Americans agree with the goals of the environmental movement. Sadly, most Americans admit to doing little more than basic recycling when it comes to acting on that disposition. What is the reason for this great divide between environmental sentiment in this country and individual actions? Author and environmental consultant Crissy Trask seeks to answer this question--and solve the disparity--with a new book that makes it easy to be an environmentalist, no matter how busy or hectic your lifestyle. This is a day to day guide with simple, practical suggestions that anyone can put into action.

**The Pilgrims Rest** Aug 28 2019 Fiona Fordham lives with her family at 'The Pilgrims Rest', a restaurant on the ground floor of a sixteenth century building in St Albans. Fiona develops a fascination for Alf, a strange recluse who lives on the top floor, an obsession which begins to affect her in ways she could never have imagined. She follows him on his trips down to the cellar in the

middle of the night and across Holywell Hill to the Abbey despite harsh warnings from him to stay away. Is the ghostly apparition of a cavalier a warning of impending doom? Fiona's curiosity and naivety take her on a perilous journey down a rabbit hole to hell.

**Reading My Father** Jul 20 2021 PART MEMOIR AND PART ELEGY, READING MY FATHER IS THE STORY OF A DAUGHTER COMING TO KNOW HER FATHER AT LAST— A GIANT AMONG TWENTIETH-CENTURY AMERICAN NOVELISTS AND A MAN WHOSE DEVASTATING DEPRESSION DARKENED THE FAMILY LANDSCAPE. In *Reading My Father*, William Styron's youngest child explores the life of a fascinating and difficult man whose own memoir, *Darkness Visible*, so searingly chronicled his battle with major depression. Alexandra Styron's parents—the Pulitzer Prize-winning author of *Sophie's Choice* and his political activist wife, Rose—were, for half a century, leading players on the world's cultural stage. Alexandra was raised under both the halo of her father's brilliance and the long shadow of his troubled mind. A drinker, a carouser, and above all "a high priest at the altar of fiction," Styron helped define the concept of The Big Male Writer that gave so much of twentieth-century American fiction a muscular, glamorous aura. In constant pursuit of The Great Novel, he and his work were the dominant force in his family's life, his turbulent moods the weather in their ecosystem. From Styron's Tidewater, Virginia, youth and precocious literary debut to the triumphs of his best-known books and on through his spiral into depression, *Reading My Father* portrays the epic sweep of an American artist's life, offering a ringside seat on a great literary generation's friendships and their dramas. It is also a tale of filial love, beautifully written, with humor, compassion, and grace.

*Adding the Blue* Dec 01 2019 "In 2015, Chrissie Hynde, the singer, songwriter and leader of The Pretenders, produced an oil painting of a ceramic vase. It proved to be the starting point for Chrissie Hynde's first body of work, nearly 200 canvases in all. These paintings are now shared for the very first time in *Adding The Blue*."--Back cover.

*Savage Collision* Oct 30 2019 A kiss could bond you, taint you, claim you. If you let it, it could own you. A kiss from a stranger was highly unlikely. A kiss from a man who hid himself from me, yet slowly tormented me, was unlike any other kiss. It was the kiss of death. It was my hands in cuffs chained to his waist. And only he could set me free. How could I be so blind? How could I have let a man that was delicious as sin take a grip on me? No matter how hard I tried to pull, those cuffs stayed glued to him as the wall that stood between us. I had to smash that wall, I had to see the truth. Even if we collide. Even if he's my own savage collision. I have to be set free.

**Reckless** Sep 21 2021 Chrissie Hynde, for nearly four decades the singer/songwriter/ undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From "Tattooed Love Boys" and "Brass in Pocket" to "Talk of the Town" and "Back on the Chain Gang," her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one-woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir *Reckless*, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we've come to expect, exactly where she came from and what her crooked, winding path to stardom entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls "the heavy bikers" and "the get-down boys." Her flight from Ohio to London in 1973 essentially to escape the former and pursue the latter. Her scuffling years as a brash reviewer for *New Musical Express*, shop girl at the Malcolm McLaren and Vivienne Westwood boutique 'Craft Must Wear Clothes But The Truth Loves To Go Naked', first-hand witness to the birth of the punk movement, and serial band aspirant. And then, at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the

indelible first album "The Pretenders," and the rocket ride to "Instant" stardom, with all the disorientation and hazards that involved. The it all comes crashing back down to earth with the deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock's great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled *Reckless*, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

*Forbidden* Mar 16 2021 Jesse Salvatore has had it. He's the youngest of three brothers -- and the only one born without the werewolf gene. Because he's human, his brothers, Jaxon and Justice, treat him like he's helpless. They constantly battle deadly rogue wolves and won't let him anywhere near the fight. When he meets Noah King, he knows he's found his soulmate in the werewolf and soldier. Just as life seems to be brightening, big brother Justice forbids Jesse to see Noah. The two men sneak time together when they can, but it's not enough. More than a year later, the rogues have targeted Jesse and Justice has no choice but to let Noah protect him. Noah King has never been in love. One-night stands are more his style. But the first time he sees Jesse Salvatore, his world is flipped upside down by the hot blond-haired, green-eyed human. What's not to love? Jesse is sweet, smart, gorgeous and bad-ass. Only one thing stands in their way: Justice Salvatore. When Jesse's life is threatened, Noah is entrusted with keeping him safe. Of course, no plan is ever fool-proof, and a mission to protect one man changes the lives of many.

*Birds of Prey* Dec 25 2021 Mystery and love, murder and desire... It's going to be a rough week for the agents of the Birds of Prey shifter division. Cody Johnson has returned to his hometown as the division leader of the Birds of Prey for the Shifter Coalition. After the local cast leader is killed, Cody finds himself deeply involved in an investigation he can't find any reason for. To make things worse, he runs into Aubrey Reynolds, the woman he left behind once before...and never got over. The longer the investigation continues, the more Cody struggles to separate his professional and private life. But Aubrey refuses to stay out of his case and his thoughts. Aubrey has lost her Cast leader—her uncle—and has just seen the man who broke her heart. Feeling her world shattering around her, she tries to gain control of anything she can. As a security expert, she is determined to find out who is responsible for Gregory's death and make them pay. If her inquiries put her directly in Cody's path

and piss him off, well, that's something he'll have to deal with. She's shocked by how he handles it and unsure how she ends up back in his arms. With a murderer running around taking out bird shifters, Cody must solve his case fast, especially once he realizes that Aubrey may be next on the killer's list. Now that he finds he is still in love with her, he won't let her go again.

Pack Mates Nov 04 2022 A Pack divided...brought together by love. Nikki Stratton returns to her Pack to find it split in half between the new Alpha and the older members of the Pack. Worse, there is talk about her oldest brother challenging for the Alpha position. Taking matters into her own hands when no one else can come up with any ideas, she meets with the Alpha's brother, RJ. She just had no idea they would end up hot, naked and sweaty. RJ Cross supports his brother one hundred percent, so when Nikki contacts him to find a solution to the Pack problems, he's relieved. He might even be able to come up with some decent ideas--if he can keep his hands off her long enough. As final preparations start for taking the shifter world public, Nikki and RJ must use everything at their disposal to bring their Pack together--and hopefully get their happily ever after.

**Blackwood** May 06 2020 In this timeless, mythical tale of unforgiving justice and elusive grace, rural Mississippi townsfolk shoulder the pain of generations as something dangerous lurks in the enigmatic kudzu of the woods. The town of Red Bluff, Mississippi, has seen better days, though those who've held on have little memory of when that was. Myer, the county's aged, sardonic lawman, still thinks it can prove itself -- when confronted by a strange family of drifters, the sheriff believes that the people of Red Bluff can be accepting, rational, even good. The opposite is true: this is a landscape of fear and ghosts -- of regret and violence -- transformed by the kudzu vines that have enveloped the hills around it, swallowing homes, cars, rivers, and hiding a terrible secret deeper still. Colburn, a junkyard sculptor who's returned to Red Bluff, knows this pain all too well, though he too is willing to hope for more when he meets and falls in love with Celia, the local bar owner. The Deep South gives these noble, broken, and driven folks the gift of human connection while bestowing upon them the crippling weight of generations. With broken histories and vagabond hearts, the townsfolk wrestle with the evil in the woods -- and the wickedness that lurks in each and every one of us.

**Pack Daughter** Aug 09 2020 The shifter world has announced its presence...and must now deal with the consequences. Mike Jackson knew when the other members of his military unit started finding mates that his life would be heading for some major changes. The decision to leave the military was his, but now that Mike is free, he's wary and bored. When the call comes in to help a Pack facing dangerous threats, he's more than glad to help. He hopes getting back into the thick of things will calm him and his wolf. Becca Nelson's heart is breaking at the horrible fires plaguing her town. Someone is out to destroy her community and the Pack has no idea who it could be. Her father, the Alpha, makes a call for help and brings Mike into her life. Becca knows that Mike is the wolf for her the moment she meets him. With a direct threat against Becca, an ex showing up, and a kidnapping, Mike and Becca might not have the time to save both the town and each other. It'll take everything Mike has in him to keep the Pack Daughter safe and give him time to stake his claim. That is, if Becca doesn't rescue him first.

**Pack Council** Aug 01 2022 Alpha Council Representative Kurt Moore has his hands full with his investigation into the Church for Humanity... And that's before he meets the woman who throws his world into chaos. Alpha Council Representative Kurt Moore is settling into the town of Lovington, California and his new position. He's busy gathering information on the five chapters of the Church for Humanity. Making plans to take down the Church and protect his fellow wolves, he dedicates all his time and energy to his work. He's content, happy, even if a little lonely. Then he meets Savannah Conley, the new deputy, and everything changes. Savannah is such a perfect match for him that Kurt starts to question himself and his needs. Savannah Conley accepted the open position for the sheriff's department and was looking forward to putting down some roots. She's instantly attracted to the quiet shifter she's introduced to by her best friend and the more time she spends around Kurt, the more convinced she is that she and Kurt are meant to be. She might only be a human, but she knows deep down that the dark-haired shifter belongs to her. She doesn't have a lot of time to persuade the stubborn shifter to get him on board, though. A wolf shifter who had gone undercover with the Church has disappeared and Kurt is on the hunt. Savannah does what she can through legal means but knows Kurt will do whatever he has to, to ensure the wolf's safety. Enemies try to tear them apart, and Kurt and Savannah have to understand and show that they are stronger together.

*King of Battle and Blood* Mar 04 2020 An instant USA Today bestseller! From fan-favorite Scarlett St. Clair, the bestselling author of the Hades & Persephone series, comes a new fantasy filled with danger, darkness, and insatiable romance. Their union is his revenge. Isolde de Lara considers her wedding day to be her death day. To end a years-long war, she is to marry vampire king Adrian Aleksandr Vasiliev, and kill him. But her assassination attempt is thwarted, and Adrian threatens that if Isolde tries to kill him again, he will raise her as the undead. Faced with the possibility of becoming the thing she hates most, Isolde seeks other ways to defy him and survive the brutal vampire court. Except it isn't the court she fears most—it's Adrian. Despite their undeniable chemistry, she wonders why the king—fierce, savage, merciless—chose her as consort. The answer will shatter her world.

*Hidden Hyena* Jun 30 2022 He's hidden himself away. Will Melissa be able to lead him out of the dark? After shifters became known to the public, Trent's life changed drastically. He had no idea that his fellow cops and girlfriend would turn on him. Only his partner stood by his side. Then came the night of a burglary gone wrong. The other cops put off coming to Trent and Adam's aid, causing Adam bleed out and die. Dating Melissa Bishop had Trent looking at a future he'd given up on. But when he needed her the most, she turned her back on him. Trent walked away and never looked back. Now the bad guys have come to Brookside to try to rid of the town of shifters, Trent will do anything to protect them. Even if that means working with the newly hired sheriff deputy. Melissa had made a lot of mistakes in her life, but nothing as horrible as sending Trent away. She'd spent years trying to make amends and getting taken on with the Brookside Sheriff Department will allow her to protect an entire town of shifters. She never expected to see Trent again. One look and Melissa knows she's still in love with Trent. Too bad he's warned her from going anywhere near him. When the threat to her new town escalates, Melissa has to prove to Trent and everyone in Brookside which side she's on. It'll take a team of specialized shifters and one feisty human to protect the town.

*King of the City* Nov 23 2021 This book is a dark romance. In Sin City there are powerful creatures in charge and around every corner. One Man holds the title as King of the City. That position is about to be challenged. Alexei is the most powerful vampir in the city. He fears no one except for the monster who changed him. He's been ruling the city with a firm but fair hand for centuries. Enemies are coming for Alexei and betrayal will leave him reeling. Kirill is evil. He is also the most power vampir in existence. He wants Alexei back at his side and he doesn't care who he has to destroy to make that happen. Christopher is tired of his pack of wolf shifters having to stay at the edge of the city. He wants to rule over the city even if that means going to war with the vampir and Alexei. He has a secret ally that will either insure victory or bring on his demise. Ramon, a panther shifter, living in the wolf pack world doesn't trust anyone. He's suspicious of the wolf Alpha and hates the vampir. He relays on no one, that way he won't be hurt. A perfect world would include all vampirs burning. He'd be more than happy to help. Police detective Jacob knows there is something wrong in his city. He'll get to the bottom of what is really happening... Well if he can keep his pants on anyway. When tragedy strikes and the battle takes something important from him Jacob will make everyone

in his path pay. Evan stumbled into a world that he knows nothing about. He should be afraid but instead finds himself intrigued by the dangerous and most powerful man in the city. Submissive in bed doesn't mean he's ready to roll over though. He's smart and has his own resources. Don't underestimate the human. In this highly erotic dark romance, you need to pick a side. But be careful who you give your allegiance to. Only one group will survive the war. Book Warning- The vampires bite, hard, the shifters crave flesh, and the cops are not the good guys. Some scenes may be too graphic for sensitive readers in this highly erotic paranormal fantasy story. All characters in sexual situations are adults (over 18 years of age.) This book contains erotic and graphic sex scenes that often includes more than one partner. There are MM/ MMM/ MF/ MFM/ MFF sex scenes included but this should be considered a gay erotic book. Some Daddy/ boy (Sire/ boy) references. The Violent scenes in the books may be graphic, twisted, and bloody. There is no rape/ dubious consent included in this book but Reader Discretion is strongly advised. Continue and join the Sin City world at your own risk!
