Christian Wisdom Sep 28 2022 What is Christian wisdom for living in the twenty-first century? Where is it to be found? How can it be learnt? In the midst of diverse religions and worldviews and the demands and complexities of our world, David Ford explores a Christian way of uniting love of wisdom with wisdom in love. Core elements are the 'discernment of cries', the love of God for God's sake, interpretation of scripture, and the shaping of desire in faith. Case studies deal with inter-faith wisdom among Jews, Christians and Muslims, universities as centres of wisdom as well as knowledge and know-how and the challenge of learning disabilities. Throughout, there is an attempt to do justice to the premodern, modern and postmodern

while grappling with scripture, tradition and the cries of the world today. Ford opens up the rich resources of Christianity in engaging with the issues and urgencies of contemporary life.

Morning and Evening Meditations from the Word of God Jul 22 2019 There are many devotional books available containing brief, daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day—732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational, but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

What Does God Want from Me? Dec 07 2020 In her book, *What Does God Want From Me?* Peggy Merritt Hammond shares her personal journey to the heart of God. I mean really know that you know that God loves you! If you really know that God loves you, then you can trust Him with your life. God wants to be involved in every detail of our lives. It's what we trust in but don't yet see that keeps us going. Peggy shares her desire to fall in love with Jesus and hopes that her book will encourage you to do the same. The better we know someone, the more we like them; and the more we like them, the more we want to know them. She encourages everyone to read the Bible and get to know God on their own terms, to develop their own personal relationship with Him as Paul tells us in *Philippians 2:12-13*: work out your salvation with fear and trembling, for it is God who works in you to will and to act according to his good purpose.

Studying God Feb 21 2022 The Learning Church series offers a range of short introductions to some of the key themes of Christian theology, life and discipleship. This book will introduce some major Christian beliefs and values, such as creation, Christian hope and death in the context of the claim that the world and its human inhabitants are 'the work of God'. The discussion throughout will start with the reader's own experience and understanding, before relating insights from the Bible and the Christian tradition to this more ordinary and experiential starting point, and suggesting how the ensuing dialogue may develop.

Learning to Speak God from Scratch Jun 25 2022 In a rapidly changing culture, many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others, like

lost and sin, have become so negative they are nearly conversation-enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City, he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith—and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book, Jonathan revives ancient expressions through incisive cultural commentary, vulnerable personal narratives, and surprising biblical insights. Both provocative and liberating, *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them.

Hurting with God Apr 11 2021 How do believers live out faith in prolonged seasons of pain and loss? How can we live with God when it hurts--and continues to hurt? Drawing from his own daily struggle with chronic pain and years of reading and teaching the Psalms, Pemberton leads readers on a quest to recover a lost ancient resource for people of faith--the language of lament. This rich volume calls attention to the loss of lament in churches, what this loss is costing us, and what might happen if we spoke and prayed the full spectrum of biblical faith languages. *Hurting with God* makes a persuasive case for restoring the biblical language of lament in the church and in the lives of believers.

Learning to Hear the VOICE OF GOD Jul 26 2022 God's voice is not thunder and lightning. His Spirit, the Holy Spirit dwells inside each believer and speaks in a "still small voice." It is also a process of getting to know the Holy Spirit and his voice. You can test each message to know if it's the Holy Spirit or not. It may take time, testing and experience to hear and know His voice, but this book is about all the extraordinary things that will happen as you begin to follow the leading of the Holy Spirit in all your decisions.

God's Wisdom Dec 19 2021 This book explores and affirms the religious dimension of education. Sky Full of Stars Sep 16 2021 Do You Trust God? Meg Apperson grew up having a relationship with Jesus, and she always trusted God. But it wasn't until her daughter Avery—a miracle in so many ways—was born with a litany of life-threatening birth defects that she began to fully understand what it means to trust Jesus with everything. In this heartbreakingly beautiful memoir, you'll learn how a mother fought for her child, her family, and even herself as she grappled with the weight of failure—of letting down everyone around her and feeling let down by God. But in the midst of the fight, through heavy grief, she not only discovered her own voice—she discovered that God is both good and faithful. If you have ever experienced grief, suffering, or pain ... If God has ever asked you to surrender more than you thought possible ... If you've ever questioned how God is at work in the darkness ... *Sky Full of Stars* is for you. This book will show you that when everything around you is dark, peace can be found in the suffering. You'll discover new ways to rely on God's trustworthiness.

The Way of the Wild Heart Feb 27 2020 This is a book about how a boy?and a man?becomes a man. It's a guide to the process of masculine initiation, that ancient path every boy and man must take if they would become the man they long to be. The path whereby they come to know they are a man, and are able to live and love from a deep, centered strength. We live in a time where most men (and boys) are essentially fatherless. Whatever their circumstance, they have no man actually taking them through the many adventures, trials, battles and experiences they need to shape a masculine heart within them. They find themselves on their own to figure life out, and that is a lonely place to be. Their fears, anger, boredom, and their many addictions all come out of this fatherless place within them, a fundamental uncertainty in the core of their being. But there is a way. "We aren't meant to figure life out on our own," says John Eldredge. "God wants to father us." In *The Way of the Wild Heart*, Eldredge reveals how God comes to a man and takes him on the masculine journey, how nearly all the events of a man's life can come together to provide the initiation he never received. And how parents can offer that initiation to their sons. Whatever your age may be, your Father is ready to take up your journey. For you are his son.

Learning to Love Others Aug 27 2022 At the heart of Jesus' call to us is the call to love others. But this can be so difficult. For one thing, others are not always very lovable; for another, loving others sometimes gets in the way of our own self-interests. But if we want to follow Jesus, love needs to be our lifestyle, and the way we treat others really does matter. It's not all sacrifice and pain, though. To be in loving relationship with others is to be truly alive--and it's the source of our greatest joy. This study will help you love others the way Jesus desires. You'll learn how to study the Bible as you examine and discuss topics such as Loving Others, Loving Our Families, Fellowship with Others, Getting Along with Others, Opposition from Others, Sharing Our Faith with Others, Serving Others. Each chapter has three main sections: Group Study (materials for a sixty- to ninety-minute small-group Bible study); Study Resources (notes and comments for use in both group and personal study); Personal Study (a series of reflection questions for use by group members on their own during the week). Extra help is available at the end of the book in the sections The Art of Leadership (tips on how to lead a small group) and Small Group Leader's Guide (notes on each session). The goal of *PILGRIMAGE GUIDES* is to understand what it means for us to meet and know Jesus. Through an examination of the spiritual disciplines of Bible study, prayer, and worship, we experience what it means to be a spiritual pilgrim--walking in a new way with God. And we look at how this new way changes the way we view others and live our lives in Christ. *PILGRIMAGE GUIDES: Learning to Love God Learning to Love Ourselves Learning to Love Others*

This fresh word is filled with thrilling personal experiences with the Lord. Also thoroughly discussed and scripturally supported are the end-times parables Jesus taught that reveal how the Church at the end of the age is required to be clothed with Jesus Christ. You will learn: How the Holy Spirit teaches you how to heal the sick and prophesy. The cultural and spiritual hindrances to being clothed. To discern spiritual things with your physical senses. That God actually clothes His servants in the fire of God. That you can be asleep to the glory of God and not recognize your need to wear the Lord's presence. How to ask the Father to clothe you in His Spirit. That being clothed in the Holy Spirit protects you from evil spirits. *Transformed by the Power of God* gives you the personal and practical tools to empower yourself toward fulfilling your destiny in Him-today!

Learning to Depend on God Jul 14 2021 If we want to please God, we must learn to depend on Him. In fact, learning how to depend on God is one of the most important things a Christian should know. Depending on God means acknowledging that God is the author and finisher of our faith (Hebrews 12:2). Since God is our creator, He is the only one who can supply the strength we need to follow Him. As God's creation, we will always find that reliance on ourselves is never enough. As humans we are "finite," this means we have limits and weaknesses that cannot be overcome on our own. However, God is "infinite." As our Creator, He knows everything about us and He has no weaknesses or limits. The first step to depending on God is acknowledging that we are finite and cannot make it on our own. God hates "self-dependence" and He honors our dependence upon Him. We cannot depend on God without faith, because, unless we have faith in God's promises, there is nothing to depend on. Now faith is the substance of things hoped for, the evidence of things not seen. 2 For by it the elders obtained a good report. 3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear. Hebrews 11:1-3 God honors faith, and without it, we cannot please God. But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Hebrews 11:6

The Amazing Discernment of Women Sep 23 2019 Based on scriptural principles and stories this book will teach you how to activate and apply discernment in every area of your life. This book teaches how God many times used women because of their discernment throughout the Bible. It also shows that every woman has been given a special gift (sometimes referred to as intuition). When a woman exercises this discernment, they will find help/insight in these areas: favor, the atmosphere of their home, children, husband, outside associations, protection, provision, recovery of what's been lost, timing, right place, right plan, right people, living a life that will be remembered

Learning God's Stories Together Jun 13 2021 In this valuable resource, Dorothy Henderson explains, encourages and enables all-ages learning. People looking for help in developing an all-ages learning program will be heartened by the wealth of practical advice LearningGod's Stories Together provides. The first part of the book explains the theory and practice of all ages learning. Dorothy opens our eyes to its myriad benefits: It's fun! It builds community. It lets us hear points of view from groups we might not normally have a chance to mingle with. Dorothy presents her ideas in an easily accessible style that will fit with almost any congregation, large or small. There is a section describing the five generations that might form an all ages learning group which is interesting and useful - and not only for church-group use! We also learn about the advantages of all ages learning, which are many. Dorothy provides step-by-step instructions for setting up all ages learning and ideas to use for our first gatherings. The information is complete and inspires us to go ahead and try this if we haven't done it before; it will provide depth and insight and new ideas for those who already have all ages learning happening in their church. The second part of the book consists of 20 story sessions, each of which contains suggestions for gathering, for telling and talking about the story, and for exploring the story and making it part of your life. Again, lots of practical suggestions that will appeal to both children and adults. Dorothy presents her information in a friendly tone that encourages educators to be enthusiastic about embracing this rewarding style of learning. "What other institution do you know where five generations come together every week . . . worshipping, drinking juice and coffee, talking, eating, doing important mission work and learning together what it means to love God and love a neighbour as oneself. The church provides a natural environment for all-ages gatherings. But, as Edward Loper reminds us, 'There was a time, not all that long ago, when we did not need to intentionally talk about the relationships between generations. The relationships were plain for all to see. Most of us lived in the context of an extended family. Members of several generations lived in a close proximity to one another, knew each other, and supported each other. This is no longer the case.' It is time, once again, to become intentional in building connections among the generations."

Fathered by God Oct 29 2022 There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters?all the more reason to rely on the guidance of a Father who has gone before. But in

an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. Fathered by God maps out the path of manhood?not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you.

Learning Jesus Apr 30 2020 Some Christians are satisfied with an "Arrived Jesus," a Jesus who had fully arrived at the moment of his birth in Bethlehem. He had nothing to learn, nothing to discover, no choices to make, and no place to go except to follow God's tight script for his life. His life was static. Yet, other Christians believe in a "Becoming Jesus," a Jesus who faced many crossroads and decision points, struggles and crises, all of which shaped his faithful response to God. This "Learning Jesus" was born into a world of stereotypes and bias and he, like others, had to overcome these human boundaries in order to become the Savior of the world. Jesus was an imaginative learner and an inspiring teacher. Like all human beings, he was a human becoming.

Learning for the Love of God Mar 10 2021 Most Christian college students separate their academic life from church attendance, Bible study, and prayer. Too often discipleship of the mind is overlooked if not ignored altogether. In this lively and enlightening book, two authors who are experienced in college youth ministry show students how to be faithful in their studies, approaching education as their vocation. This revised edition of the well-received *The Outrageous Idea of Academic Faithfulness* includes updates throughout, two new substantive appendixes, personal stories from students, a new preface, and a fresh interior design. Chapters conclude with thought-provoking discussion questions.

Wild at Heart Jun 01 2020 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

Learning to Untie God's Hands Oct 05 2020 When you are facing the troubles and pains of everyday life, do you feel that, instead of overcoming them, they are overcoming you? Are you letting your troubles get the best of you instead of seeking God's help to deal with your challenges? As Christians, we must learn to turn to God for help in dealing with and ultimately resolving our problems. In *Learning to Untie God's Hands* author Sherry York talks about the need for us to be able to understand what it takes to overcome the difficulties in our lives. The negative behaviors we sometimes use in dealing with those troubles—such as bitterness, jealousy, and the inability to forgive ourselves and others—can keep God from working in our lives. York offers seven steps that can turn your life around just as it did for her. It is her belief that God wants to give us the things we will need to fight our enemy the devil, but first we must untie God's hands so that he can do His work with us. In order to untie God's hands, however, you must first be in God's hands. The most important step in untying God's hands is that you must be born again. By following these seven steps and becoming a willing, obedient vessel, you can have the opportunity to experience God's love, help, and understanding in your life.

This timeless textbook is applicable to students of all ages and is just as relevant today as when it was written close to three thousand years ago.

Big Truths for Young Hearts Nov 06 2020 Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With Big Truths for Young Hearts, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers-and perhaps learn a few things themselves along the way.
