

**Occupying Syria under the French Mandate** Oct 10 2020 What role does military force play during a colonial occupation? The answer seems obvious: coercion crushes local resistance, quashes political dissent and consolidates the dominance of the occupying power. However, as this discerning and theoretically rigorous study suggests, violence can have much more ambiguous consequences. Set in Syria during the French Mandate from 1920 to 1946, the book explores a turbulent period in which conflict between armed Syrian insurgents and French military forces not only determined the strategic objectives of the colonial state, but also transformed how the colonial state organised, controlled and understood Syrian society, geography and population. In addition to the coercive techniques, the book shows how civilian technologies such as urban planning and engineering were also commandeered in the effort to undermine rebel advances. Colonial violence had a lasting effect in Syria, shaping a peculiar form of social order that endured well after the French occupation.

CSB Study Bible, Hardcover, Indexed Jun 05 2020 The CSB Study Bible is designed to help you know and be transformed by God's Word. The Bible features the highly readable, highly reliable text of the Christian Standard Bible (CSB) that keeps Scripture primary on every page.
