Bound by Honor Mar 17 2021 A promise forces two men to bare themselves... completely. One year ago on a mission gone wrong, Tanner James failed to save the life of Jesse, his Army Ranger teammate. Before dying in that South American jungle, Jesse extracted a promise that won't let Tanner rest until it's fulfilled-no matter what it costs him. Damon Price loved Jesse, but problems in their relationship had come to a head right before Jesse left on his final mission. Now a reluctant Dom and a man still in mourning, he's not happy when Tanner appears at his BDSM club. And even less happy with Jesse's last request-that Tanner sub for him for one night. After a rough start, Damon realizes that the tough soldier, despite his protests, aches for someone to take control. And Tanner senses a hesitance, an insecurity in Damon that makes him wonder if he's simply a placeholder for Jesse, or if their tentative connection could grow into something more. For Jesse's sake, they agree to try one weekend together. On duty calls, and a series of attacks that have been happening near the club hits too close to home, making both men wonder if giving their hearts is a maneuver fraught with too much risk...

The Reassembler Jan 15 2021 'A typically Mayesque celebration of classic engineering ... May is extraordinarily good at explaining what a carburettor is or outlining how a governor works... It's charming, transfixing and surprisingly intimate...It might be the best thing he's ever

done.' - Guardian [review of BBC4 TV series] 'Reassembly is merely a form of therapy; something that stimulates a part of my brain that is left wanting in my daily life. When I rebuild a bicycle, I re-order my head. So might you... I'm delighted that you will be holding in your hands a book about putting things back together. It's a subject that fascinates me but which I assumed was a lonely passion that I would take to the grave, unconsummated by the normal channels of human interaction. Welcome! You and I, we are not alone, and our screwdrivers are our flashing Excaliburs as we sally forth to make small parts of the fragmented world whole again.' As in his hit BBC4 TV series, as well as learning the history of the objects, we get a history of the component parts. As James rebuilds an engine, he explains the cylinders, what they are, how they came about and what they do.

Effortlessly defying and calling into question time and space, Maya inhabits fantastical realities filled with shamans, romantic longing, a daughter's struggles, and a flying dragon. Lyrically flowing between Maya's multiple realities, *The Original Dream* is the story of a young independent Indonesian woman trying to break free from cultural and social conventions while also searching for her place among family and friends. With guidance from her parents, coworkers, and sister, along with a newborn filled with the wisdom of elders, Maya navigates her perceptions, looking for answers to unknown questions. Whether soaring through the nighttime sky, caring for her nephew, or tending to guests at the hotel where she works, she tries to delineate the difference between dreams and reality and if such a difference even matters. Alone Apr 29 2022 This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...

Hip Hop Decoded Apr 05 2020 SUPERANNO This masterpiece takes its reader from Hip Hop's ancient origin to its modern day Matrix. Never before has a book been written about Hip Hop through the spiritual scope of the culture, or has examined the culture from a mystical perspective. *The Black Dot* cleverly accomplishes both, while providing plenty of fuel for a conspiracy theorist. *Hip Hop Decoded* reveals that Hip Hop is far deeper than just beats and rhymes, and masterfully illustrates that each element of Hip Hop (Graffiti, DJ, Emcee, and B-Boy) has an ancient origin (hieroglyphics, drummer, oracle, and dancer), as well as spiritual significance (earth, air, fire, and water).
