[Smaller and Smaller Circles](#) Jan 14 2021 This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. *Smaller and Smaller Circles*, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives.

**The Poison Artist** Aug 28 2019 'I haven't read anything so terrifying since Red Dragon' Stephen King Imagine an updated Vertigo: darker, more scary but just as hypnotically seductive. A dark psychological crime thriller for fans of Dennis Lehane's Shutter Island. Selected for BBC Radio 2 Book Club with Simon Mayo. Toxicologist Caleb Maddox has two puzzles to solve. What connects the series of dead bodies found floating in San Francisco Bay? And why is Emmeline, the strange and beautiful woman he met in a secluded bar, so secretive about her past? One thing is certain: finding the the answers could be the last thing Caleb ever does. Everyone is talking about The Poison Artist - a gripping psychological thriller: 'Incredibly suspenseful' Lee Child 'A magnificent, thoroughly unnerving psychological thriller' Justin Cronin 'I haven't read anything so terrifying since Red Dragon' Stephen King 'As dark and intoxicating as the bars where the mystery begins' Sunday Mirror 'As satisfying as it is deeply unsettling...highly recommended' Guardian Don't miss Jonathan Moore's latest thriller The Dark Room. **Wrestlecrap** Jun 06 2020 *WrestleCrap: The Very Worst of Professional Wrestling* examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George Ringo, the Wrestling Beatle, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D. Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midget and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a gimmick which AWA fans might recall), *WrestleCrap* is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

[Kiss Me, Judas](#) Apr 28 2022 A former police officer awakens after a night of sex with a strange woman to find that one of his kidneys has been removed, an event that sends him into a drugged-out underworld. A first novel. 25,000 first printing. Tour.

[Hell's Half Acre](#) Oct 03 2022 Searching for answers, ex-cop Phineas Poe tracks Jude, the enigmatic woman from *Kiss Me, Judas*, to San Francisco and discovers that she is involved with John Ransom Miller, a wealthy sociopath with a mysterious hold over her, as Poe tries to save Jude from herself and make sense of his own past.

*Fiona and Jane* Jun 26 2019 A TIME, NPR, VOGUE, OPRAH DAILY, AND VULTURE BEST BOOK OF THE YEAR (SO FAR) “Ho's debut work is the perfect modern example of great American fiction. . . . You will love it.” —Jake Tapper “Intimate, cinematic. . . . The world Ho creates between the two women feels like one friend reading the other's story, wishing she were there.” —The New York Times Book Review “[Fiona and Jane] is about an incredible lifelong friendship between two Asian American women growing up in Southern California—absolutely adored that book.” —Ailsa Chang, NPR's “All Things Considered” “Intricately rendered. . . . Fiona and Jane celebrates a woman's ability to be late, to show up in their own lives when and where they want to, to change their minds, to be lonely and to be in love, and to be respected regardless.” —The Washington Post A witty, warm, and irreverent book that traces the lives of two young Taiwanese American women as they navigate friendship, sexuality, identity, and heartbreak over two decades. Best friends since second grade, Fiona Lin and Jane Shen explore the lonely freeways and seedy bars of Los Angeles together through their teenage years, surviving unfulfilling romantic encounters, and carrying with them the scars of their families' tumultuous pasts. Fiona was always destined to leave, her effortless beauty burnished by fierce ambition—qualities that Jane admired and feared in equal measure. When Fiona moves to New York and cares for a sick friend through a breakup with an opportunistic boyfriend, Jane remains in California and grieves her estranged father's sudden death, in the process alienating an overzealous girlfriend. Strained by distance and unintended betrayals, the women float in and out of each other's lives, their friendship both a beacon of home and a reminder of all they've lost. In stories told in alternating voices, Jean Chen Ho's debut collection peels back the layers of female friendship—the intensity, resentment, and boundless love—to probe the beating hearts of young women coming to terms with themselves, and each other, in light of the insecurities and shame that holds them back. Spanning countries and selves, *Fiona and Jane* is an intimate portrait of a friendship, a deep dive into the universal perplexities of being young and alive, and a bracingly honest account of two Asian women who dare to stake a claim on joy in a changing, contemporary America. **San Francisco Noir** May 30 2022 This anthology of “genuinely haunting noir fiction” set in the Golden City features new stories by Jim Nisbet, Alejandro Murguía, Michelle Tea and others (Publishers Weekly). Oscar Wilde once quipped that anyone who disappears is said to be seen in in San Francisco. With its famous fog, winding streets, and hazardously steep hills, it is certainly an ideal place for getting lost. It's also an ideal setting for noir fiction. From Fisherman's Warf and The Golden Gate Bridge to The Haight-Ashbury, Chinatown, and Russian Hill, fifteen authors explore the sordid side of the City by the Bay in this sterling collection. *San Francisco Noir* features brand-new stories by Barry Gifford, Robert Mailer

Anderson, Michelle Tea, Peter Plate, Kate Braverman, Domenic Stansberry, David Corbett, Eddie Muller, Alejandro Murguía, Sin Soracco, Alvin Lu, John Longhi, Will Christopher Baer, Jim Nisbet, and David Henry Sterry.

**Navigating Polarities** Jan 02 2020 How do you do two seemingly opposite things at once? How can you be candid and diplomatic, provide structure and flexibility, keep things stable and lead change, and focus on organizational interests while simultaneously doing what's best for employees? Many approach these polarities with either/or thinking, but leaders, teams, and organizations that navigate them using a both/and mindset significantly outperform those who don't. The trick is knowing how. In their work with thousands of people across the globe, Brian Emerson and Kelly Lewis have seen the tension and stress polarities can create in relationships, teams, and in organizations. In this book, they share the practical tools to transform that tension into a positive driving force by expanding either/or thinking to include a both/and mindset.

**Drugstore Cowboy** Aug 21 2021 The novel that inspired the major motion picture directed by Gus Van Sant Bob Hughes, the offbeat, edgy, and slightly skewed leader of a crew of traveling junkies, describes himself as “one of the cleverest and ringiest and most notorious dope fiend drugstore cowboys on the entire West Coast, including Alaska.” Bob, his wife, Diane, Rick, and Nadine have a penchant for robbing drugstores and grabbing pills and capsules to support their habit and relieve their boredom. It’s an all-too-real examination of the addict’s domain: the euphoria, the paranoia, the busts, the overdoses, the haunting reality of trying to survive your own world. But James Fogle—who based this extraordinary novel on his own experiences, and who spent thirty-five years of his life in prison—has turned their lives into something darkly comic. Set in Portland, Oregon, in the early 1970s, *Drugstore Cowboy* is a resonating evocation of life at the bottom, and yet, by portraying his characters without judgment or glamor, Fogle has illuminated them. His debut novel is a singular work of contemporary fiction.

**Dermaphoria** Sep 02 2022 Bailed out of jail and holed up in a low-rent motel, amnesiac Eric Ashworth has only the memory of a woman's name: Desiree. With steadily increasing doses of a strange new hallucinogen, Ashworth finds that the drug allows him to reassemble his past in broken fragments. But as he begins to lose touch with the present, his distinction between truth and fantasy begins to crumble, creating a world where divisions between love and loss, violence and tenderness, and fact and fiction are less discernible than they ought to be.

**Carry My Bones** Aug 01 2022 A botched crime forces three men – a sculptor, his son, and the son's septuagenarian friend – to flee their small town in this tragic and moving account of survival in the face of one's own failures. A man kills his wife’s lover... Almost. The criminal is Gideon Banks, a sculptor of modest success who has finally realized that he is incapable of repairing his broken marriage. Now frantically on the run from the law, Gid is joined by Merit – his adopted, introverted son – and Judge Riley, an old turnip-grower, the singer of a thousand songs, and Merit’s best friend. For the length of a college football season the unlikely trio drifts along the highways, backroads and deer trails of Alabama, befriended many times by other solitary Southerners, alone in their work, their addictions, and their restlessness. In Birmingham they meet a young woman who is naively charmed by their tale and, bored with her upper-class upbringing, takes them in. Sheltered in a house of grand portraits and heated floors, the three are afforded the time to face their separate struggles: the old Judge a fever, Gideon his guilt, and Merit the girl who would ruin his ideas about isolation forever.

**Penny Dreadful** Nov 04 2022 In the suspenseful sequel to *Kiss Me*, Judas, ex-cop Phineas Poe joins his old ally, Detective Moon, in the search for a missing officer, Jimmy Sky, a man who may not even exist, and becomes embroiled in a bizarre role-playing game involving sexual warfare, torture, paranoid visions, and multiple realities.

**A Thin Difference** Sep 21 2021 Jack Skinner, a thrice-divorced southern Alabama criminal defense lawyer with alimony problems, finds himself representing Brad Caine, a stranger with a positive cash flow indicted for the murder of wealthy Hattie Charles, an elderly widow. Reprint.

**Warmed and Bound** Jun 18 2021 From the heart of The Velvet a writing community built around the fervent love of neo-noir fiction comes an original anthology. Stacked with brilliant emerging writers alongside some of the strongest established voices in contemporary literature, *WARMED AND BOUND* crosses literary boundaries on all sides, to deliver an altogether unique reading experience. Through seemingly opposed conventions, beautiful prose makes a hard impression on the short story form. From a scary love story to a nostalgic thriller, a hardboiled pursuit of salvation to the black humor that is existentialism, *WARMED AND BOUND* is rogue humility and lovesick noir, where humanity is a dirty puzzle. It's Velvet Noir. Welcome. **Blow the House Down** Dec 01 2019 Former CIA operative Robert Baer pushes fiction to the absolute limit in this riveting and unnervingly plausible alternative history of 9/11. Veteran CIA officer Max Waller has long been obsessed with the abduction and murder of his Agency mentor. Though years of digging yield the name of a suspect—an Iranian math genius turned terrorist—the trail seems too cold to justify further effort. Then Max turns up a photograph of the man standing alongside Osama bin Laden and a mysterious westerner whose face has been cut out, feeding Max’s suspicion. When the first official to whom Max shows the photo winds up dead, the out-of-favor agent suddenly finds himself the target of dark forces within the intelligence community who are desperate to muzzle him. Eluding a global surveillance net, Max—in the summer of 2001—begins tracking the spore of a complex conspiracy, meeting clandestinely with suicide bombers and Arab royalty and ultimately realizing the Iranian he’d sought for a decades-old crime is actually at the nexus of a terrifying plot. Showing off dazzling tradecraft and an array of richly textured backdrops, and filled with real names and events, *Blow the House Down* deftly balances fact and possibility to become the first great thriller to spring from the war on terrorism. Also available as a Random House AudioBook and an eBook

**One Hundred Years of Sea Power** Oct 11 2020 A navy is a state's main instrument of maritime force. What it should do, what doctrine it holds, what ships it deploys, and how it fights are determined by practical political and military choices in relation to national needs. Choices are made according to the state's goals, perceived threat, maritime opportunity, technological capabilities, practical experience, and, not the least, the way the sea service defines itself and its way of war. This book is a history of the modern U.S. Navy. It explains how the Navy, in the century after 1890, was formed and reformed in the interaction of purpose, experience, and doctrine.

**Geek Love** Sep 29 2019 A National Book Award Finalist: This 'wonderfully descriptive' novel from an author with a 'tremendous imagination' tells the unforgettable story of the Binewskis, a carny family whose mater- and paterfamilias have bred their own exhibit of human oddities. (The New York Times Book Review) The Binewskis are a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan, Iphy and Elly, the lissome Siamese twins, albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious - and dangerous - asset. As the Binewskis take their act across the backwaters of the US, inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same. Praise for *Geek Love* 'If Flannery O'Connor had consumed vast quantities of LSD, she might have written like this' Literary Review 'The most romantic novel about love and family I have read. It made me ashamed to be so utterly normal' Terry Gilliam 'I felt electrocuted when I read that first page with Crystal Lil and her freak brood. I stood there in the bookstore and my jaw came unhinged. No book I've read, before or since, has given me that specific jolt' Karen Russell, author of *Swamplandia*

**The Routledge Handbook of Translation and Ethics** Jul 28 2019 The Routledge Handbook of Translation and Ethics offers a comprehensive overview of issues surrounding ethics in translating and interpreting. The chapters chart the philosophical and theoretical underpinnings of ethical thinking in Translation Studies and analyze the ethical dilemmas of various translatorial actors, including translation trainers and researchers. Authored by leading scholars and new voices in the field, the 31 chapters present a wide coverage of emerging issues such as increasing technologization of translation, posthumanism, volunteering and activism, accessibility and linguistic human rights. Many chapters provide the first extensive overview of the topic or present new takes on established areas. The book is divided into four parts, with the first covering the most influential ethical theories. Part II takes the perspective of agents in different contexts and the ethical dilemmas they face, while Part III takes a critical look at central institutions structuring and controlling ethical behaviour. Finally, Part IV focuses on special issues and new challenges, and signals new directions for further study. This handbook is an indispensable resource for all students and researchers of translation and ethics within translation and interpreting studies, multilingualism and comparative literature.

**What Snowflakes Get Right** Apr 04 2020 Angry debates about polarizing speakers have roiled college campuses. Conservatives accuse universities of muzzling unpopular opinions, betraying their values of open inquiry; students sympathetic to the left openly advocate against completely unregulated speech, asking for "safe spaces" and protection against visiting speakers and even curricula they feel disrespects them. Some even call these students "snowflakes"-too fragile to be exposed to opinions and ideas that challenge their worldviews. How might universities resolve these debates about free speech, which pit their students' welfare against the university's commitment to free inquiry and open debate? Ulrich Baer here provides a new way of looking at this dilemma. He explains how the current dichotomy is false and is not really about the feelings of offended students, or protecting an open marketplace of ideas. Rather, what is really at stake is our democracy's commitment to equality, and the university's critical role as an arbiter of truth. He shows how and why free speech has become the rallying cry that forges an otherwise uneasy alliance of liberals and ultra-conservatives, and why this First Amendment absolutism is untenable in law and society in general. He draws on law, philosophy, and his extensive experience as a university administrator to show that the lens of equality can resolve this impasse, and can allow the university to serve as a model for

democracy that upholds both truth and equality as its founding principles.

**Mindfulness-Based Treatment Approaches** Oct 23 2021 Eastern spiritual traditions have long maintained that mindfulness meditation can improve well-being. More recently, mindfulness-based treatment approaches have been successfully utilized to treat anxiety, depressive relapse, eating disorders, psychosis, and borderline personality disorder. This book discusses the conceptual foundation, implementation, and evidence base for the four best-researched mindfulness treatments: mindfulness-based stress reduction (MBSR), mindfulness-based cognitive therapy (MBCT), dialectical behavior therapy (DBT) and acceptance and commitment therapy (ACT). All chapters were written by researchers with extensive clinical experience. Each chapter includes the conceptual rationale for using a mindfulness-based treatment and a review of the relevant evidence base. A detailed case study illustrates how the intervention is implemented in "real life," exploring the clinical and practical issues that may arise and how they can be managed. This book will be of use to clinicians and researchers interested in understanding and implementing mindfulness based treatments. \* Comprehensive introduction to the best-researched mindfulness-based treatments \* Covers wide range of problems & disorders (anxiety, depression, eating, psychosis, personality disorders, stress, pain, relationship problems, etc) \* Discusses a wide range of populations (children, adolescents, older adults, couples) \* Includes wide range of settings (outpatient, inpatient, medical, mental health, workplace) \* Clinically rich, illustrative case study in every chapter \* International perspectives represented (authors from US, Canada, Britain, Sweden)

**Made to Kill** Mar 16 2021 When a familiar-looking woman arrives at the Los Angeles offices of Raymond Electromatic - PI turned hit man and the world's last robot - he takes on the case of a missing movie star, and is soon plunged into a glittering world of 1960s Hollywood: fame, fortune, and secrecy. But when he uncovers a sinister plot that goes much deeper than the silver screen, this robot is in the wrong place, at the wrong time.

**110 Stories** Mar 28 2022 In the aftermath of the September 11 terrorist attack on the World Trade Center, some of New York City's leading authors of fiction, poetry, and dramatic prose reflect on the event in vivid, creative works by Paul Auster, Edwidge Danticat, Phillip Lopate, Susan Wheeler, Vivian Gornick, Lynne Sharon Schwartz, and others. Reprint.

*Researching Translation and Interpreting* Jan 26 2022 This volume offers a comprehensive view of current research directions in Translation and Interpreting Studies, outlining the theoretical concepts underpinning that research and presenting detailed discussions of the various methods used. Organized around three factors that are responsible for shaping the study of translation and interpreting today—post-positivist theoretical approaches, developments in the language industry, and technological innovations—this volume is divided into three parts: Part I introduces the basic concepts organizing translation and interpreting research, such as the difference between qualitative and quantitative research, between product-oriented and process-oriented studies, and between prescriptive and descriptive approaches. Part II provides a theoretical mapping of current translation and interpreting research, covering the theories underlying the current conceptualization of translation and interpreting, from queer studies to cognitive science. Part III explores the key methodological approaches to research in Translation and Interpreting Studies, including corpus-based, longitudinal, observational, and ethnographic studies, as well as survey and focus group-based studies. The international range of contributors are all leading research experts who use the methodologies in their work. They present the research aims of these methods, offer sample research questions that can—and cannot—be addressed by these methods, and discuss modes of data collection and analysis. This is an essential reference for all advanced undergraduates, postgraduates, and researchers in Translation and Interpreting Studies.

**The Dönme** Aug 09 2020 This book tells the story of the Dönme, the descendents of Jews who resided in the Ottoman Empire and converted to Islam along with their messiah, Rabbi Shabbatai Tzevi, in the seventeenth century. For two centuries following their conversion, the Dönme were accepted as Muslims, and by the end of the nineteenth century rose to the top of Salonikan society. The Dönme helped transform Salonika into a cosmopolitan city, promoting the newest innovation in trade and finance, urban reform, and modern education. They eventually became the driving force behind the 1908 revolution that led to the overthrow of the Ottoman sultan and the establishment of a secular republic. To their proponents, the Dönme are enlightened secularists and Turkish nationalists who fought against the dark forces of superstition and religious obscurantism. To their opponents, they were simply crypto-Jews engaged in a plot to dissolve the Islamic empire. Both points of view assume the Dönme were anti-religious, whether couched as critique or praise. But it is time that we take these religious people seriously on their own terms. In the Ottoman Empire, the Dönme promoted morality, ethics, spirituality, and a syncretistic religion that reflected their origins at the intersection of Jewish Kabbalah and Islamic Sufism. This is the first book to tell their story, from their origins to their near total dissolution as they became secular Turks in the mid-twentieth century.

**Your Body is Changing** Nov 23 2021 A new collection of stories from the Pushcart Prize-winning author of *The Mysterious Secret of the Valuable Treasure*. Glittering with mischief and perversity, Jack Pendarvis's latest collection of short fiction introduces readers to a world of losers poised on the brink of all sorts of disaster – a world only a wink and a nod away from our own. In the title novella a fundamentalist teenager must single-handedly confront the horrors of a spiritual quest filled with secular humanists, an apocalyptic folk artist, and a couple of movie stars. The other stories deal poignantly with – among other things – a young millionaire pretending to be a detective, Alabamians getting violent in a New York bar, the good folks who invented diarrhea-inducing chewing gum, a man who becomes an impromptu drug mule, magnetic healers, and a candidate making a sad speech for office. Underlying each comedic gem and neurotic twist is an intelligence and empathy rarely found in modern satire. Like the best guidebooks, *Your Body is Changing* will invite you in with its zany humor and indict you with its moving truths.

**The Hollywood Spiral** Mar 04 2020 From the author of *Apathy and Other Small Victories*, this darkly comic novel set in the near future about the race to find a missing cyber program with the power to bend reality—all before a fast-approaching comet destroys the earth. In the near future, after the internet grinds to a halt amid a wave of cyber-attacks, a company named *Zodiac* steps in to replace it with an evolved, augmented-reality version called *The Grid*. Harrigan, a hard-drinking private detective living as off-Grid as possible, is about to be evicted from his apartment when a stranger shows up asking for his help in finding Anna, an escort who he claims he's desperately in love with. Turns out that through Harrigan's new client, Anna has come into possession of a program/entity called *Mirror, Mirror*, which has the capacity to merge *The Grid* and reality, bending both to the whims of the program's user. Soon Harrigan finds himself up against the last surviving organized crime gangs in Los Angeles, *Zodiac*'s mercenaries, and a mysterious group called *The First Church Multiverse*, all of whom are hot on the trail of *Mirror, Mirror*—if the comet rapidly approaching Earth doesn't kill them all first.

**Courage Above All Things** May 06 2020 For a half century, John Ellis Wool (1784–1869) was one of America's most illustrious figures—most notably as an officer in the United States Army during the War of 1812, the Mexican-American War, and the Civil War. At the onset of the Civil War, when he assumed command of the Department of the East, Wool had been a brigadier general for twenty years and, at age seventy-seven, was the oldest general on either side of the conflict. *Courage Above All Things* marks the first full biography of Wool, who aside from his unparalleled military service, figured prominently in many critical moments in nineteenth-century U.S. history. At the time of his death in 2016, Harwood Hinton, a scholar with an encyclopedic knowledge of western history, had devoted fifty years to this monumental work, which has been completed and edited by the distinguished historian Jerry Thompson. This deeply researched and deftly written volume incorporates the latest scholarship to offer a clear and detailed account of John Ellis Wool's extraordinary life—his character, his life experiences, and his career, in wartime and during uneasy periods of relative peace. Hinton and Thompson provide a thorough account of all chapters in Wool's life, including three major wars, the Cherokee Removal, and battles with Native Americans on the West Coast. From his distinguished participation in the War of 1812 to his controversial service on the Pacific coast during the 1850s, and from his mixed success during the Peninsula Campaign to his overseeing of efforts to quell the New York City draft riots of 1863, John Ellis Wool emerges here as a crucial character in the story of nineteenth-century America—complex, contradictory, larger than life—finally fully realized for the first time.

*What Kind of Woman* May 18 2021 The Instant #1 New York Times Bestseller 'Gorgeous.' Glennon Doyle 'Sharp observations on modern womanhood.' Sunday Times 'Exquisite.' Fi Glover A stunning and honest debut poetry collection about the beauty and hardships of being a woman in the world today, and the many roles we play - mother, partner, and friend. 'When life throws you a bag of sorrow, hold out your hands/Little by little, mountains are climbed.' So ends Kate Baer's remarkable poem 'Things My Girlfriends Teach Me.' In 'Nothing Tastes as Good as Skinny Feels' she challenges her reader to consider their grandmother's cake, the taste of the sea, the cool swill of freedom. In her poem 'Deliverance' about her son's birth she writes 'What is the word for when the light leaves the body?/What is the word for when it/at last, returns?' Through poems that are as unforgettably beautiful as they are accessible, Kate Baer proves herself to truly be an exemplary voice in modern poetry. Her words make women feel seen in their own bodies, in their own marriages, and in their own lives. Her poems are those you share with your mother, your daughter, your sister, and your friends.

**Talk Triggers** Apr 16 2021 *Talk Triggers* is the definitive, practical guide on how to use bold operational differentiators to create customer conversations, written by best-selling authors and marketing experts Jay Baer and Daniel Lemin. Word of mouth is directly responsible for 19% of all purchases, and influences as much as 90%. Every human on earth relies on word of mouth to make buying decisions. Yet even today, fewer than 1% of companies have an actual strategy for generating these crucial customer conversations. *Talk Triggers* provides that strategy in a compelling, relevant, timely book that can be put into practice immediately, by any business. The key to activating customer chatter is the realization that same is lame. Nobody says "let me tell you about this perfectly adequate experience I had last night." The strategic, operational differentiator is what gives customers something to tell a story about. Companies (including the 30+ profiled in *Talk Triggers*) must dare to be different and exceed expectations in one or more palpable ways. That's when word of mouth becomes involuntary: the customers of these businesses simply MUST tell someone else. *Talk Triggers* contains: • Proprietary research into why

and how customers talk • More than 30 detailed case studies of extraordinary results from Doubletree Hotels by Hilton and their warm cookie upon arrival, The Cheesecake Factory and their giant menu, Five Guys Burgers and their extra fries in the bag, Penn & Teller and their nightly meet and greet sessions, and a host of delightful small businesses • The 4-5-6 learning system (the 4 requirements for a differentiator to be a talk trigger; the 5 types of talk triggers; and the 6-step process for creating talk triggers) • Surprises in the text that are (of course) word of mouth propellants Consumers are wired to discuss what is different, and ignore what is average. Talk Triggers not only dares the reader to differentiate, it includes the precise formula for doing it. Combining compelling stories, inspirational examples, and practical how-to, Talk Triggers is the first indispensable book about word of mouth. It's a book that will create conversation about the power of conversation.

**The Lion House** Feb 01 2020 'Every bit as gripping as Wolf Hall' The Times 'There are books that enlarge the mind, there are books that enrich the soul, but rarely comes a book so beautifully written and profound that it manages to do both' ELIF SHAFIAK An immersive reconstruction of the life of the most feared and powerful man of the sixteenth century - from the Baillie Gifford Prize shortlisted author of The Islamic Enlightenment 'Reads as a non-fiction novel ... behind the bejewelled descriptive prose a thumping pulse of action tugs us through' Financial Times 'Luminous, erudite ... a gripping account that evokes an epic poem, saga or 'book of kings' Spectator \_\_\_\_ Venice, 1522. Intelligence arrives from the east confirming Europe's greatest fear: the vastly rich Ottoman Sultan has all he needs to wage total war - and his sights are set on Rome. With Christendom divided, Suleyman the Magnificent has his hand on its throat. From the palaces of Istanbul to the blood-soaked fields of central Europe and the scorched coasts of north Africa, The Lion House pioneers a bold new style of eye-witness history to tell a true story of power at its most glittering, personal and perilous: Suleyman's rise to become the most feared and powerful man of the sixteenth century. It is a journey built on brutal choices and intimate relationships - with the Greek slave who becomes his closest friend, the Venetian plutocrat who sells him gems and wins him allies, the Russian consort who steals his heart. Within a decade, Suleyman has mastery over millions of souls, from Baghdad to the walls of Vienna, while his pirate admiral Barbarossa dominates the Mediterranean. And yet the real drama takes place in small rooms and whispered conversations: as the Sultan exchanges love letters with his own vizier; as he awakes in terror after dreaming of his own assassination. The Lion House is not just the story of two civilisations in an existential duel and of one of the most consequential lives in world history. It is a tale of the timeless pull of power, dangerous to live with, deadly to live without. \_\_\_\_ 'A magic talent' ORHAN PAMUK, Nobel Laureate in Literature 'Non-fiction with the readability of a thriller' VICTORIA HISLOP, author of The Island 'Essential reading for anyone wishing to understand political ambition' ROBERT PESTON, Political Editor ITV News 'Riveting and expert' PETER FRANKOPAN, author of The Silk Roads 'Narrated with a verve and flair that make the characters burst from the pages' EUGENE ROGAN, author of The Fall of the Ottomans

The Contortionist's Handbook Feb 24 2022 Following a near fatal overdose of painkillers, Daniel Fletcher is resuscitated in a Los Angeles trauma centre and detained for psychiatric evaluation. However, what the psychiatrist doesn't know is that 'Daniel Fletcher' is actually John Dolan Vincent, a young forger who continually reinvents himself to evade capture. Originally published: London.

*Transubstantiate* Jul 20 2021 "When an experiment with population control works too well, and the planet is decimated, seven broken people are united by a supernatural bond in a modern day Eden. Most on the island are fully aware of this prison disguised as an oasis. Coming for them, to exact revenge, and finish the job that the virus started, is Gordon. He just landed on the island and he has help"--P. [4] of cover.

**Box Nine** Dec 13 2020 A narcotics detective wages war against a deadly new stimulant The drug is called Lingo, and it's the most powerful narcotic Lenore has ever seen. This cheaply manufactured pill races straight for the brain's language center, supercharging it so that even a dimwitted person can speak and read at 1,500 words per minute. It induces giddiness, confidence, and sexual euphoria—with a side effect of murderous rage. The drug has come to Quinsigamond, a fading industrial center in the heart of Massachusetts, and it's going to tear this town apart. Lenore believes she can stop that from happening. A narcotics detective with a few addictions of her own—amphetamines and heavy metal, to name a couple—she loves nothing more than her gun, until she meets Dr. Frederick Woo, the linguist assisting her on the case. Together they can stop the drug—if it doesn't take hold of them first.

*The Ottomans* Dec 25 2021 The Ottoman Empire has long been depicted as the Islamic-Asian antithesis of the Christian-European West. But the reality was starkly different: the Ottomans' multiethnic, multilingual, and multireligious domain reached deep into Europe's heart. In their breadth and versatility, the Ottoman rulers saw themselves as the new Romans. Recounting the Ottomans' remarkable rise from a frontier principality to a world empire, Marc David Baer traces their debts to their Turkish, Mongolian, Islamic and Byzantine heritage; how they used both religious toleration and conversion to integrate conquered peoples; and how, in the nineteenth century, they embraced exclusivity, leading to ethnic cleansing, genocide, and the dynasty's demise after the First World War. Upending Western concepts of the Renaissance, the Age of Exploration, the Reformation, this account challenges our understandings of sexuality, orientalism and genocide. Radically retelling their remarkable story, The Ottomans is a magisterial portrait of a dynastic power, and the first to truly capture its cross-fertilisation between East and West.

*Translating Texts* Jun 30 2022 Clear and accessible, this textbook provides a step-by-step guide to textual analysis for beginning translators and translation students. Covering a variety of text types, including business letters, recipes, and museum guides in six languages (Chinese, English, French, German, Russian, and Spanish), this book presents authentic, research-based materials to support translation among any of these languages. Translating Texts will provide beginning translators with greater text awareness, a critical skill for professional translators. Including discussions of the key theoretical texts underlying this text-centred approach to translation and sample rubrics for (self) assessment, this coursebook also provides easy instructions for creating additional corpora for other text types and in other languages. Ideal for both language-neutral and language-specific classroom settings, this is an essential text for undergraduate and graduate-level programs in modern languages and translation.
