After I Do Aug 09 2020 From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo " A seductive twist on the timeless tale of a couple trying to rediscover love in a marriage brought low by the challenges of domestic togetherness...touching, perceptive, and achingly honest. " —Beatrix Williams, New York Times bestselling author When Lauren and Ryan ' s marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, allow to change Lauren ' s ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It ' s about staying in love, seizing love, forsaking love, and committing to love with everything you ' ve got. And above all, After I Do is the story of a couple caught up in an old game—and searching for a new road to happily ever after.

Blood Brothers May 18 2021 A Liverpoolian West Side Story. Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Happy Within/ Heureuse Comme Je Suis Oct 30 2019 Heureuse comme je suis est un livre bilingue qui aidera les enfants du monde entier ? apprendre et ? apprécier l'amour-propre. L'édition bilingue est disponible dans diverses autres langues. Happy within is a bilingual children's book that will help children from around the world learn and appreciate self love. The idea behind the book is to help provide children with the support and confidence to be happy with themselves and within their own skin. No matter where in the world they are from, whether the race, the background, etc. It is a positive children's book teaching them to be proud of themselves, proud of their uniqueness and embrace diversity. Only through self love and believing in oneself it is possible to be happy within. I created a bilingual series for bilingual families and/or to help children/parents learn another language together.

[Happy Families](#) Aug 01 2022 A choral novel on the hopes, disillusionments and betrayals of family life in Mexico. A rich Catholic rancher wants his four sons to become priests, while the boys themselves have other plans; a bereaved mother explains her daughter's life to the man who killed her; three daughters meet up around their father's coffin for the first time in ten years; a middle-aged couple meet by chance on a cruise-ship and wonder if they were once young lovers. The result is a picture of contemporary Mexico seen through a violently fragmented narrative, not unlike the internationally successful film Amores Perros. The stories are punctuated by a chorus, commenting as if in a Greek tragedy, crudely and unsentimentally on the underbelly of modern Mexican life, offering a raw but richly textured glimpse of the inequalities of that society - street children, junkies, dead rock icons, the ideal wife, a honeymoon gone wrong, a child suicide, a man faking his death and beginning a new life - that throw the middle-class dramas of the linked stories into harsh relief. Happy Families is a dramatic polyphony of the many conflicting strands of Latin America and the modern urban world.

[The Tree That Bear Climbed](#) Jul 28 2019 Through rhyming text reminiscent of "The House that Jack Built," tells of a tree, from the roots that anchor it in the soil to the bear who climbs its trunk to snack on honey from a beehive high in its branches. Includes facts about plants.

OM the Eternal Witness Dec 01 2019 Much of the most interesting work in philosophy today is metaphysical in character. Oxford Studies in Metaphysics is a forum for the best new work in this flourishing field. OSM offers a broad view of the subject, featuring not only the traditionally central topics such as existence, identity, modality, time, and causation, but also the rich clusters of metaphysical questions in neighbouring fields, such as philosophy of mind and philosophy of science. Besides independent essays, volumes will often contain a critical essay on a recent book, or a symposium that allows participants to respond to one another's criticisms and questions. Anyone who wants to know what's happening in metaphysics can start here.

Feliz Cumpleaños Sep 09 2020 Spanish 1 Student Reader 'Feliz cumpleaños' is the classic bully story with a twist. Esteban just can't get a break, even on his birthday. From the forgetful teacher in class to the bully that takes his lunch, he is at his wit's end. Although his day starts to brighten when a good friend and love interest wish him "happy birthday," he is still subject to Roberto's (the bully) attacks. When Cristina is thrown into the mix, well, it gets more complicated. Esteban has an uphill battle and must muster the courage to stand up for himself, on his birthday!

Playground Mar 28 2022 Sometimes the journey is even more fun than the destination. Mies van Hout, the illustrator of Happy, Surprise, and, most recently, Pussycat, Pussycat, follows two children as they trek through trees, climb over sand dunes, cross a river, bushwhack through blackberry bushes, hop on clouds, and even descend into a dark cave on their way to the playground. Invite your little ones to let their fingers do the walking on their way through this amazing interactive journey!

The 48 Laws Of Power Jan 02 2020 THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Baby Happy Baby Sad May 06 2020 YES! This must-have toddler title sheds light on some concepts with a comical flair that will make readers HAPPY. A towering ice-cream cone makes Baby HAPPY. But when that delectable treat goes splat, it makes Baby SAD. And how quickly HAPPY turns to SAD when a favorite red balloon flies away! Even the littlest listeners will relate to this playful look at a pair of emotions that are part of every baby ' s day. Niños atentos y felices con mindfulness / Focused and Happy Children with Mindfulness Jan 26 2022 ¡Mindfulness para peques! Enseña a tus hijos a gestionar sus emociones y a escucharse a ellos mismos. Ejercitar la mente de nuestros hijos debería ser tan importante como cuidar su cuerpo. Este libro nos ayudará a enseñar a nuestros hijos una nueva manera de ver el mundo para controlar sus emociones, a través de técnicas de mindfulness adaptadas a su edad y a los problemas y personalidad de cada niño. Sin darnos cuenta, el frenético ritmo del día a día afecta de manera devastadora al desarrollo emocional de nuestros hijos. Por un lado, conductas como las rabietas y los celos y, por otro, la incapacidad de los pequeños para desarrollar la atención son el reflejo de nuestros hábitos dictados por el estrés. Con el fin de ayudar a nuestros hijos a gestionar las emociones, conocer sus propios sentimientos y mejorar su capacidad de atención, Teresa Moróño, tras años impartiendo cursos a niños y adolescentes, nos guiará por el viaje del mindfulness a través de cuentos y explicaciones prácticas y sencillas para el día a día. Además, Teresa incluye capítulos especiales para situaciones más difíciles como el bullying. A partir de sus indicaciones, el lector podrá crear su propio programa de mindfulness adaptado para cada niño. Los pequeños aprenderán a buscar la felicidad en su interior y a jerarquizar sus pensamientos para centrar el foco en el aquí y el ahora. ENGLISH DESCRIPTION Mindfulness for the little ones! Teach your children how to direct their emotions, and listen to themselves. Exercising our children ' s minds should be as important as caring for their body. This book will help us teach our children a new way of seeing the world which will help them control their emotions, through mindfulness techniques tailored to their ages and personalities. Without realizing it, the hectic pace of everyday life affects our children ' s emotional development in a devastating way. With the goal of helping our children manage their emotions, identify and understand their own feelings, and improve their attention skills, Teresa Moróño, after many years of teaching children and teenagers, will guide us through the journey of mindfulness, through stories and concrete accounts. In addition, Teresa includes special chapters for more difficult situations such as bullying. Based on her suggestions, readers will be able to create their own mindfulness program adjusted for each individual child. The little ones will learn to look for happiness within themselves and to organize their thoughts in a way to bring the focus to the here and now.

The Happy Hollisters Dec 25 2021 The Happy Hollisters: America's Favorite Classic Mystery Series for Young Readers Back in hardcover format after 50-year absence -- now with bonus special pages! The Happy Hollisters was the best-selling mystery/adventure series for children aged 7-12 in the 1960s with over 16 million copies sold. ". . . the love between family members, the resourcefulness, the eagerness to find the answers to the problems . . . all make for a fun and positive read." Julie, Goodreads "If you like cliffhangers, adventures, history, mystery, and geography, these books are for you." Charlie, 9-year-old fan "A great throwback children's mystery with lively characters and old-fashioned charm. I really enjoyed this whimsical read." Scott P., Goodreads This classic, family-oriented chapter book has been faithfully reissued in hardcover (featuring six extra pages of bonus material) by the author's family for a new generation of young readers, with a timeless accent on humor and good, clean fun. Integrity always pays off, and right wins over wrong. Parents, grandparents, and teachers love the Happy Hollisters books for their celebration of life in simpler times and family discussions that may ensue. Kids love the fast-paced action and will not want to put them down. This is a perfect gift for the young reader in your life! Volume 1: The adventures for the Hollisters begin as soon as they move into their new house on the shore on Pine Lake in Shoreham. First, the moving van carrying their toys and their father's important new invention disappears. Next, they learn that their house may be haunted, with a treasure hidden somewhere inside! Right away they all set out to solve these mysteries. Each one of the Hollister children - Pete (age 12), Pam (10), Ricky (7), Holly (6) and Sue (4) - plays an important role in finding clues, along with their parents, who are always ready to join in on the excitement. Even Zip, the collie, and White Nose, the cat, are part of the family and find thrilling adventures of their own. As the Hollisters explore their new town and make friends, they discover what happened to the moving van and learn more about the mystery surrounding their new home. Excitement abounds when a secret stairway is discovered. Then, on the trail of a mysterious intruder, their chase leads them to a deserted hut on nearby Blackberry Island. Bonus material in this hardcover reissue includes bios and photos of author "Jerry West" and illustrator Helen S. Hamilton, a previously unpublished map of Shoreham sketched by the author, vintage photos of the author and his family, and more! Paperback; 195 pages with over 70 illustrations.

5 Days to a Perfect Night's Sleep for Your Child Apr 04 2020 An international phenomenon now available in America for the first time, this quick, non-nonsense guide is all you need to get your child to sleep through the night (pillow not included). These days, most books on improving your child's sleep take either a tough-love approach (ignore crying) or a soothing strategy (offer continuous comfort). But now an internationally renowned sleep expert provides a middle-ground method that will have your child sleeping through the night at any age. Dr. Eduard Estivill's no-fail technique focuses on a mixture of authority, ritual, and reward. Parents can end negative cycles of resistance and wakefulness and feel as rested as their child will by following these expert tips: • Adopt a firm and confident attitude (your child will pick up on your mood). • Use meals as a cue to announce your child's next nap or nighttime sleep. • Incorporate appropriate elements (such as a stuffed animal or a pacifier) at bedtime so your child will not rely on you as a vital part of the sleep process. • Reinforce the contrast between light (day) and dark (night). • Never punish children by making them go to bed (it sends the wrong message about sleep time). • Learn what to say before—and after—the light is turned off. Complete with special techniques to use with newborns, plus an invaluable question-and-answer section that addresses specific concerns (children sleeping in their parents' bed, how divorced parents can work together, special-needs children), this sanity-saving guide promises sweet dreams for all.

You Can Be Happy No Matter What Mar 04 2020 Happiness is Not Around the Corner, it's Right Here, Right now Do you find yourself waiting for the best part of your life to begin? Or those things will get better soon? Dr. Richard Carlson, author who helped millions of readers stop sweating the small stuff, reminds us all You Can Be Happy No Matter What. Interactive Edition: In this interactive edition, people can experience the book in a wholly new way with Carlson's narration, illuminating passages about living joyfully in the present moment. This handbook for happiness is based on proven psychology, the Principles of Thought, covering thought, mood, separate realities and feelings. Every moment of every day, our minds are working to make sense out of what we see and experience; yet this is one of the least understood principles in our psychological makeup. Carlson's breakthrough work here in understanding the nature of thought can be the foundation to a fully functional life. Dr. Richard Carlson's wise words in his own voice bring new dimension and understanding of awakening to your own happiness. This superlative interactive book aids anyone in understanding the ups and downs of life and how to build resilience. Most importantly, Carlson reminds us to not let the downside get in the way of living joyfully, despite the daily challenges we all face. In his own words, "Happiness is a state of mind, not a set of circumstances."

Pocket Guide to Biomolecular NMR Jun 06 2020 Steering clear of quantum mechanics and product operators, "Pocket Guide to Biomolecular NMR" uses intuitive, concrete analogies to explain the theory required to understand NMR studies on the structure and dynamics of biological macromolecules. For example, instead of explaining nuclear spin with angular momentum equations or Hamiltonians, the book describes nuclei as "bells" in a choir, ringing at specific frequencies depending on the atom type and their surrounding electromagnetic environment. This simple bell analogy, which is employed throughout the book, has never been used to explain NMR and makes it surprisingly easy to learn complex, bewildering NMR concepts, such as dipole-dipole coupling and CPMG pulse sequences. Other topics covered include the basics of multi-dimensional NMR, relaxation theory, and Model Free analysis. The small size and fast pace of "Pocket Guide to Biomolecular NMR" makes the book a perfect companion to traditional biophysics and biochemistry textbooks, but the book's unique perspective will provide even seasoned spectroscopists with new insights and handy "thought" short-cuts.
