**Hurricane Ron** Jun 29 2022 As an investigative reporter, Ron McKee didn't expect to be fired for reporting the truth, but truth is inconvenient for the corrupt, local sheriff, and so it becomes for Ron. Still, he takes it all in stride until he finds his wife has run off with their son. After taking his frustrations out on his wife's lover, and following up with a deadly run-in with a group of local hooligans, Ron finds himself on the run and things only get worse with every decision he makes. Ron's attempts to stay ahead of an ensuing law enforcement dragnet take him and his prized Harley-Davidson "Betsy" on a punishing journey through the backwoods of Alabama to the Carolina mountains. Just as he feel he's run far enough and hopes to return home he has a run-in with "Thor's Hammer," a motorcycle gang of combat-hardened military veterans who use skills learned from the "Global War on Terror" to run an untouchable, multi-state criminal empire. Ron must try to steer clear of the maniac bikers long enough to rebuild the battered Betsy and himself, before he can return home to clear his name. Even if he survives the wrath of Thor's Hammer, he still has to race home to face the murderous sheriff who now has his son and wife in "protective custody," all while a Category-Three hurricane tears apart his hometown.

My name is Crimson Arashi and I'm your typical 22-year-old, finishing my Bachelors of Arts degree. Sadly, my father insists I become a doctor, having supported my attempt as an artist for far too long.In this world full of magic and shifters, it sucks that I am the only child to a powerful Warlock - my father - and a Kitsune shifter - my mother. I'd already disappointed them because I am a human child - neither shifter or mage. I'd be lucky to light a candle with the snap of my fingers. After one night of drinking, drowning my sorrows of being a disgrace to my family, I crash into a man on the run with six men in pursuit to catch this thief. None of them notice the pocket watch that escapes their grasp, lying on the cold, wet ground. I didn't think opening it would grant me all the power and strength of the previous owner. I also didn't think it would belong to Storm Yuna, the strongest female magician known in our world. Too bad she was murdered, and now, I'd inherited not only her powers but feelings too. Yeah...feelings. It will take all my strength to navigate the Storm of power and feelings swirling inside of me. I just hope I can survive the trials that await me.

**Storm from the Shadows** May 29 2022 The New York Times Best-Selling Series Continues. First Time in Paperback. A New War for Honor Harrington’s Comrades on Manticore. Rear Admiral Michelle Henke was commanding one of the ships in a force ledy by Honor Harrington in all-out space battle. The odds were against the Star Kingdom forces, and they had to run. But Michelle's ship was crippled, and had to be destroyed to prevent superior Manticoran technology from falling into Havenite hands, and she and her surviving crew were taken prisoner. Much to her surprise, she was repatriated to Manticore, carrying a request for a summit conference between the leaders of the two sides which might end the war. But a condition of her return was that she gave her parole not to fight against the forces of the Republic of Haven until she had been officially exchanged for a Havenite prisoner of war, so she was given a command far away from the war's battle lines. What she didn't realize was that she would find herself on a collision course, not with a hostile government, but with the interstellar syndicate of criminals known as Manpower. And Manpower had its own plans for elimating Manticore as a possible threat to its lucrative slave trade, deadly plans which remain hidden in the shadows.

Free Fire Aug 20 2021 Joe Pickett, recently fired from his job as a Wyoming game warden, is working on his father-in-law's ranch when he receives a visit from the governor. Governor Rulon - a devious but down-home politico - has a special request, one Joe knows he can't refuse. For weeks, the headlines have been abuzz with the story of Clay McCann, a lawyer who slaughtered four campers in a far-off corner of Yellowstone. After the murders, McCann immediately turned himself in at the nearest ranger station. Seemed like a slam-dunk case for law enforcement - except that the crimes were committed in a thin sliver of land with zero residents and overlapping jurisdiction, the so-called free-fire zone. McCann has taken advantage of an obscure loophole in the law: neither the state nor the federal government can try him for his crime. The worst mass murderer in Wyoming history walks out of jail a free man. Governor Rulon, sensitive to the rising tide of public outrage, wants his own investigation into the murders and will reinstate Joe as a game warden if he'll go to Yellowstone "without portfolio" to investigate. Joe, happy to get his badge back, even under these circumstances, agrees. It quickly becomes clear to Joe that McCann is deeply involved with some illegal activity taking place in the park - something tremendously lucrative and unusually dangerous. As Joe and his partner Nate Romanowski search for the key to the murders, they discover that it may be hidden in the rugged terrain of the park itself.

Standing on the auction block beneath smoke-drenched mountains, Nym faces her fifteenth sell. Winterkill It's an hour away from darkness, a bitter winter storm is raging, and Joe Pickett is deep in the forest edging Battle Mountain, shotgun in his left hand, his truck's steering wheel handcuffed to his right - and Lamar Gardiner's arrow-riddled corpse splayed against the tree in front of him. Lamar's murder and the sudden onslaught of the snowstorm warn: Get off the mountain. But Joe knows this episode is far from over. And when his own daughter gets caught up in his hunt for the killer, Joe will stop at nothing to get her back... Trophy Hunt Local authorities are quick to label a rash of animal mutilations as the work of a grizzly bear, but Joe Pickett suspects that something far more sinister is afoot. And when the bodies of two men are found disfigured in the same way, his worst fears are confirmed: A modern-day Jack the Ripper is on the loose - and the killings have just begun. Out of Range A good friend, and fellow game warden, has killed himself, and Joe Pickett's been chosen to temporarily run his district. Joe Pickett is convinced one of them must have done her in. But when he becomes the victim of a series of wicked and increasingly violent pranks, Joe wonders if what's happening has less to do with Opal's disappearance than with the darkest chapters of his own past.
