This Proud Heart Apr 14 2021 In the 1930s, as her second marriage approaches, a brilliant and independent sculptor faces tensions between her art and everyday life in this novel by the author of *The Good Earth*. *This Proud Heart* narrates the experience of a gifted sculptor and her struggle to reconcile her absorbing career with society's domestic expectations. Susan Gaylord is talented, loving, equipped with a strong moral sense, and adept at anything she puts her hand to, from housework to playing the piano to working with marble and clay. But the intensity of her artistic calling comes at a price, isolating her from other people—at times, even from her own family. When her

husband dies and she remarries, she finds herself once again comparing the sacrifice of solitude to that of commitment. With a heroine who is naturalistic yet compellingly larger than life, *This Proud Heart* is incomparable in its sympathetic study of character. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

[Kinfolk](#) Oct 09 2020 Four Chinese-American siblings make an emotional journey to their ancestral home in this novel from the Nobel and Pulitzer Prize-winning author of *The Good Earth*. Dr. Liang is a comfortably well-off professor of Confucian philosophy who fled China because of the government's crackdown on intellectuals. Now, settled in 1940s New York, he believes in the notion of a pure and unchanging homeland. Under his influence, Liang's four grown children make the momentous decision to move to China, despite having spent their whole lives in the United States. But as the siblings try in various ways to adjust to a new place and culture, they learn that the definition of home is far different from what they expected. *Kinfolk* is the involving story of an American family and literary fiction of the highest order. The New York Times-bestselling author of *Dragon Seed*, *China Sky*, and many other novels, explores the complexities of immigration, multiculturalism, nationality, and the primordial human longing to find our roots. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

[Pavilion of Women](#) Nov 09 2020 First pub. 1946. Beautiful Madame Wu seeks a concubine for her husband so she might retire from marriage and lead a freer life - but difficulties dog the Wu household.

in the past and two brothers divided by the Civil War, from the New York Times–bestselling author of *The Good Earth*. Lucinda Delaney is a southern belle ruled by a vision of life that no longer exists. The Civil War has come and gone and her side has lost, yet she is determined to proceed as if nothing has changed—a denial that stokes the flames of her irrational angers. Despite her returned husband’s devotion, Lucinda is sure he is having an affair with one of their slaves. After all, his Union-sympathizing brother, Tom, did just that, scandalously running away with the woman and settling into contented family life in Philadelphia. Over the years, her racist feelings and fears only intensify, and when it’s time for her own daughter to marry, her chief concern is the color of the children. *The Angry Wife* is a memorable and impassioned dissection of prejudice, as well as a riveting portrait of post-Civil War America. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

God's Men Sep 19 2021 Youthful friends in turn-of-the-century China reunite years later in America, in this New York Times bestseller by the author of *The Good Earth*. This deeply felt novel tells the story of William Lane and Clem Miller, Americans who meet in China as youths at the end of the nineteenth century. Separated by the Boxer Rebellion, they’re destined to travel wildly different courses in life. From a background of wealth and privilege, William becomes a power-hungry and controlling media magnate. By contrast, Clem, whose family survived on charity growing up, is engrossed by a project—which he works on ceaselessly, perhaps naively, together with his chemist wife—to eliminate world poverty. The two wind up in America and meet again, each successful in his own area, and as similar in their intensity as they are different in their values. *God’s Men* is a rich and layered portrayal of lives set alight by ambition. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

The Big Wave Jul 30 2022 The classic tale of a Japanese boy orphaned by a tsunami from the author of *The Good Earth*, the first American woman to win the Nobel Prize in Literature. On a mountainside in Japan, two boys enjoy a humble life governed by age-old customs. Jiya belongs to a family of fishermen; his best friend, Kino, farms rice. But when a neighboring volcano erupts and a tidal wave swallows their village—including Jiya's family—life as they know it is changed forever. The orphaned Jiya must learn to come to terms with his grief. Now facing a profoundly different life than the one he'd always taken for granted, he must decide on a new way forward. Written with graceful simplicity, *The Big Wave* won the Children's Book Award of the Child Study Association of America when it was first released. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Patriot Dec 31 2019 A Chinese dissident is torn between love and country in this novel from the New York Times–bestselling author of *The Good Earth*. When Wu I-wan starts taking an interest in revolution, trouble follows: Winding up in prison, he becomes friends with fellow dissident En-lan. Later, his name is put on a death list and he's shipped off to Japan. Thankfully, his father, a wealthy Shanghai banker, has made arrangements for his exile, putting him in touch with a business associate named Mr. Muraki. Absorbed in his new life, I-wan falls in love with Mr. Muraki's daughter, and must prove he is worthy of her hand. As news spreads of what the Japanese army is doing back in China, I-wan realizes he must go back and fight for the country that banished him. *The Patriot* is an engrossing story of revolution, love, and reluctantly divided loyalties by the Nobel Prize-winning author renowned for her novels set in Asia and informed by the sweep of history, including the New York Times bestsellers *The Living Reed* and *The Hidden Flower*. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Rainbow Dec 11 2020 The memorable last novel by America's beloved Pulitzer Prize winner.

[Of Men and Women](#) Jul 18 2021 A provocative and fascinating exploration of male-female relationships by the Nobel Prize-winning author of *The Good Earth*. Pearl S. Buck grew up in China, accustomed to its traditions, but when she moved to the United States as an adult in the 1930s she was struck by the cultural differences in gender roles and expectations. In nine short chapters, she applies this personal experience to an exploration of the power dynamics of the American household, drawing one universal conclusion: "Complete freedom is the atmosphere in which men and women can live together most happily. But it must be complete." As she makes her case, Buck outlines two American female archetypes: the dissatisfied "gunpowder woman" and the placid "angel." "Sensible and witty, merciless and often amusing," this is a book that ultimately delivers a clarion call for men and women to find common ground and succeed hand in hand (*The New York Times Book Review*). The first American female Nobel laureate, Buck was a pioneer women's rights activist and humanitarian who believed both sexes could find happiness together, even in challenging economic or political circumstances. Imbued with an unshakeable faith in equality and strident candor, *Of Men and Women* remains a daringly original and candid work in the canon of feminist literature. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

A House Divided Nov 29 2019

The Story Bible Aug 07 2020 With her magical ability to tell a story, the Nobel and Pulitzer Prize-winning author of *The Good Earth*, Pearl S. Buck, retells 72 stories from the Old and New Testaments in language both understandable and enjoyable to the modern reader.

to find upheaval in both his homeland and his family in this novel by a New York Times–bestselling author. On the eve of a popular rebellion, the Chinese government starts to crack down in cities across the country. Fleeing the turmoil, Wang Yuan, the son of a famous general and grandson of the patriarch of *The Good Earth*, leaves for America to study agriculture. When he returns to China six years later, he encounters a nation still in the grip of violent uprisings. Unprepared for the social upheaval, Wang is torn by the tensions between old traditions and new ways, and by his formidable family, whose struggles he hopes to solve. A reflective finale to Buck's groundbreaking and bestselling trilogy, *A House Divided* is a rich and unforgettable portrait of a family—and a nation—in transition. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Pearl of China Jun 24 2019 In the small southern town of Chinkiang, two young girls from very different worlds collide and become inseparable companions. Willow is hardened by poverty and fearful for her future; Pearl is the daughter of a Christian missionary who desperately wishes she was Chinese too. Neither could have foreseen the transformation of the little American girl embarrassed by her blonde hair into the Nobel Prize-winning writer and one of China's modern heroines, Pearl S. Buck. When the country erupts in civil war between the Nationalists and the Communists, Pearl and Willow are brutally reminded of their differences. Pearl's family is forced to flee the country and Willow is punished for her loyalty to her 'cultural imperialist' friend. And yet, in the face of everything that threatens to tear them apart, the paths of these two women remain intimately entwined.

Dragon Seed Aug 26 2019 A New York Times–bestselling historical novel about the Japanese invasion of Nanking from the author of *The Good Earth*. Farmer Liang Tan knows only a quiet, traditional life in his remote Chinese farming community. When news filters in that Japanese forces are invading the country, he and his fellow villagers believe that if they behave decently

Japanese soldiers, the civilians might remain undisturbed. They're in for a shock, as the attackers lay waste to the country and install a puppet government designed to systematically carry out Japanese interests. In response, the Chinese farmers and their families form a resistance—which not only carries grave risk, but also breaks their vow of nonviolence, leading them to wonder if they're any different than their enemy. Later adapted into a film featuring Katharine Hepburn, *Dragon Seed* is a brilliant and unflinching look at the horrors of war. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Imperial Woman Aug 19 2021 *Imperial Woman* is the fictionalized biography of the last Empress in China, Ci-xi, who began as a concubine of the Xianfeng Emperor and on his death became the de facto head of the Qing Dynasty until her death in 1908. Buck recreates the life of one of the most intriguing rulers during a time of intense turbulence. Tzu Hsi was born into one of the lowly ranks of the Imperial dynasty. According to custom, she moved to the Forbidden City at the age of seventeen to become one of hundreds of concubines. But her singular beauty and powers of manipulation quickly moved her into the position of Second Consort. Tzu Hsi was feared and hated by many in the court, but adored by the people. The Empress's rise to power (even during her husband's life) parallels the story of China's transition from the ancient to the modern way.

Kinfolk Sep 27 2019 *Kinfolk* is a richly human story, with humour and pathos as well as the larger emotions. Pearl Buck explores the conflict between traditional and progress in this novel of China.

The Eternal Wonder May 04 2020 Lost for forty years, a new novel by the author of *The Good Earth* *The Eternal Wonder* tells the coming-of-age story of Randolph Colfax (Rann for short), an extraordinarily gifted young man whose search for meaning and purpose leads him to New York, England, Paris, a mission

patrolling the DMZ in Korea that will change his life forever—and, ultimately, to love. Rann falls for the beautiful and equally brilliant Stephanie Kung, who lives in Paris with her Chinese father and has no contact with her American mother, who abandoned the family when Stephanie was six years old. Both Rann and Stephanie yearn for a sense of genuine identity. Rann feels plagued by his voracious intellectual curiosity and strives to integrate his life of the mind with his experience in the world. Stephanie feels alienated from society by her mixed heritage and struggles to resolve the culture clash of her existence. Separated for long periods of time, their final reunion leads to a conclusion that even Rann, in all his hard-earned wisdom, could never have imagined. A moving and mesmerizing fictional exploration of the themes that meant so much to Pearl Buck in her life, *The Eternal Wonder* is perhaps her most personal and passionate work, and will no doubt appeal to the millions of readers who have treasured her novels for generations.

The Mother Jun 04 2020 From the Nobel Prize-winning author of *The Good Earth*: The “moving story” of a peasant woman in pre-revolutionary China who is abandoned by her husband (Kirkus Reviews). Dickensian in its epic sweep, one of Buck’s finest novels centers on an unnamed peasant woman in pre-revolutionary China. Without warning, her restless husband abandons her. Shamed by the experience, she is left to work the land, raise their three children on her own, and care for her aging mother-in-law. To save face with her neighbors, she pretends her husband is traveling, and sends letters to herself signed in his name. Surrounded by poverty, despair, and a growing web of lies meant to protect the family, her children grow up and enter society with only the support of their mother’s unbreakable will. An unforgettable story of one woman’s strength and a remarkable fable about the role of mothers, this novel is a powerful achievement by a master of twentieth-century fiction. images from the author's estate.

The Good Earth Aug 31 2022 The timeless Pulitzer Prize-winning masterpiece following a humble farmer's journey through 1920s China returns with this beautifully repackaged edition that celebrates its nearly ninety years as an American classic. Travel to 1920s China, a time when the last emperor still ruled and the sweeping changes of the twentieth century were distant rumblings, with this timeless, evocative classic tale of the honest farmer Wang Lung and his family as they struggle to survive in the midst of vast political and social upheavals. Nobel Prize and Pulitzer Prize winner Pearl S. Buck traces the whole cycle of life: its terrors, its passions, its ambitions, and rewards. "A comment upon the meaning and tragedy of life as it is lived in any age in any quarter of the globe" (The New York Times), this brilliant novel—beloved by millions—is a universal tale of an ordinary family caught in the tide of history.

Sons Jun 28 2022 The second installment in Pearl S. Buck's acclaimed Good Earth trilogy: the powerful story of three brothers whose greed will bring their family to the brink of ruin. Sons begins where The Good Earth ended: Revolution is sweeping through China. Wang Lung is on his deathbed in the house of his fathers, and his three sons stand ready to inherit his hard-won estate. One son has taken the family's wealth for granted and become a landlord; another is a thriving merchant and moneylender; the youngest, an ambitious general, is destined to be a leader in the country. Through all his life's changes, Wang did not anticipate that each son would hunger to sell his beloved land for maximum profit. At once a tribute to early Chinese fiction, a saga of family dissension, and a depiction of the clashes between old and new, Sons is a vivid and compelling masterwork of fiction. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Living Reed Oct 28 2019 An "absorbing and fast-moving" saga of Korea as experienced by one unforgettable family, from the Nobel Prize-winning author of The Good Earth (The New York Times). "The year was 4214 after Tangun of Korea, and 1881 after Jesus of Judea." So begins Pearl S. Buck's The Living Reed, an epic historical novel seen through the eyes of four generations of Korean aristocracy. As the chronicle begins, the Kims are living comfortably as advisors to the Korean royal family. But that world is torn apart with the Japanese invasion, when the queen is killed.

and the Kims are thrust into hiding. Through their story, Buck traces the country's journey from the late nineteenth century through the end of the Second World War. "The Korean people come hauntingly alive," wrote the Journal of Asian Studies about *The Living Reed*. "The remarkable novels of Pearl S. Buck have given the world an awakened understanding and appreciation of the Chinese people, and now she has wrought a like marvel for Korea." A New York Times bestseller, *The Living Reed* is an enlightening account of a nation's fight for survival and a gripping tale of a family caught in the ebb and flow of history. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Pearl S. Buck's Novels of China and America Mar 14 2021

This book, the first single-authored book-length study of Buck's fiction for over twenty years, shows how Buck's thought developed through the medium of her fiction - from her early turbulent years in China to her last lonely days in the United States, with chapters examining her loss of faith in Christianity, her reflections on Chinese life during and after the breakdown of Old China, her voluminous reading, her confrontation with the horrors of American racism and sexism after her return to the United States, and her final metaphorical search for home as she approached death. The book argues that Buck, the first American woman to win both the Pulitzer and Nobel prizes for literature, was a heroic forerunner of those who, while occupying a place in the world, never feel fully at home there; in Buck's case because her Chinese identity throughout her life struggled with her American. For this reason Pearl S. Buck's fiction deserves to be considered alongside that of writers such as Anchee Min, Maxine Hong Kingston and Amy Tan. The book's central claim is that Buck is a major novelist, capable of speaking to the distress of our times, richly deserving the honor she has received in China, and deserving greater recognition in the United States.

laureate Pearl S. Buck from a multicultural point of view and argues for her pioneering role in demythologizing China and the Chinese people in the American mind.

Peony May 16 2021 A young Chinese woman falls in love with a Jewish man in nineteenth-century China in this evocative novel by the Nobel Prize-winning author of *The Good Earth*. In 1850s China, a young girl, Peony, is sold to work as a bondmaid for a rich Jewish family in Kaifeng. Jews have lived for centuries in this region of the country, but by the mid-nineteenth century, assimilation has begun taking its toll on their small enclave. When Peony and the family's son, David, grow up and fall in love with one another, they face strong opposition from every side. Tradition forbids the marriage, and the family already has a rabbi's daughter in mind for David. Long celebrated for its subtle and even-handed treatment of colliding traditions, *Peony* is an engaging coming-of-age story about love, identity, and the tragedy and beauty found at the intersection of two disparate cultures. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Good Earth Jan 24 2022 When O-lan, a servant girl, marries the peasant Wang Lung, she toils tirelessly through four pregnancies for their family's survival. Reward at first is meagre, but there is sustenance in the land - until the famine comes. Half-starved, the family joins thousands of peasants to beg on the city streets. It seems that all is lost, until O-lan's desperate will to survive returns them home with undreamt of wealth. But they have betrayed the earth from which true wealth springs, and the family's money breeds only mistrust, deception - and heartbreak for the woman who had saved them. *THE GOOD EARTH* is a riveting family saga and story of female sacrifice - a classic of twentieth-century literature.

book” (Kirkus Reviews). Often regarded as one of Pearl S. Buck’s most significant works, *My Several Worlds* is the memoir of a major novelist and one of the key American chroniclers of China. Buck, who was born to missionary parents in 1892, spent much of the first portion of her life in China, experiencing the Boxer Rebellion first hand and becoming involved with the society with an intimacy available to few outside observers. The book is not only an important reflection on that nation’s modern history, but also an account of her re-engagement with America and the intense activity that characterized her life there, from her prolific novel-writing to her loves and friendships to her work for abandoned children and other humanitarian causes. As alive with incident as it is illuminating in its philosophy, *My Several Worlds* is essential reading for travelers and readers alike. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

The Story Bible Oct 01 2022 The acclaimed author of *The Good Earth* has taken every story from the Old Testament and the New Testament and retold them in the language that modern readers will understand and enjoy.

is known today for earning a Nobel Prize in Literature and for such New York Times–bestselling novels as *The Good Earth*. What many do not know is that she wrote that great work of art with the motivation of paying for a special school for her oldest daughter, Carol, who had a rare developmental disorder. What was called “mental retardation” at the time—though some used crueller terms—was a disability that could cause great suffering and break a parent’s heart. There was little awareness of how to deal with such children, and as a result some were simply hidden away, considered a source of shame and stigma, while others were taken advantage of because of their innocence. In this remarkable account, which helped bring the issue to light, Pearl S. Buck candidly discusses her own experience as a mother, from her struggle to accept Carol’s diagnosis to her determination to give her child as full and happy a life as possible, including a top-quality education designed around her needs and abilities. Both heartrending and inspiring, *The Child Who Never Grew* provides perspective on just how much progress has been made in recent decades, while also offering common sense and timeless wisdom for the challenges still faced by those who love and care for someone with special needs. It is a clear-eyed and compelling read by a woman renowned for both her literary talent and her humanitarian spirit. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

The Hidden Flower Jan 12 2021 This New York Times–bestselling novel by the Nobel Prize–winning author of *The Good Earth* is an affecting portrait of interracial love in postwar Japan. Pearl S. Buck’s *The Hidden Flower* centers on the relationship between a Japanese student and an American soldier stationed in postwar Japan. The Japanese student’s father worked in the United States as a doctor, but had to flee to Kyoto to avoid imprisonment in an internment camp. The American soldier has inherited his family’s estate in Virginia, where interracial marriage is forbidden.
