attention. Cut out the multiple choice answer sheet and use it to record the answers. Maximizing authenticity now minimizes exam-day anxiety. Do these practice exams formally: seated alone, away from television and radio. Immediately afterwards, encourage the pupil to mark their own work. Insist on discussing the questions which were not answered correctly. Do not set aside any errors as "silly mistakes." All mistakes are silly. The key to 11+ is attention to seemingly small details. Doing exam papers is a learning opportunity. Underline the importance of discovering how
