*Lights! Camera! Arkansas!* Jun 28 2022 *Lights! Camera! Arkansas!* traces the roles played by Arkansans in the first century of Hollywood's film industry, from the first cowboy star, Broncho Billy Anderson, to Mary Steenburgen, Billy Bob Thornton, and many others. The Arkansas landscape also plays a starring role: North Little Rock's cameo in *Gone with the Wind*, Crittenden County as a setting for *Hallelujah* (1929), and various locations in the state's southeastern quadrant in 2012's *Mud* are all given fascinating exploration. Robert Cochran and Suzanne McCray screened close to two hundred films—from laughable box-office bombs to laudable examples of filmmaking -- in their research for this book. They've enhanced their spirited chronological narrative with an appendix on documentary films, a ratings section, and illustrations chosen by Jo Ellen Maack of the Old State House Museum, where *Lights! Camera! Arkansas!* debuted as an exhibit curated by the authors in 2013. The result is a book sure to entertain and inform those interested in Arkansas and the movies for years to come.

Arkansas/Arkansaw Feb 22 2022 What do Scott Joplin, John Grisham, Gen. Douglas MacArthur, Maya Angelou, Brooks Robinson, Helen Gurley Brown, Johnny Cash, Alan Ladd, and Sonny Boy Williamson have in common? They're all Arkansans. What do hillbillies, rednecks, slow trains, bare feet, moonshine, and double-wides have in common? For many in America these represent Arkansas more than any Arkansas success stories do. In 1931 H. L. Mencken described AR (not AK, folks) as the "apex of moronia." While, in 1942 a Time magazine article said Arkansas had "developed a mass inferiority complex unique in American history." Arkansas/Arkansaw is the first book to explain how Arkansas's image began and how the popular culture stereotypes have been perpetuated and altered through succeeding generations. Brooks Blevins argues that the image has not always been a bad one. He discusses travel accounts, literature, radio programs, movies, and television shows that give a very positive image of the Natural State. From territorial accounts of the Creole inhabitants of the Mississippi River Valley to national derision of the state's triple-wide governor's mansion to Li'l

Abner, the Beverly Hillbillies, and Slingblade, Blevins leads readers on an entertaining and insightful tour through more than two centuries of the idea of Arkansas. One discovers along the way how one state becomes simultaneously a punch line and a source of admiration for progressives and social critics alike.

*Single Season Sitcoms of the 1990s* May 28 2022 During the "Must See TV" 1990s, Americans enjoyed such immensely popular sitcoms as *Friends*, *Seinfeld*, *Home Improvement* and *The Drew Carey Show*. Shows that did not make the ratings cut numbered in the hundreds--the emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these "flops" were actually quite good and deserved a better fate. The author revisits them--along with the "dramedies" of the day--with detailed entries providing production and broadcast information, along with critical analyses, and recollections by cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included.
