*Specter of the White Death (Salmon Run - Book 5) Jan 16 2022 Past, present, and future collide in the rugged Alaska mountains. When Hawk and Zach Callahan agree to basic survival training with Amber Marley, they instead get an entire town of helpful interfering neighbors. With the help of Sasha and Grandpa Neely, they escape into the mountains to continue the lessons. Elsewhere, Admiral Kian did not like the situation in Bermuda and orders their spaceship readied. With no supply shuttle due to arrive in the near future, this means they must find and use Earth-based raw materials to manufacture their own parts. Nanuk once again finds his human research derailed. Leading both to a dangerous encounter with one of the horrors of winter: Avalanche. Welcome to Salmon Run, Alaska! A place of wild animals, wild lands, and wild inhabitants...oh, and native legends come alive and an interplanetary alien conflict at their backdoor. A fun contemporary science fiction series for teens, young adults, and adults of all ages. Books in the Salmon Run series in order: Night of the Aurora Alien Winter The Singing Lakes Secret Illusions Specter of the White Death Aurora Equinox Breakup - Alaska Style The Legend of Crazy Uncle George*

*The GOAL: How to Access, Dwell & Operate in the Kingdom of God Nov 02 2020 The Goal, explains how one can access, dwell and operate in the Kingdom of God, based on the teaching of Jesus, found in Matthew Chapter 5. Pastor Evans breaks down each Beatitude and offers the reader a step by step guide to access the Kingdom of God. A powerful book that will move each person who reads it into a powerful and fruitful relationship with the Lord, bringing Heaven to Earth. The Goal, is a modern classic drawing the reader back to it again and again for more wisdom and knowledge.*

*Long Weekend Dec 03 2020 With simple mindfulness activities, healthy recipes, and suggested itineraries to recharge, build community, and inspire creativity, this beautiful photo book is full of ideas that will inspire anyone seeking relaxation and reconnection. A great gift for all the busy people in your life.... and yourself. Here is your guide and inspiration for a weekend retreat to inspire renewal. Whether you sneak away with some friends or just turn off your devices and hide the to do list at home, Long Weekend is full of ideas to spend a creative, artistic, technology-free weekend filled with exercises and resources that will leave you feeling refreshed and rejuvenated. Includes basic itineraries for how to shape the time in addition to rituals of renewal provided by experienced retreat leaders Richelle Donigan and Rachel Neumann. Beautiful photographs by lifestyle photographer Ericka McConnell will transport you, so that reading the book feels like a retreat in itself. Great for armchair travelers as well as those looking for help planning a weekend away.*

*How to Read a Film Jul 18 2019 James Monaco discusses the elements necessary to understand how a film conveys its meaning, and, more importantly, how the audience can best discern all that a film is attempting to communicate.*

*The Weekend Aug 11 2021 #1 International Bestseller Shortlisted for the 2020 Australian Prime Minister's Literary Award \* Shortlisted for the Stella Prize 2020 \* Longlisted for the 2020 Miles Franklin Award "The Big Chill with a dash of Big Little Lies . . . Knife-sharp and deeply alive." —The Guardian (London) "An insightful,*

poignant, and fiercely honest novel about female friendship and female aging.” —Sigrid Nunez, National Book Award-winning author of *The Friend* “Friendship, ambition, love, sexual politics and death: it’s all here in one sharp, funny, heartbreaking, and gorgeously written package. I loved it.” —Paula Hawkins, author of *The Girl on the Train* Three women in their seventies reunite for one last, life-changing weekend in the beach house of their late friend. Four older women have a lifelong friendship of the best kind: loving, practical, frank, and steadfast. But when Sylvie dies, the ground shifts dangerously for the remaining three. They are Jude, a once-famous restaurateur; Wendy, an acclaimed public intellectual; and Adele, a renowned actress now mostly out of work. Struggling to recall exactly why they’ve remained close all these years, the grieving women gather at Sylvie’s old beach house—not for festivities this time, but to clean it out before it is sold. Can they survive together without her? Without Sylvie to maintain the group’s delicate equilibrium, frustrations build and painful memories press in. Fraying tempers, an elderly dog, unwelcome guests, and too much wine collide in a storm that brings long-buried hurts to the surface—and threatens to sweep away their friendship for good. *The Weekend* explores growing old and growing up, and what happens when we’re forced to uncover the lies we tell ourselves. Sharply observed and excruciatingly funny, this is a jewel of a book: a celebration of tenderness and friendship from an award-winning writer.

*Citizen* May 28 2020 For Rob Peabody, the young pastor of a mega-church in southern USA, the realization that his faith had little real connection with the world around him meant that something had to change. He redirected his church towards the poor on their doorstep and then took the larger step of moving to the UK to establish the missional fellowship 'Awaken'. In *Citizen*, he outlines the Kingdom-centered identity that is given to followers of Jesus. It a wake-up call to the church in the West. Jesus' death and resurrection initiates and invites people into a life of so much more than the status quo. God is re-building, re-newing, and re-creating that which is broken and marred by sin, and he is doing this, setting things right in the world, through Jesus. As citizens of the Kingdom, we have been saved and set apart for this work. We have a new allegiance, a changed identity, and a new mission as we seek to establish the rule of God on earth as it is in Heaven.

*The Simple Dollar* Sep 19 2019 Struggling with debt? Frustrated about work? Just not satisfied with life? *The Simple Dollar* can change your life. Trent Hamm found himself drowning in consumer debt, working in a job he couldn't stand... and figured out how to escape that debt and build the fulfilling career he'd always dreamt about, all at the same time. Hamm shared his experiences at *TheSimpleDollar.com*—and built it into one of America's top personal finance websites. Now, *The Simple Dollar* is a book: packed with practical tips, tools, and lessons you can use to transform your life, too. This isn't just “another” personal finance book: it's profoundly motivating, empowering, practical, and 100% grounded in today's American realities. Trent Hamm will show you how to rewrite the rules, creating healthier relationships with money... and with your loved ones, too. With his help, you can get out of debt, start moving forward, and build the strong personal community that offers true happiness—no matter what happens to the economy. · Escape the plastic prison, and stop running to stand still 5 simple steps to eliminate credit card debt... and 5 more to start moving forward · Shift your life's balance towards more positive, stronger relationships Learn how to put the golden rule to work for you · Discover the power of goals in a random world Then, learn how to overcome inertia, and transform goals into reality · Navigate the treacherous boundaries between love and money Move towards deeper communication, greater honesty, and more courage

*The Wonderful Weekend Book* Dec 23 2019 For too many of us the weekend has become just another overcrowded couple of days dominated by duties, traffic jams, hassle and expense as we dash from supermarket to superstore catching up with the week's chores. But it doesn't have to be this way. Elspeth Thompson's original and inspiring book shows us how we can reclaim the weekend by re-charging our batteries and relationships through enjoying the simple pleasures in life. From watching the sunset and the stars, making marmalade and writing proper letters to borrowing a dog, going to dance classes and using the internet creatively, she reminds us of the fun and satisfaction to be had from creative, social and relaxing pursuits. *The Wonderful Weekend Book* is packed with ideas that will help restore the balance in our lives, reconnect us to the seasons, and - quite literally - not cost the earth.

*The Big Book of Weekend Woodworking* Dec 15 2021 Fast and easy woodworking projects, from toys to furniture, folk art to garden items.

*How to See the World in a Weekend* Oct 13 2021 If you travel where everyone else wants to go when

everyone else wants to go there, you will spend more for your travel experiences, be no more interesting than you were last year and get very little value for your travel dollar. When you throw away the destination, you open up the possibility to see the world, and travel like you never thought you could. If you have limited allotted travel time, like to travel on a budget without sacrificing style, and are open to just a few unique travel ideas, you're sure to be inspired with the information you'll find in *How to see the World in a Weekend*.

*Fatal Pauses* Jun 28 2020 People can become stuck in many ways and for a wide variety of reasons, explains the author of *Fatal Pauses*, that rare book that both clinicians and general readers can benefit from and enjoy. Novelistic in its depictions of composite patients but clear-eyed in its analysis, the book offers a "3-D method" of addressing "stuck"-ness, which is defined as "not stopping something that is bad for us" or "not starting and staying with something that is good for us." The process of discovering why one is stuck, deciding to become unstuck, and then asserting the discipline required to do so is brought to vivid life by one of the most respected psychiatrists of our day. The book's structure is logical and engaging: The Am I Stuck? Scale can be self-administered by general readers or administered by clinicians to their patients. This first chapter sets the stage for what follows. The 3-D method of getting unstuck is presented in a systematic, easy-to-comprehend manner that begins with a brief overview and proceeds to more detailed instructions and insights. Riveting case examples make up the heart of the book. They are not mere summaries but consist of thorough and detailed clinical descriptions that provide context, in addition to extensive dialogue and analysis. Several of these cases are divided into multiple chapters, providing a comprehensive clinical picture to help both mental health professionals and lay readers increase their understanding of being "stuck." A range of categories or "stuck"-ness is addressed, including being trapped by career choices, limited by obesity, paralyzed by an unsatisfying marriage, incapacitated by addiction, and imprisoned by the need to please. Of special note is the case example of a young man whose interpersonal relationships have gradually, but progressively, become reduced to computer-based encounters. The author's examination of this individual's fixation on video games and virtual realities and his escape from this cyberprison through treatment is both timely and compelling. Finally, the author provides an evolutionary and neurobiological overview of how we become "stuck," which helps the reader grasp the underpinnings of this behavior and learn how to become "unstuck." Written in a warm and disarming style, *Fatal Pauses* will find a home in clinicians' libraries, waiting rooms, and on family room bookshelves.

*On Loves Path* Jan 24 2020 The road may be long or short with twists and curves. It is traveled with friends and pets and lovers, where the ultimate journey ends up where it needs to be. They say that it is how we get there that makes the trip worthwhile, and not the final destination in itself. In this book we will take a close look at the lives that are affected in a very positive way. Fasten your seatbelts and maybe have a box of tissues ready just in case. Emotions run high as the author will take you through a series of journeys traveled and spent on loves path.

*How to Write Travel Articles... in One Weekend* Jul 22 2022

*Fiction in a Weekend* Mar 06 2021 Forget slogging through a tedious MFA degree to learn to write your first book. This primer offers aspiring novelists all the fundamentals in one guide. Here are just a few of the many benefits: 1. Learn powerful mindset hacks to forever banish writer's block. 2. Receive a step-by-step guide to effective book outlining, using three act structure and the hero's journey. 3. Develop skills to create fully realized, memorable characters, including antiheroes and villains. 4. Discover secrets for generating believable, compelling dialogue. 5. Formulate the ultimate author marketing plan through the power of the web and social media.

*A Beautiful Mess* Weekday Weekend Mar 18 2022 *A Beautiful Mess* is one of the most popular DIY style blogs in the world, with more than 1 million readers. Co-creators (and sisters) Emma Chapman and Elsie Larson share their unique and approachable diet with fans and healthy eaters in this, their first cookbook. Their philosophy involves eating responsibly during the week—avoiding refined flours, sugars, alcohol, and dairy—and indulging on weekends. Vetted by nutritionists and divided into four parts (breakfast, meals, snacks and sweets, and drinks), each containing a weekday and weekend chapter. Featuring an attractive textured case vibrant photographs, this one-of-a-kind book makes a special gift for yourself or a friend looking for a lifestyle change—or simply more healthy and delicious go-to recipes!

*Responsible Parenting: The Psychological Effects of "Quality Time"* Jul 30 2020 Table of Contents Introduction The Concept of Quality Time Background of Child Raising Down the Centuries Psychologists and Modern - Day Parenting 1 - Have Meals Together 2 - Shopping with Family Members 3 - Hobbies and Sports Conclusion Author Bio Publisher Introduction Believe it or not, even though as a psychologist and a counselor, I learned a number of psychological terms, I was astonished when I was first confronted with the term "quality time," in

regard to parent-child relationship. This book is going to be controversial, because I do not want this term quality time to have anything to do with any sort of natural relationship between a parent or a child or partners or close family members. Why, because any relationship which is between human beings should never ever be measured in the amount of time spent with them and the feeling of guilt associated just because you neglected your family because you thought you had to do something else which held top priority in your schedule. This book wants you to abolish that psychological term quality time from your lexicon and vocabulary. This is just the sort of psychological mumbo-jumbo and jargon, thought up by some psychologist like me somewhere in order to sound more knowledgeable and more intelligent than thou! Along with that, I am going to talk about the long-term psychological effects of this so-called quality time on human beings, and whether you think that it is positive or negative, is going to be decided by you after you finish the book. Quality time - also known as QT, spoken in a very proud and smug tone because after all, you are boasting to other people around you that you have taken some time out of your very very busy schedule in order to spend this time with your loved ones - is a reference to some time spend informally with them. This naturally is a 20th century concept. And this is how a large number of parents are justifying their feelings of guilt, through neglecting their children just by saying that, well, they have done their duty to their children, because they have spent some time with them. And during this time they did some profitable, special, important, memorable, and productive activity. This time, which has been spent in doing this activity, where you are going to spend plenty of time giving some special matter or some special person all your attention, is called quality time. I just hate this term, especially when parents talk in a very smug tone that they have taken out half an hour out of their very busy schedule in order to take their children to a park, this week. I would rather those parents do not waste that half hour with their children, because one ear is going to be open for the ringing of their cell phone, with messages, and they watching the clock because they have to get back to what they consider to be the top priority job in their lives, as soon as the half hour is over. Stop this hypocritical behavior, pretending to be a good parent. The child could do without your presence, because the rest of the time, when you do meet or when you do have time to remember that you have a child around, the attention you give him is divided and full of interruptions.

*Waiting for the Weekend Jan 04 2021* Discusses the origin of the week, the observance of the Sabbath, and the development of the weekend, describing weekend behavior and modern preoccupation with leisure time  
*Weekend Makes: Punch Needle Feb 23 2020* Punch Needle is one of the hottest trends in needlecraft right now. It's fun and it's fast! With 25 quick and easy punch needle designs, this book is great way to learn the craft or challenge yourself with a new design idea. This title introduces you to the basics of the craft, including the materials you need, marking your fabric, and the basic stitches and techniques. There are also tips for successful stitching, guiding you through the process of making some stunning projects in very little time.

*Bland Encounter Nov 21 2019* Take the slap-stick farce of a 1950's Ealing comedy and update it with a generous portion of risqué humour - this is the laugh-out-loud comedy novel by Donald Wightman. The Bridgnorth writer used his own on-train experiences to create his story. 'I set out to devise an original plot packed with humour and quirky characters. My own railway industry knowledge provided the ideal platform for this hilarious, read-between-the-lines comedy novel, *Bland Encounter*. With a heritage railway on my own doorstep, a trip along its meandering route would inevitably fire-up my imagination and help me to create new ways of thickening the plot.' Woven through with gentle humour as well as outbreaks of pure farce, *Bland Encounter* features an off-the-wall main character surrounded by a host of amusing supporting roles. Dave Bland is a man struggling to make a new life after the break up of his marriage. The middle-aged train manager turns to an internet dating site and soon gets embroiled in intrigue. Is the mysterious Galina a high-class hooker, a hit woman or simply a lady looking for love? When she arrives in the UK, he invites her into his home, but complications arise when Galina's niece appears on the scene. A sex-trade worker down on her luck, Irina needs a place to stay. With money tight, old habits die hard, so Dave formulates a plan for Irina and her colleagues to target Trainspotters who are due in town for a special steam weekend. Chaos ensues when members of a rival steam railway try to sabotage the event. The mayhem increases when a train wrecks a nearby Safari Park. Order is eventually restored, but the consequences prove crucial for the people involved.

*The Weekend Book Proposal May 08 2021* Write Better Proposals Faster to Accelerate Your Writing Career! Whether you are a true beginner or a seasoned writer looking to secure more book contracts, *The Weekend Book Proposal* shows you how to take your best ideas and create powerful proposals--quickly and professionally. Weekend obedience training Includes exercises to teach your dog to lie down and roll over, retrieve objects and come to you when he is called. Weekend corrective training Tackles problems from soiling in the house to barking.

*A Weekend Or the World: A Complete How-To Travel Guide Jul 10 2021* In his late twenties, Andre Watson left everything behind and traveled the world for seven months. When he finally came home, his friends and coworkers had a million questions. How did he save up so much money? How did he decide where to go? How did he stay safe, especially when he couldn't speak the language? So he decided to write a book. *A Weekend or the World* answers all the most common questions about traveling--and many that aren't so common--from how to pay for a yearlong trip to how to use a squat toilet. Whether you want to stay in luxury resorts, backpack across Europe, or work in a foreign country for a year, you'll find all the skills you need in this comprehensive guide. If your heart yearns to travel but you haven't been sure where to begin, start right here, with *A Weekend or the World*.

*Satan's Spy Jun 16 2019* We first meet Steve Church on a business trip in Bahrain where terrorists attempt to take over the hotel where he is staying. Using prior CIA training and tradecraft, Steve is able to blunt the attack until the police arrive. On the same day, the Director of the National Clandestine Service at the CIA calls to tell him that she wants to see him urgently. Steve, not knowing the nature of her interest, is conflicted. He is not wild about getting involved again with an overly bureaucratic CIA, and he knows that another CIA assignment would kill his relationship with his live-in girl friend Kella, a former French intelligence officer. Nevertheless, without being an adrenalin junky, he prefers the excitement of the CIA to working for West Gate, a defense contractor, where he is a fast tracker. Initially astonished and dejected that Steve will again risk his life to obtain information that policy makers will ignore, Kella is unable to change Steve's mind. Not willing to break off the relationship, Kella executes a mental somersault and recruits herself to go with Steve as his communicator. Meanwhile in Iran, the man who will become Steve's nemesis, Ali Mousavi, captures, interrogates and executes a scientist suspected of working for the CIA, the Great Satan's spy agency. He also orders a young American with uncertain loyalties, to Tehran from his home in California to work on a special project. Although Steve's father Marshall is now semi-retired from the CIA (does a spy ever retire?), he recruits an Iranian intelligence operative on a secret mission to the United States. Without a permanent presence in Iran, the CIA turns to Steve to handle the new agent (XYSENTINEL) in Tehran. Under business cover, Steve and Kella take over the case in Tehran. Their initial goal is to collect intelligence on Iran's nuclear plans and capabilities. Instead, they learn that Iran is preparing a massive cyber attack against the United States. Iran's theocracy, humiliated by the American Navy's control of the Persian Gulf, feels that anonymous cyber warfare is the card to play to force the Great Satan' to withdraw from the region. From the start, external factors begin to trump Steve's clandestine tradecraft. At stake is the future of the Middle East, the health of America's economy, and the lives of Steve and Kella. Today's headlines will take on an entirely new meaning after you read *Satan's Spy*.

*How to Make \$500 This Weekend - Setting Up Shop as a Street Vendor Oct 25 2022* Table of Contents

Date Women. 5. Choose A Girlfriend. If you're sick of being single and want a practical step-by-step guide on how to get a girlfriend faster, then this is it.*

*How to Build a Bike (in a Weekend) May 20 2022 The bike that is most fun to ride is the bike that you have made yourself, and the good news is that anyone can do it. This simple guide walks you through the process, from working out what you need, creating the specification, sourcing parts, to the enjoyable weekend spent building your new bike from scratch. When your bike is finished it will need looking after, and the book includes equally clear maintenance guidelines; those expensive and inconvenient trips to the bike shop will become a thing of the past. Beautifully illustrated by Lee John Phillips, the book is a useful self-purchase and equally makes a great gift for cyclists and hobbyists.*

*How to Write for Magazines - in One Weekend Aug 23 2022*

*The Weekend Fix Aug 19 2019 Craig Weldon came of age on hills all around the British Isles, especially the Munros in Scotland. With his friends he braved the high peaks and ridges of the Cuillin and the lower tops of Gloucestershire, wild Welsh farmers and even wilder Highland midges. Sometimes hilarious, occasionally dangerous, more often wet, one thing was for certain: tackling the hills was never boring!*

*How to Write a Book This Weekend, Even If You Flunked English Like I Did Jun 21 2022 "Who Else Wants To Write a Book This Weekend?" It's easier than you think! Best-selling author Vic Johnson actually wrote this book in a weekend to prove how easy it is. And he gives you step-by-step detail of everything he did, including the resources he uses to turn out content-rich books in no time at all. How To Write a Book This Weekend is a perfect strategy for first-time book writers who have been discouraged by the thought of pounding out words for months at a time. Inside these pages you'll learn: \* Where to find idea "factories" that allow you to "crowdsource" the hottest trending topics. \* The little-known secrets used by a 19th century Russian immigrant to sell over 100 million print books. \* The "can't fail" method of choosing a title that makes your book irresistible to prospective buyers. \* A "backdoor" Google code that will instantly reveal a treasure trove of valuable research material for your book. \* The magic method that eliminates writers block and produces top quality content in a fraction of the time of other methods. Please note: This method has had proven success on many occasions when applied to non-fiction books. It may or may not be useful for fiction writers. What Others Say About Vic's Methods "Vic Johnson's advice has added tens of thousands of dollars to my business over the past year. In fact, one of his ideas added over \$100,000 revenue in one month. Pay attention to him and his material, you will be glad you did. Vic is one of the best things that ever happened to my business." - Bob Proctor, Best-selling author and star of The Secret DVD "His first course that I purchased for \$60 got me into the industry. I listened to it and wrote everything down point by point and did as much as I could. I made \$8,000 on one site alone." - Roger Gauthier, CEO, Tri-Vision Global, Inc. "Vic is truly a master. He took an idea, a dream, a vision he had, and methodically built it into a mini-empire. Vic is not only one of the most prolific marketers on the Internet today; from dealing with him personally on numerous occasions, I can also vouch that he's one of the most honest, ethical and downright nicest, as well. It's often been said that 'if you want to find the diamond mine, first get yourself the best possible map.' If your goal is to create a six-figure income via the Internet, then the map - in this case - has an actual name. It's Vic Johnson!" - Bob Burg, Best-selling author of Endless Referrals and co-author of Go Givers*

*What the Most Successful People Do on the Weekend Nov 14 2021 Laura Vanderkam, the author of What the Most Successful People Do Before Breakfast, shows how we can take control of our weekends in What the Most Successful People Do on the Weekend. Many of us breathe a grateful TGIF when Friday rolls around, envisioning a weekend full of both productivity and refreshment. Yet too often our precious weekends seem to disappear, eaten up by unproductive work or leisure that fails to energize us. Monday morning comes too fast, finding us still unrested, with tasks still undone. Drawing on real-life stories and scientific research, Vanderkam explains why doing nothing can be more exhausting than doing something and why happy people make weekend plans in advance. She shares weekend tips gleaned from busy people such as politician and news host Mike Huckabee, former CEO Frank Baxter, and TV producer Aliza Rosen. She lists the kind of weekend activities that make people happiest, explains why it's important to unplug at least for a little while, and shares the secret of why Sunday nights may be the most important hours. What the Most Successful People Do on the Weekend is a fun, practical guide that will inspire you to rethink your weekends and start your workweek refreshed, renewed, and on track. Laura Vanderkam is the author of 168 Hours: You Have More Time Than You Think and All the Money in the World: What the Happiest People Know About Getting and Spending. Her work has appeared in the Wall Street Journal, the Huffington Post, USA Today, Scientific American, and Reader's Digest, among other publications. She lives outside Philadelphia with her husband and their three children.*

The Weekend Effect Feb 17 2022 'A powerful argument, and practical advice, on the importance of reclaiming your leisure time to live a happier and more fulfilling life' - Gretchen Rubin, New York Times bestselling author of *Better Than Before* and *The Happiness Project* Encroaching work demands - coupled with domestic chores, overbooked schedules, and the incessant pinging of our devices - have taken a toll on what used to be our free time: the weekend. With no space to tune out and recharge, every aspect of our lives is suffering: our health is

deteriorating, our social networks (the face-to-face kind) are dissolving and our productivity is down. The notion of working less and living more has given way to the belief that you must be 'on' 24/7. Tired of suffering from Sunday-night let down, award-winning journalist Katrina Onstad pushes back against this all-work-no-fun ethos. Onstad follows the trail of people, companies and countries vigilantly protecting their time off for joy, adventure and meaning, and digs into the history, positive psychology and cultural anthropology of the great missing weekend. *The Weekend Effect* reveals that taking back those precious forty-eight hours is the key to increasing joy, creativity, productivity and success. It will be your persuasive, practical and much-needed guide to reclaiming your time off and, ultimately, saving yourself.
