Being in Child Care May 29 2020 Primarily intended for the professional child and youth care worker, this new book challenges the most basic methods and beliefs of contemporary practice. Written in the form of a novel, the central issues of child care are brought to life through the subjective experiences of a young practitioner. Each issue and experience is analyzed through the dialogues between the practitioner and his supervisor. As the story unfolds, the reader is invited to reconsider many of the most fundamental and time-tested assumptions that lie at the heart of child and youth care. One by one, the layers of professionalism are peeled back to reveal the essence of it all--the practitioner's own sense of self. This results in the inevitable conclusion that personal and professional development are inextricably interrelated. From this perspective, it becomes clear how current trends in training and practice often provide a tragic formula for methods that focus upon the control of the youngster and result in the breakdown of relationships and the burnout of the practitioner. *Being in Child Care: A Journey Into Self* uses the experiences of everyday life to establish themes and draw conclusions. As the story moves from the drama and minutiae of life in a small residential treatment program to the broadest existential questions, the reader will explore his or her own personal experience. Since it can be understood at many different levels, this book will appeal to the student as much as to the seasoned practitioner. (Fewster says parents can read it too.)

Journey Into the Mind's Eye Oct 14 2021 A stunning tale set in England, Paris, and Moscow, chronicling Blanch's love for an older Russian man and the passionate obsession that takes her to Siberia and beyond. "My book is not altogether autobiography, nor altogether travel or history either. You will just have to invent a new category," Lesley Blanch wrote about *Journey into the Mind's Eye*, a book that remains as singularly adventurous and intoxicating now as when it first came out in 1968. Russia seized Lesley Blanch when she was still a child. A mysterious traveler—swathed in Siberian furs, bearing Fabergé eggs and icons as gifts along with Russian fairy tales and fairy tales of Russia—came to visit her parents and left her starry-eyed. Years later the same man returned to sweep her off her feet. Her love affair with the Traveller, as she calls him, transformed her life and fueled an abiding fascination with Russia and Russian culture, one that would lead her to dingy apartments reeking of cabbage soup and piroshki on the outskirts of Paris in the 1960s, and to Siberia and beyond.

Under the Stars May 21 2022 Moonlight, starlight, the ethereal glow of snow in winter. When you flick off a switch, other forms of light begin to reveal themselves. Artificial light is everywhere. Not only is it damaging to humans and to wildlife, disrupting our natural rhythms, but it obliterates the subtler lights that have guided us for millennia. In this beautifully written exploration of the power of light, Matt Gaw ventures forth into darkness to find out exactly what we're missing: walking by the light of the moon in Suffolk and under the scattered buckshot of starlight in Scotland; braving the darkest depths of Dartmoor; investigating the glare of 24/7 London and the suburban sprawl of Bury St Edmunds; and, finally, rediscovering a sense of the sublime on the Isle of Coll. *Under the Stars* is an inspirational and immersive call to reconnect with the natural world, showing how we only need to step outside to find that, in darkness, the world lights up.

Journey into God's Heart Aug 12 2021 Even Jennifer herself has in the light of severe recent tragedies found herself gaining a new understanding of all she has been through. This book looks back at the traumas and insecurities of her childhood, the joys and trials of family life through the most testing of circumstances, the confusion caused by her life-threatening illness and subsequent miracle healing, the pain of bereavement and - the most recent chapter that no-one foresaw - divorce from her husband Tony. *Journey Into God's Heart* is an epic saga of a unique woman's journey through the fire. An adventure that lasts a lifetime, a path strewn with heart-testing challenges. Written as compellingly as a novel, it presents a completely new perspective on the story told in Jennifer's previous autobiographical books *Beyond Healing* and *Unexpected Healing*. Her journey unfolds against the backdrop of the momentous changes undergone by the evangelical and charismatic church in the mid and late twentieth century.

[The Journey of a Book](#) Nov 03 2020 De proprietatibus rerum, 'On the properties of things', has long been referred to by scholars as a medieval encyclopedia, but evidence suggests that it has been many things to many people. The sheer number of extant manuscript copies and printed editions, along with translations, adaptations, and mentions in poems and sermons, testify to its continuous significance for Europeans of all estates and different walks of life, from the thirteenth to the seventeenth centuries. While first compiled soon after the time of St Francis by a humble continental friar to meet the needs of his expanding religious brotherhood, by 1600 English men of letters had claimed Bartholomew as a noble compatriot and national treasure. What was it about the work that propelled it through a progression of medieval cultures and into an exalted position in the world of English letters? This reception history traces evidence for the journey of 'Properties' over four centuries of social, political and religious change.

The Dark Night of the Soul Jan 25 2020 In this profound and intelligent book, Fiona Robertson acts as companion and guide through the dark night of the soul or spiritual emergency. Listening to Lorca Nov 22 2019 Professor Hawkins describes his 'journey into language' through a series of episodes drawn from the sweep of 20th century European history, encompassing the Spanish Civil War, the rise of Nazism, World War in Europe and North Africa, and the bridge-building that followed.

Dadland Feb 24 2020 As her father's memory fails, a daughter explores his military past: "Part family memoir, part history book . . . Compelling and moving from start to finish" (*Financial Times*). One of the *San Francisco Chronicle's* Ten Best Books of the Year For most of Keggie Carew's life, she was kept at arm's length from her father's personal history. But when she is invited to join him for the sixtieth anniversary of the Jedburghs—an elite special operations unit that was the first collaboration between the American and British Secret Services during World War II—a new door opens in their relationship. As dementia begins to stake a claim over Tom Carew's memory, Keggie embarks on a quest to unravel his story, and soon finds herself in a far more consuming place than she bargained for. Tom Carew was a maverick, a left-handed stutterer, a law unto himself. As a Jedburgh he parachuted behind enemy lines to raise guerrilla resistance first against the Germans in France, then against the Japanese in Southeast Asia, where he won the nickname "Lawrence of Burma." But his wartime exploits were only the beginning. A winner of the Costa Book Award, *Dadland* takes us on a journey through peace and war and shady corners of twentieth-century politics; though the author's English childhood and the breakdown of her family, and into the mysterious realm of memory. "Brings to mind Helen MacDonald's *H is for Hawk* in the way it soars off in surprising directions, teaches you things you didn't know, and ambushes your emotions." —NPR "Astonishing . . . Mixes intimate memoir, biography, history and detective story: this is a shape-shifting hybrid that meditates on the nature of time and identity . . . Tom Carew was a razzle-dazzle character, larger than life and anarchically self-invented . . . For all its vigor and comic zest, *Dadland* is a careful and tender discovery that patiently circles around a man who spent his life mythologizing and running away from himself." —*The Observer*

Journey Into the Unknown Jan 17 2022 My reason for writing this story, I have met women who have married into the merchant navy with all it entails. I have met others who have lived in Iran and in other countries. I have known families who have experienced the death of children. I have met others who lived with cystic fibrosis and other genetic incurable illnesses and disabilities. I have seen television programmes of children being treated in Great Ormond Street Hospital. I know of lots of people who have adopted children for one reason or another. I have, however, never met anyone who experienced every one of these except my husband and I, and all of it in a ten-year span of life.

Journey into the Whirlwind Feb 18 2022 A woman's true account of eighteen years as a Soviet prisoner: "Not even Alexander Solzhenitsyn's One Day in the Life of Ivan Denisovich matches it."—The New York Times Book Review In the late 1930s, Eugenia Ginzburg was a wife and mother, a schoolteacher and writer, and a longtime loyal Communist Party member. But like millions of others during Stalin's reign of terror, she was arrested—on trumped-up charges of being a Trotskyist terrorist counter-revolutionary—and sentenced to prison. With sharp detail and an indefatigable spirit, Ginzburg recounts her arrest and the eighteen harrowing years she endured in Soviet prisons and labor camps, including two in solitary confinement. Her memoir is "a compelling personal narrative of survival" (The New York Times Book Review)—and one of the most important documents of Stalin's brutal regime. "Deeply significant...intensely personal and passionately felt."—Time "Probably the best account that has ever been published of...the prison and camp empire of the Stalin era."—Book World Translated by Paul Stevenson and Max Hayward

A Journey Into Being Mar 07 2021 UPDATED AND REVISED SECOND EDITION From the author: When it comes to getting guidance about the arrival of new life the sources are plenty. Healthcare practitioners, books, magazines, websites, and well meaning friends and family members can all offer valuable information. But what about gaining insight about childbearing from a consciousness and spiritual perspective? When I was pregnant with my second child I sought a different type of guidance; one that spoke to the true depth of carrying another life inside me. As a spiritual person and empath I knew enough to understand that nothing is random. I wanted to learn about the soul of my unborn child and why I would be the one honored to be his or her parent. I craved to know the process of spirit uniting with physical body. When does it happen and can the mother sense it? Is it possible to communicate with the consciousness of your baby before birth? Can you be so attuned to your child that you can intuit their inner happenings on a vibrational level? I had nowhere to turn to for the answers to these deeper questions. So I began my quest to put it all together. It meant delving deep to make sound premises backed by available research and reliable observation. The nurse in me demanded empirical evidence, but I also wanted the warmth of personal accounts. A Journey Into Being is cumulation of medical, scientific, spiritual, and Eastern wisdom. It will take you where science meets spirituality on the transformational passage of the soul as it prepares for life, unites with the physical body, and undergoes birth. It will provide guidance on how to know and nurture a child's inner being. Once we view new life through the lens of spirit many questions and mystifying issues surrounding the arrival of new life will become clearer like: How do I nurture my child on a more intuitive level? Why are some babies more sensitive or reactive than others? Why do I feel like I've known my newborn all my life? How can I connect spiritually to my child during pregnancy? Was I chosen to be my child's parent? What is the true meaning of life/reality/consciousness How do we reconcile the idea of a just Higher Being when cruel things can happen to innocent children? A Journey Into Being is not just for those who are parents or wish to become parents. It can help anyone gain greater insight into the eternal nature of consciousness and explore the course of their own journey into physical being or of those they love. This book is my tribute to every precious child as each brings the promise of positive change for a more loving universe.

Journey to the End of the Night Jul 19 2019 When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of Journey to the End of the Night move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

A Journey into Russia Oct 26 2022 When German journalist Jens Mühling met Juri, a Russian television producer selling stories about his homeland, he was mesmerized by what he heard: the real Russia and Ukraine were more unbelievable than anything he could have invented. The encounter changed Mühling's life, triggering a number of journeys to Ukraine and deep into the Russian heartland on a quest for stories of ordinary and extraordinary people. Away from the bright lights of Moscow, Mühling met and befriended a Dostoevskian cast of characters, including a hermit from Tayga who had only recently discovered the existence of a world beyond the woods, a Ukrainian Cossack who defaced the statue of Lenin in central Kiev, and a priest who insisted on returning to Chernobyl to preach to the stubborn few determined to remain in the exclusion zone. Unveiling a portion of the world whose contradictions, attractions, and absurdities are still largely unknown to people outside its borders, A Journey into Russia is a much-needed glimpse into one of today's most significant regions.

Journey Into Now Sep 01 2020 With perfect precision, the author guides the reader along a path of awakening which leads to liberation from the pain and limitations of the past into the joyful and unlimited world of Now. This book reveals, in the simplest way, how to still the mind and become fully present and awake in the truth of life. Perhaps the most important aspect of this book is the author's unique insight into the nature of the mind and ego. He describes in detail how the ego's resistance to Presence is the primary obstacle to awakening and how we can overcome that resistance in a simple and effective way. Each page of this book reveals a part of the mystery. There are hidden keys to awakening on every page. It is like a road map home.

Journey Into Space Jun 22 2022 Humankind has taken a fateful journey into space . . . A vast generation ship hurtles away from a violent, troubled Earth to settle a distant planet orbiting an alien star. Those who set out on this journey are long-since dead. Those who will arrive at their destination have yet to be born. For those who must live and die in the cold emptiness between the stars, there is only the claustrophobic permanence of non-being. Life lived in unending stasis. Then the unthinkable happens: two souls €" August and Celeste €" rebel. And from the fruit of their rebellion comes a new and powerful force which will take charge of the ship's destiny. Journey into Space is science fiction at its most classic and beguiling: timeless, vast in scope and daring in execution. €"One of the most inventive and original writers around' Sunday Mirror €"Litt is equally adept at building tension and coming up with a haunting phrase. Perhaps most impressive of all, though, is the richness of his imagination. He doesn't quail at taking big risks and possesses the talent to bring them off' Daily Telegraph

Journey Into The Unknown Dec 04 2020 Journey into the Unknown is a true story. It is an inspiring story of dealing with loss, something that all of us encounter at sometime in our lives. Noorjehan and Adam Mahomed, a Durban-based couple, in a tragic motorcar accident, lost their three young daughters. This story, traces how they coped with the challenge of living with their loss and looking for meaning in what looked like an empty life. The book alternates between Noorjehan's and Adam's writing, giving the reader an insight into what it takes to face tragedy and understand nature's way of healing. Every loss-especially of those you love, brings with it suffering. This story helps you see what holds you chained to the past and the courage it takes to move on and look forward.

Journey To The Future Nov 15 2021 In this blockbuster novel, young protagonist Patrick Wu visits a future world - Vancouver in 2032 - brimming with innovation and hope, where the climate crisis is being tackled, the solar revolution is underway and a new cooperative economy is taking shape. Dauncey's "brilliant book shows solutions to the climate crisis that offer a future rich in opportunity and joy" - scientist and award-winning broadcaster David Suzuki. Scientists, activists and politicians are enthusiastic in advance praise for Guy Dauncey's ecotopian novel, *Journey To The Future*.
