JaprockSampler Oct 02 2022 Julian Cope, eccentric and visionary rock musician, follows the runaway underground success of his book KrautrockSampler with JaprockSampler, a cult deconstruction of Japanese rock music, and reveals what really happened when East met West after World War Two. It explores the clash between traditional, conservative Japanese values and the wild rock 'n' roll renegades of the 1960s and 70s, and tells of the seminal artists in Japanese post-war culture, from itinerant art-house poets to violent refusenik rock groups with a penchant for plane hijacking.

Spirit of Talk Talk Mar 15 2021 A richly illustrated, beautifully designed and now updated and extended book celebrating the music and art of the legendary Talk Talk. This edition includes interviews with Paul Webb and Lee Harris as well as the full transcript of Mark Hollis's final interview about the band.

Service Crew Mar 03 2020 Paris, 1975; Chelsea, 1984; Birmingham, 1985; Bradford, 1986; Bournemouth, 1990. Many of the most shocking incidents in British football history have involved the hooligan followers of one club: Leeds United. For 40 years they have run riot across the country, punching their way to international notoriety, yet they have remained the most secretive of all mobs. Journalist Caroline Gall spent two years interviewing participants from several generations to piece together the first ever history of the gangs, from the Shipley Skins to the youths of the present day. The apex of this hooligan army was the Service Crew, who adopted their name from the service trains they used instead of the heavily policed 'specials'. They emerged as the casual era dawned and, against the violent backdrop of the Miners' Strike, quickly became feared by their terrace foes. The police eventually launched Operation Wild Boar to take down the ringleaders, only to convict a small number of relative fringe players. Service Crew examines racism at Leeds, chronicles some of the worst incidents of football-related disorder in modern times, and charts the effects of drugs and the rave scene on the hooligans. It is the definitive story of football's most vilified fans.

Cependium Sep 01 2022 From the visionary musician, antiquarian and musicologist Julian Cope, comes an alternative history of the last six decades of popular music.

Language and Silence Jun 05 2020 How do we evaluate the power and utility of language when it has been manipulated to circumvent the truth at high levels or charged with vulgarity and imprecision by mass-consumer culture? How can fractured language adapt to the demands of more exact speech required by mathematics and symbolic notation? These are some of the questions addressed in this elegantly written book, first published in 1967 to international acclaim.

Anarchism and Authority Sep 08 2020 Examining the political theory of anarchism from a philosophical and historical perspective, Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority. The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority, the author both explaining and defending the central tenets of the anarchist critique of the state. The founding works of anarchist thought, by Godwin, Proudhon and Stirner, are explored and anarchism is examined in its historical context, including the influence of such events as the Enlightenment and the French Revolution on anarchist thought. Finally, the major theoretical developments of anarchism from the late-nineteenth century to the present are summarized and evaluated. This book is both a highly readable account of the development of anarchist thinking and a lucid and well-reasoned defence of the anarchist philosophy.

The Gospel According To John Aug 08 2020 "Anyone who dares to write yet another commentary on the Gospel of John must give reasons for doing so," writes Don Carson in his preface to this book. With this acclaimed volume in the Pillar New Testament Commentary series, Carson seeks above all to explain the text of John's Gospel to those who minister the Word of God to others, either by preaching or by leading Bible studies. However, the commentary is also designed for use by informed laypersons for purposes of personal edification. Throughout his commentary Carson attempts the following: to make clear the flow of the text, focusing on the movement of thought rather than on word studies and Greek syntax; to engage a small but representative part of the massive secondary literature on John, providing a kind of map of contemporary studies on this Gospel; to draw a few lines toward establishing how John's Gospel contributes to biblical and systematic theology; and, finally, to offer a consistent exposition of John as an evangelistic Gospel. Preceded by a comprehensive introduction treating such matters as the authenticity, authorship, purpose and structure of the Gospel, this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected.

The Pataphysician's Library Jan 31 2020 The Pataphysician's Library is a study of aspects of 1890s French literature, with specific reference to the traditions of Symbolism and Decadence. Its main focus is Alfred Jarry, who has proved, perhaps surprisingly, to be one of the more durable fin-de-si è cle authors. The originality of this study lies in its use of the enigmatic list of books termed the livres pairs, which appears in Jarry's 1898 novel *Gestes et Opinions du docteur Faustroll*, pataphysicien, his best-known prose work. The greatest interest of the livres pairs lies in a group of works by Jarry's friends and contemporaries, primarily Leon Bloy, Georges Darien, Gustave Kahn, Catulle Mendès, Josephin Madan, Rachilde, and Henri de Regnier. Several of these authors feature as the lords of islands visited by the pataphysician Dr Faustroll in his curious voyage around Paris. In conjunction with Jarry's own works, the contemporary livres pairs serve to illustrate the vibrant and experimental atmosphere in which these authors worked.

Head On/Repossessed Jun 29 2022 Julian Cope's highly acclaimed autobiography and its long-awaited sequel in one extraordinary volume. Contents: * Julian Cope shot to fame with eighties band 'Teardrop Explodes' during the Punk era. Hailed as a visionary by those people who recognise his genius and a madman by those who find him perplexing, he has become a cult figure in the music world. * Head-On has previously only been available via 'Head Heritage' Julian's own company. Repossessed picks up in 1983 where Head On ends and continues up until 1989. Written in Cope's inimitable style it is set to provoke the same kind of media excitement. * When Julian Cope published 'Head On' in 1994 he received astounding reviews: Visceral, ballsy, bitchy, brutal, beautifully written. Book of the year. Made my heart burst. -- The Observer ...an enthralling saga of bitchiness, betrayal and unrepentant debauchery. -- The Sunday Times (Books of the Year) As a glimpse of the essentially pathetic but amusing whims and eccentricities that lie behind the screwed down hairdos of rock musicians, it's equally essential reading. And as a genital -warts-and -all diary of madmen, it is simply supreme entertainment. -- N.M.E Cope never portrays himself as anything less than a self-serving, childish, whinging half-assed failure. He's wrong, of course, but it makes for insanely funny reading. -- Select

One Three One Nov 03 2022 "Welcome to Sardinia: my hell, my home, my prison, my meditation these past sixteen years. What a place to die. But that's precisely why I was back." When drugged-up Time Traveller and '80s musical burnout Rock Section and his fellow English hooligans get kidnapped during Italia '90, there are ruinous implications. But now Rock has returned to Sardinia one final time to settle some scores and uncover the truth. He believes only Dutch cult leader Judge Barry Hertzog, still incarcerated on the island for the crime, can provide the answers. But through prescription drugs, the persistence of his driver Anna and a quest for the hidden ancient doorways strewn around Sardinia's only highway, the 131, Rock will discover that a greater truth awaits him. Judgement, consequences, hoodwinking on a grand scale, Gnosticism versus agnosticism...131 is a Gnostic whodunit that pursues readers' memories of all previous fiction into a peat bog and impales them with seven-foot-long pikes.

Jewish Aspects in Avant-Garde Oct 10 2020 This volume deals with the significance of the avant-garde(s) for modern Jewish culture and the impact of the Jewish tradition on the artistic production of the avant-garde, be they reinterpretations of literary, artistic, philosophical or theological texts/traditions, or novel theoretical openings linked to elements from Judaism or Jewish culture, thought, or history.

Shadows of the Prophet Apr 27 2022 This is the first in-depth study of the Malay martial art, silat, and the first ethnographic account of the Haqqani Islamic Sufi Order. Drawing on 12 years of research and practice, the author provides a major contribution to the study of Malay culture.

Pyramid of Fire: The Lost Aztec Codex Jul 31 2022 The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001) In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is

transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

[This Is Memorial Device](#) Oct 22 2021 SHORTLISTED FOR THE GORDON BURN PRIZE 2017 ROUGH TRADE BOOK OF THE MONTH LRB BOOK OF THE WEEK CAUGHT BY THE RIVER BOOK OF THE MONTH SHORTLISTED FOR THE COLLYER BRISTOW PRIZE This Is Memorial Device, the debut novel by David Keenan, is a love letter to the small towns of Lanarkshire in the west of Scotland in the late 1970s and early 80s as they were temporarily transformed by the endless possibilities that came out of the freefall from punk rock. It follows a cast of misfits, drop-outs, small town visionaries and would-be artists and musicians through a period of time where anything seemed possible, a moment where art and the demands it made were as serious as your life. At its core is the story of Memorial Device, a mythic post-punk group that could have gone all the way were it not for the visionary excess and uncompromising bloody-minded belief that served to confirm them as underground legends. Written in a series of hallucinatory first-person eye-witness accounts that capture the prosaic madness of the time and place, heady with the magic of youth recalled, This Is Memorial Device combines the formal experimentation of David Foster Wallace at his peak circa Brief Interviews With Hideous Men with moments of delirious psychedelic modernism, laugh out loud bathos and tender poignancy.

Mithraic Societies: From Brotherhood to Religion's Adversary - (b&w) Mar 27 2022 Although by its title, this book seems to be about a specialized topic, the spread of Mithraic societies and its avatars, in time and geographical expanse, much enhances its relevancy. From Roman legionaries to chivalry orders, from dervish circles to guild organizations, and from Freemasons to French revolutionaries, the hierarchy of Mithraic societies, their initiation rites, and their oaths of secrecy, provided a model for brotherhood organization that was efficient, but also flexible; they could adapt their philosophy to the prevailing politico-religion conditions of the day, because they did not worship any particular god, but could also be comrades in arms with nascent religious movements, such as with Christianity. Mithra was the initial guarantor of their oath, and if need be it could be replaced by Jesus, Allah or any other divinity. Their \hat{O} religion \hat{O} was their brotherhood, and as such they usually provided a counter-balance to the power elite, and had the potential to become politically active.

The Megalithic European Dec 24 2021 Julian Cope's long-awaited follow up to The Modern Antiquarian, his bestselling and critically acclaimed guide to ancient Britain. The Megalithic European takes us on a breathtaking journey around prehistoric Europe's first temples.

Rave Culture and Religion Oct 29 2019 The collection provides insights on developments in post-traditional religiosity (especially 'New Age' and 'Neo-Paganism') through studies of rave's Gnostic narratives of ascensionism and re-enchantment, explorations of the embodied spirituality and millennialist predispositions of dance culture, and investigations of transnational digital-art countercultures manifesting at geographic locations as diverse as Goa, India, and Nevada's Burning Man festival. Contributors examine raving as a new religious or revitalization movement; a powerful locus of sacrifice and transgression; a lived bodily experience; a practice comparable with world entheogenic rituals; and as evidencing a new Orientalism. Rave Culture and Religion will be essential reading for advanced students and academics in the fields of sociology, cultural studies and religious studies.

Quit Your Band! Musical Notes from the Japanese Underground Apr 15 2021 From the sugar rush of Tokyo's idol subculture to the discordant polyrhythms of its experimental punk and indie scenes, this book by Japan Times music columnist Ian F. Martin offers a witty and tender look at the wide spectrum of issues that shape Japanese music today. With unique theories about the evolution of J-pop as well as its history, infrastructure and (sub)cultures, Martin deconstructs an industry that operates very differently from counterparts overseas. Based partly on interviews with influential artists, label owners and event organisers, Martin's book combines personal anecdotes with cultural criticism and music history. An accessible and humorous account emerges of why some creative acts manage to overcome institutional pressures, without quitting their bands. Ian Martin's writing about Japanese music has appeared in The Japan Times, CNN Travel and The Guardian among other places. Martin is based in Tokyo, where he also runs Call And Response Records.

Sayonara Amerika, Sayonara Nippon Sep 28 2019 From the beginning of the American Occupation in 1945 to the post-bubble period of the early 1990s, popular music provided Japanese listeners with a much-needed release, channeling their desires, fears, and frustrations into a pleasurable and fluid art. Pop music allowed Japanese artists and audiences to assume various identities, reflecting the country's uncomfortable position under American hegemony and its uncertainty within ever-shifting geopolitical realities. In the first English-language study of this phenomenon, Michael K. Bourdaghs considers genres as diverse as boogie-woogie, rockabilly, enka, 1960s rock and roll, 1970s new music, folk, and techno-pop. Reading these forms and their cultural import through music, literary, and cultural theory, he introduces readers to the sensual moods and meanings of modern Japan. As he unpacks the complexities of popular music production and consumption, Bourdaghs interprets Japan as it worked through (or tried to forget) its imperial past. These efforts grew even murkier as Japanese pop migrated to the nation's former colonies. In postwar Japan, pop music both accelerated and protested the commodification of everyday life, challenged and reproduced gender hierarchies, and insisted on the uniqueness of a national culture, even as it participated in an increasingly integrated global marketplace. Each chapter in Sayonara Amerika, Sayonara Nippon examines a single genre through a particular theoretical lens: the relation of music to liberation; the influence of cultural mapping on musical appreciation; the role of translation in transmitting musical genres around the globe; the place of noise in music and its relation to historical change; the tenuous connection between ideologies of authenticity and imitation; the link between commercial success and artistic integrity; and the function of melodrama. Bourdaghs concludes with a look at recent Japanese

pop music culture.

Mr Britling Sees it Through Sep 20 2021 This vintage book contains H. G. Wells's 1916 masterpiece of wartime literature, "Mr. Britling Sees it Through". It tells the story of Mr. Britling, a famous writer and obvious alter ego of the author who lives with his family in the fictional town of Matching's Easy, England. This masterful novel is highly recommended for those with an interest in wartime literature, and is not to be missed by fans and collectors of Wells's seminal work. Herbert George Wells (1866 - 1946) was an English writer whose notable works include "The War of the Worlds" (1897) and "The Time Machine" (1895). Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

American Hardcore Jul 07 2020 Hardcore, the hard-edged second generation of punk rock, whose peak period ranged from 1980 to 1986, has never before been captured in the way Steven Blush's authoritative, extensively illustrated oral history revisits its dynamic and sordid past. All the major hardcore scenes, particularly in Southern California, San Francisco, Washington D.C., Boston, New York City and Texas are given provocative voice through its major players, from drugged-out suburban Metal misfits to shit-kicking skinheads to vegan anti-drug pacifists. *American Hardcore: A Tribal History* not only recapitulates an important and influential scene, its provocative sociological snapshots reveal the apocalyptic desperation of a singular time in American history. Author Steven Blush was a prime mover in the scene he writes about; in the 80s, he promoted many hardcore tours and shows, DJ an influential college radio show, and ran a record label. Later Blush published *Seconds* magazine, and wrote for *Paper*, *Spin*, *Interview*, *Village Voice*, *Details* and *High Times* magazines. The primary photographers included in this volume are Edward Colver and Karen O Sullivan. Flyers, set lists, logos, and record covers have been provided by many collectors, and the book includes an extensive discography of Hardcore rock releases from 1980 to 1986.

Masks of the Illuminati Jan 13 2021 This American underground classic is a rollicking cosmic mystery featuring Albert Einstein and James Joyce as the ultimate space/time detectives. One fateful evening in a suitably dark, beer-soaked Swiss rathskeller, a wild and obscure Irishman named James Joyce would become the drinking partner of an unknown physics professor called Albert Einstein. And on that same momentous night, Sir John Babcock, a terror-stricken young Englishman, would rush through the tavern door bringing a mystery that only the two most brilliant minds of the century could solve . . . or perhaps bringing only a figment of his imagination born of the paranoia of our times. An outrageous, raunchy ride through the twists and turns of mind and space, *Masks of the Illuminati* runs amok with all our fondest conspiracy theories to show us the truth behind the laughter . . . and the laughter in the truth. Praise for *Masks of the Illuminati* "I was astonished and delighted . . . Robert Anton Wilson managed to reverse every mental polarity in me, as if I had been pulled through infinity."—Philip K. Dick "[Wilson is] erudite, witty, and genuinely scary."—Publishers Weekly "A dazzling barker hawking tickets to the most thrilling tilt-a-whirls and daring loop-o-planes on the midway to a higher consciousness."—Tom Robbins "Wilson is one of the most profound, important, scientific philosophers of this century—scholarly, witty, hip, and hopeful."—Timothy Leary

A Voice Still Heard Jul 27 2019 An indispensable collection of one of America's most outspoken and original critics of the second half of the twentieth century. Man of letters, political critic, public intellectual, Irving Howe was one of America's most exemplary and embattled writers. Since his death in 1993 at age 72, Howe's work and his personal example of commitment to high principle, both literary and political, have had a vigorous afterlife. This posthumous and capacious collection includes twenty-six essays that originally appeared in such publications as the *New York Review of Books*, the *New Republic*, and the *Nation*. Taken together, they reveal the depth and breadth of Howe's enthusiasms and range over politics, literature, Judaism, and the tumults of American society. *A Voice Still Heard* is essential to the understanding of the passionate and skeptical spirit of this lucid writer. The book forms a bridge between the two parallel enterprises of culture and politics. It shows how politics justifies itself by culture, and how the latter prompts the former. Howe's voice is ever sharp, relentless, often scathingly funny, revealing Howe as that rarest of critics—a real reader and writer, one whose clarity of style is a result of his disciplined and candid mind.

Mythologies Dec 12 2020 A series of essays in which Barthes seeks to tear away masks and demystify the signs, signals, gestures and messages through which western society sustains, sells, identifies and yet obscures itself.

Tono-Bungay Jan 25 2022 Tono-Bungay is narrated by George Ponderevo, who is persuaded to help develop the business of selling Tono-Bungay, a patent medicine created by his ambitious uncle Edward. George devotes seven years to organising the production and manufacture of a product which he believes to be "a damned swindle". He then quits day-to-day involvement with the enterprise in favour of aeronautics. But he remains associated with his uncle Edward, who becomes a financier of the first order and is on the verge of achieving social as well as economic dominance when his business empire collapses. George tries to rescue his uncle's failing finances by stealing quantities of a radioactive compound called "quap" from an island off the coast of West Africa, but the expedition is unsuccessful. His nephew engineers his uncle's escape from England in an experimental aircraft he has built, but the ruined entrepreneur turned financier catches pneumonia on the flight and dies in a French village near Bordeaux, despite George's efforts to save him. The novel ends with George finding a new occupation: designing destroyers for the highest bidder.

Popular Music and the Poetics of Self in Fiction Nov 22 2021 The volume explores the various intersections and interconnections of the self and popular music in fiction; it examines questions of musical taste and identity construction across decades, spaces, social groups, and cultural contexts, covering a wide range of literary and musical genres.

Buyology May 05 2020 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Humor Feb 23 2022 There was disaster coming; that was blindingly obvious. Life had been almost ridiculously easy, and now things were going to get worse. Much, much worse. I couldn't believe that I had ever thought otherwise. I couldn't believe that I'd ever thought that there could be any other outcome. Stanley Donwood's fictional universe is one in which anything can happen, and frequently does. Disappearances (people, things) are everyday. Relationships are unstable. Nature has turned unnatural. It's the kind of world (the kind of book) in which you might walk into a room only to find, that room, has ... no ... floor. A substantial selection of Stanley's fiction over the past ten years or so, (title) shows a contemporary master of the micro narrative. Apocalyptic, funny, unsettling and hallucinogenic in their intensity, Stanley Donwood's stories present a series of haunting episodes in a world drained of meaning, sense and consequence.

Terrorism in Perspective Nov 10 2020 The Third Edition of *Terrorism in Perspective*, like its two successful predecessors, takes a broad-based approach that emphasizes the historical, cultural, political, religious, social, and economic factors that underlie an understanding of both global and domestic terrorism. This unique text-reader combines original essays with the best of the existing literature on terrorism. Each chapter of this text begins with an overview essay written by the authors, followed by two relevant and engaging articles culled from a wide variety of popular, academic, and governmental sources. This is the only major terrorism text to incorporate readings from top terrorism experts into a traditional textbook format, allowing readers to deepen their understanding of each aspect of terrorism.

The Big Book of Words You Should Know Jul 19 2021 Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.
