40 Fun-Tabulous Puzzles for Multiplication, Division, Decimals, Fractions, & More! Dec 29 2019 The world lies devastated after the massive oil crisis that was described in LAST LIGHT. Human society has more or less entirely broken down and millions lie dead of starvation and disease. There are only one or two beacon communities that have managed to fashion a new way of living. Jenny Sutherland runs one of these groups. Based on a series of decaying offshore oil-rigs - for safety - a few hundred people have rebuilt a semblance of normality in this otherwise dead world. But as her and her people start to explore their surroundings once again, they start to realise not every survivor has the same vision of a better future than their catastrophic past. There are people out there who would take everything they have. War is coming, and the stakes are truly massive...

Soldiers' Stories Feb 29 2020 A comprehensive analysis of the changing representations of military women in American and British movies and TV programs from the Second World War to the present.

Harley Quinn (2021-) #1 Dec 09 2020 Ahem! You better read this closely, 'cause we've got a red-hot relaunch on our hands here-and I should know! Harley Quinn here to let everyone know that I got a brand-new monthly series here with a brand-new status quo. I'm coming back to Gotham City to make up for the sins of my past, and help the city recover from "The Joker War"! But there's no welcoming committee waiting for me, your favorite Maid of Mischief! And between you and me, some real creeps are working to keep the city broken. We can't let that happen, can we? Rising-star writer Stephanie Phillips, my new partner in crime, takes me into a bold new era with her partner in artistic crime Riley Rossmo, who I gotta say designed a real nice new costume for me. Presentation Patterns Jun 26 2022 Presentation Patterns is the first book on presentations that categorizes and organizes the building blocks (or patterns) that you'll need to communicate effectively using presentation tools like Keynote and PowerPoint. Patterns are like the lower-level steps found inside recipes; they are the techniques you must master to be considered a master chef or master presenter. You can use the patterns in this book to construct your own recipes for different contexts, such as business meetings, technical demonstrations, scientific expositions, and keynotes, just to name a few. Although there are no such things as antirecipes, this book shows you lots of antipatterns—things you should avoid doing in presentations. Modern presentation tools often encourage ineffective presentation techniques, but this book shows you how to avoid them. Each pattern is introduced with a memorable name, a definition, and a brief explanation of motivation. Readers learn where the pattern applies, the consequences of applying it, and how to apply it. The authors also identify critical antipatterns: clichés, fallacies, and design mistakes that cause presentations to disappoint. These problems are easy to avoid—once you know how. Presentation Patterns will help you Plan what you'll say, who you'll say it to, how long you'll talk, and where you'll present Perfectly calibrate your presentation to your audience Use the storyteller's "narrative arc" to full advantage Strengthen your credibility—and avoid mistakes that hurt it Hone your message before you ever touch presentation software Incorporate visuals that support your message instead of hindering it Create highly effective "infodecks" that work when you're not able to deliver a talk in person Construct slides that really communicate and avoid "Ant Fonts," "Floodmarks," "Alienating Artifacts," and other errors Master 13 powerful techniques for delivering your presentation with power, authority, and clarity Whether you use this book as a handy reference or read it from start to finish, it will be a revelation: an entirely new language for systematically planning, creating, and delivering more powerful presentations. You'll quickly find it indispensable—no matter what you're presenting, who your audiences are, or what message you're driving home.

Eloquent Ruby Oct 19 2021 It's easy to write correct Ruby code, but to gain the fluency needed to write great Ruby code, you must go beyond syntax and absorb the "Ruby way" of thinking and problem solving. In Eloquent Ruby, Russ Olsen helps you write Ruby like true Rubysts do—so you can leverage its immense, surprising power. Olsen draws on years of experience internalizing the Ruby culture and teaching Ruby to other programmers. He guides you to the "Ah Ha!" moments when it suddenly becomes clear why Ruby works the way it does, and how you can take advantage of this language's elegance and expressiveness. Eloquent Ruby starts small, answering tactical questions focused on a single statement, method, test, or bug. You'll learn how to write code that actually looks like Ruby (not Java or C#); why Ruby has so many control structures; how to use strings, expressions, and symbols; and what dynamic typing is really good for. Next, the book addresses bigger questions related to building methods and classes. You'll discover why Ruby classes contain so many tiny methods, when to use operator overloading, and when to avoid it. Olsen explains how to write Ruby code that writes its own code—and why you'll want to. He concludes with powerful project-level features and techniques ranging from gems to Domain Specific Languages. A part of the renowned Addison-Wesley Professional Ruby Series, Eloquent Ruby will help you "put on your Ruby-colored glasses" and get results that make you a true believer.

The War Against Cliche Jan 22 2022 Like John Updike, Martin Amis is the pre-eminent novelist-critic of his generation. The War Against Cliché is a selection of his reviews and essays over the past quarter-century. It contains pieces on Cervantes, Milton, Donne, Coleridge, Jane Austen, Dickens, Kafka, Philip Larkin, Joyce, Waugh, Lowry, Nabokov, F. R. Leavis, V. S. Pritchett, William Burroughs, Anthony Burgess, Angus Wilson, Saul Bellow, Philip Roth, Shiva and V. S. Naipaul, Kurt Vonnegut, Iris Murdoch, Norman Mailer, Gore Vidal, Don DeLillo, Elmore Leonard, Michael Crichton, Thomas Harris - and John Updike. Other subjects include chess, nuclear weapons, masculinity, screen censorship, juvenile violence, Andy Warhol, Hillary Clinton, and Margaret Thatcher.

The Un-Americans Jan 10 2021 In a bold rethinking of the Hollywood blacklist and McCarthyite America, Joseph Litvak reveals a political regime that did not end with the 1950s or even with the Cold War: a regime of compulsory sycophancy, in which the good citizen is an informer, ready to denounce anyone who will not play the part of the earnest, patriotic American. While many scholars have noted the anti-Semitism underlying the House Un-American Activities Committee's (HUAC's) anti-Communism, Litvak draws on the work of Theodor W. Adorno, Hannah Arendt, Alain Badiou, and Max Horkheimer to show how the committee conflated Jewishness with what he calls "comic cosmopolitanism," an intolerably seductive happiness, centered in Hollywood and New York, in show business and intellectual circles. He maintains that HUAC took the comic irreverence of the "uncooperative" witnesses as a crime against an American identity based on self-repudiation and the willingness to "name names." Litvak proposes that sycophancy was (and continues to be) the price exacted for assimilation into mainstream American culture, not just for Jews, but also for homosexuals, immigrants, and other groups deemed threatening to American rectitude. Litvak traces the outlines of comic cosmopolitanism in a series of performances in film and theater and before HUAC, performances by Jewish artists and intellectuals such as Zero Mostel, Judy Holliday, and Abraham Polonsky. At the same time, through an uncompromising analysis of work by informers including Jerome Robbins, Elia Kazan, and Budd Schulberg, he explains the triumph of a stoolpigeon culture that still thrives in the America of the early twenty-first century.

I Tried to Change So You Don't Have To May 02 2020 An inspiring, hilarious memoir about learning to resist the pressures of conformity, love yourself for who you are, embrace your flaws, and unlock your true potential. Winner of the African American Literary Award for Memoir! Now cohort of Fox's The Real and SiriusXM's Café Mocha, Loni Love hasn't taken the typical path to becoming America's favorite straight-talking girlfriend and comedian. She was not the child of Hollywood legends and she never wore a size 00. Rather, she grew up in housing projects in Detroit, more worried about affording her next meal than going on a diet. When she moved to Hollywood after graduating college with an engineering degree, seeking to break out in the entertainment world, there was nothing that would convince her to eat the kale salads and quinoa bowls that her colleagues introduced her to, which looked to Love like "weeds my grandma used to pay me a dollar to pull from her yard." Still, despite the differences that set her apart in the status-driven world of entertainment where being thin, young, blond, and bubbly is sometimes considered a talent, Love spent years trying to fit in—trying to style her hair just so, dieting, dating the men she thought she was supposed to be with. In this book, she tells the uproariously funny story of how she overcame the trap of self-improvement and instead learned to embrace who she was. As Love writes, "There's a saying a lot of people live by: 'Fake it till you make it.' For me, it's always been 'fake it, and then have the whole thing blow up in your face.'" I Tried to Change So You Don't Have To explores all of the embarrassing mistakes, terrifying challenges, and unexpected breakthroughs that taught her how, by committing ourselves to our own path, we can take control of our destiny.

The Presentation Secrets of Steve Jobs: How to Be Insanely Great in Front of Any Audience Jul 04 2020 The Wall Street Journal Bestseller! Updated to include Steve Jobs's iPad and iPad2 launch presentations "The Presentation Secrets of Steve Jobs reveals the operating system behind any great presentation and provides you with a quick-start guide to design your own passionate interfaces with your audiences." —Cliff Atkinson, author of Beyond Bullet Points and The Activist Audience Former Apple CEO Steve Jobs's wildly popular presentations have set a new global gold standard—and now this step-by-step guide shows you exactly how to use his crowd-pleasing techniques in your own presentations. The Presentation Secrets of Steve Jobs is as close as you'll ever get to having the master presenter himself speak directly in your ear. Communications expert Carmine Gallo has studied and analyzed the very best of Jobs's performances, offering point-by-point examples, tried-and-true techniques, and proven presentation secrets in 18 "scenes," including: Develop a messianic sense of purpose Reveal the Conquering hero Channel your inner Zen Stage your presentation with props Make it look effortless With this revolutionary approach, you'll be surprised at how easy it is to sell your ideas, share your enthusiasm, and wow your audience the Steve Jobs way. "No other leader captures an audience like Steve Jobs does and, like no other book, The Presentation Secrets of Steve Jobs captures the formula Steve uses to enthral audiences." —Rob Enderle, The Enderle Group "Now you can learn from the best there is—both Jobs and Gallo. No matter whether you are a novice presenter or a professional speaker like me, you will read and reread this book with the same enthusiasm that people bring to their iPods." —David Meerman Scott, bestselling author of The New Rules of Marketing & PR and World Wide Rave

Weber's Rationalism and Modern Society Aug 24 2019 Weber's Rationalism and Modern Society rediscoverers Max Weber for the twenty-first century. Tony and Dagmar Waters' translation of Weber's works highlights his contributions to the social sciences and politics, credited with highlighting concepts such as "iron cage," "bureaucracy," "bureaucratization," "rationalization," "charisma," and the role of the "work ethic" in ordering modern labor markets. Outlining the relationship between community (Gemeinschaft), and market society (Gesellschaft), the issues of social stratification, power, politics, and modernity resonate just as loudly today as they did for Weber during the early twentieth century.

Soupy Twists! Sep 17 2021 This first ever, officially authorised biography of Fry & Laurie takes us on their journey from insecure Footlighters to international comedy heroes. It is the tale of a true friendship, a deep affection between two very funny men which has long been reflected back from an adoring public. Jem Roberts, acclaimed chronicler of Blackadder and The Hitchhiker's Guide to the Galaxy, covers everything from the excitement of being the first Perrier Award winners with The Cellar Tapes to the terrors of performing on Saturday Live, the collaborative warfare of Blackadder and the ultimate depiction of Wodehouse's most inimitable characters, Jeeves & Wooster. Beyond this, the trials and tribulations of their remarkable subsequent separate career paths, from QI to House, will be explored for the first time. With tantalising, never-before-seen titbits from the A Bit of Fry & Laurie archive, and interviews with Emma Thompson, Richard Curtis, John Lloyd and more, this history of Fry & Laurie is an overdue celebration, paying tribute to a legacy of laughter from one of the funniest double acts of all time.

How Not to Make a Short Film Aug 05 2020 Anyone can make a short film, right? Just grab some friends and your handheld and you can do it in a weekend or two before being accepted to a slew of film festivals, right? Wrong. Roberta Munroe screened short film submissions at Sundance for five years, and is an award-winning short filmmaker in her own right. So she knows a thing or two about how not to make a short film. From the first draft of your script to casting, production, editing, and distribution, this is your one-stop primer for breaking into the business. Featuring interviews with many of today's most talented writers, producers, and directors, as well as revealing stories (e.g., what to do when the skinhead crack addict next door begins screaming obscenities as soon as you call "action") from the sets of her own short films, Roberta walks you through the minefield of mistakes that an aspiring filmmaker can make—so that you don't have to make them yourself.

[The Psychology of Advertising](#) Dec 21 2022 Advertising is a ubiquitous and powerful force, seducing us into buying wanted and sometimes unwanted products and services, donating to charitable causes, voting for political candidates, and changing our health-related lifestyles for better or worse. The impact of advertising is often subtle and implicit, but sometimes blatant and impossible to overlook. This revised and fully updated new edition of The Psychology of Advertising offers a comprehensive and state-of-the-art overview of the psychological findings on the impact of advertising, and discusses the research in the context of recent developments in the fields of social and consumer psychology. Key questions covered in the volume include: What impact does advertising have on consumer behavior? What causes this impact? What are the psychological processes responsible for the effectiveness of advertising? How do consumers make sense of advertising messages? Which messages "get across" successfully and when, and why? How do new online and digital technologies affect consumer judgement and choice? Engagingly written, and including a comprehensive glossary of frequently used concepts, The Psychology of Advertising is a unique and invaluable resource for advanced undergraduate and graduate students, and for researchers and lecturers in social psychology, marketing, and communications. It is also a valuable guide for professionals working in advertising, public health, public services and political communication.

Bad Dog Feb 20 2022 (A true story.) Meet Hola. She's a nightmare, but it's not her fault if she tackles strangers and chews on furniture, or if she runs after buses and fried chicken containers and drug dealers. No one ever told her not to. Worse yet, she

scares her family. Hola may be the most beautiful Bernese mountain dog in the world, but she's never been trained. At least not by anyone who knew what he was doing. Hola's supposed master, Marty, is a high-functioning alcoholic. A TV writer turned management consultant, Marty's in debt and out of shape; he's about to lose his job, and one day he emerges from a haze of peach-flavored vodka to find he's on the verge of losing his wife, Gloria, too, if he can't get his life—and his dog—under control. Desperately trying to save his marriage, Marty throws himself headlong into the world of competitive dog training. Unfortunately, he knows even less than Hola, the only dog ever to be expelled from her puppy preschool twice. Somehow, together, they need to get through the American Kennel Club's rigorous Canine Good Citizen test. Of course, Hola first needs to learn how to sit. It won't be easy. It certainly won't be pretty. But maybe, just maybe, there will be cheesecake.

Killer Thriller Nov 27 2019 In #1 New York Times bestselling author Lee Goldberg's action-packed sequel to the Washington Post bestseller True Fiction, a hapless writer is pitted against an enemy nation mounting a treacherous plot lifted from one of his thrillers. Everybody loves Ian Ludlow's action novels--especially the CIA--because the spies know something the public doesn't: his fictional plots have a frightening tendency to come true. Ian is in Hong Kong with his resourceful assistant Margo French to research his wildest story yet--a deadly global conspiracy by Chinese intelligence to topple the United States. What Ian doesn't know is that his horrifying scenario is happening and that the Chinese mistakenly believe he's an undercover superspy assigned to foil their scheme. Now Ian is trapped in his own terrifying thriller, on the run from assassins, and racing against time to prevent an epic disaster. He's written himself into a corner that could cost his life...and his country.

Iron Man: The Gauntlet Jun 14 2021 Tony Stark is known throughout the world as many things: billionaire, inventor, Avenger. But mainly for being the Invincible Iron Man. Just when Tony is about to add his pizzazz to an international eco-summit in Ireland, someone close to him forces him to question his role in making the world a more dangerous place with his high-tech weaponry. But Stark doesn't have much time to reflect before an old enemy presents him with an even greater challenge: the assassination of all the eco-ministers, and Iron Man himself. Just how invincible Iron Man is when he is stripped of everything remains to be seen in this breathless adventure by the best-selling author of *Artemis Fowl*.

Salt, Sugar, Fat Jul 16 2021 The No.1 New York Times Bestseller In China, for the first time, the people who weigh too much now outnumber those who weigh too little. In Mexico, the obesity rate has tripled in the past three decades. In the UK over 60 per cent of adults and 30 per cent of children are overweight, while the United States remains the most obese country in the world. We are hooked on salt, sugar and fat. These three simple ingredients are used by the major food companies to achieve the greatest allure for the lowest possible cost. Here, Pulitzer Prize-winning investigative reporter Michael Moss exposes the practices of some of the most recognisable (and profitable) companies and brands of the last half century. He takes us inside the labs where food scientists use cutting-edge technology to calculate the 'bliss point' of sugary drinks. He unearths marketing campaigns designed – in a technique adapted from the tobacco industry – to redirect concerns about the health risks of their products, and reveals how the makers of processed foods have chosen, time and again, to increase consumption and profits, while gambling with our health. Are you ready for the truth about what's in your shopping basket?

Look Who's Back Oct 26 2019 THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD "A brilliant book" RUSSELL KANE "Brilliant and hilarious" KEN FOLLETT A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall (Shameless) Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character. The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch

Knockout Presentations Sep 25 2019 Called the Bible of Public speaking, Knockout Presentations is a "seminar in a book" that reduces fear and gives speakers the steps to craft and deliver a talk that will make them a knockout on the platform! It's the next best thing to having Diane DiResta there to teach in person. DiResta provides all the fundamentals without the fluff. Speakers learn what confidence looks like, sounds like, and how to speak the language of confidence, reduce preparation time, craft a compelling talk, size up an audience, overcome fear, and master questions and answers. The Dos and Don'ts at the end of each chapter help speakers review and remember the principles even after putting them into practice. Speaking is the new competitive advantage and Knockout Presentations gives speakers tools and techniques, templates, and resources to improve their skills.

An American Childhood Feb 08 2021 An American Childhood is the electrifying memoir of the wide-eyed and unconventional upbringing that influenced the lifetime love of nature and the stunning writing career of Pulitzer Prize winner Annie Dillard. From her mother's boundless energy to her father's low-budget horror movies, jokes and lonesome river trips down to New Orleans to get away, the events of Dillard's 1950s Pittsburgh childhood loom larger than life. An American Childhood fizzles with the playful observations and sparkling prose of this American master, illuminating the seemingly ordinary and yet always thrilling, dizzying moments of a childhood and adolescence lived fearlessly.
