Goldilocks Jul 05 2020 For Olivia Adams, the world has always been too big or too small. Forced to live her life caught between what she wanted for herself and the unfair choices and crazy obsession of those around her for as long as she could remember, Ollie has always felt confined and trapped. It was hard for her to imagine a future beyond the crushing control of those who wanted to make sure she paid the price for her role in a tragic accident that ruined several young lives. However, having no hope and living in a constant state of fear never stopped Ollie from dreaming of different ways to break free and how to reunite with the one person who always made her feel safe. Huck is the only one who ever made her feel like there was a place in his world, right by his side, that would fit her just right. The world has always forced Huck Snyder to be a guy who runs either too hot or too cold. Unwanted and barely tolerated, his temper burned hot and bright, often leading him into trouble. After the accident, he was tossed out, disowned, and forced to fend for himself. Struggling to survive, Huck quickly realized the only way he would make it was to freeze out every single memory and moment from his past. Especially those surrounding Ollie. He allowed his heart to harden into a block of ice and refused to let anyone close enough to melt it. Years have passed, and Huck has adjusted to the constant cold that permeates through his new life. He was in no way prepared for the only girl who could ever control his inner fire to show back up. Ollie is on the run and doesn't seem to mind the chilly reception she receives when she shows up unannounced on Huck's doorstep. Fire and ice no longer define Huck because when he's with Ollie, it's easy to remember that the temperature between the two of them has always been just right.

Blacklisted May 15 2021 'The Lawton siblings are as charming as ever, and Presley and Shot's opposites attract dynamic makes for a passionate, unyielding union' Publishers Weekly, starred review! From the New York Times bestselling author of the Marked Men series comes Jay Crownover's latest steamy and suspenseful romance. Return to Loveless in this passionate opposites-attract tale where cautious Presley and bad boy Shot have to find a middle ground, risking their hearts in the process... 'Crownover delivers the goods' Lori Wilde, New York Times bestselling author 'Crownover writes cowboys that make you want to pack your bags in search of a small-town ranch!' Melissa Foster, New York

Times bestselling author An irresistible romance between a doctor who plays by the rules and the outlaw who breaks them in order to protect her! Dr Presley Baskin has always lived a quiet, calm life. Unfortunately, nothing about her life in Loveless, Texas - especially not the wild, rowdy, and impossibly close-knit Lawton family who've claimed her - is quiet or calm. When loner Presley then finds herself roped into patching up local bad boy Shot Caldwell against her better judgment, she wants nothing to do with the dangerous, brooding leader of the local outlaw motorcycle club. But when someone starts stalking her, Shot is the only person she trusts to help. Plus he owes her one... Palmer 'Shot' Caldwell has always known his life isn't built for relationships. At least until shy, secretive Presley reluctantly pulled a bullet out of him. He's oddly protective of the pretty doctor, so when she comes to him for help ... and hard-hearted Shot suddenly realizes there's nothing he wouldn't do to keep her safe. Runaround Nov 01 2022 "Webb's a man constantly on the move. He's a drifter. A wanderer. He bolts from one bad choice to the next, never able to put enough distance between himself and the ghosts from his past. He lives hard and fast, until everything comes to a screeching halt the moment he lays eyes on Tennyson McKenna. The stunning woman appeared out of nowhere to save the day, and Webb's been unable to forget her. The leggy, blonde forest ranger might very well be the one person in the world important enough to finally keep him in one place. Only, Ten isn't impressed by Webb's knack for finding trouble. And no matter how hard he tries to shake it, he can't escape his bad habit of falling into the deep end of questionable decisions. When his newest brush with trouble gets Webb in way over his head, Ten jumps after him into the dangerous waters. It's possible they're going to sink so fast they both might drown." -- Back cover.

Dignity Jun 27 2022 Looks can be deceiving. I knew that most people took one look at the ink and the impossibly big and strong body it covered and decided I was a brawler...a bruiser...a beast. However, I was hardwired to be a thinker, not a fighter. I should have chosen to use my brain and talents to be one of the good guys, a hero, a man with dignity and worth. I turned my back on dignity and sold my soul to the highest bidder, deciding to dance with the devil, instead. I couldn't figure out how to help myself, so there was zero chance I knew how to save someone else.

That someone else was Noe Lee. She was the unkempt, unruly thief who was just as smart as I was and twice as street savvy. She was annoyingly adorable beneath the dirt and grime, and she was in trouble. In way over her head, I told myself it wasn't my job to keep her from drowning. In the Point, it was sink or swim, and I wasn't the designated lifeguard on duty. I shut the door in her face, but now she's gone...vanished...disappeared without a trace. It took less than a second for me to realize that I wanted her back. When a woman comes along that melts all the frozen, hard things you're made of; you'll do anything you have to, to bring her home. What you see is not always what you get...and with a man like me there is more than anyone ever bargained for.

Honor Nov 20 2021 New York Times and USA Today Bestselling Author Jay Crownover returns with her most complicated hero yet, in the first book in the romantic suspense series *The Breaking Point*. Don't be fooled. Don't make excuses for me. I am not a good man. I've seen things no one should, done things no one should talk about. Honor and conscience have no place in my life. But I've fought and I've survived. I've had to. The first time I saw her dancing on that seedy stage in that second rate club, I felt my heart pulse for the first time. Keelyn Foster was too young, too vibrant for this place, and I knew in an instant that I would make her mine. But first I had to climb my way to the top. I had to have something more to offer her. I'm here now, money is no object and I have no equal. Except for her. She's disappeared. But don't worry, I will find her and claim her. She will be mine. Like I said, don't be fooled. I am not the devil in disguise... I'm the one standing front and center.

Rome Dec 22 2021 Cora Lewis is a whole lot of fun, and she knows how to keep her tattooed bad boy friends in line. But all that flash and sass hide the fact that she never got over the way her first love broke her heart. Now she has a plan to make sure that never happens again: she's only going to fall in love with someone perfect. Rome Archer is as far from perfect as a man can be. He's stubborn and rigid, he's bossy and has come back from his final tour of duty fundamentally broken. Rome's used to filling a role: big brother, doting son, super soldier; and now none of these fit anymore. Now he's just a man trying to figure out what to do with the rest of his life while keeping the demons of war and loss at bay.

Sweet Sep 26 2019 SWEET is the third book in the *Contours of the Heart* series

Unbroken Sep 06 2020 From the New York Times bestselling author of the *Marked Men* series comes a captivating novella about a rugged rodeo star who will do anything to protect the people he loves. When rodeo star Crew Lawton loses everything in a bad bet, he has no choice but to take a new job to pay off his debts - even if it means becoming the face of an expensive male skincare line. Crew is used to getting sweaty and rustling in the dirt, not posing for photo shoots. And he's certainly not used to being bossed around by a woman who doesn't even know the difference between bulls and broncs. But Crew owes money to dangerous criminals, and he'll do anything Della says in order to pay them back and keep them far away from his family in Loveless, Texas... The launch of her new men's line for her family's company means everything to Della Deveaux, and she's not willing to let some rugged, arrogant cowboy ruin her campaign. Crew Lawton is the last man she would have chosen to represent her chic, sophisticated brand. Unfortunately, her father already invested millions in Crew's stupidly handsome face. Yet the more time they spend together, Della and Crew realize that opposites do attract. But when the time comes for Crew to face his past mistakes, will he be able to protect his family...and the woman he's come to love? "Crownover writes cowboys that make you want to pack your bags in search of a small-town ranch! Alpha and broody, they hit all the right buttons." --Melissa Foster, New York Times bestselling author

Rule Mar 01 2020 Opposites in every way . . . except the one that matters Shaw Landon loved Rule Archer from the moment she laid eyes on him. Rule is everything a straight--A pre-med student like Shaw shouldn't want--and the only person she's never tried to please. She isn't afraid of

his scary piercings and tattoos or his wild attitude. Though she knows that Rule is wrong for her, her heart just won't listen. To a rebel like Rule Archer, Shaw Landon is a stuck-up, perfect princess-and his dead twin brother's girl. She lives by other people's rules; he makes his own. He doesn't have time for a good girl like Shaw-even if she's the only one who can see the person he truly is. But a short skirt, too many birthday cocktails, and spilled secrets lead to a night neither can forget. Now, Shaw and Rule have to figure out how a girl like her and a guy like him are supposed to be together without destroying their love . . . or each other. The first Marked Men novel in Jay Crownover's combustible New Adult series.

Exposed Oct 27 2019 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

Justified Dec 10 2020 'With a red-hot hero and emotional, unforgettable storyline, Crownover delivers the goods' Lori Wilde, New York Times bestselling author From the New York Times bestselling author of the Marked Men series comes Jay Crownover's latest steamy Texan romance. Will Case and Aspen find their happy ending or are some grudges too much to overcome... 'This tense, sensual romance is chock full of headstrong, admirable characters who will appeal to romance and suspense fans alike' Publishers Weekly The last thing Case Lawton wants to do is help the woman who cost him everything, but maybe Aspen isn't the heartless lawyer he thought he knew... Case Lawton comes from a family of criminals. So as the sheriff of Loveless, Texas, he's determined to do everything by the book - until he's called to Aspen Barlow's office after a so-called break-in. Although he's uninterested in helping the lawyer who caused him to lose custody of his son, Case is surprised by the Aspen he finds there, and starts to question his long-held grudge... Aspen is scared for her life, and Case is her last hope for protection. But she knows that to get him on her side, she'll have to reveal the painful truth from all those years ago. Now, as they work together to track down a dangerous criminal, Case and Aspen have to learn to trust each other. And as the threats escalate, it becomes clear there's a thin line between love and hate... and soon there's nothing Case wouldn't do to keep her safe... Asa May 27 2022 New York Times and USA Today Bestseller Jay Crownover's New York Times and USA Today bestselling Marked Men series continues with the much anticipated story of southern charmer and certified criminal Asa Cross. Starting over in Denver with a whole new circle of friends and family, Asa Cross struggles with being the man he knows everyone wants him to be and the man he knows he really is. A leopard doesn't it change its spots and Asa has always been a predator. He doesn't want to hurt those who love and rely on him, especially one luscious arresting cop who suddenly seems to be interested in him for far more than his penchant for breaking the law. But letting go of old habits is hard, and it's easy to hit bottom when it's the place you know best. Royal Hastings is quickly learning what the bottom looks like after a tragic situation at work threatens not only her career but her partner's life. As a woman who has only ever had a few real friends she's trying to muddle through her confusion and devastation all alone. Except she can't stop thinking about the sexy southern bartender she locked up. Crushing on Asa is the last thing she needs but his allure is too strong to resist. His long criminal record can only hurt her already shaky career and chasing after a guy who has no respect for the law or himself can only end in heartbreak. A longtime criminal and a cop together just seems so wrong . . . but for Asa and Royal, being wrong together is the only right choice to make.

Sweet Dreams Nov 28 2019 "I adore Kristen Ashley's books!"---Maya Banks, New York Times bestselling author She's ready for the ride of her life . . . Lauren Grahame is looking to reinvent herself. After leaving her cheating husband, Lauren moves to Carnal, Colorado, and gets a job as a waitress in a biker bar called Bubba's. It's a nothing job in a nowhere joint . . . until Tatum Jackson walks in. Lauren has never seen a man with such good looks, muscles, and attitude. But when he insults her, Lauren doesn't want anything to do with him. Too bad for Lauren he's also the bar's part owner and bartender. When the rough-around-the-edges Tate meets the high-class Lauren, he thinks she won't fit in at Bubba's. Yet there's more to Lauren than meets the eye, and Tate soon sets his mind on claiming her as his own. Before long, the desire burning between them is heating up the cold mountain air. But when violence strikes the town, Tate must reveal a dark secret to Lauren-one that may put an end to their sweet dreams.

Fortunate Son Jan 23 2022 Ry Archer and Bowe Keller are as different as night and day. That doesn't mean they don't share similar struggles. At

the moment, both are realizing the reality of getting closer and closer to reaching their dreams and aspirations is very much not living up to all the hype. The childhood cohorts always seem to connect when one of them needs help figuring out any of life's major puzzles, like figuring out why getting what you always thought you wanted isn't all it's cracked up to be. They might constantly rub each other the wrong way (except for when they rubbed each other really-really right), but there is no denying they've always made one hell of a great team. For Ry, he thought he had the perfect girl, the one who was going to run headfirst into a meticulously and methodically planned future. He was going to marry young and have the same kind of legendary, life-long romance his parents did... or so he believed. His girl was going to stand by his side as he chased his dream of being a professional football player all the way to the NFL. He was wrong. Now, Ry's gotta figure out the difference between a bruised heart and a broken one, and the only person who can teach him the difference is Bowe. Bowe always felt like she had to run before she learned to walk to keep up with her father's musical legacy. He's her hero, and she wants nothing more than to make him proud. Bowe's about to figure out that maybe she wasn't meant to be in a rock and roll band and that it is entirely possible she let her father's dream and road to success cloud her own idea of what making music should be. Bowe needs to find her own way to fame, and there's a good chance she wouldn't be brave enough or bold enough to start over if Ry Archer hadn't pushed his way back into her life when she least expected it. Some days they're enemies. Some days they're lovers. For a while, they were strangers. But now, it feels more like they might've always been soulmates. At the end of the day, both will realize that letting go of an old dream and creating a new one is much easier to do with the right person by your side.

Bad Girl Blues Dec 30 2019 Shocked to discover that her best friend Marguerite, a sixth grader, is hanging out with teenage boys, Quinney Todd learns that some friendships are not meant to last forever, in the funny and touching sequel to *Totally Confidential*.

Leveled Jan 11 2021 We all need a hero...let the Saints of Denver begin Orlando Frederick knows what it is to be leveled by pain. Instead of focusing on his own, he's made it his mission to help others: sports stars, wounded war vets, survivors of all kinds. But when Dom, a rugged, damaged, sinfully attractive cop, makes his way into Lando's physical therapy practice, he might be the biggest challenge yet. Lando loved one stubborn man before and barely survived the fallout. He's not sure he can do it again. Dominic Voss is a protector. The police badge he wears is not only his job, it's his identity, so when he's sidelined because of an injury, the only thing he cares about is getting back on the force. He expects Lando to mend his body, he just doesn't realize the trainer will also have him working toward a hell of a lot more. As attraction simmers and flares, Dom sees that Lando needs repair of his own...if only the man will let him close enough to mend what's broken.

Respect Feb 09 2021 Once upon a time, there was a beautiful princess who called a corrupt kingdom home sweet home. Protected and sheltered from the worst the world had to offer, she fell in love with the crumbling city that burned and blazed around her. Every dirty corner, every scary shadow, found a place within her heart. So did a man who was violent and dangerous, just like the streets she claimed as her own. He was all

business and brutality, except when it came to her. With her, he was calm, caring, and heartbreakingly patient. He warned her over and over that he wasn't the man for her, but she refused to listen. She never expected either the streets or their enforcer to hurt her, since she'd given her heart so completely to both. She should have known the streets in the Point were always going to be savage, and so was the man committed to keeping control of them in the hands of criminals and bloody kingpins. Blindsided by a betrayal which cut so deeply she was sure the wounds would never heal, the princess fled the home she loved and the man who broke her heart. Throwing away her rusted, twisted crown was supposed to help her forget. All it did was make her long for everything she left behind. She told herself she would never go back, but in this tormented kingdom, family is everything. Eventually, she has no choice but to return. While she was gone, the people who loved her worked hard to make the city safe, and the man who destroyed her sank deeper into the darkness. Going back shouldn't feel like surrender... but it does. As this pretty princess hovers on the edge of the unknown, the past attacks with a vengeance. It's a good reminder that puppy love eventually grows up and turns into something with sharp teeth and one hell of a bite. She never asked for the keys to the kingdom. She'd much rather go out and build her own.

Detour Aug 30 2022 Sometimes it's the unexpected detour that life throws your way that ends up taking you exactly where you were meant to be. Wyatt Bryant is all kinds of broken. Wyatt never planned to end up in the middle of nowhere. He was a big city guy, used to bright lights and constant noise. He needed both those things to distract him from the ugly memories of his past and the loneliness he couldn't seem to shake. Now, he is bound for the back roads of Wyoming because his younger brother is beyond worried about him. He's headed for a quiet place to heal and search for some uninterrupted serenity to figure out what he's going to do with the rest of his life. Wyatt never expected to live his life in the slow lane, and he really didn't see the breathless attraction to a small-town sheriff coming. Rodie Collins is all kinds of conflicted. Rodie had long since grown used to the snail's pace of life in Sheridan, Wyoming. He was accustomed to the gossip and malicious grapevine that was common in all small towns. Cruel words and judgmental looks followed him throughout his childhood and made him overly cautious as an adult. He had it easy keeping the peace in Sheridan most days, at least until Wyatt showed up. Rodie couldn't hide his attraction to the sexy former special agent, and there was something about the city slicker that made him want to throw caution to the wind. Rodie loves his job and his hometown, but he may have to pick between what he's always known and Wyatt when push comes to shove and long-held secrets come to light.

[A Righteous Man](#) Apr 13 2021 Salinger Dolan. You know his name. You've seen his face. You've spent money on the endless amount of useless crap he endorses. Of course, you've heard the stories. You know the ones... The one that claimed he was hard to work with and totally unprofessional on set. The one where he got caught doing drugs on the set of the most popular, family-friendly show in America. The one where he ruined the reputation-and career-of America's sweetheart. There's more truth to those stories than his fans want to believe because Salinger is the kind of thoughtless, careless, dangerous Hollywood bad boy the paparazzi and fame-hungry starlets can't get enough of. Eventually, the shine of his flashy lifestyle started to fade, and Salinger realized the only thing he's famous for nowadays is his bad behavior and well-documented struggle with addiction. The former golden boy is beyond tarnished, and the only person who can help him get his glow back is the one woman who wants absolutely nothing to do with him. Maren Copeland. You might recall her name. It's possible you vaguely remember her face. You're probably wondering where she went. After all, you've heard the stories... The one where she exposed Salinger Dolan's drug use all those years ago. The one that said she tried to ruin his career because she was envious of his popularity. The one about how she went from being everyone's favorite to a pariah overnight. Maren Copeland is now known as the comeback queen. After years of hard work and purposely avoiding

entanglements with problematic heartthrobs like her first co-star, she's on track to revitalize her career and rearrange her priorities after a very messy and very public divorce. For the first time in both her professional and personal life, she's the one calling all the shots. Unfortunately, the path to get her where she wants to be leads directly to none other than Salinger Dolan. He's the one and the only person she swore she would never work with again. Once upon a time, he cost her everything. He's back to make amends and promised to give her anything she wants if she'll just give him a chance to prove he's grown up. She doesn't trust him. She knows she'd be a fool to believe he's changed. After all, what are the odds that a spoiled, entitled brat like Salinger Dolan could become a righteous man?

Shelter Jun 23 2019 "Sutton Warner is a mess. Everything in his life feels like it's unraveling. He's let a lot of people down lately, including his daughter ... Better When He's Bad Jul 17 2021 New York Times and USA Today bestselling author Jay Crownover returns with a heart-stopping new series... Welcome to the Point. There's a difference between a bad boy and a boy who's bad . . . meet Shane Baxter. Sexy, dark, and dangerous, Bax isn't just from the wrong side of the tracks, he is the wrong side of the tracks. A criminal, a thug, and a brawler, he's the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft...and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. She's always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con The Point has ever produced. Bax terrifies her, awakening feelings she never thought she'd have for a guy like him. But it doesn't take Dovie long to realize . . . some boys are just better when they're bad.

Downfall Feb 21 2022 Solomon Sanders doesn't have time to fall in love. Until a stunning, skittish, single mother forces him to pause and recognize just how empty and hollow his busy life has become. From the start, it's been ingrained in Solo's DNA to fight. Fight for what he believes is right. Fight for the people he loves. Fight for the traces of good in a place which tends to be filled with a variety of bad. Fight for survival, so at some point, his life will quiet down and find a normal pace. He wasn't ready for the impact his secretive, shy, obviously out of place new neighbor was going to have on him. And never in a million years was he prepared to fall head over heels for her and her young daughter. Now, he's facing the most important, and the hardest fight he's ever fought... the battle to win Orley's damaged heart. Orley Vincent's heart is full of fear, leaving no space for love. Until a big, brash, brawler of a man forces his way in and makes her realize facing her fears is the only way she can ever be free. From the start, Orley was groomed to believe she wasn't good enough. She wasn't the perfect daughter. Or student. Or girlfriend. But, she has always been the best mother she could be to her daughter, Noble. Keeping Noble safe has always been the one thing she was determined to do, which ironically, is how she ended up on the wrong side of the tracks, living next door to an unlikely hero. Orley's a woman on the run. She had no idea her frantic sprint was going to land her in the tattooed arms of a man ready to teach her how to fight for

herself... and for love.

Built Jun 15 2021 Sometimes a real hero lets you save yourself . . . Sayer Cole and Zeb Fuller couldn't be more different. She's country club and fine-dining, he's cell-block and sawdust. Sayer spends her days in litigation while Zeb spends his working with his hands. But none of that has stopped Zeb from wanting the stunning blonde since the moment he laid eyes on her—even if the reserved lawyer seems determinedly oblivious to his interest. Sayer is certain the rough, hard, hot-as-hell Zeb could never want someone as closed off and restrained as she is, which is a shame because something tells her he might be the guy to finally melt her icy exterior. When he shows up at Sayer's door needing her professional help, she's both disappointed and relieved that she won't get the chance to find out just how good he could be. But as they team up to right a wrong and save a family, the steam created when fire and ice collide cannot be ignored. "Crownover weaves a tale that touches every emotion and keeps the pages turning." —Liliana Hart, New York Times bestselling author

Tyed Aug 06 2020 Fiction: Tyed is a New Adult book.

Escape Sep 30 2022 Everything inside of him is screaming that he needs to run, he needs to go, he needs to escape. Lane Warner is used to being overshadowed and overlooked. After all, he's the youngest brother and the most laid back one in the family. He's the one known for going with the flow and not making waves, even when things seem to be at their worst. Very few things in life have had the ability to rile Lane up and get under his skin. At the top of that list is his childhood friend Brynn Fox...no...Brynn Warner. The fact that they share a last name was the one thing that has the power to light him up and spin him out of control like no other. There was no calm, cool and collected when it comes to all the reasons why Brynn had to become part of his family. It's slowly killing him to keep wanting what he can't have, so Lane sees only one way to stop himself from doing something they'll both regret...he has to leave. Everything inside of her is calling out to find him, to follow, to bring him home. Brynn Warner is used to being stuck between a rock and a hard place. After all, she's the daughter of an unrepentant gold-digger who never once blinked at being the cause of her daughter's pain and suffering. Very few things in her life have ever brought happiness and a sense of security. At the very top of that list is Lane Warner. She has unwaveringly loved the youngest Warner since the first minute she laid eyes on him. He was everything Brynn ever wanted and everything she knew she could never have. Sometimes the right choice is the one that hurts the most and Brynn's had to make a few that felt like they might be the end of her. When Lane takes off, one thing is clear, the only choice Brynn has is to go after him. She's going to bring her wayward cowboy home....whatever it takes. *Escape* is a standalone novel, the third book in the *Getaway* series, which features the hardheaded and brokenhearted Warner brothers and the women who dare to love them. These boys are very good at putting the wild in wilderness.

It's All About That Cowboy Nov 08 2020 Head back to Big Verde, Texas, where a homecoming queen and the bad-boy-turned-sheriff get a second chance at first love! Once Jessica Acosta left Big Verde, Texas, she didn't look back . . . until now, when a temporary homecoming brings her face-to-face with her high school sweetheart. Still devastatingly sexy, Casey Long sets off the same sparks that drew them together years ago. But Jess can't forget how he broke her heart . . . or the secret that came between them. Casey may have traded in his bad boy rep and big rodeo dreams for a sheriff's badge, but he's never gotten over Jess leaving. Having her back in town feels like a second chance, especially when it's clear that their chemistry is as strong as ever. But can Casey and Jess move beyond the pain of the past . . . to have the future they both deserve?

Nash Mar 13 2021 Will their past determine their future? Saint Ford has worked hard to achieve her childhood dream of becoming a nurse. Focused on her work and devoted to her patients, there's no room for love. She doesn't need a guy making waves in her calm, serene life—especially when he's the unforgettable hottie who nearly destroyed her in high school. Dark, brooding Nash Donovan might not remember her or the terrible pain he caused, but he turned her world upside down . . . and now he's trying to do it again. Saint has no idea that Nash isn't the cocky player he once was. Uncovering a devastating family secret has rocked his world, and now he's struggling to figure out his future. He can't be distracted by the pretty nurse he seems to meet everywhere. Still, he can't ignore the sparks that fly between them—or how she seems so desperate to get away from him. But the funny, sweet, and drop-dead gorgeous Saint is far too amazing to give up on—especially since she's the only thing in his life that seems to make sense. When Nash discovers the truth about their past, he realizes he may have lost her heart before he could even fight for it. Now Saint has to decide: is Nash worth risking herself for all over again?
