A Separation Apr 05 2020 A young woman has agreed with her faithless husband: it's time for them to separate. For the moment it's a private matter, a secret between the two of them. As she begins her new life, alone, she gets word that her ex-husband has gone missing in a remote region in the rugged southern Peloponnese. Reluctantly she agrees to go and search for him, still keeping their split to herself. In her heart, she's not even sure if she wants to find him. Adrift in the wild and barren landscape, she traces the failure of their relationship, and finds that she understands less than she thought about the man she used to love. A story of intimacy, infidelity and compassion, *A Separation* is about the gulf that divides us from the lives of others and the narratives we create to mask our true emotions. As the narrator reflects upon her love for a man who may never have been what he appeared, Kitamura propels us into the experience of a woman on the brink of catastrophe. *A Separation* is a riveting masterpiece of absence and presence that will leave the reader astonished, and transfixed.

The Book of Ebenezer le Page Dec 26 2021 Ebenezer Le Page, cantankerous, opinionated, and charming, is one of the most compelling literary creations of the late twentieth century. Eighty years old, Ebenezer has lived his whole life on the Channel Island of Guernsey, a stony speck of a place caught between the coasts of England and France yet a world apart from either. Ebenezer himself is fiercely independent, but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known. He writes of family secrets and feuds, unforgettable friendships and friendships betrayed, love glimpsed and lost. *The Book of Ebenezer Le Page* is a beautifully detailed chronicle of a life, but it is equally an oblique reckoning with the traumas of the twentieth century, as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II, and looks with despair at the encroachments of commerce and tourism on his beloved island. G. B. Edwards labored in obscurity all his life and completed *The Book of Ebenezer Le Page* shortly before his death. Published posthumously, the book is a triumph of the storyteller's art that conjures up the extraordinary voice of a living man.

A Message to Garcia Apr 29 2022 **A Message to Garcia** is an essay written by Elbert Hubbard in 1899. In the essay, he expressed the value of individual initiative and conscientiousness in work. As its primary example, the essay uses a dramatized version of a daring mission performed by an American soldier, Andrew S. Rowan, who was commissioned to carry a message from President William McKinley to Gen. Calixto García, a leader of the Cuban insurgents through the dangerous areas of Cuba.

A Page from a Californian Almanac Oct 04 2022 At the instance of several friends who feel a boding anxiety to know beforehand what sort of phenomena we may expect the elements to exhibit during the next month or two, and who have lost all confidence in the various patent medicine almanacs, because of the unaccountable reticence of those works concerning the extraordinary event of the 8th inst., I have compiled the following almanac expressly for the latitude of San Francisco...

Gardens of Colony and State Mar 17 2021 A rare and long out-of-print treasure of garden literature, **Gardens of Colony and State** returns in a special reprint edition. Widely considered the best reference on garden-making in the colonies and the Republic, the handsome two-volume set is a lasting record of American gardens and gardeners before 1840. The landmark publication traces the development of a uniquely American garden design, exploring early garden literature and its effect on colonial craftsmen, as well as pre-1800 account books of nurseries and seed houses. Also included are fascinating stories of early horticulturists who inspired the establishment and patronage of botanical gardens for research, plant exploration, education, and public enjoyment. An impressive collection of early prints and photographs—of gates and statues, benches and pergolas, landscape designs and views—invites you to stroll through some of America's most exquisite homes and gardens, many of which have long vanished. **Gardens of Colony and State** is an important contribution to the historic horticulture of America, and a collector's item to be enjoyed for many years.

Immunisation against infectious diseases Jan 03 2020 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

From one page to the next Sep 10 2020 *From One Page to the Next: Catchwords in Manuscripts and Printed Books from the Sixteenth to the Nineteenth Centuries* is a rare study into a fascinating characteristic of antiquarian books, the catchword. Brazilian researcher, Elizangela Dias is meticulous in her theoretical and methodological exploration of these small fragments of words and phrases, found at the end of a page and repeated at the beginning of another. Her remarkable findings give us a better understanding of the materials of book production. The reader has before them a key contribution to philology and studies of the history of written culture.

What They Knew Feb 02 2020 DI Clare Mackay starts the new year with a death... It is the stroke of midnight on Hogmanay when Alison Reid admits a caller to her home. When her death is later reported, DI Clare Mackay attends the scene. The initial evidence does not rule out murder, but it's not possible to say for certain if foul play was involved. Yet when the pathologist informs Clare about a post mortem of a young woman found in the Kinness Burn, and with some similarities to Alison's case, it seems there's a strong chance that there's a killer on the loose in St Andrews. Clare and her team will have to look past the obvious conclusions and delve deeper into the lives of the victims to get to the truth. But who else risks meeting the same fate while the clock is ticking? Don't miss this compulsive new addition to the gripping DI Clare Mackay series from Bloody Scotland Scottish Debut Crime Novel 2020 shortlisted author Marion Todd. Readers are loving What They Knew '...more twists, turns and page-turning action from what will soon be your favourite Tartan Noir detective.' The Scottish Sun 'Marion Todd does not disappoint... A great read that kept me guessing until nearly the end' Joy Kluver, author of Last Seen 'Todd has found a great character in Clare Mackay and both women have definitely been added to my 'must read' list. From Page To Screen Jun 07 2020 This book critically examines the long established tradition of adapting classic novels to film or TV screen, encompassing novelists from Jane Austen to Michael Ondaatje. The early cinema ransacked literature for stories suitable for retelling in moving pictures, and as the art of the cinema matured, and cinematography, music, special effects and sound were improved, the art of dramatization began to produce high quality versions of respected novels. The authors in this book analyze a wide variety of literary dramatizations.
