My Best Friend, the Billionaire Aug 27 2019 Never fall in love with your best friend... I met Hal on the first day of high school. I also fell in love with Hal on the first day of high school. But although we were good friends from the start, I knew he'd never be mine. He's gorgeous, confident, sexy, and he's also incredibly rich. I'm scarred - physically and emotionally - quiet, and my family has always been poor. The two of us are poles apart. So I've trained myself not to think of him in that way. Not to think of kissing him, undressing him slowly. Of sliding beneath the bedclothes. Of having his hands on my skin. I don't think of it at all. I can't. Because Hal never stays with a girl for long, and if he were to have me, then leave me, my heart would break into a million pieces, and I'd never be able to put it together again. But then he tells me he's fallen in love with someone. I try to guess who, and he just smiles. "Izzy," he says patiently, "it's you." Oh no. * *The Billionaire Kings* is set in Noah's Ark Animal Sanctuary and features the sons of the heroes from the USA Today bestselling *Three Wise Men* series of sexy holiday romances. The books are all standalones, and you don't have to have read the *Three Wise Men* to enjoy *The Billionaire Kings*, but if you have read them you will hopefully have fun meeting up with Brock, Charlie, and Matt occasionally in these stories! This new series takes place approximately thirty years after the *Three Wise Men*, but it's not set 'in the future'. I just thought it would be fun to write a new series that had a connection to one of my favorites. I hope you enjoy reading it as much as I enjoyed writing it!

The Billionaire's Assistant - Part 1 Oct 29 2019 Book 1 - The Billionaire's Assistant Book 2 - The Billionaire's Proposal Book 3 - The Billionaire's Temptation My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their dream—a man who knew no limits. No boundaries. Every page—an open book. Over the years, he'd become something of a folk hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to promote. To protect. To shine a spotlight on all the good things—half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus—doing my not inconsiderable part to contribute to the massive global conglomerate that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me.
