Property and Trust Law in Japan Mar 01 2020 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of property in Japan deals with the issues related to rights and interests in all kinds of property and assets - immovable, movable, and personal property; how property rights are acquired; fiduciary mechanisms; and security considerations. Lawyers who handle transnational disputes and other matters concerning property will appreciate the explanation of specific terminology, application, and procedure. An introduction outlining the essential legal, cultural, and historical considerations affecting property is followed by a discussion of the various types of property. Further analysis describes how and to what extent legal subjects can have or obtain rights and interests in each type. The coverage includes tangible and intangible property, varying degrees of interest, and the various ways in which property is transferred, including the ramifications of appropriation, expropriation, and insolvency. Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in

varying contexts will fully grasp their meaning and significance. The book includes ample references to doctrine and cases, as well as to relevant international treaties and conventions. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable time-saving tool for any practitioner faced with a property-related matter. Lawyers representing parties with interests in Japan will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative property law.

Contemporary Perspectives on Property, Equity, and Trusts Law May 15 2021 This work counters the common perception that equity and trusts is a static area of law. The essays, written by leading academics and well established practitioners of the field, demonstrate both that the area is vibrant with new legislation and case law and shows the value of reconsidering familiar topics in the light of new developments. The scope of the book is wide ranging, covering equity, trusts and property and is divided into two main sections: the law of real property, and the law of equity and trusts. In Part One, a variety of topics surrounding the law of real property are discussed: from unconscionability, and the protection of third party interests, to property, marriage and ownership, and the impact of equality law on landlord and tenant regulations. Part Two focuses on the regulation of trusts and trustees and the impact of new legislation on charities such as hospitals and schools.

The Law Relating to Trusts and Trustees May 03 2020

International Trust Laws Dec 22 2021 **International Trust Laws** is a wide-ranging comparative guide to the law of trusts across a number of important jurisdictions, with analysis of issues surrounding the creation of trusts, the powers and duties of trustees, mechanisms of control, and the special uses of trusts. The book combines academic rigour and analysis with a practical focus on trusts in the real world, including assets which modern settlors wish to envelop in a trust; liability concerns of trustees; and the governance, command, and control mechanisms which increasingly form the largest feature of trust creation. It also provides valuable background for trust law practitioners, whether they advise on trusts, draft trust documents, or litigate trust-related matters. The new edition has been fully revised and updated to address important developments in case law and legislation, including the UK Supreme Court decision on the "rule in Hastings-Bass" (Pitt and Futter cases), the Privy Council decision on 'reserved powers trusts' (TMSF), decisions on forced heirship issues in Jersey and Guernsey, decisions on 'asset protection trusts' in the US, the Trusts (Amendment N. 5) (Jersey) Law 2012 and Trusts (Amendment N. 6) (Jersey) Law 2013, Hong Kong's Trust Law (Amendment) Ordinance 2013, the Virgin Islands Special Trusts (Amendment) Act 2013 and Trustee (Amendment) Act 2013, Cyprus' International Trusts (Amendment) Law 2012 Cayman Islands, Trusts Law (2011 Revision), and amendments to the trusts law of New Zealand. It also offers new coverage of the retirement, removal, and appointment of trustees, with a special emphasis on trustee

indemnity; and the recognition of trusts in non-trust jurisdictions (civil law jurisdictions, Eastern Europe, Islamic countries, and China).
