Holes Jun 22 2022 Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.

The Distance Between Us Mar 19 2022 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, The Distance Between Us poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as La distancia entre nosotros.

Escape From Big Muddy (Novel Study) Jan 05 2021 Escape From Big Muddy takes Liz Austen and her friend Marie on an unforgettable road trip across Saskatchewan aboard the Manana Banana, where they encounter a deadly world of kidnapping, international smuggling, and biker gangs with murder on their minds. Appealing to children's inherent keen interest in mystery, Eric Wilson has skillfully woven accurate Canadian geographic and historic information into his writing. As such, these novels lend themselves to the integrated study of the mystery genre with Canadian geography topics in social studies, and investigation units in science. Escape From Big Muddy provides rich material for the study of setting, characterization and plot development. This Novel Study provides a teacher and student section with a variety of activities, chapter questions, crossword, and answer key to create a well-rounded lesson plan.

The Handmaid's Tale Feb 24 2020 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, The Handmaid's Tale is at once a mordant satire and a dire warning.

[A Room with a View Illustrated](#) Nov 03 2020 "A Room with a View is a 1908 novel by English writer E. M. Forster, about a young woman in the restrained culture of Edwardian era England. Set in Italy and England, the story is both a romance and a humorous critique of English society at the beginning of the 20th century. Merchant Ivory produced an award-winning film adaptation in 1985. The Modern Library ranked A Room with a View 79th on its list of the 100 best English-language novels of the 20th century (1998)."

The Woman in Black Jul 11 2021 Proud and solitary, Eel Marsh House surveys the windswept reaches of the salt marshes beyond Nine Lives Causeway. Arthur Kipps, a junior solicitor, is summoned to attend the funeral of Mrs Alice Drablow, the

house's sole inhabitant, unaware of the tragic secrets which lie hidden behind the shuttered windows. It is not until he glimpses a pale young woman, dressed all in black, at the funeral, that a creeping sense of unease begins to take hold, a feeling deepened by the reluctance of the locals to talk of the woman in black - and her terrible purpose.

Milestones in Dance in the USA Oct 14 2021 Embracing dramatic similarities, glaring disjunctions, and striking innovations, this book explores the history and context of dance on the land we know today as the United States of America. Designed for weekly use in dance history courses, it traces dance in the USA as it broke traditional forms, crossed genres, provoked social and political change, and drove cultural exchange and collision. The authors put a particular focus on those whose voices have been silenced, unacknowledged, and/or uncredited – exploring racial prejudice and injustice, intersectional feminism, protest movements, and economic conditions, as well as demonstrating how socio-political issues and movements affect and are affected by dance. In looking at concert dance, vernacular dance, ritual dance, and the convergence of these forms, the chapters acknowledge the richness of dance in today 's USA and the strong foundations on which it stands. Milestones are a range of accessible textbooks, breaking down the need-to-know moments in the social, cultural, political, and artistic development of foundational subject areas. This book is ideal for undergraduate courses that embrace culturally responsive pedagogy and seek to shift the direction of the lens from western theatrical dance towards the wealth of dance forms in the United States.

Chew on This Jun 29 2020 Chew On This should be on every teenager's essential reading list. Based on Eric Schlosser's bestselling *Fast Food Nation*, this is the shocking truth about the fast food industry - how it all began, its success, what fast food actually is, what goes on in the slaughterhouses, meatpacking factories and flavour labs, global advertising, merchandising in UK schools, mass production and the exploitation of young workers in the thousands of fast-food outlets throughout the world. It also takes a look at the effects on the environment and the highly topical issue of obesity. Meticulously researched, lively and informative, with first-hand accounts and quotes from children and young people, Eric Schlosser presents the facts in such a way that allows readers to make up their own minds about the incredible fast food phenomenon. Eric Schlosser is an author and investigative journalist based in New York. His first book, *FAST FOOD NATION* was a major international bestseller. His work has appeared in 'Atlantic Monthly', 'Rolling Stone' and the Guardian. *CHEW ON THIS* is his first book for children.

Black Boy [Seventy-fifth Anniversary Edition] Jun 10 2021 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

The Life and Exploits of Don Quixote de la Mancha, 4 Mar 27 2020

Nineteen Eighty-Four Oct 26 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Left to Tell May 09 2021 Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able to seek out and forgive her family's killers. The triumphant story of this remarkable young woman's journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

ANTHEM Mar 07 2021 Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Impact Evaluation in Practice, Second Edition Jul 19 2019 The second edition of the *Impact Evaluation in Practice* handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One

discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

Born A Crime Sep 01 2020 WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, Born a Crime tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. Born a Crime is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. Born a Crime is a must read.

Everything I Never Told You Nov 22 2019 'There is much here that might impress Pulitzer and Man Booker judges...Ng brilliantly depicts the destruction that parents can inflict on their children and on each other' Mark Lawson, Guardian Lydia is the favourite child of Marilyn and James Lee; a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue - in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the centre of every party. But Lydia is under pressures that have nothing to do with growing up in 1970s small town Ohio. Her father is an American born of first-generation Chinese immigrants, and his ethnicity, and hers, make them conspicuous in any setting. When Lydia's body is found in the local lake, James is consumed by guilt and sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to make someone accountable, no matter what the cost. Lydia's older brother, Nathan, is convinced that local bad boy Jack is somehow involved. But it's the youngest in the family - Hannah - who observes far more than anyone realises and who may be the only one who knows what really happened. And if you loved Everything I Never Told You, don't miss Celeste Ng's second novel Little Fires Everywhere What readers are saying: 'Devastating...A truly tragic but devastatingly well written book' 'Ng is a true craftsman. I implore you to read this. Also my favourite ending of a novel so far this year' 'This is the best book I have read this year' 'Really enjoyed this book, deeply moving, sad and thought provoking'

Integration II Aug 20 2019 Integration is the sixth and last of the books that form the core of the Bourbaki series; it draws abundantly on the preceding five Books, especially General Topology and Topological Vector Spaces, making it a culmination of the core six. The power of the tool thus fashioned is strikingly displayed in Chapter II of the author's Théories Spectrales, an exposition, in a mere 38 pages, of abstract harmonic analysis and the structure of locally compact abelian groups. The first volume of the English translation comprises Chapters 1-6; the present volume completes the translation with the remaining Chapters 7-9. Chapters 1-5 received very substantial revisions in a second edition, including changes to some fundamental definitions. Chapters 6-8 are based on the first editions of Chapters 1-5. The English edition has given the author the opportunity to correct misprints, update references, clarify the concordance of Chapter 6 with the second editions of Chapters 1-5, and revise the definition of a key concept in Chapter 6 (measurable equivalence relations).
