Dionysian Spirit Apr 29 2020 For many people Dionysos is an obscure Greek god of wine and theatre. For others he is so much more. The Dionysian Spirit examines, in an easy and accessible form, the essence of what Dionysos is all about, both as a deity and as a cultural and social force. It looks at the relation of Dionysos with his opposite number Apollo. The twin gifts of Apollos and Dionysos are ekstasis (ecstasy) and entheos (enthusiasm) and have informed and enlivened our lives and cultures from ancient times right to the present day and beyond. The Dionysian Spirit - like the art of a good party - has always been with us and now, in many ways, we need it more than ever. Contents: Devotional to Dionysos / The Visualisation / The Myths of Dionysos / Dionysian Heroes / Dionysos Around the World / Dionysos Across The Millenium / Dionysos Goes Forth

The Laws of Spirit Nov 17 2021 Perhaps the most important section in Dan Millman's best-selling book, *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." *The Laws of Spirit*, Dan Millman's "little book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

The Book of Women Apr 10 2021 In *The Book of Women: A Celebration of Women and the Female Spirit*, one of the twentieth century's greatest spiritual teachers discusses the importance and value of feminine strengths. "The woman should search into her own soul for her own potential and develop it, and she will have a beautiful future."—Osho Osho explores the role of women in our society. Up until now, he says, both religious institutions and politics have remained male-dominated—not only male-dominated but male-chauvinistic. This has created so many of the crises that we see in the world now, brought about by excesses of ambition, competitiveness, and greed. In these pages, Osho challenges readers to reclaim and assert the feminine qualities of love, joy, and celebration to bring a reunion of the intellect and the heart that is so desperately needed. He looks to the female spirit in all of us as a way to nurture the soul and cultivate a healthy relationship with spirituality. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day*(India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Be Revived Jan 07 2021 You don't have to grow old. You can live forever. This book will help you walk in God's promises of long-lasting health. The Bible is full of promises related to believers having supernatural youth restored even in their advanced years. Yet few are actually walking in those promises. Instead, a huge percentage of Christians are suffering from some sort of pain, disease, or disorder and are physically and mentally exhausted. Plus, many depend on cosmetic procedures and surgeries to recapture their youthful look. But what if it were possible to tap into the youth-restoring promises the Bible says are ours? What if these revelations would enable us to run faster, serve stronger, and last longer? What if we could look better than we have in decades without cosmetic surgery and costly procedures? Katie Souza has found secrets in the Bible that show how we can see these manifestations in every part of our bodies. In this explosive study she gives readers the keys that will enable them to tap into the fountain of youth God promised His people. FEATURES AND BENEFITS: Gives readers tools to prepare themselves to physically keep up with the new wine of revival God is going to pour out upon the earth Shows readers how to guard themselves against spiritual attacks on their physical well-being and experience supernatural healing and rejuvenation Includes questions at the end of each chapter that can be used for personal study or in small groups OTHER BOOKS BY KATIE SOUZA: *Healing the Wounded Soul* (2017) ISBN: 978-1629991900
