Doublethink: A Feminist Challenge to Transgenderism Nov 27 2019 In an age when falsehoods are commonly taken as truth, Janice Raymond's new book illuminates the "doublethink" of a transgender movement that is able to define men as women, women as men, he as she, dissent as heresy, science as sham, and critics as fascists. The medicalization of gender dissatisfaction depicted by Raymond in her early visionary book, *The Transsexual Empire*, has today expanded exponentially into the transgender industrial complex built on big medicine, big pharma, big banks, big foundations, big research centers, some attached to big universities. And the current rise of treating young children with puberty blockers and hormones is a widespread scandal that has been named a medical experiment on children. Whereas transsexualism was mainly a male phenomenon in the past with males undertaking cross sex hormones and surgery, today it is notably young women who are self-declaring as men in large numbers. *Doublethink* makes us aware of the consequences of a runaway ideology and its costs -- among them what is at stake when males are allowed to compete in female sports and when pschools dupe facilitating a child's hormone treatments.

2+2=5 Aug 24 2019 Transgenderism is one of the biggest social issues of our time. Society has embraced the growing number of transgender people in a way that would have been unimaginable just ten years ago. It has even been described as the next civil rights issue. But there is a dark side to transgenderism which is rarely discussed. From the irreversible damage done to transgender people's bodies, to the loss of women's rights and spaces, there are many problems with the widespread acceptance of transgenderism. Written from a gender critical feminist perspective, it will critically examine the impact of transgenderism on British and American society over the past decade. It will tackle the myths that are widely perpetuated by transgender activists and ask the questions that nobody else dares to ask.

The End of the World is Flat Mar 12 2021 'I laughed so hard I nearly fell in my cauldron. A masterpiece' JULIE BINDEL 'A bracingly sharp satire on the sleep of reason and the tyranny of twaddle' FRANCIS WHEEN Mel Winterbourne's modest map-making charity, the Orange Peel Foundation, has achieved all its aims and she's ready to shut it down. But glamorous tech billionaire Joey Talavera has other ideas. He hijacks the foundation for his own purpose: to convince the world that the earth is flat. Using the dark arts of social media at his new master's behest, Mel's ruthless young successor, Shane Foxley, turns science on its head. He persuades gullible online zealots that old-style 'globularism' is hateful. Teachers and airline pilots face ruin if they reject the new 'True Earth' orthodoxy. Can Mel and her fellow heretics – vilified as 'True-Earth Rejecting Globularists' (Tergs) – thwart Orange Peel before insanity takes over? Might the solution to the problem lie in the 15th century? Using

his trademark mix of history and satire to poke fun at modern foibles, Simon Edge is at his razor-sharp best in a caper that may be more relevant than you think.

Contemporary Irish Drama and Cultural Identity Feb 29 2020 Within the last ten years there has been a renaissance in Irish drama from both sides of the border, including award-winning work which has transferred to London and New York, and has toured Britain as well as Europe and Australia. This book explores the dynamics of the relationship between these representations of Ireland and the fluid nature of cultural identity, especially during a period of economic and political change. Although the book establishes the historical context for contemporary Irish drama, and does include discussion of some of the earlier works of Brian Friel, Frank MacGuinness and Tom Murphy, the emphasis lies on their more recent work from 1980, and especially upon work created by new writers performed during the 1990's, during the emergence of the 'Celtic tiger economy' in the Republic, and the Peace Process in the North. Key themes provide the structure of the book, which examines especially those theatrical strategies which have been associated with the performance of identity, particularly in a post-colonial situation. References are also made to interviews with writers, performers, directors and groups, as well as performances seen across Ireland and Britain. Contemporary critical perspectives from post-colonial theory to psychoanalysis and performance praxis are deployed, but in an accessible way. In contrast to the tensions associated with the colonising relationship between Ireland and Britain, the relationship between Ireland and Europe are considered in terms of cultural and economic influences and performance practices, and that between Ireland and America in terms of the 'dream of the West', the diaspora and tourism.

In-Yer-Face Theatre May 02 2020 The most controversial and newsworthy plays of British theatre are a rash of rude, vicious and provocative pieces by a brat pack of twentysomethings whose debuts startled critics and audiences with their heady mix of sex, violence and street-poetry. *In-Yer-Face Theatre* is the first book to study this exciting outburst of creative self-expression by what in other contexts has been called Generation X, or Thatcher's Children, the 'yoof' who grew up during the last Conservative Government. The book argues that, for example, *Trainspotting*, *Blasted*, *Mojo* and *Shopping and F**king* are much more than a collection of shock tactics - taken together, they represent a consistent critique of modern life, one which focuses on the problem of violence, the crisis of masculinity and the futility of consumerism. The book contains extensive interviews with playwrights, including Sarah Kane (*Blasted*), Mark Ravenhill (*Shopping and F**king*), Philip Ridley (*The Pitchfork Disney*), Patrick Marber (*Closer*) and Martin McDonagh (*The Beauty Queen of Leenane*).

Playwriting Seminars 2.0 Sep 05 2020 Playwriting Seminars is "a treasure-trove of information, philosophy, and inspiration" (Theatre Journal), "an absolutely essential guide to all aspects of playwriting and a valuable whitewater raft trip down the rapids of Hollywood screenwriting" (Magellan), and "a terrific learning environment for writers" (WebCrawler Select). It was also a recommended resource for playwrights at New Dramatists (NYC). The Handbook's initial concepts came from the author's work with Lucasfilm and the BBC. It was originally developed for playwrights and screenwriters, but has since been used by writers of fiction and nonfiction books. This new edition covers all aspects of writing full-length plays with an expanded treatment of screenwriting for Hollywood and independent film as well as diagrams of key elements of dramatic structure. Playwriting techniques are explained with many examples from classic and contemporary plays performed today by America's regional theatres as well as on Broadway and Off-Broadway. The 392 page Handbook explains the interconnections between characters and plot and the importance of subtext to character development in the contemporary theatre (what characters don't tell us matters as much as what they say in dialogue). Key exercises are included for developing "voice" as a writer and for creating the essential dual plot structure that supports intriguing characters in today's theatre. Many professionals in theatre and film are quoted on key parts of the art and craft of playwriting and screenwriting to help explain effective techniques. Special sections of the Handbook focus on getting inspiration and avoiding writer's block, editing first drafts, professional script formats for theatre and film (including software), how to launch new scripts, putting together submission packages for theatres and competitions, how to write an effective script synopsis and writer's bio, working with directors, actors and agents, how to survive audience "talkbacks" following readings and workshop productions, methods to adjust your

playwriting skills for screenwriting and television work, and options for making a living at the craft of dramatic writing.

Maureen might long for the romance that will spirit her away, but if she goes, who will stir the lumps out of Mag's Complian? *The Beauty Queen of Leenane* was first presented as a Druid Theatre/Royal Court Theatre co-production in January 1996. An instant classic from its first performance, *The Beauty Queen of Leenane* established Martin McDonagh as the natural successor to Oscar Wilde and Joe Orton. Tender Napalm Jun 14 2021 I could squeeze a bullet between those lips. Point first. Press it between those rosebud lips. Prise it between your pearly whites. Gently. I wouldn't break a single tooth. Philip Ridley's first new play since 2008 marks a change of direction for the acclaimed, ever-restless and maverick writer. *Tender Napalm* is a high-impact, high-concept two-handed play which explores the landscape that is a relationship between a man and a woman. Explosive, poetic, brutal and ultimately redemptive, the play weaves a compelling theatrical tapestry to re-examine and re-define the language of love. No one is more excited than Billy, an unloved and crippled boy whose chief occupation has been gazing at cows and yearning for a girl who wants no part of him. For Billy is determined to cross the sea and audition for the Yank. As news of his audacity ripples through his rumour-starved community, *The Cripple of Inishmaan* becomes a merciless portrayal of a world so comically cramped and mean-spirited that hope is an affront to its order. With this bleak yet uproariously funny play, Martin McDonagh fulfilled the promise of his award-winning *The Beauty Queen of Leenane* while confirming his place in a tradition that extends from Synge to O'Casey and Brendan Behan. This Student Edition, complete with plot summary and scholarly notes, is edited by Dr. P.J. Mathews of University College Dublin.
