Known to be general trouble-makers, the Puckwudgie are known for exploiting the fallibility of human thinking. Mexico in a remote valley something has gone horribly wrong. To their eternal regret some people have mistaken the screams echoing in the hills as coyotes singing to the moon. When Josey drives his truck down into the valley he quickly learns the disturbing truth. It's not coyotes howling. It's men or what used to be men. Josey discovers that the valley is home to the depraved, the noble, the damned, the innocent, the beautiful, and of course the walking dead. When the least dangerous thing you encounter is an angry rattlesnake you know you've made a wrong turn at Albuquerque.

Nestled in a remote valley, the residents of The Albuquerque Springs Trailer Park have lived out there lives nearly forgotten by the rest of the world. The trailer park is home to dozens of illegal immigrants, a hermit who has turned his back on society, a veteran of World War 2, a grumpy old woman, a family of Meth cooks known to local police officials as the Redneck Gourmets, and a beautiful young woman, are just a few. Life was peaceful and quiet (actually quite boring) until a deadly industrial accident killed Juan, one of the illegal immigrants. His friends and neighbors promised to dispose of the
