Master of His Fate Jan 12 2021 From #1 New York Times bestselling author Barbara Taylor Bradford comes the first book in a stunning new historical saga. Victorian England is a country of sharp divides between rich and poor, but James Lionel Falconer, who spends his days working at his father's market stall, is determined to become a merchant prince. Even as a child, he is everything a self-made man should be: handsome, ambitious, charming, and brimming with self-confidence. James quickly rises through the ranks, proving himself both hardworking and trustworthy, and catching the eye of Henry Malvern, head of the most prestigious shipping company in London. But when threats against his reputation - and his life - begin to emerge, James will have to prove that he truly is the master of his fate. Through scandal and romance, tragedy and triumph, the Falconer and Malvern family's lives intertwine in unexpected ways in this expansive and intricately detailed new novel filled with drama, intrigue, and Bradford's trademark cast of compelling characters.

Stolen Ones Sep 07 2020 Kim felt sickness sweep over her as she watched little Grace dust off her dirty hands. Blonde curls tumbled around her face. Then, Grace disappeared into the crowd. Kim wanted to pause the recording, run outside and grab her to stop what was about to happen. One August afternoon, eight-year-old Grace Lennard skips into the garden of the childcare centre she attends and vanishes into thin air. Rushing to the scene of Grace's disappearance, Detective Kim Stone finds a chilling piece of evidence: the engraved heart bracelet belonging to Melody Jones - the little girl who was taken from a playground exactly twenty-five years ago. Hours before, Steven Harte had walked into Halesowen police station and confessed to having information that would lead Kim to Melody. And he told Kim she'd have a more urgent problem to deal with first. Now Kim must play Steven's twisted game if she's to find Grace alive. With only twenty-four hours to make every second of Steven's interrogation count, and scan his behaviour for hidden clues, Kim and her team soon link Steven to the abduction of several vulnerable girls - two were kept for a year and then released, unharmed - but where are Melody and the others? Then small bones are discovered in the grounds of a local park, and Kim fears the worst. Kim may think she's close to convicting a killer, but the case has got even more complex. A chilling figure from Kim's past is about to reveal a shocking secret that will hit her where it hurts the most. Can Kim put aside her own demons, save Grace and the other missing girls before more innocent lives are lost? An edge-of-your-seat thriller that will leave your heart in your mouth. You will be totally hooked on the utterly addictive, number one, multi-million-copy bestselling Detective Kim Stone series. Read what everyone is saying about Stolen Ones: 'OMG what a page turner. Heartbreaking, chilling and utterly compulsive... Hooked from the first to the last page, constantly holding my breath... another explosive addition to this gripping and very addictive series.' Emma's Secret Jul 06 2020 Paula O'Neil has inherited her grandmother Emma Harte's dream for success-a magnificent business empire in London shared by Paula's daughters, Linnet and Tessa. Yet their future is far less secure than any woman imagines. For beneath the dazzling surface, flares a rivalry and discontent that leave them vulnerable to the dreams of others. Into the fray arrives enigmatic American fashion designer Evan Hughes seeking employment. But her interest in the Harte dynasty is a personal one. Bearing a striking resemblance to the Harte lineage, Evan's arrival begins to unravel a mystery that hides in the family's shadows, and that waits to be revealed in Emma's long-lost diaries. Now as the past unfolds, so emerges an extraordinary tale of money and power, passion and revenge, and survival and triumph at any price-one that will irrevocably change the lives and loves of four women and shake an empire to its very foundation.

Angel Jun 24 2019 A saga of friendship and fame, secrets, and success from the #1 New York Times–bestselling author of *A Woman of Substance*. Orphaned at a young age, the lives of Rosie, Gavin, Nell, and Kevin are irrevocably intertwined. Rising from poverty, all four go on to stunning success: Rosie as an award-winning costume designer; Gavin as a world-renowned Hollywood actor; Nell as the head of a global public relations company; and Kevin as the head of the NYPD Crime Intelligence Commission and a leader in the fight against organized crime. Told with the broad scope and narrative power characteristic of Barbara Taylor Bradford, this book is the story of a family formed by fortune, not blood, as they lose their innocence, follow their passions, triumph over adversity, and ultimately transform their own lives. Praise for Barbara Taylor Bradford and her novels “Few novelists are as consummate as Barbara Taylor Bradford at keeping the reader turning the page.” —The Guardian “Pure gold.” —Cosmopolitan “An extravagant, absorbing novel of love, courage, ambition, war, death and passion.” —The New York Times “The storyteller of substance.” —The Times (London) “A long, satisfying novel of money, power, passion and revenge set against the sweep of 20th century history.” —Los Angeles Times “A wonderfully entertaining novel.” —The Denver Post “Legions of readers will be satisfied by the romantic fortunes of the cultured, wealthy and powerful people she evokes.” —Publishers Weekly

Anarchism and Other Essays Oct 09 2020 Among the men and women prominent in the public life of America there are but few whose names are mentioned as often as that of Emma Goldman. Yet the real Emma Goldman is almost quite unknown. The sensational press has surrounded her name with so much misrepresentation and slander, it would seem almost a miracle that, in spite of this web of calumny, the truth breaks through and a better appreciation of this much maligned idealist begins to manifest itself. There is but little consolation in the fact that almost every representative of a new idea has had to struggle and suffer under similar difficulties. Is it of any avail that a former president of a republic pays homage at Osawatimie to the memory of John Brown? Or that the president of another republic participates in the unveiling of a statue in honor of Pierre Proudhon, and holds up his life to the French nation as a model worthy of enthusiastic emulation? Of what avail is all this when, at the same time, the LIVING John Browns and Proudhons are being crucified? The honor and glory of a Mary Wollstonecraft or of a Louise Michel are not enhanced by the City Fathers of London or Paris naming a street after them—the living generation should be concerned with doing justice to the LIVING Mary Wollstonecrafts and Louise Michels. Posterity assigns to men like Wendell Phillips and Lloyd Garrison the proper niche of honor in the temple of human emancipation; but it is the duty of their contemporaries to bring them due recognition and appreciation while they live. The path of the propagandist of social justice is strewn with thorns. The powers of darkness and injustice exert all their might lest a ray of sunshine enter his cheerless life. Nay, even his comrades in the struggle—indeed, too often his most intimate friends—show but little understanding for the personality of the pioneer. Envy, sometimes growing to hatred, vanity and jealousy, obstruct his way and fill his heart with sadness. It requires an inflexible will and tremendous enthusiasm not to lose, under such conditions, all faith in the Cause. The representative of a revolutionizing idea stands between two fires: on the one hand, the persecution of the existing powers which hold him responsible for all acts resulting from social conditions; and, on the other, the lack of understanding on the part of his own followers who often judge all his activity from a narrow standpoint. Thus it happens that the agitator stands quite alone in the midst of the multitude surrounding him. Even his most intimate friends rarely understand how solitary and deserted he feels. That is the tragedy of the person prominent in the public eye.

A Man of Honour Apr 26 2022 The prequel to the million-copy bestseller, *A Woman of Substance*, where, high on the Yorkshire moors, the story of Blackie O'Neill and Emma Harte begins... Orphaned and alone, 13-year-old Blackie O'Neill must leave County Kerry to find work and put food in his mouth. His only chance of survival lies with his mother's brother, far away in Leeds. There, amid the noise and bustle, the mills and manufactories of the clothing industry that have made Leeds one of England's most prosperous cities, Blackie's spark of ambition becomes a flame. Working in his Uncle's business, he nurtures a dream of throwing off the impotence of poverty, of building houses and perhaps even of becoming a gentleman. And then, high on the Yorkshire moors, in the mists of a winter morning, he meets a kitchen maid called Emma Harte. And as the Victorian world gives way to the freedom of the Edwardian age, so a young man and a servant girl seize a chance, against the odds, to build a better life... 'Heart-soaring and hopefully, this is a story about love, courage and ambition. A true treat for anyone fell in love with the original novel' Yours 'This captivating read chronicles 13-year-old orphan Blackie O'Neill's migration from Ireland . . . when he meets Emma Harte, it ignites a lifetime of friendship' Woman Don't miss this stunning new novel from Barbara Taylor Bradford!

Kiss Me Not Nov 09 2020 What do you do when you're the reigning kissing booth champion but the only person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain across to do the one thing he's not allowed to: Kiss me.

Rule Breaker Feb 10 2021 There's a fine line between animal instinct and human desire—and in her “highly erotic saga” (Fresh Fiction), #1 New York Times bestselling author Lora Leigh crosses it. Now, in her new novel of the Breeds, the mating heat continues... Lion Breed and enforcer Rule Breaker has just a few rules he doesn't break. Not for anything. Not for anyone—like never have sex with a woman outside his own breed, especially a human woman. Especially someone too helpless, too fun loving and too full of life to ever be able to protect herself, let alone help him to protect her. If the damned animal inside him insists on a mate, then why pick her? A woman who is an easy target and who can be used as a weapon against him at any time. But what he suspects is mating heat may not be that at all. Just his animal instincts rioting, pacing, irritated whenever he's away from her. Okay, he can handle that. What ensues is a fiery affair that breaks all the rules of mating heat and will eventually endanger his mate with the very rules designed to protect the Breeds—for she's possibly been working against them...

Hold the Dream Jun 16 2021 A young woman inherits a business empire in this sequel to A Woman of Substance, book two in the #1 New York Times–bestselling author's Harte Family Saga. Nearing retirement, Emma Harte is preparing to leave her retail empire, Harte Enterprises, to her favorite grandchild, Paula McGill Fairley. She has only one request of Paula: “I charge you to hold my dream.” Now Paula must navigate the cutthroat corporate waters of the business world while steering her course toward the happiness she longs for, and the legacy she herself will build. Emotionally rich and splendidly detailed, this sequel continues the story of the Hartes in magnificent style. “Few novelists are as consummate as Barbara Taylor Bradford at keeping the reader turning the page.” —The Guardian “Another instant bestseller.” —The Philadelphia Inquirer
