Handbook of Sports and Media Jun 19 2019 This distinctive Handbook covers the breadth of sports and media scholarship, one of the up-and-coming topics bridging media entertainment, sports management, and popular culture. Organized into historical, institutional, spectator, and critical studies perspectives, this volume brings together the work of many researchers into one quintessential volume, defining the full scope of the subject area. Editors Arthur Raney and Jennings Bryant have recruited contributors from around the world to identify and synthesize the research representing numerous facets of the sports-media relationship. As a unique collection on a very timely topic, the volume offers chapters examining the development of sports media; production, coverage, and economics of sports media; sports media audiences; sports promotion; and race and gender issues in sports and media. Unique in its orientation and breadth, the Handbook of Sports and Media is destined to play a major role in the future development of this fast-growing area of study. It is a must-have work for scholars, researchers, and graduate students working in media entertainment, media psychology, mass media/mass communication, sports marketing and management, popular communication, popular culture, and cultural studies.

Namibia (Other Places Travel Guide) Aug 22 2019 Namibia is a vast, open space home to incredible wildlife, ancient cultures, and a landscape that offers scenery unlike anywhere else. Jeremiah spent over two years experiencing this southern African country while a Peace Corps volunteer. He lived with a local family in a rural homestead, giving him the opportunity to experience Namibia like few outsiders have before. With the help from a national network of locals who contributed to this travel guide, let him show you the country he now calls a second home. This book allows visitors to feel like locals while enjoying the indisputable beauty of Namibia. - Gain insight into the people and culture while sleeping in a village campsite. Or splurge at one of Namibia's world-class game lodges. - Partake in the adrenaline activities amongst the world's tallest sand dunes. - Admire the wildlife at Etosha National Park, or explore the less visited parks in the northeast. - From short hikes around Sossusvlei to the daunting 8-day trek through Namib-Naukluft, Namibia is a hiker's paradise. - Step back in time while exploring the colonial city of Luderitz. - Above all, rub elbows and share a laugh with the Namibian people in the many open markets, local eateries, small shebeens, or while travelling on a combie minibus.

How Do I Turn Casual Fans Into One's Who Buy From Me? How Do I Get Written About On Blogs? How Do I Increase Turnout At Shows? How Do I Make Fans Using Facebook, Twitter, Tumblr And SoundCloud? With every day that passes, the power the major labels once had dies a little more. The chance to get the same exposure as your favorite musicians gets easier and easier. The hurdles that would only allow you to get popular, if the right people said your music was good enough, are gone. You can now get exposed to thousands of potential fans without investing 1% of what musicians used to by building a fanbase based on listeners love for your music. No more writing letters hoping that A&R writes you back. This book explains how you do it. While many books will tell you obvious information, legal mumbo-jumbo and marketing catchphrases that don't help you get more fans. Our experience working with real bands - from upstarts like Man Overboard and Transit to legends like The Cure, The Misfits and Animal Collective, has led us to understand the insider tricks and ideas that go into some of the most important groups of our time. We produce records, do licensing deals, negotiate record contracts and get the musicians we work with written about on websites like Pitchfork and Vice. We have worked with bands who started off as nothing and became something. Unlike any other book written on the subject we have compiled the knowledge no one else has been willing to print in fear of obsoleting their own career. We give you thousands of ideas on how to get people to hear your music and turn them into fans who pay to support your music. Whether you are a label owner, musician, manager, booking agent or publicist there is information in this book that will help you do what you do better. Enjoy!
