According to the Book Mar 27 2022 How are curriculum policies translated into opportunities to learn in the classroom? According to the Book presents findings from the largest cross-national study of textbooks carried out to date - the curriculum analysis of the 1995 Third International Mathematics and Science Study (TIMSS). This study included a detailed, page-by-page, inventory of the mathematics and science content, pedagogy, and other characteristics collected from hundreds of textbooks in over forty countries. Drawing on these data, the authors investigate the rhetorical and pedagogical features of textbooks to understand how they promote and constrain educational opportunities. They investigate how textbooks are constructed and how they structure diverse elements into prescriptions for teaching practice. The authors break new ground in understanding textbooks in terms of different educational opportunities that they make possible. The book examines policy implications from these new understandings. In particular, conclusions are offered regarding the role of textbooks in curriculum-driven educational reform, in light of their role as promoters of qualitatively distinct educational opportunities.

Ready Player One Jul 19 2021 PRE-ORDER NOW - READY PLAYER TWO: THE SEQUEL _____
THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG Now available for the first time in a beautiful hardback edition, perfect for hardcore fans and collectors A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed.

Uno's Garden May 29 2022 When Uno arrives in the forest one beautiful day, there are many fascinating and extraordinary animals there to greet him. And one entirely unexceptional Snortlepig. Uno loves the forest so much, he decides to live there. But, in time, a little village grows up around his house. Then a town, then a city . . . and soon Uno realises that the animals and plants have begun to disappear . . . From the creator of the international bestsellers Animalia, The Waterhole and Jungle Drums, here is an illuminating blend of storybook, puzzle book and numbers book - a moving and timely tale about how we all unknowingly affect the environment around us, just by being there, and how we can always learn from our mistakes and find ways of doing things better. Join Graeme Base in this beautifully illustrated, funny and moving story about environment, ecology, and human's ability to affect the world around them - for better and for worse - and learn basic maths concepts along the way, as Uno learns that it's all a question of balance.

Peacekeeping and the UN Agencies Oct 22 2021 This book is a long overdue assessment of the role of the UN specialized Agencies in peacekeeping operations. Special emphasis is given to that most vexed category, 'complex emergencies', involving entrapped or victimized civilian populations and a plethora of UN national military and NGO actors. While based on the full range of recent history, the contributions to this volume are forward looking and policy-oriented, bringing a hard edged practicality to complex and hitherto under-examined issues.

Whatever Drifts Us; Feb 23 2022 Complexity in life offers the opportunity for widened glances into multiple perspectives. Whatever drifts us in one direction or the other may be exactly the clue we need in order to achieve a better understanding of ourselves. It is from the bottom that one gets the best view of the top, taking us out of our comfort zones and striking our curiosities to better understand why. Journeying along our paths, we discover more and more, and the more we understand, the more complete our existence can be. There is pride to be found at the bottom of everything. Appreciation shown would be to better apprehend.

Zero to One Jan 31 2020 WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of The Black Swan

It's Game Night! a Log Book of Good Times Nov 30 2019 A record book just for Game Night. Game night is back! Friends and family of all ages are gathering over classic and new board games for evenings of phone-free, electronics-free, IRL fun. Whether based on strategy, luck, or a combination, board games provide substance-free social lubricant that facilitates meaningful conversations and just plain old togetherness. Why a game night record book? It's fun to look back on game night parties and remember important facts, like who was there, who told the best jokes, who brought the best snacks, and most importantly, who won! Substantiate or discredit claims that Mom is really the best at Scrabble(tm). Answer pressing questions like: How long ago did we play Uno(tm)? Whose turn is it to go first? What are the House Rules of Iota(tm)? To whom did we lend Kill Doctor Lucky?(tm) and isn't it about time they returned it? For long games like Monopoly(tm), where did we leave off? Is John still too young for Card Against Humanity(tm)? Did we plan to have a Taboo(tm) rematch? Make memories and keep them too. Jot down who, what, when, and who won. Who made the funniest joke? Who was luckiest? Record rematches, house rules, who borrowed what, and important notes. Book details; Paperback with glossy cover Game night log pages Dot grid pages House rules pages Lending record pages Notes pages "It's Game Night: A log book of good times" makes the perfect gift for kids, teens, and adults. It is the perfect add-on gift to go with the latest board game or card game rule book. It makes a fun stocking-stuffer. Add it to a gift basket containing decks of cards, dice, dominoes, a trendy board game, and an assortment of gourmet party beverages and snacks. As Benjamin Franklin said, "We do not stop playing because we grow old. We grow old because we stop playing." Make time to play games, and take the time to record the memories you make while playing them. Please note: This version of "It's Game Night: A log book of good times" contains dot grid pages which can be used for almost everything. Add up scores, make doodles, jot down campaign plans, and write down the recipe for Aunt June's famous taco dip. To find other journal and planner books by Plandsome, please visit our Author page.

Journalism Workbook Jun 25 2019 Using practical assignments, the authors take each area of journalism, and demonstrate the world which awaits journalists in the early years of their careers. Each of the assignments spins off a number of tasks which are presented to the reader in the form of briefings, and can be used as a basis for further study. Notes and references are provided with each of the tasks to guide the student and help them understand fully each area of practice. There are also exercises on page planning and design. Workshop projects and study programmes outline ways in which students and trainees in groups or singly can analyse newspaper content, build up readership profiles and consider different methods of practice, social and political attitudes to the media, press regulations and press economics. This book will also be an invaluable purchase for students using distance learning packs.
