[Daughter of Darkness](#) Nov 25 2019 When I was a little girl, Daddy told me never to fear the dark. "We exist because of the dark," he told me. "All of you are daughters of darkness." Beloved bestselling author V.C. Andrews's passion for vampires comes to life in a spellbinding life in a long-awaited novel of dark desires as all-consuming—and forbidden—as in *Flowers in the Attic*. One night, the sound of a young man's scream, high school senior Lorelei discovers that her stern but loving father, who adopted Lorelei and her sisters as infants, is no ordinary man. He has raised his beautiful girls for one purpose: to lure young men into their world of darkness. Like her sisters, Lorelei has been trained in the art of seduction and warned never to fall in love. But when she meets a handsome, charming classmate, she boldly defies her family and follows her heart—even if love is a poison. . . . Dangerously enticing and deliriously intoxicating, V.C. Andrews's *Daughter of Darkness* will leave readers thirsting for more.

[If There Be Thorns](#) Jun 25 2022 Now a major Lifetime movie event—Book Three of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world's imagination and earned V.C. Andrews a fiercely devoted fanbase. Christopher and Cathy hide the shocking truth to protect their children. But someone who knows their dark secret is watching. Christopher and Cathy made a loving home for their handsome and talented teenager Jory, their imaginative nine-year-old Bart, and a sweet baby daughter. Then an elderly woman and her strange butler move in next door. The Old Woman in Black watches from her window, lures Jory and Bart inside with cookies and ice cream, and asks him to call her "grandmother." Slowly Bart transforms, each visit pushing him to the edge of madness and violence, while his anguished parents can only watch. For Cathy and Chris, the horrors of the past come home...and everything they love may soon be torn from them.

[Out of the Attic](#) Jul 14 2021 The twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked her children in *Flowers in the Attic*. The second book in a new prequel story arc, *Out of the Attic* explores the Dollanganger family by traveling back decades to when the clan's wicked destiny first took root. Married to the handsome, wealthy Garland Foxworth following a wildfire romance and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors' judgment of her as insufficient—as not good enough for Foxworth. Stern portraits glare at her from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With her father alternately absent and possessively close, Corrine doesn't yet realize that she's barely scratched the surface of what lies beneath Foxworth Hall's dark facade and the family that guards its legacies. With the fortieth anniversary celebration of *Flowers in the Attic* and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.
