The Battles at Plattsburgh Dec 09 2020 Both Roosevelt and Churchill recognized the importance of the land and naval battles of Plattsburgh. Many other, more famous, engagements were ruses meant to divert U.S. troops away from the prize Plattsburgh would afford: a clear pathway into New England. If not for the exemplary skills of two young military officers, Commodore Macdonough and General Macomb, and the force they commanded, regular army and naval personnel, New York and Vermont Militia, Native Americans, Veteran Exempts and boys from the local school, the war and the nation would have been lost. Using original source documents, author Keith Herkalo retells the battles at Plattsburgh, the key battles of the War of 1812.

Balance Exercises for Fall Prevention Sep 05 2020 Falls are the leading cause of injury, emergency room visits, and hospitalizations for seniors in North America. Every 11 seconds, an emergency room in the United States sees a senior fall victim. Falls can reduce independence and accelerate the need for long-term care. The good news is that you can reduce the risk of falling with simple exercises that anyone can easily learn. In this third book of balance exercises by Amanda Sterczyk, you'll learn key exercises to improve balance, increase muscle and bone strength, liberate joints throughout your body, and boost your confidence. Exercises are divided into three groups: Standing Seated Lying (on the floor or your bed) What's new in this book is a series of workout plans, to help guide you through eight workouts: Balance, gentle or advanced Posture, gentle or advanced Strength, gentle or advanced Flexibility, gentle or advanced The gentle workouts are a combination of seated and lying or standing exercises, while the advanced workouts only comprise standing exercises. What hasn't changed in this book is the degree of explanation. It begins with a breakdown of each exercise by fall prevention goal-balance, posture, strength, and/or flexibility-presented with the exercise instructions and in a summary table at the end of the book. You will receive set up instructions on how to start, step-by-step instructions, and recommendations to make each exercise easier or harder. Most of the exercises also include illustrations and guidance on how to visualize the movement, to further build linkages between your brain and body. "I use the exercises daily." - Amazon customer, Balance 2.0 "A well researched and written handbook. Just what's needed for anyone requiring the ability to improve their balance most likely senior citizens." - Amazon customer, Balance and Your Body "I really enjoyed Balance and Your Body! I had fun doing the exercises with my parents (aged 88 and 87). It gets them going, as well as me. It all makes sense-you have to read it and start exercising." - Teresa "Balance and Your Body is Amanda's second book especially written for seniors. The message is simple and true: "Move more, stay healthy longer!" The book is well organized and fun to read; the exercises are easy to follow and can be practiced whenever you have some time throughout the day (or sleepless night). No gym or equipment required!" - An enthusiastic senior "I carry Balance and Your Body in my bag, between my cell phone and wallet, so I always have it nearby as reference. The exercises are basic and you can easily incorporate them in our daily life, and if you don't remember them, you can do what I do." - Monique "Her new book, Balance and Your Body, is very clear and easy to read. She explains why we need to move and the different aspects of balance. The exercises are simple and drawings help understand them. Not at all overwhelming to do the exercises. A very helpful book for any senior concerned about maintaining their independence. Essential for seniors to stay independent. Well done!" - Amazon customer

Then Comes Winter Mar 31 2020 Then Comes Winter with bluster and snow, that brings to our cheeks the ruddy glow... Gertrude Tooley Buckingham, The Four Seasons If you long for a toasty snuggle on a cold winter's night, this compilation of original short stories inspired by the magic of the holiday season-and more than a nod to Jane Austen-is fancied as a sublime wintertime treat. On the heels of the summer anthology, Sun-kissed: Effusions of Summer, and in concert with some of Meryton Press's most popular authors, this romantic anthology introduces several promising writers. With a robust mix of contemporary and Regency musings, Then Comes Winter rekindles passionate fires with equal wonder, wit, and admiration. Stories by: Lory Lilian, Linda Gonschior, Suzan Lauder, Beau North & Brooke West, Sophia Rose, Natalie Richards,

Anngela Schroeder, Melanie Stanford, Denise Stout, Erin Lopen, Maureen Lee

Rejection On The Full Moon Nov 19 2021 Amberle Crest has led a lonely life in her pack since the day her parents died. Becoming an outcast in her age group, her siblings disowning her and her once best friend now turned soul mate rejecting her the same day they realized how intertwined their lives truly were, she leaves, realizing that living there is not worth it and becomes the notorious wolf, Fire Foot; vowing they would regret how they treated her when she becomes the greatest wolf in history. Now running through pack territories and doing whatever it takes to survive, Amberle becomes a ghost forgotten from her past pack. When a fateful day Amberle saves a wolf from a group of "Soulless" and an opportunity to be treated as an equal is given to her. That is until ghosts from her past calls for aid in ridding their pack from Soulless. Faced with new friends, old foes, and the threat of a building army, will Amberle be able to fight the ghosts of her past to cherish the pack she has found or will an old mate claim her before a second chance mate can show her what being treasured by someone is all about.

The Tetris Effect Oct 31 2022 The definitive story of a game so great, even the Cold War couldn't stop it Tetris is perhaps the most instantly recognizable, popular video game ever made. But how did an obscure Soviet programmer, working on frail, antiquated computers, create a product which has now earned nearly 1 billion in sales? How did a makeshift game turn into a worldwide sensation, which has been displayed at the Museum of Modern Art, inspired a big-budget sci-fi movie, and been played in outer space? A quiet but brilliant young man, Alexey Pajitnov had long nurtured a love for the obscure puzzle game pentominoes, and became obsessed with turning it into a computer game. Little did he know that the project that he labored on alone, hour after hour, would soon become the most addictive game ever made. In this fast-paced business story, reporter Dan Ackerman reveals how Tetris became one of the world's first viral hits, passed from player to player, eventually breaking through the Iron Curtain into the West. British, American, and Japanese moguls waged a bitter fight over the rights, sending their fixers racing around the globe to secure backroom deals, while a secretive Soviet organization named ELORG chased down the game's growing global profits. The Tetris Effect is an homage to both creator and creation, and a must-read for anyone who's ever played the game—which is to say everyone.

How to Make Love to Adrian Colesberry Aug 05 2020 A humorous guide to seducing, satisfying, and loving the only man you'll ever need In an act of generosity, Adrian Colesberry has written an exquisitely detailed guidebook to ensure that every reader knows precisely how to please him-in bed and beyond. Brimming with self-indulgent and incredibly bawdy humor, How to Make Love to Adrian Colesberry is a humorous sexual memoir disguised as a manual on Colesberry's pet peeves, favorite positions, and surefire ways to turn on your man (aka Adrian Colesberry). Recounting dozens of annoying peccadilloes and helpful tips gleaned from his experiences with former lovers, Colesberry covers all stages of the court-andconquer-Adrian-Colesberry process. Beginning with how to attract Colesberry, he later progresses to foreplay and finally the full monty, revealing his own erratic, often unerotic sexual history along the way. A pitch-perfect parody that spares no detail, How to Make Love to Adrian Colesberry is a hilarious and filthy new entrant into the fratire genre.

Hunting Briar Jun 02 2020 Born the most powerful witch in a century, Briar's power is potentially limitless. With her mother coveting her power, Briar will do anything to stop her mother from using it for her own evil purposes. On Briar's eighteenth birthday, she manages to escape the coven she was raised in. She spends the next two years on the run, hiding her power, and hoping her mother doesn't find her. Mystic Haven, Louisiana was supposed to be just another stop, but she was offered a job at the nearby school for witches and warlocks. Since Waverly Academy placed the security of it's staff and students as their top priority, she felt safe enough to stay. Briar slowly let her guard down and allowed people into her circle. With the help of her best friend, and new boyfriend, she begins to find out who she really is. But will living as her true self allow her mother to find her and drag her back into the life she wants nothing to do with?

City Girl In Training Feb 08 2021 By the time I'd arrived at my new flat in London, I'd met a tall, dark stranger, discovered he was my new next-door neighbour – and I'd shown him my knickers! Not bad for a city girl in training! Just between you and me, it was completely unintentional – my suitcase exploded on the pavement... Philly is young, free and single – and definitely not looking for Mr. Right! But can she help it that the most gorgeous man alive happens to live next door? Convinced he'll never look twice at someone like her, Philly needs a little encouragement from her new flatmates. And a lot of encouragement from this gorgeous stranger, who's surely destined to become her husband!

How Australia Compares Oct 19 2021 How Australia Compares is a handy reference that compares Australia with seventeen other developed countries across a wide range of social, economic and political dimensions. Whenever possible, it gives not only snapshot comparisons from the present, but charts trends over recent decades or even longer. Encyclopaedic in scope, it provides statistics for a huge range of human activity, from

taxation to traffic accidents, homicide rates to health expenditure, interest rates to internet usage. This new edition is fully revised and updated, and features two new chapters: The Howard Impact and The Search for Scoreboards. New sections include obesity, advertising, broadband internet access, childcare and corruption. Information is highly accessible with double-page spreads for each topic. Tables and graphs are presented on one page, and clear explanation and analysis on the facing page. In each discussion the focus is to put the Australian experience into international perspective, drawing out the implications for the nation's performance, policies and prospects.
