The Heart Goes On Mar 12 2021

John Galsworthy - Maid in Waiting May 02 2020 John Galsworthy was born at Kingston Upon Thames in Surrey, England, on August 14th 1867 to a wealthy and well established family. His schooling was at Harrow and New College, Oxford before training as a barrister and being called to the bar in 1890. However, Law was not attractive to him and he travelled abroad becoming great friends with the novelist Joseph Conrad, then a first mate on a sailing ship. In 1895 Galsworthy began an affair with Ada Nemesis Pearson Cooper, the wife of his cousin Major Arthur Galsworthy. The affair was kept a secret for 10 years till she at last divorced and they married on 23rd September 1905. Galsworthy first published in 1897 with a collection of short stories entitled "The Four Winds." For the next 7 years he published these and all works under his pen name John Sinjohn. It was only upon the death of his father and the publication of "The Island Pharisees" in 1904 that he published as John Galsworthy. His first play, The Silver Box in 1906 was a success and was followed by "The Man of Property" later that same year and was the first in the Forsyte trilogy. Whilst today he is far more well know as a Nobel Prize winning novelist then he was considered a playwright dealing with social issues and the class system. Here we publish Villa Rubein, a very fine story that captures Galsworthy's unique narrative and take on life of the time. He is now far better known for his novels, particularly The Forsyte Saga, his trilogy about the eponymous family of the same name. These books, as with many of his other works, deal with social class, upper-middle class lives in particular. Although always sympathetic to his characters, he reveals their insular, snobbish, and somewhat greedy attitudes and suffocating moral codes. He is now viewed as one of the first from the Edwardian era to challenge some of the ideals of society depicted in the literature of Victorian England. In his writings he campaigns for a variety of causes, including prison reform, women's rights, animal welfare, and the opposition of censorship as well as a recurring theme of an unhappy marriage from the women's side. During World War I he worked in a hospital in France as an orderly after being passed over for military service. He was appointed to the Order of Merit in 1929, after earlier turning down a knighthood, and awarded the Nobel Prize in 1932 though he was too ill to attend. John Galsworthy died from a brain tumour at his London home, Grove Lodge, Hampstead on January 31st 1933. In accordance with his will he was cremated at Woking with his ashes then being scattered over the South Downs from an aeroplane.

Foul Tide's Turning Sep 29 2022 The power struggle begins . . . The people of Weyland always believed the slavers raids, which destroyed families and homes like a natural disaster, were a misfortune that couldn't be averted or stopped. But it's not true. King Marcus struck a deal: his people in exchange for technology and a powerful alliance with the Vandian civilisation. And now everyone knows. Jacob and Carter Carnehan escaped the slavers - along with the true king of Weyland - and have returned home with both the truth, and a Vandian princess as their hostage. Their purpose was to avoid war . . . instead, the truth prompts a civil war at home -

while an invasion force focused on reclaiming the captive princess starts to gather on their borders. Jacob and Carter will be separated once again - and this time they're fighting for something bigger than their lives.

Spotting the Devil Spotting the Devil from Far and Near Feb 29 2020 Spotting The Devil/Spotting The Devil From Far and Near. Avoiding The Trap Of Negative Behavior In Order To Fulfill The Purpose Of Ones Life. The word devil in this book is not used in the traditional sense. The word devil conjures up a powerful image of everything that is negative and destructive and it is in this sense that the word is used. We are surrounded by it. In many ways we are consumed by it, yet man is afraid to utter the word, as if by saying the word devil man is somehow admitting that he is accepting of this taboo and is in aggreance with the devil force. This book says that we must and can learn to identify all these negatives as they come at us in order to avoid the dire consequences that come about as a result of our contact with these devils in our society. This book seeks to examine the world in which we live with an analytical approach to why we as the human race make the choices in life that we do. It starts with a simple story about an incident that happens in the authors childhood, with the intention of explaining why the author sees things the way he does and coming to the realization that this was a defining moment in his life, even though he did not know it at the time. This book looks at fear, the fear that is an obstacle to most of us and this fear is something we take for granted, Most of us think that this fear is normal and that there is no way around it. Not true, as the author explains. He goes into the reasons why we must conquer these fears and where most of these fears originate. The author goes on to explain friendship and how we are so easily lulled into different behavior, how easy it is for us to get caught up in the moment and how easily it is to get carried away, usually to our detriment. In using stories from his life experience he takes the reader on a journey and in every step of that journey he unfolds a secret. There is so much that we take for granted and yet so much of this behavior can be prevented if we could only recognize what is coming at us, just like the driver who knows he is about to collide with another car because he sees it coming towards him from the opposite direction. The author looks at popular culture from the inside out and shows us how we are surrounded by so much negativity yet we dont know it because we do not look at society from this angle. We can have a greater appreciation for the images that are fed to us if we see them for what they are, and we can watch and enjoy without becoming consumed by fantasy if we understand the motives behind what is being fed to us. In these times, it is crucial that we learn from the mistakes of the past and we challenge ourselves to be more disciplined and to develop our sense of foresight because we all have the gift. We are born with it, but as we grow we allow societys ills to get the better of us and we just follow rather than lead ourselves into a better life, where we can find the fulfillment that we all seek. This book looks at first, the microcosm, and then the macrocosm, taking a peek at wars and what is the lesson of these wars. The author also looks at religion and mans attitude towards it. Why do we get caught up in imagery and names and not listen to what is truth and what makes sense. We follow, even when two plus two does not make four, we follow blindly and again are led downstream. Finally the author looks at colors that have been in cultures for thousands of years and unravels the associations that many have come to attach to certain colors. This book is an eye opener, written in a simple language that would only serve to enlighten and unravel some of the mysteries that make life so complex. The key is right in front of us. We feel it, therefore we know it, and we are in denial more than we are not. Do we get dressed everyday for the creator, or do we get dressed for ourselves? It is true that man cannot serve two masters, but one can always find th

Anomalous Thrust Mar 24 2022 ANOMALOUS THRUST (Sliding Void book 4) 'Anomalous Thrust' is the 4th book in Sliding Void series. It's a completely stand-alone adventure, not directly linked to the first three books (although 'Anomalous Thrust' is set chronologically a year after the end of the previous books). """"""""""

DESCRIPTION Captain Lana Fiveworlds might be flying with the same motley crew of misfits, but her problems are all-new. Lana believes that a demanding and difficult client on board her beloved starship - the Gravity Rose - is the sum of her woes. But that was until she has to emergency ditch inside a star system which holds a full range of deadly secrets. There are the murderous intentions of the local government with its slave-owning aristocracy to contend with, not to mention the ruthless rebels trying to overthrow the regime. And then there's the moon-sized unknown alien vessel that jumps into the system every few centuries, along with the chance to claim untold riches. Or the chance to die, well, really quite horribly. With Calder, Zeno, Skrat, Polter and the chief still helping Lana, there's the smallest of chances the crew might survive. But as every spacer knows, it's not where you jump into

foreman Luke Chandler hard to miss. The sexy cowboy, with those sleepy eyes that aren't interested in sleeping, means just the sort of trouble her patrician grandmother has always warned her about. Luke has his own reasons for wanting to steer clear of anything like commitment. But the secrets behind Rebecca's dark eyes keep luring him on ... even if it means baring his own heart. *Rendezvous* says of the third book in the *A Place Called Home* western fiction series: "Brilliant conclusion to a magnificent series of stories readers will want for their keeper shelves." The Regeneration Trilogy Jul 24 2019 *The Regeneration Trilogy* is Pat Barker's sweeping masterpiece of British historical fiction. 1917, Scotland. At *Craiglockhart War Hospital* in Scotland, army psychiatrist William Rivers treats shell-shocked soldiers before sending them back to the front. In his care are poets *Siegfried Sassoon* and *Wilfred Owen*, and *Billy Prior*, who is only able to communicate by means of pencil and paper. . . *Regeneration, The Eye in the Door* and *The Ghost Road* follow the stories of these men until the last months of the war. Widely acclaimed and admired, Pat Barker's *Regeneration* trilogy paints with moving detail the far-reaching consequences of a conflict which decimated a generation. 'Harrowing, original, delicate and unforgettable' *Independent* 'A new vision of what the First World War did to human beings, male and female, soldiers and civilians. Constantly surprising and formally superb' A. S. Byatt, *Daily Telegraph* 'One of the few real masterpieces of late twentieth-century British fiction' *Jonathan Coe* Pat Barker was born in 1943. Her books include the highly acclaimed *Regeneration* trilogy, comprising *Regeneration* (1991); which was made into a film of the same name; *The Eye in the Door* (1993), which won the *Guardian Fiction Prize*; and *The Ghost Road* (1995), which won the *Booker Prize*, as well as the more recent novels *Another World*, *Border Crossing*, *Double Vision*, *Life Class* and *Toby's Room*. She lives in *Durham*.

A Steampunk Christmas Carol Aug 24 2019 So, dear reader, you thought *Spiderman* and *Iron Man* was the

ultimate team-up? Or Captain America and the Hulk, perhaps? No! Such paltry partnerships were long before authors Charles Dickens and Stephen Hunt teamed up together to bring the world the steampunk adaptation of A Christmas Carol. This tome imaginatively entitled 'A STEAMPUNK Christmas Carol ... the fantastical adaptation no-one asked for, yet everyone somehow desperately needed. Yes, this - spoilers - classic tale of a grumpy miser's Xmas-related redemption has been recast in the Jackelian Kingdom, a far-future steampunk Earth where Great Britain has rejoined the European mainland through continental drift (Brexiteer trigger warning). The original tale has surely been vastly improved by the addition of airships, steam-driven computers and a robot called Boffin. Forget the Muppet version. Forget that TV one with Captain Picard as Scrooge. 'A Steampunk Christmas Carol' is surely the comical and light-hearted definitive version that will be remembered millions of years in the future, after humanity has risen and fallen countless times across the endless cycle of history. And if it isn't? Well, failing some great technological advancements in immortality treatments or cryogenic suspension, you, dear reader are not going to be around to know about it. Or, are you...? Now with extra cogs and a SHOCK!!! ending thrown in for no extra cost. -----ABOUT THE AUTHOR Stephen Hunt is the creator of the much-loved 'Far-called' fantasy series (Gollancz/Hachette), as well as the 'Jackelian' series, published across the world via HarperCollins alongside their other fantasy authors, George R.R. Martin, J.R.R. Tolkien, Raymond E. Feist and C.S. Lewis. -----REVIEWS Praise for Stephen Hunt's novels: 'Mr. Hunt takes off at racing speed.' - THE WALL STREET JOURNAL 'Hunt's imagination is probably visible from space. The Exiled Earthborn Oct 26 2019 In this thrilling second book of the Earthborn trilogy, Lucas and Asha have survived the decimation of Earth at the hands of the invading Xalans and seek safe haven with their enemy's true foes, the Sorans. They find a lush planet inhabited by a civilization far more advanced than their own, waging a seemingly endless war against a constantly evolving enemy. The Sorans call the pair of them the "Earthborn" and they're welcomed as heroes, almost as gods. To an audience of billions, they swear an oath to avenge their fallen planet by aiding the Sorans in their war against Xala. But soon Lucas and Asha find Sora just as dangerous as apocalyptic Earth when they're targeted by the Fourth Order, a rebel collective who decries them as false prophets and harbingers of further bloodshed. Their friend and turncoat Xalan scientist Alpha believes he's located someone who can help them turn the tide of the war for good, stranded on a conquered colony planet. But landing on the new world, Lucas and Asha find themselves hunted by a violent, mysterious beast, known only as the Desecrator, let loose by the Xalans. Escaping Earth was only the beginning. As Lucas and Asha quickly learn, the universe has worlds and creatures far more dangerous than anything their home planet could have offered, and their continued survival hinges on gaining new allies they never could have imagined. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

The Stealers' War Oct 31 2022 Weyland has been at war. Invaded by a technologically advanced enemy, the

cities sacked, and what fragile peace remained torn apart by a civil war. All anyone should want is a return to peace. But Jacob Carneham still wants his revenge; and if he can lure the invaders into the mountain he can have it. He can kill them all. If he does, there may never be peace again. If he doesn't, Weyland will never be free of the threat of invasion. The northern horse lords are planning an attack. A future Empress is fighting to save her daughter. Jacob's son is trying to restore peace and stability to Weyland, alongside the rightful King. And behind it all is a greater struggle, which may spell the end for them all . . .

Stone Spring Dec 21 2021 Praised as "one of the most inventive writers that science fiction has ever produced" (SF Site), national bestselling author Stephen Baxter presents a new saga of a world that could have become our own.... Ten thousand years ago, a vast and fertile plain existed that linked the British Isles to Europe. Home to a tribe of simple hunter-gatherers, Northland teems with nature's bounty, but is also subject to its whims. Fourteen-year-old Ana calls Northland home, but her world is changing. The air is warming, the ice is melting, and the seas are rising. One day Ana meets a traveler from a far-distant city called Jericho—a town that is protected by a wall. And she starts to imagine the impossible....

A Small Person Far Away Oct 07 2020 Partly autobiographical, this is the third title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war-torn Germany, to London during the Blitz and her return to Berlin to discover the past...

The Inkheart Trilogy Jun 26 2022 The stunning Inkheart trilogy is complete and available in this e-bindup! From internationally acclaimed storyteller Cornelia Funke, this bestselling, magical epic is getting new covers in anticipation of the long-awaited fourth book in the series. One cruel night, Meggie's father reads aloud from a book called INKHEART-- and an evil ruler escapes the boundaries of fiction and lands in their living room. Suddenly, Meggie is smack in the middle of the kind of adventure she has only read about in books. Meggie must learn to harness the magic that has conjured this nightmare. For only she can change the course of the story that has changed her life forever. This is INKHEART--a timeless tale about books, about imagination, about life. Dare to read it aloud.

Analog Science Fiction/science Fact Jul 04 2020

Far-Seer May 26 2022 The Face of God is what every young saurian learns to call the immense, glowing object which fills the night sky on the far side of the world. Young Afsan is privileged, called to the distant Capital City to apprentice with Saleed the court astrologer. Both when the time comes for Afsan to make his coming-of-age pilgrimage, to gaze upon the Face of God, his world is changed forever- for what he sees will test his faith... and may save his world from disaster! At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

Assassin's Apprentice Jan 10 2021 Raised by a stableman and trained in the arts of the assassin, bastard nobleman's son Fitz realizes his magical skills and finds a first test of manhood in a band of raiders and a group of murderous nobles. Reprint. K.

Empty Between the Stars May 14 2021 It is the far future. The artificial intelligences created by humanity are now gods, and mankind mere ants who scabble in their shadows across a million worlds. The Lords of the Great Houses on the ever-night Moon of Hexator are suspected of the murder of one of their own. And merchant William Roxley, once a magistrate-priest, is unwillingly coopted to uncover the truth behind the killings. With only the help of his naive young assistant and a brutish robot bodyguard, the man they call 'Sweet William' digs into the Moon's eerie existence. A collapsing society where many strange, terrible things are happening under night's unsettling cover. Hexator is a place where nothing is what it seems, perhaps not even William Roxley himself! -----

Joyce Wieland's *The Far Shore* Jan 28 2020 *The Far Shore* (1976), made under the direction of celebrated visual artist and experimental filmmaker Joyce Wieland, is one of Canada's most innovative contributions to cinema. The film borrows elements from the life of Canadian painter Tom Thomson, who is represented by the character of Tom McLeod. The main character, however, is not Tom, but the fictional creation of Eulalie de Chicoutimi, the married Québécoise woman who loves him. Using Eulalie's perspective, Wieland was able to re-frame Thomson's life and story as a romantic melodrama while infusing it with subversive commentary on gender, nature and nationalism, and ultimately, on the value of art. Here, Wieland specialist Johanne Sloan offers a fascinating new perspective on *The Far Shore*, making it more accessible by discussing Wieland's utopian fusion of art and politics, the importance of landscape within Canadian culture, and the on-going struggle over the meaning of the natural environment.

The Redeemed Apr 12 2021 A stirring, exquisitely rendered tale of homecoming; the final instalment in Tim Pears's epic *West Country Trilogy* Selected as a book of 2019 by the Guardian, Scotsman and The Times It is 1916. The world has gone to war, and young Leo Sercombe, hauling coal aboard the HMS *Queen Mary*, is a long way from home. The wild, unchanging West Country roads of his boyhood seem very far away from life aboard a battlecruiser, a universe of well-oiled steel, of smoke and spray and sweat, where death seems never more than a heartbeat away. Skimming through those West Country roads on her motorcycle, Lottie Prideaux defies the expectations of her class and sex as she covertly studies to be a vet. But the steady rhythms of Lottie's practice, her comings and goings between her neighbours and their animals, will be blown apart by a violent act of betrayal, and a devastating loss. In a world torn asunder by war, everything dances in flux: how can the old ways life survive, and how can the future be imagined, in the face of such unimaginable change? How can Leo, lost and wandering in the strange and brave new world, ever hope to find his way home? The final instalment in Tim Pears's exquisite *West Country Trilogy*, *The Redeemed* is a timeless, stirring and exquisitely wrought story of love, loss and destiny fulfilled, and a bittersweet elegy to a lost world.

Mission to Mightadore Apr 24 2022 Seline Templar hasn't experienced an easy life. First, her father died for reasons that have been shockingly concealed from her. Then Seline's mother, Molly, went missing in suspicious circumstances. So she's been raised as a ward of King Steam in the Steamman Free State, far away from the potential perils of her home in the Jackelian Kingdom. Raised in relative solitude among the machine race . . . until an old friend of the family, the steamman scientist Coppertracks, turns up in the capital with news of the most amazing discovery. It will set Seline and her companions off on a dangerous adventure to the mysterious and distant Mightadore. There's only one problem with Seline's destination. Many are those brave souls who have set out to reach the legendary city. But, nobody has ever come back alive from the trip to describe what they found! ----- JACKELIAN SERIES 7th novel of the Jackelian fantasy series. Each book is a standalone adventure set in the same world with some of the same characters, so you don't need to read it in sequential order (although purists often do). Douglas Adams Neal Asher Iain M. Banks Orson Scott Card James S.A. Corey Void All the Way Down Sep 17 2021 Captain Lana Fiveworlds has a hell of a lot of problems. She's sliding void in an ageing seven-hundred-year-old space ship, scrabbling around the edges of civilised space trying to find a cargo lucrative enough to pay her bills without proving so risky that it'll kill her. She's got an alien religious freak for a navigator, an untrustworthy android for a first mate, a disgraced lizard for a trade negotiator and a deserter from the fleet acting as her chief engineer. And that was well before an ex-crewman turns up wanting Lana to rescue a barbarian prince from a long-failed colony world. Unfortunately for Lana, the problems she doesn't know about are even more dangerous. In fact, they just might be enough to destroy Lana's rickety but much-loved vessel, the Gravity Rose, and jettison her and her crew into the void without a spacesuit. But there's one thing you can never tell an independent space trader. That's the odds . . .

SIGHT - The Far Sight Trilogy I Jul 28 2022

The Farthest Shore Feb 08 2021 When the prince of Enlad declares the wizards have forgotten their spells, Ged sets out to test the ancient prophecies of Earthsea.

Far Journeys Oct 19 2021 The sequel to Monroe's Journey Out Of The Body is an amazing parapsychological odyssey that reflects a decade of research into the psychic realm beyond the known dimensions of physical reality.
The Sweet Far Thing Feb 20 2022 It has been a year of change since Gemma Doyle arrived at the foreboding Spence Academy. Having bound the wild, dark magic of the realms to her, Gemma has forged unlikely and unsuspected new alliances both with the headstrong Felicity and timid Ann, Kartik, the exotic young man whose companionship is forbidden, and the fearsome creatures of the realms. Now, as Gemma approaches her London debut, the time has come to test those bonds. As her friendship with Felicity and Ann faces its gravest trial, and with the Order grappling for control of the realms, Gemma is compelled to decide once and for all which path she is meant to take. Pulled forward by fate, the destiny Gemma faces threatens to set chaos loose, not only in the realms, but also upon the rigid Victorian society whose rules Gemma has both defied and followed. Where does Gemma really belong? And will she, can she, survive?

Far Sector Nov 19 2021 Acclaimed, award-winning author N.K. Jemisin (The Fifth Season, The City We Became) makes her comic book debut with bestselling artist Jamal Campbell (Naomi) as they thrust you into a stunning sci-fi murder mystery on the other side of the universe! For the past six months, newly chosen Green Lantern Sojourner "Jo" Mullen has been protecting the City Enduring, a massive metropolis of 20 billion people. The city has maintained peace for over 500 years by stripping its citizens of their ability to feel. As a result, violent crime is virtually unheard of, and murder is nonexistent. But that's all about to change in this new graphic novel that puts a unique spin on the legacy of the Green Lanterns! Far Sector collects Far Sector #1-12.

Call Me Elle Dec 29 2019 Her name is Bear. She is happy here in the Indian village she has chosen to call home even though to look at her you would see that she has white skin. At 15, she is the mate of Bright Feather and the people of The Maple Forest are her family. All she loves and holds dear are in this special garden walled around. This is the story of a captive white girl named Elle Graves who transforms into a powerful Indian woman, wife, and mother. The book encompasses a period in the 19th century during which the Cherokee achieved great success. However, dark struggles are looming, threatening all the things that she treasures. The greatest of all

threats comes from the white world, a place that Bear was born into but chooses to reject. Worst of all, could her precious garden walled around be in greater danger simply because of the choices she has made to stay? Bear discovers, the hardest of choices that anyone must make has to do with those you love.

Call of the Bone Ships Jun 14 2021 'Swashbuckling awesomeness . . . a definite winner' John Gwynne, author of *Malice* A brilliantly imagined saga of honour, glory and warfare, *Call of the Bone Ships* is the captivating epic fantasy sequel to RJ Barker's *The Bone Ships*. Dragons have returned to the Hundred Isles. But their return heralds only war and destruction. When a horde of dying slaves are discovered in the bowels of a ship, Shipwife Meas and the crew of the *Tide Child* find themselves drawn into a vicious plot that will leave them questioning their loyalties and fighting for their lives.

The Stone Sky Jul 16 2021 WINNER OF THE HUGO AWARD WINNER OF THE NEBULA AWARD WINNER OF THE LOCUS AWARD FOR BEST FANTASY An Amazon Best Book of the Year The incredible conclusion to the record-breaking triple Hugo award-winning trilogy that began with *The Fifth Season* *The Moon* will soon return. Whether this heralds the destruction of humankind or something worse will depend on two women. Essun has inherited the phenomenal power of Alabaster Tenring. With it, she hopes to find her daughter Nassun and forge a world in which every outcast child can grow up safe. For Nassun, her mother's mastery of the Obelisk Gate comes too late. She has seen the evil of the world, and accepted what her mother will not admit: that sometimes what is corrupt cannot be cleansed, only destroyed. Praise for this trilogy: 'Amazing' Ann Leckie 'Breaks uncharted ground' *Library Journal* 'Beautiful' Nnedi Okorafor 'Astounding' NPR 'Brilliant' *Washington Post* The Broken Earth trilogy begins with *The Fifth Season*, continues in *The Obelisk Gate* and concludes with *The Stone Sky* - out now. Also by N. K. Jemisin: *The Inheritance* trilogy *The Hundred Thousand Kingdoms* *The Broken Kingdoms* *The Kingdom of Gods* *The Dreamblood Duology* *The Killing Moon* *The Shadowed Sun*

In Dark Service Aug 29 2022 Carter has been kidnapped, and though his father is a pacifist, he's about to choose the path of violence to reclaim his son--and together, they will have their vengeance Jacob Carnehan has settled down. He's living a comfortable, quiet life, obeying the law and minding his own business while raising his son Carter. . . on those occasions when he isn't having to bail him out of one scrape or another. His days of adventure are--thankfully--long behind him. Carter Carnehan is going out of his mind with boredom. He's bored by his humdrum life, frustrated that his father won't live a little, and longs for the bright lights and excitement of anywhere-but-here. He's longing for an opportunity to escape, and test himself against whatever the world has to offer. Carter is going to get his opportunity. He's caught up in a village fight, kidnapped by slavers and, before he knows it, is swept to another land. A lowly slave, surrounded by technology he doesn't understand, his wish has come true: it's him vs. the world. He can try to escape, he can try to lead his fellow slaves, or he can accept the inevitable and try to make the most of the short, brutal existence remaining to him. . . unless Jacob gets to him first and, no matter the odds, he intends to. No one kidnaps his son and gets away with it--and if it come to it, he'll force Kings to help him on his way, he'll fight, steal, blackmail, and betray his friends in the name of bringing Carter home. Wars will be started. Empires will fall. And the Carnehan family will be reunited, one way or another. . .

The Literary and Legal Genealogy of Native American Dispossession Jun 22 2019 *The Literary and Legal Genealogy of Native American Dispossession* offers a unique interpretation of how literary and public discourses influenced three U.S. Supreme Court Rulings written by Chief Justice John Marshall with respect to Native Americans. These cases, *Johnson v. M'Intosh* (1823), *Cherokee Nation v. Georgia* (1831) and *Worcester v. Georgia* (1832), collectively known as the Marshall Trilogy, have formed the legal basis for the dispossession of indigenous populations throughout the Commonwealth. The Trilogy cases are usually approached as 'pure' legal judgments. This book maintains, however, that it was the literary and public discourses from the early sixteenth through to the early nineteenth centuries that established a discursive tradition which, in part, transformed the American Indians from owners to 'mere occupants' of their land. Exploring the literary genesis of Marshall's judgments, George Pappas draws on the work of Michel Foucault, Edward Said and Homi Bhabha, to analyse how these formative U.S. Supreme Court rulings blurred the distinction between literature and law.

The China Review, Or, Notes and Queries on the Far East Sep 25 2019

The Romanov Trilogy Dec 09 2020 Three novels by the prize-winning international-bestselling author in one volume —the complete saga of Catherine the Great's passionate rise to power. *The Romanov Trilogy* brings three

of Evelyn Anthony's most successful works together in one collection following the dramatic life of Catherine the Great. *Rebel Princess: Augusta Fredericka's fantasy of reigning as Catherine the Great* comes true after marrying Grand Duke Peter Romanov. But the repulsive—and sexually and emotionally impotent—heir to the Russian throne is not the man she expects. A succession of lovers may fulfill her, but they've also left her vulnerable to her seditious husband's plot to have her arrested for treason. *Curse Not the King: Since her husband's assassination, Catherine has ruled for a decade. But her son—the rightful heir to the throne—has never forgiven her seizure of power, or forgotten his father's murder. Little does he know the sacrifices she's made—as mother and empress—to safeguard his liberty and life. Now, all Catherine can do is pray that her son's blind rage won't destroy them both.* *Far Flies the Eagle: Following victory in Europe, Gen. Napoleon Bonaparte is ready for his next conquest: Russia. What has he to fear from such a young czar? But Alexander, the grandson of Catherine the Great, should not be underestimated. A powerful adversary, he's already murdered his own father to ascend to the throne. Vanquishing the French emperor will be a pleasure. Sweeping from Paris to the Kremlin to the battlefield, Anthony's historically authentic trilogy offers a fascinating glimpse into the Romanov family and of the grand ambitions of one woman. "Miss Anthony knows how to highlight the . . . drama and intrigue that gradually change a trembling girl into a woman of brilliance and power" (The New York Times).*

When Hitler Stole Pink Rabbit Nov 27 2019 Anna is not sure who Hitler is, but she sees his face on posters all over Berlin. Then one morning, Anna and her brother awake to find her father gone! Her mother explains that their father has had to leave and soon they will secretly join him. Anna just doesn't understand. Why do their parents keep insisting that Germany is no longer safe for Jews like them? Because of Hitler, Anna must leave everything behind. Based on the gripping real-life story of the author, this poignant backlist staple gets a brandnew look for a new generation of readers just in time for Holocaust Remembrance Month.

My Big Toe Aug 05 2020 *My Big TOE*, written by a nuclear physicist in the language of contemporary Western culture, unifies science and philosophy, physics and metaphysics, mind and matter, purpose and meaning, the normal and the paranormal. The entirety of human experience (mind, body, and spirit) including both our objective and subjective worlds, are brought together under one seamless scientific understanding. If you have a logical, open, and inquisitive mind - an attitude of scientific pragmatism that appreciates the elegance of fundamental truth and the thrill of breakthrough - you will enjoy this journey of personal and scientific discovery. Based upon careful scientific research and logical deduction, this is a book for all who have an interest in the nature of the reality in which they exist. *My Big TOE* is not only about scientific theory, function, process, and discovery - but also speaks to each individual reader about their innate capabilities. Readers will learn to appreciate that their human potential stretches far beyond the limitations of the physical universe. This trilogy delivers the next major scientific conceptual breakthrough since relativity and quantum mechanics raised scientific eyebrows in the first half of the twentieth century. No catch, no megalomania, no hypothetical wackiness, no goofy beliefs, no unusual assumptions - just straightforward science that better describes the totality of our experience and provides a wealth of practical results and new understanding that can be applied personally and professionally by scientists and nonscientists alike. This is the real thing. *My Big TOE* is about life, purpose, personal significance, physics, evolution, and the reason why. The acronym "TOE" is a standard term in the physics community that stands for "Theory Of Everything." Such a theory has been the "Holy Grail" of physicists for more than fifty years. *My Big TOE* delivers the solution to that scientific quest at the layman's level with precision and clarity. This book is an adventure into the overlapping worlds of science, philosophy, and metaphysics. It is tightly analytical and logical as all good works of science and philosophy should be, while at the same time down to earth, easily understandable, and full of good humor. No leaps of faith or beliefs of any sort are required to get to where these books will take you. Campbell did not put the "My" in *My Big TOE* to flaunt pride of authorship. Nor does the "My" indicate any lack of generality or applicability to others. The "My" was added to be a constant reminder to you that this reality model cannot serve as your personal Big TOE until it is based upon your personal experience. On the other hand, personal or subjective experience is only one piece of the reality puzzle. In the objective physical world of traditional science, *My Big TOE* delivers a comprehensive model of reality that subsumes modern science, describes our objective material reality, and is universally applicable. Contemporary physics is shown to be a special case of a more general set of basic principles. Physics is in the business of modeling reality. General Relativity, Quantum Mechanics, and currently String Theory have

all unsuccessfully tried to produce an overarching model of our objective reality. In the physics community, these one-theory-explains-all reality models are called TOEs. This particular TOE is Big because it successfully integrates metaphysics and physics into a single unified big-picture view of our larger reality. The My Big TOE trilogy provides a rational, logically consistent Theory Of Everything, develops the required new paradigms to support that theory, constructs a solid scientific foundation for future explorations to be built upon, and explains the interfaces and connections between newly derived knowledge and the existing database of scientific and personal experience. It subsumes physics, redeems philosophy, and explains many objective as well as subjective phenomena. Within My Big TOE, the physical universe and consciousness are fully integrated into a single scientific, tightly logical exposition that encompasses the subjective as well as the objective, the normal as well as the paranormal, the whole of your experience body, mind, and spirit. The My Big TOE reality model will help you understand your life, your purpose, all of the reality you experience, how that reality works, and how you might interact most profitably with it. The author, in addition to his ongoing career in a traditional hard science, spent almost thirty years carefully researching altered states of consciousness both in and out of formal laboratory settings. With one foot in the world of physics and the other firmly planted in the scientific exploration of consciousness, Campbell is in a unique position to accomplish the synthesis required to bring all the disparate pieces of science together into a coherent scientific whole. My Big TOE is the result of this unusual dual career in both physics and parapsychology. Most readers find these books to be non-technical, lively, full of humor and good fun, as well as personally challenging and enlightening. The My Big TOE trilogy is hard hitting, personal, controversial, and full of new ways of viewing familiar things. It will make you laugh, wince, and reconsider what you thought you knew about almost everything. This book is guaranteed to annoy, anger, and offend some, as well as illuminate and emancipate others. It will turn your personal reality upside down and inside out as it unites mind, body, and spirit in one overarching scientific model. Our objective physical reality is shown to be just one piece of the larger puzzle of existence. This reality model provides a sound theoretical basis for understanding many of the scientific, technical, and philosophical enigmas that have been nagging at the minds of scientists and scholars for decades. Even more importantly, My Big TOE provides the scientific basis for finally answering many of the most unfathomable and pressing personal questions that have challenged human understanding since time immemorial since men and women first stared into a starlit sky and wondered who and why they were. After reading My Big TOE, one will understand both the universal and the personal (subjective) nature of consciousness, reality, and Big TOEs. One will learn to appreciate the fact that the larger reality extends beyond objective causality, beyond the reach of purely intellectual effort, into the personal subjective mind of each individual. The concepts in this book will initiate, and be the catalyst for, serious scientific and philosophical discussions in the fields of psychology, physics, philosophy, mathematics, evolution, and biology, as well as religion, theology, metaphysics, ontology, epistemology, and cosmology. The author chooses to first publish these ground breaking concepts in a trade publication rather than a technical journal because of their potential importance to every individual, and because the nature of the material (like Darwins theory of evolution, for example) requires broad explanations spanning multiple academic disciplines. Because this material must develop entirely new scientific and reality paradigms, it requires a substantial intellectual and logical presentation to shed light upon the limitations of normal culturally habituated patterns of thought a goal that cannot be reached both quickly and effectively. This journey will take you to the beginning of time. It will dive deeply into the human heart as well as probe the limits of the human mind. My Big TOE will redefine the significance of you, and provide new meaning to your existence. It will help you realize and optimize your potential as well as provide you with a wholly new, fully integrated, scientific understanding of both your inside and outside world. My Big TOE, written by a scientist from a Western technological viewp

The Far East Nov 07 2020

The Far East Trilogy Jan 22 2022 Three thrillers set in WWII-era Asia by a New York Times–bestselling author who writes “like a cross between Joseph Conrad and James Clavell” (Houston Chronicle). “A master of terse, ironic dialogue,” the author of A Covenant with Death presents a trilogy that journeys from the Gobi Desert to Peking to Burma in the chaotic years following the Second World War (Kirkus Reviews). The Chinese Bandit: An American ex-marine must run for his life in the cutthroat atmosphere of postwar China, pursued by both a dangerous criminal and Chiang Kai-shek’s forces. This one “will keep readers turning pages through the night”

(Los Angeles Times). The Last Mandarin: An American mercenary chases a Japanese war criminal through the war-torn streets of Peking in this “fascinating . . . exciting” adventure (The Philadelphia Inquirer). The Blue-Eyed Shan: The battle between East and West explodes in a remote corner of Burma, as an anthropologist in an isolated mountain village finds himself fighting to save the people he loves from the Chinese Red Army and a fearsome tribe of headhunters. A thriller “as exciting as Raiders of the Lost Ark” (Publishers Weekly). Described as “absolutely ripping adventure” by Time and “sublime entertainment” by John Irving, the Far East Trilogy is an unforgettable saga filled with suspense, epic scope, and rich historical atmosphere.
