Amazing Heights Sep 26 2019

How I Increase My Height Without Any Oral Medicine Mar 01 2020 This book is written by Mahesh Kaushik. Mahesh Kaushik is a famous blogger his blog <http://popati.blogspot.com/> help many persons to increase their height. Read this quote "After practice of 2-3 months I noticed that my height is increasing. I think I got one inch at the age of 35 years . Because my pants are short and my wife and friends tell me "that I look longer." It was a miracle for me so I am so exited and put all of my concentration on height increase instead of getting spiritual powers, finally it will increase near 3 inches. I have never mapped my height so I can not provide an exact idea that how many inchs I get added on to my height but since my puberty my elder brother is 3 inches taller than me but after this meditation and acupressure in the age of 35 I wonder that I reach my elder brother's height. So I think I gained 3 inches in my height." So this book is highly recommended for low height persons

Righteous Armies, Holy Cause Nov 08 2020 "Terrie Aamodt's writing is followed by an appendix with numerous primary documents, including selections by E.P. Worth, Herman Melville, James R. Randall, Julia Ward Howe, and Harry Flash. Aamodt clearly demonstrates the significance of religious belief in the minds and hearts of those who lived during the Civil War."--BOOK JACKET.

Small Or Tall, We Sparkle After All Aug 25 2019 Let's teach our children to be confident, body positive, kind to themselves and others. All Shreya wants for her birthday is to grow ten feet tall! She dreams of reaching high places and towering over those who tease her. Will her wish come true? This book uses concept, culture and science to explain the importance of being body positive early. Excellent resource for counselors, parents, and teachers alike. ** Reading guide and lesson plan for this book available on RaisingWorldChildren.com/learnmore .

Tall Life May 27 2022 This is a book for tall people, those who relate to them, and anyone interested in height in general. Being tall coincides with considerable professional, athletic, and social benefits. Yet there are also some problems, and these raise some questions. For instance, if longer levers and more cells really are behind increased risk of injuries and cancer, then how is it that giraffes get by? And why is it that society reveres tall stature but then compromises our safety with cramped cars and other things? And, as tall women might be pondering, where have all the tall, dark, and handsome men gone? Lastly, what can be done about all this? These questions and more will all be answered by a tall protagonist over eight chapters: Evolution, Scaling, Spine, Manufactured, Ergonomics, Growth, Longevity, and Society.

That's Not My Taller and Shorter Apr 01 2020 A cute board book for little children that's all about big and little, explaining the concept of height through a story about animals each taller than the last.

How to Grow Taller Feb 21 2022 A Proven, Step-By-Step Method To Increase Your Height This book tells you what to do (and what not to do) in order for you to add inches to your height. Atomic Habits Jul 25 2019 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Corfe Castle Murders Nov 28 2019 Meet DCI Lesley Clarke. She's a straight-talking city copper who doesn't suffer fools gladly... and she's been transferred to rural Dorset. After being injured in a bomb attack, Lesley is presented with a choice - early retirement, or a period of respite in a calmer location. But things don't stay calm for long. Before she's even started her new job, Lesley is dragged into investigating a murder at one of England's most iconic landmarks, the imposing Corfe Castle. Lesley must hit the ground running. Can she get along with her new partner DS Dennis Frampton, a traditionalist who doesn't appreciate her style? How will she navigate the politics of a smaller force where she's a bigger, and less welcome, fish? And most importantly, can she solve the murder before the killer strikes again? The Corfe Castle Murders is a compelling, character-driven mystery perfect for fans of Ann Cleeves, Faith Martin and Joy Ellis.

How We Made Our First Million on Kindle Aug 06 2020 We sold 347 eBooks in January of 2011. In just six months, by July 2011, we were selling 65,000 eBooks a month. From that modest beginning, by 2011's end, we had sold over 400,000 eBooks. This book will give you the details on how we did that and built a seven-figure indie publishing house in just two years. Whether you have been published by a New York publisher, an independent press, an ePublisher, self-published or considering all of your options, this book contains all the information you need to make an informed decision about your career as an author in today's fast moving digital world. We start out with content and theory, giving you a feel for where the industry has been and where it is going. We cover the various types of publishing, goal setting and help you find where you fit in the 3 P's (Product, Platform and Promotion). From there we go into the digital process and the nuts and bolts of covers, editing and uploading. Finally we cover pre and post publication strategies. Everything from creating your own unique branding plan, social media and marketing, pricing, understanding the market, metadata and discoverability. All of which is your roadmap to being a successful author regardless of your path to publication. Its a great time to be an author. Lead, follow or get the hell out of the way!

Amazing Heights Sep 06 2020 What is height bias? Why do taller people tend to obtain leadership positions? What can individuals do to maximize their presence? What can we learn from shorter iconic men such as Audie Murphy, Mark Zuckerberg, Jos Altuve and Kevin Hart? Books and other self-help resources tend to be one-size-fits-all. You will be hard-pressed to find anything addressing the unique challenges of one particular group: short guys. With this in mind, *Amazing Heights* is the first personal development book dedicated to the short guy fraternity."Amazing Heights takes an honest look at the data behind height and success - in careers, sports and romance. It also offers lots of encouragement and tangible tactics men can use to reach great heights." Brock McGoff, Founder, The Modest Man

How to Increase Height and Grow Taller Naturally Apr 25 2022 In a world where self-esteem is often contingent on one's appearances, people put a high premium on being taller. There are as many reasons for people to want to be tall as there are short people. Since it's commonly believed that height is a matter of genetics, and that everyone stops growing at a certain age, you may think this book is geared towards the parents of young children or teenagers. But it's not. While height is partially determined by your genetic makeup, and partially by climate, dietary habits, lifestyle, and other environmental factors, there is still quite a lot that you can do to make yourself taller. This book will explain exactly what you can do about your height, and it will help you work towards your goal of becoming taller. And if you're already satisfied with your current height, the concepts in this book will help you avoid habits that can negatively influence your height later in life. Among other things, we'll be discussing posture and physical makeup, naturally stimulating human growth hormones, diet and nutrition, along with lots of other tips to support you as you set realistic expectations and embark on your own height-increasing regimen. Let's get started!

The Heights Jul 29 2022 The author of the “masterfully plotted, compulsive page-turner” (The Guardian) *Our House* takes you on a haunting and nail-biting journey of tragedy and revenge. The Heights is a tall, slender apartment building among warehouses in London. Its roof terrace is so discreet, you wouldn’t know it existed if you weren’t standing at the window of the flat directly opposite. But you are. And that’s when you see a man up there—a man you’d recognize anywhere. He may be older now, but it’s definitely him. But that can’t be because he’s been dead for over two years. You know this for a fact. Because you’re the one who killed him. With Louise Candlish’s signature dark and twisty prose, *The Heights* shows “the ferocity of maternal love” (Hannah Beckerman, author of *If Only I Could Tell You*). It is an unputdownable thriller that will keep you guessing until the final page.

Free Game Oct 27 2019 Receptionist, Isis Bennett, isn't looking to be boo'd up. Opting out of the complications of love and relationships completely. She's single, carefree and loving it, and that will never change. Until Freedom Owens steps into her job, challenging the love 'em and leave 'em attitude that had always worked for her. Newly retired, superstar rapper Freedom, is looking for a change of scenery. After dealing with his ex, love is the last thing on his mind. That is, until he walks into A Kiss of Ink and encounters a certain dreadlocked beauty. After their brief interaction he wants to make her his, but there's just one small hitch to his plans. She doesn't do rappers. Isis plans to stay far away from the handsome entertainer. To her he's a player like all the rest and refuses to let him or anyone play her. When a dare shifts things between them she's prepared to do what she does best. Leave him right where he's at. However, Freedom is determined to prove that he has more to offer than the late night pleasures of their arrangement. He plans to teach her a thing or two about love. Will Isis ever be ready and willing to receive *Free Game*?

Shortchanged Jan 23 2022 Would you like to be taller? Many people - except very tall people - would likely answer yes. Why should this be the case, when height has nothing to do with intelligence, talent, fortitude, compassion, or indeed any of the factors that make us human? In her thoughtful and provocative book, Tanya S Osensky examines "heightism": the widely held and mostly unconscious notion that taller is better. She explores how and why short people are considered by many to be inferior, and describes the ways in which height bias affects them. Prejudice against short people is so common and casual that we do not even notice it, yet it factors significantly into discrimination in the workplace, in social situations, and beyond. The most helpless victims are short children, who are frequently subjected to years of hormone therapy, even when they have no physical need for such treatment, simply in an effort to make them taller as a way of countering this social bias. There is little legal recourse for short people who suffer workplace discrimination based on height. This succinct book exposes the cultural, medical, and occupational issues that short people face, which are often deemed unimportant and disregarded. Osensky challenges heightism by disclosing some beneficial aspects of shortness and suggesting avenues of activism and change.

On Beulah Height Oct 20 2021 A New York Times Notable Book: A girl’s disappearance unearths old crimes for the Yorkshire detectives in this “multilayered masterpiece” (Publishers Weekly). Reginald Hill “raised the classical British mystery to new heights” when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences in education, manners, technique, and temperament made them “the most remarkable duo in the annals of crime fiction” (Toronto Star). Adapted into a long-running hit show for the BBC, the *Gold Dagger* Award-winning series is now available as ebooks. It’s been fifteen years since three girls were abducted from Dendale. Just as long since the village was flooded to create a reservoir. Haunted by the cold case, Andrew Dalziel believes the truth was submerged forever. But now, with a drought, the ruins of Dendale are reemerging—along with its mysteries. And as if by a terrible twist of fate, another child has vanished from a nearby hamlet. For Dalziel to finally solve an unspeakable crime, he must once again stir the dread of a still-traumatized community—and all its secrets. “Weaving their pain into his densely textured story of Dendale’s cursed past and haunted present, Hill creates a tragic tale of loss and regret and the persistence of grief” (The New York Times Book Review). On Beulah Height is the 18th book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order.

The Golden Bough Oct 08 2020 Reproduction of the original: *The Golden Bough* by James George Frazer

The Southern Poems of the War Mar 13 2021 Reprint of the original, first published in 1867.

Finally Home in Willow Heights Dec 22 2021 Things are getting interesting in Willow Heights after Mary Elles' daughter shows up on her doorstep. It doesn't help that her soon to be ex-mother-in-law keeps making unannounced appearances. Melanie must make the tough decision of deciding if she wants her in the child's life: even

though Everett has signed off on all his parental rights. She wants to do what's best for her baby, but something seems very off when Everett shows up begging for a second chance. Will there be a reconciliation? Has Everett truly changed? Find out in the second book of the Willow Heights series.

The Tall Book Jun 03 2020 The Tall Book is a celebration of the tall-advantaged, which notes and explores the myriad benefits that come with living large--from the simple pleasures of being able to see over crowds at a parade, to the professional joys of earning more money, and having others perceive you as a natural leader. The Tall Book also offers well-researched explanations into the great unanswered questions of tallness, including: Why are people tall to begin with? How have tall people figured throughout history? Why are CEOs so tall? And how does tallness affect the dating game? Filled with illustrative graphics, charts, and piles of tall miscellanea and factoids, The Tall Book is a wonderful and much-needed exploration of life from on high.

Height, Health and History Aug 18 2021 In historical accounts of the circumstances of ordinary people's lives, nutrition has been the great unknown. Nearly impossible to measure or assess directly, it has nonetheless been held responsible for the declining mortality rates of the nineteenth century as well as being a major factor in the gap in living standards, morbidity and mortality between rich and poor. The measurement of height is a means of the direct assessment of nutritional status. This important and innovative study uses a wealth of military and philanthropic data to establish the changing heights of Britons during the period of industrialization, and thus establishes an important dimension to the long-standing controversy about living standards during the Industrial Revolution. Sophisticated quantitative analysis enables the authors to present some striking conclusions about the actual physical status of the British people during a period of profound social and economic upheaval, and Height, Health and History will provide an invigorating statistical edge to many debates about the history of the human body itself.

Southland Writers Apr 13 2021

Open Wide The Freedom Gates Jun 15 2021 Dorothy Height marched at civil rights rallies, sat through tense White House meetings, and witnessed every major victory in the struggle for racial equality. Yet as the sole woman among powerful, charismatic men, someone whose personal ambition was secondary to her passion for her cause, she has received little mainstream recognition--until now. In her memoir, Dr. Height, now ninety-one, reflects on a life of service and leadership. We witness her childhood encounters with racism and the thrill of New York college life during the Harlem Renaissance. We see her protest against lynchings. We sit with her onstage as Martin Luther King Jr. delivers his "I Have a Dream" speech. We meet people she knew intimately throughout the decades: W.E.B. DuBois, Marcus Garvey, Eleanor Roosevelt, Mary McLeod Bethune, Adam Clayton Powell Sr., Langston Hughes, and many others. And we watch as she leads the National Council of Negro Women for forty-one years, her diplomatic counsel sought by U.S. Presidents from Eisenhower to Clinton. After the fierce battles of the 1960s, Dr. Height concentrates on troubled black communities, on issues like rural poverty, teen pregnancy and black family values. In 1994, her efforts are officially recognized. Along with Rosa Parks, she receives the Presidential Medal of Freedom, the nation's highest civilian honor.

Height Safety Jun 27 2022 Height safety is not just about falls from height. Though it is a major factor, a lot of other hazards and challenges to human safety can also be encountered while working at height including: - Falls from height - Trips and slips - Fragile surfaces - Falling objects - Weather (heat, humidity, cold, wind, rain and snow) - Electrocutation - Water hazard in land, marine and offshore work at height, etc. This book providing all necessary information about height safety for work at height is intended for: • Safety managers and engineers; • Civil & construction engineers; • Design architects; Consultants; Contractors; • Facility managers; • Industrial plant managers; • Windmill managers; • Marine and offshore facility managers.

Short Sep 18 2021 A SURVIVAL GUIDE TO GROWING UP SHORT. Part science book, part memoir—a book for everyone concerned about looking (or feeling) different. When veteran journalist John Schwartz took a close look at famous height studies, he made a surprising discovery: being short doesn't have to be a disadvantage! Part advice book, part memoir, and part science primer, this fascinating book explores the marketing, psychology, and mythology behind our obsession with height and delivers a reassuring message to kids of all types that they can walk tall—whatever it is that makes them different. Short is a 2011 Bank Street - Best Children's Book of the Year.

Den of Vipers Dec 30 2019 The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

You Must Be This Tall May 15 2021 "The story of two friends, Frank and Harold, who do everything together and want to ride a roller coaster. But one of them is not tall enough. What are these friends to do?"--

Increase Your Height Mar 25 2022 Increase your height in a natural way!This unique and easy-to-understand book explains tried-and-tested devices and revolutionary principles involved in increasing height in an absolutely safe and natural way. Practice the methods and regime given in the book for 15 minutes every day, and increase your height by 4 to 10 cm. This scientific course has been successfully adopted by many people in the USA & UK.

The Blue May 03 2020 In eighteenth century London, porcelain is the most seductive of commodities; fortunes are made and lost upon it. Kings do battle with knights and knaves for possession of the finest pieces and the secrets of their manufacture. For Genevieve Planché, an English-born descendant of Huguenot refugees, porcelain holds far less allure; she wants to be an artist, a painter of interational repute, but nobody takes the idea of a female artist seriously in London. If only she could reach Venice. Sir Gabriel Courtenay offers her an opportunity she can't refuse; if she learns the secrets of porcelain manufacture, he will send her to Venice. But in particular, she must learn the secrets of the color blue... The ensuing events take Genevieve deep into England's emerging industrial heartlands, where not only does she learn about porcelain, but also about the art of industrial espionage. With the heart and spirit of her Huguenot ancestors, Genevieve faces her challenges head on, but how much is she willing to suffer in pursuit and protection of the colour blue? -- adapted from publisher.

Morningside Heights Jun 23 2019 A New York Times Book Review Editors' Choice Book • When Ohio-born Pru Steiner arrives in New York in 1976, she follows in a long tradition of young people determined to take the city by storm. But when she falls in love with and marries Spence Robin, her hotshot young Shakespeare professor, her life takes a turn she couldn't have anticipated. Thirty years later, something is wrong with Spence. The Great Man can't concentrate; he falls asleep reading The New York Review of Books. With their daughter, Sarah, away at medical school, Pru must struggle on her own to care for him. One day, feeling especially isolated, Pru meets a man, and the possibility of new romance blooms. Meanwhile, Spence's estranged son from his first marriage has come back into their lives. Arlo, a wealthy entrepreneur who invests in biotech, may be his father's last, best hope. Morningside Heights is a sweeping and compassionate novel about a marriage surviving hardship. It's about the love between women and men, and children and parents; about the things we give up in the face of adversity; and about how to survive when life turns out differently from what we thought we signed up for.

The Commanding Heights Jul 17 2021 The most powerful force in the world economy today is the redefinition of the relationship between state and marketplace - a process that goes by the name of privatization though this term is inadequate to express its far-reaching changes. We are moving from an era in which governments sought to seize and control the 'commanding heights' of the economy to an era in which the idea of free markets is capturing the commanding heights of world economic thinking. Basic views of how society ought to be organized are undergoing rapid change, trillions of dollars are changing hands and so is fundamental political power. Great new wealth is being created - as are huge opportunities and huge risks. Taking a worldwide perspective, including Britain, where the process began with Mrs Thatcher, Europe and the former USSR, China, Latin America and the US, THE COMMANDING HEIGHTS shows how a revolution in ideas is transforming the world economy - why it is happening, how it can go wrong and what it will mean for the global economy going into the twenty-first century.

Above Head Height Nov 01 2022 'The Fever Ptch of five-a-side' TONY PARSONS A must-have for anyone who has ever played and enjoyed amateur football. James Brown has been playing football since growing up in the backstreets of Leeds. The sudden death of one his long-standing team mates made James ponder the unique bond between men who meet each other once a week for years, but don't know any personal details beyond pitch prowess. Five-a-Side football is where you play the beautiful game for love, not money. You play it for life and you play it everywhere. Your kit is damp and your legs are a leopard's back of bruises. Shirts are often tight around the belly, with your hero's name plastered across your shoulder blades. The showers are too cold in winter and too hot in summer. Your used sports bag stays unpacked in the hall, and your water bottles are under the kitchen sink. The post-match warm down takes place in the pub. As does the match analysis. By contrast the warm up is non-existent. Your performance is patchy and maybe not what it used to be. But we all still think we played great. Five-a-Side is sporting Karaoke - a time and place to live out our dreams. This is a book for all of us - school mates, work colleagues, total strangers - bonded by the desire to blast one into the net from two feet away.

Kindle Paperwhite For Dummies Dec 10 2020 Rekindle your love of reading with Amazon's new Kindle Paperwhite and this fun and friendly guide If you're the proud owner of a Kindle Paperwhite, you'll want to know all the best ways to get the very most out of it - and fast. The Other Passenger Nov 20 2021 THE BRAND NEW EDGE-OF-YOUR-SEAT THRILLER FROM LOUISE CANDLISH, THE HEIGHTS, IS OUT NOW! ‘Absolutely brilliant... An exceptionally exciting, mysterious book – we both loved it’ Richard & Judy It all happens so quickly. One day you're living the dream, commuting to work by riverbus with your charismatic neighbour Kit in the seat beside you. The next, Kit hasn't turned up for the boat and his wife Melia has reported him missing. When you get off at your stop, the police are waiting. Another passenger saw you and Kit arguing on the boat home the night before and the police say that you had a reason to want him dead. You protest. You and Kit are friends - ask Melia, she'll vouch for you. And who exactly is this other passenger pointing the finger? What do they know about your lives? No, whatever danger followed you home last night, you are innocent, totally innocent. Aren't you? Praise for The Other Passenger: ‘Nobody writes so incisively about couples’ Daily Mail, Books of the Year 2020 ‘Filled with really excellent twists’ Stylist, Best books out in June ‘The queen of the urban thriller returns with her winning blend of whodunit and thoroughly unreliable narrators’ Red ‘One of the twistiest plots you'll ever read’ Cosmopolitan ‘Cleverly captures the envy zeitgeist’ Stylist ‘Stylish, suspenseful and absorbing’ Best ‘You won’t want to put down this roller coaster read!’ Closer ‘Gripping from start to finish’ Bella ‘Not only is Candlish a terrific storyteller, she has the gift of making you care about unlikable characters’ Guardian ‘I’ll be amazed if we don’t see The Other Passenger on screen before long’ London Evening Standard ‘The layers of plot astound’ Sunday Times Crime Club ‘Another clever tale from the author of Our House’ Prima ‘A chillingly addictive and glamorous thriller’ Sunday Post ‘Brilliantly plotted’ Mail on Sunday ‘Louise Candlish helped launch the ‘property noir’ genre with Our House and Those People. In The Other Passenger, she brings murder to the London commute’ Observer ‘This author is so good at twisty yet completely believable domestic thrillers’ Good Housekeeping ‘Superior thriller’ Crime Review ‘Suspenseful and utterly absorbing’ Sunday Mirror ‘The suspense is maddening, and the conclusion refreshing’ Press Association ‘An ingenious thriller’ Irish Independent ‘The pacing is first rate, as is the handling of the first-person narration’ Sunday Times ‘Just brilliant; gripping from the first page with an incredible first person narrative and a sense of place that pulls you through the pages fast enough to make your head spin. Louise Candlish just gets better and better, I love her’ Lisa Jewell ‘A gripping read with a brilliant first-person narrative. I couldn’t turn the pages fast enough. It’s so good!’ BA Paris ‘A must read!’ Lucy Foley ‘Louise Candlish is the queen of the sucker-punch twist’ Ruth Ware ‘Dark and clever and terrific’ Nicci French ‘I couldn’t put it down!’ Shari Lapena ‘A tightly constructed, corkscrewing plot’ Sarah Vaughan ‘Psychological suspense at its most elegant and sinister’ AJ Finn ‘Louise is the mistress of the ‘Oh my God, this could be me’ nightmare’ Fiona Barton ‘A stunning masterwork of style and suspense’ Jeffery Deaver? ‘Equal parts riveting, twisty, and unsettling’ Stephanie Wrobel ‘An instant classic’ Mark Edwards ‘Outstanding’ Catherine Isaac

Heart Over Height Sep 30 2022 Heart Over Height tells the motivational story of how three-time NBA Slam Dunk Champion Nate Robinson combined an unstoppable will with dogged determination to achieve his goals, and how those traits can apply to anyone facing their own seemingly insurmountable obstacles.

The Southern Amaranth Jan 11 2021

White Nights Jan 29 2020 The second Shetland novel When the sun never sets it brings to light deadly secrets . . . On Shetland, the launch of an exhibition at The Herring House art gallery is disturbed by a stranger who bursts into tears, then claims not to remember who he is or where he comes from. The next day Detective Jimmy Perez finds his body in a fisherman’s hut. Initially it seems to be a straightforward case of suicide, yet this is no desperate act and is instead the work of a cold and calculating killer. As Perez investigates, he finds himself mired in the hidden secrets of a small community. Then another body is found. Perez knows he must find the killer before another death occurs. But it is midsummer, an unsettling time when the sun never really sets in Shetland and nothing is quite as it seems . . . White Nights is the second book in Ann Cleeves' bestselling Shetland series – a major BBC One drama, starring Douglas Henshall.
