Going Dark Jan 24 2022 This 50-page digital original novella introduces readers to Blackout, a series by acclaimed author Robison Wells that combines the high-stakes intensity of television's Homeland with the lightning-fast action of Marie Lu's Legend. Something strange is happening to Krezi. She has a dangerously high fever her doctors can't explain, and objects keep bursting into flames around

her—but the fire doesn't seem to hurt her at all. Krezi wants nothing more than to control her mysterious abilities. But what she doesn't know is that there are others like her out there . . . and in the wrong hands, this power could be deadly. Going Dark also features a teaser to Blackout. Epic Reads Impulse is a digital imprint with new releases each month.

Fight for Power May 04 2020 After sixty-six days of a catastrophic global blackout, life in the suburbs is not what it used to be for Adam and his fortified neighborhood of Eden Mills. Although an explosive clash has minimized one threat from outside the walls, Adam's battle-ha

One Silver Summer Jun 04 2020 After losing her mom in an accident, Sass is sent to live with her uncle in England. Far from her native Brooklyn, the rocky shores and crumbling castles of Cornwall seem like the perfect place to hide her grief. And when she stumbles across a silver horse in a sunlit meadow, Sass feels a surprising sense of peace . . . only to have it broken by a boy. Arrogant and distrustful, the horse's trainer, Alex, doesn't approve of the trespassing American. Yet after a few chance meetings, he begins to feel a connection to the curious girl with the sad eyes, and offers to teach her to ride. Sass never expected to feel anything again--least of all love--but the lessons reveal a far different Alex, and soon their friendship turns into something more. But Alex has a secret--a bombshell about his family that could shatter Sass's trust . . . and force him to abandon the one girl who made him believe in himself.

The Legend Thief Dec 31 2019 Sky has more monsters to fight—and lives to save—in the thrilling sequel to Return to Exile. Sky thought he had problems before. “Before” as in when his uncle disappeared, he had to move to an odd new town with his family, and, oh yeah, it was up to him to make sure the world’s deadliest monster didn’t escape from his prison. But none of that compares to now. “Now” as in when the entire Hunters of Legend are coming to Exile with one mission: kill Sky.

Well, Sky thought there was only one mission, but the longer he stays alive, the more he realizes that there is something else afoot. And all those friends that he kept in the dark to keep them safe? Turns out he might have to ask them to risk their lives yet again to stop an unspeakable evil from wreaking havoc on the world. With art from the illustrator of the Percy Jackson series and praise from New York Times bestselling writers—including Brandon Mull, author of the *Beyonders* and *Fablehaven* series, and James Dashner, author of *The Maze Runner* and *The Scorch Trials*—*The Hunter Chronicles* blend bravery and humor into a breathtaking adventure.

Return to Exile Jan 30 2020 On the eve of his twelfth birthday, Sky, who has studied traps, puzzles, science, and the secret lore of the Hunters of Legend, realizes his destiny as a monster hunter.

The Prey Jun 16 2021 For Gene and the remaining humans - or hepers - death is just a heartbeat away. On the run and hunted by society, they must find a way to survive in The Vast... and avoid the hungry predators tracking them in the dark. But they're not the only things following Gene. He's haunted by the girl he left behind and his burgeoning feelings for Sissy, the human girl at his side. When they discover a refuge of exiled humans living high in the mountains, Gene and his friends think they're finally safe. Led by a group of intensely secretive elders, the civilisation begins to raise more questions than answers. A strict code of behaviour is the rule, harsh punishments are meted out, young men are nowhere to be found - and Gene begins to wonder if the world they've entered is just as evil as the one they left behind. As life at the refuge grows more perilous, he and Sissy only grow closer. In an increasingly violent world, all they have is each other . . . if they can only stay alive.

Blackout Oct 01 2022 Homeland meets Marie Lu's Legend in *Blackout*, which #1 New York Times bestselling author Ally Condie called "a thrilling combination of Wells's trademark twists and terror. Fantastic!" Laura and Alec are highly trained teenage terrorists. Jack and Aubrey are small-town high

school students. There was no reason for their paths ever to cross. But now a mysterious virus is spreading throughout America, infecting teenagers with impossible superpowers—and all teens are being rounded up, dragged to government testing facilities, and drafted into the army to fight terrorism. Suddenly, Jack, Laura, Aubrey, and Alec find their lives intertwined in a complex web of deception, loyalty, and catastrophic danger—where one wrong choice could trigger an explosion that ends it all.

The Ministry for the Future Mar 14 2021 ONE OF BARACK OBAMA'S FAVOURITE READS OF THE YEAR 'If I could get policymakers and citizens everywhere to read just one book this year, it would be Kim Stanley Robinson's *The Ministry for the Future*' Ezra Klein, Vox *The Ministry for the Future* is a masterpiece of the imagination, using fictional eyewitness accounts to tell the story of how climate change will affect us all. Its setting is not a desolate, postapocalyptic world, but a future that is almost upon us. Chosen by Barack Obama as one of his favorite books of the year, this extraordinary novel from visionary writer Kim Stanley Robinson will change the way you think about the climate crisis. 'A novel that presents a rousing vision of how we might unite to overcome the greatest challenge of our time' TED.com 'A breathtaking look at the challenges that face our planet in all their sprawling magnitude and also in their intimate, individual moments of humanity' Booklist (starred review) 'Gutsy, humane . . . a must-read for anyone worried about the future of the planet' Publishers Weekly (starred review) 'A sweeping epic about climate change and humanity's efforts to try and turn the tide before it's too late' Polygon (Best of the Year) 'Steely, visionary optimism' Guardian

Incarceron Jul 06 2020 *Incarceron* - a futuristic prison, sealed from view, where the descendants of the original prisoners live in a dark world torn by rivalry and savagery. It is a terrifying mix of high technology - a living building which pervades the novel as an ever-watchful, ever-vengeful character, and a typical medieval torture chamber - chains, great halls, dungeons. A young prisoner, Finn, has

haunting visions of an earlier life, and cannot believe he was born here and has always been here. In the outer world, Claudia, daughter of the Warden of Incarceron, is trapped in her own form of prison - a futuristic world constructed beautifully to look like a past era, an imminent marriage she dreads. She knows nothing of Incarceron, except that it exists. But there comes a moment when Finn, inside Incarceron, and Claudia, outside, simultaneously find a device - a crystal key, through which they can talk to each other. And so the plan for Finn's escape is born ... 'I loved the book. It's a crazy, cool, dark world ... it's a great story.' -- Taylor Lautner, star of the Twilight movies

The beginning of everything Oct 09 2020 Star athlete and prom king Ezra Faulkner's life is irreparably transformed by a tragic accident and the arrival of eccentric new girl Cassidy Thorpe.

The Dark Oct 28 2019 From the twisted imagination of New York Times and #1 Audible bestselling author, Jeremy Robinson, comes a horrifying revelation about the centuries old Three Days of Darkness prophecy, during which the legions of Hell will be unleashed on the Earth. The Dark is a mind-bending and character driven sci-fi-infused horror novel like no other. There shall come over the whole Earth, an intense darkness lasting three days and three nights. Miah Gray is a twenty-seven-year-old, former Army soldier living in rural New Hampshire with his sister, mother, and her boyfriend. He is plagued by PTSD, finding solace, but not redemption, with the aid of prescribed cannabis. All he wants to do is get high, relax with a good sandwich, and watch a meteor shower with his neighborhood crush-Jen. He who opens his window or door out of curiosity, or leaves his home, will fall dead on the spot. But when the sun's light is blotted out the following morning, and the world is plunged into darkness, Miah finds himself locked down with his family, covering windows with trash bags, lighting candles, and following the arcane rules of an ancient prophecy. But there is no escaping what comes next. The air will be infected by demons, appearing in all sorts of hideous forms.

A brilliant flash of light fills the sky, leaving Miah changed, and an Old Norse death rune etched onto his forehead. He fears he has been marked for death until the neighborhood's parents start disappearing, and he's left behind. Leading Jen and a ragtag group of parentless kids, Miah hunts for answers and for their parents, while trying to keep his sister safe. He charges headlong down a path that will take him to the gates of Hell—and then straight through. All of Hell will be let loose. ?

I Am Not A Serial Killer Sep 27 2019 John Wayne Cheever keeps his obsession with serial killers in check by a set of rigid rules that he lives by, hoping to prevent himself from committing murder, but when a body turns up at a laundromat, must confront a danger outside himself.

After the End Apr 26 2022 Michael Grant's *Gone* series meets M. Night Shyamalan's *The Village* in this riveting story of one girl's journey to save the very people who have lied to her for her entire life. Amy Plum, international bestselling author of the *Die for Me* series, delivers a fast-paced adventure perfect for fans of Marie Lu, Veronica Rossi, and Robison Wells. Juneau grew up fearing the outside world. The elders told her that beyond the borders of their land in the Alaskan wilderness, nuclear war had destroyed everything. But when Juneau returns from a hunting trip one day and discovers her people have been abducted, she sets off to find them. And leaving the boundaries for the very first time, she learns the horrifying truth: World War III never happened. Nothing was destroyed. Everything she'd ever been taught was a lie. As Juneau comes to terms with an unfathomable deception, she is forced to survive in a completely foreign world, using only the skills and abilities she developed in the wild. But while she's struggling to rescue her friends and family, someone else is after her. Someone who knows the extraordinary truth about her secret past.

Confronting the Challenges of Participatory Culture Apr 14 2021 Many teens today who use the Internet are actively involved in participatory cultures—joining online communities (Facebook,

message boards, game clans), producing creative work in new forms (digital sampling, modding, fan videomaking, fan fiction), working in teams to complete tasks and develop new knowledge (as in Wikipedia), and shaping the flow of media (as in blogging or podcasting). A growing body of scholarship suggests potential benefits of these activities, including opportunities for peer-to-peer learning, development of skills useful in the modern workplace, and a more empowered conception of citizenship. Some argue that young people pick up these key skills and competencies on their own by interacting with popular culture; but the problems of unequal access, lack of media transparency, and the breakdown of traditional forms of socialization and professional training suggest a role for policy and pedagogical intervention. This report aims to shift the conversation about the "digital divide" from questions about access to technology to questions about access to opportunities for involvement in participatory culture and how to provide all young people with the chance to develop the cultural competencies and social skills needed. Fostering these skills, the authors argue, requires a systemic approach to media education; schools, afterschool programs, and parents all have distinctive roles to play. The John D. and Catherine T. MacArthur Foundation Reports on Digital Media and Learning

Dark Energy Jul 30 2022 We are not alone. They are here. And there's no going back. Perfect for fans of The Fifth Wave and the I Am Number Four series, Dark Energy is a thrilling stand-alone science fiction adventure from Robison Wells, critically acclaimed author of Variant and Blackout. Five days ago, a massive UFO crashed in the Midwest. Since then, nothing—or no one—has come out. If it were up to Alice, she'd be watching the fallout on the news. But her dad is director of special projects at NASA, so she's been forced to enroll in a boarding school not far from the crash site. Alice is right in the middle of the action, but even she isn't sure what to expect when the aliens finally emerge. Only one thing is clear: everything has changed.

Feedback Aug 31 2022 Perfect for fans of James Dashner's *The Maze Runner*, *Feedback* is the heart-stopping sequel to *Variant*—which Pittacus Lore, author of *I Am Number Four*, praised as "an intense journey with some of the most shocking twists and turns I've ever read." Benson Fisher escaped from Maxfield Academy's deadly rules and brutal gangs. He thought that the worst was over. But now Benson is trapped in a different kind of prison—a town filled with familiar faces. Classmates from Maxfield who Benson had seen die. Friends he was afraid he had killed. They are all pawns in the school's twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academy's plans are darker than anything he imagined—and they may be impossible to stop.

Variant Nov 02 2022 Benson Fisher thought that a scholarship to Maxfield Academy would be the ticket out of his dead-end life. He was wrong. Now he's trapped in a school that's surrounded by a razor-wire fence. A school where video cameras monitor his every move. Where there are no adults. Where the kids have split into groups in order to survive. Where breaking the rules equals death. But when Benson stumbles upon the school's real secret, he realizes that playing by the rules could spell a fate worse than death, and that escape—his only real hope for survival—may be impossible.

Flying Blind Sep 19 2021 'The astoundingly well reported and beautifully told story of the downfall of what was once a great American company. A must-read' Bethany McLean, bestselling author of *The Smartest Guys in the Room* 'Compelling and richly reported, *Flying Blind* is about so much more than the sad decline of Boeing and the tragic mistakes that led to the 737 Max disaster. It's also the urgent story of how the almighty profit motive supplanted a culture of engineering excellence in boardrooms across America' Brad Stone, bestselling author of *The Everything Store* The definitive exposé of how Boeing put profit before passengers, leading to the devastating loss of life in the 737 MAX crashes and the downfall of an American business giant In examining the history of the 737, *Flying Blind* explores how Boeing's new management degraded a highly-regarded plane with cost-focused mandates and skimmed on testing in the race to match a competing plane from Airbus. How Boeing outsourced software work to poorly paid graduates in India and convinced the US Federal Aviation Authority to

put the MAX into service without requiring pilots to undergo simulator training, and how ultimately these failures resulted in the deaths of 346 Boeing passengers. Framed around the 737 MAX crashes, *Flying Blind* is the definitive exposé that for the first time tells the larger, decades-long story of how a corrupt corporate culture paved the way for a cataclysm that cost lives. 'Vividly written and meticulously researched, *Flying Blind* is a story everyone - every consumer, every citizen, every worker in every industry - needs to read' Diana B. Henriques, New York Times bestselling author of *The Wizard of Lies: Bernie Madoff and the Death of Trust* 'A gripping narrative and required reading for anyone who wants to understand how one of America's mightiest corporations veered so badly off course' Sheelah Kolhatkar, New Yorker staff writer and bestselling author of *Black Edge*

The Rule of Three: Fight for Power May 16 2021 In a world gone dark, life goes on for Adam and his fortified neighborhood of Eden Mills—even if the extreme steps taken by his battle-hardened mentor Herb, his police chief mom, and the other leaders in the name of security and survival are increasingly wrenching and questionable. But with renewed determination, Adam will follow Herb's lead: he'll do what it takes, he'll make sense of having had to defeat the enemy in such awful ways. All that matters is that their suburban home is safe again—in a blackened world that still feels like a place worth living in. So when the next threat, more deadly and dangerous for being so unexpected, comes from within

the walls, Adam isn't ready for it. And soon the very person in whom this sixteen-year-old has placed all his hopes will pay the price, because of Adam's mistakes, and mistaken trust.

Fragments Nov 29 2019 Author Dan Wells is back with the sequel to the sci-fi blockbuster *Partials*, which Pittacus Lore called a "thrilling sci-fi adrenaline rush, with one of the most compelling and frightening visions of Earth's future I've seen yet." After discovering the cure for RM, Kira Walker sets off on a terrifying journey into the ruins of postapocalyptic America and the darkest desires of her heart in order to uncover the means—and a reason—for humanity's survival. Dan Wells extends his richly imagined, gritty world and introduces new memorable characters in this second installment in the *Partials* Sequence.

The Sinner and the Saint Sep 07 2020 *A New York Times Book Review Editors' Choice* One of The East Hampton Star's 10 Best Books of the Year* From the New York Times bestselling author of *The Most Dangerous Book*, the true story behind the creation of another masterpiece of world literature, Fyodor Dostoevsky's *Crime and Punishment*. *The Sinner and the Saint* is the deeply researched and immersive tale of how Dostoevsky came to write this great murder story—and why it changed the world. As a young man, Dostoevsky was a celebrated writer, but his involvement with the radical politics of his day condemned him to a long Siberian exile. There, he spent years studying the criminals that were his companions. Upon his return to St. Petersburg in the 1860s, he fought his way through gambling addiction, debilitating debt, epilepsy, the deaths of those closest to him, and literary banishment to craft an enduring classic. The germ of *Crime and Punishment* came from the sensational story of Pierre François Lacenaire, a notorious murderer who charmed and outraged Paris in the 1830s. Lacenaire was a glamorous egoist who embodied the instincts that lie beneath nihilism, a western-

influenced philosophy inspiring a new generation of Russian revolutionaries. Dostoevsky began creating a Russian incarnation of Lacenaire, a character who could demonstrate the errors of radical politics and ideas. His name would be Raskolnikov. Lacenaire shaped Raskolnikov in profound ways, but the deeper insight, as Birmingham shows, is that Raskolnikov began to merge with Dostoevsky. Dostoevsky was determined to tell a murder story from the murderer's perspective, but his character couldn't be a monster. No. The murderer would be chilling because he wants so desperately to be good. The writing consumed Dostoevsky. As his debts and the predatory terms of his contract caught up with him, he hired a stenographer to dictate the final chapters in time. Anna Grigorievna became Dostoevsky's first reader and chief critic and changed the way he wrote forever. By the time Dostoevsky finished his great novel, he had fallen in love. Dostoevsky's great subject was self-consciousness. Crime and Punishment advanced a revolution in artistic thinking and began the greatest phase of Dostoevsky's career. The Sinner and the Saint now gives us the thrilling and definitive story of that triumph.

Dead Zone Jun 28 2022 Homeland meets Marie Lu's Legend in the explosive sequel to Blackout, which #1 New York Times bestselling author Ally Condie called "a thrilling combination of Wells's trademark twists and terror. Fantastic!" It began with a virus. Then a series of attacks erupted across the nation. Now America is at war—and a handful of teens with impossible powers are its only defense. In Dead Zone, Robison Wells delivers his most nail-bitingly tense read yet—and an electrifying conclusion to a two-book series that's perfect for fans of The Maze Runner and I Am Number Four.

Life Inside My Mind May 28 2022 "Who better to raise teens' awareness of mental illness and health than the YA authors they admire?" —Booklist (starred review) "[A] much-needed, enlightening

book.” —School Library Journal (starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn’t get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says “you’re not good enough,” “not good looking enough,” “not thin enough,” or “not smart enough”? Have you ever found yourself unable to do homework or pay attention in class unless everything is “just so” on your desk? Everyone has had days like that, but what if you have them every day? You’re not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It’s easier to have a broken bone—something tangible that can be “fixed”—than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. *Life Inside My Mind* is an anthology of true-life events from writers of this generation, for this generation. These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation.

Michael Vey 2 Jul 18 2021 Michael must save his mother—and protect his powers—in the electric sequel to the #1 New York Times bestselling *Michael Vey*, from Richard Paul Evans. I rolled over to my back, struggling for breath. The pain continued to pulse through my body—a heavy throb followed by a sharp, crisp sting. The man said, “Trust me, there are worse things in this world than Cell 25.” Michael, Taylor, Ostin, and the rest of the Electroclan have escaped from the Elgen Academy in Pasadena and are headed back to Idaho to plan their next move. But what’s waiting for them there will

change everything. After using their wits and powers to narrowly escape an Elgen trap, a mysterious voice leads the Electroclan to the jungles of Peru in search of Michael's mother. Once there, they discover that Dr. Hatch and the Elgen are far more powerful than anyone realizes; entire countries have begun to fall under their control. Only the Electroclan and an anonymous voice now stand in the way of the Elgen's plan for global domination. But is the voice that Michael is following really an ally, or is it just another Elgen trap?
