*The Trouble with Textbooks* Apr 13 2021 Our elementary, middle, and high school teaching about Jews, Judaism, and Israel is driven by textbook misstatements about Jewish theology, social structure, and the history of Israel that comprise an unsavory picture of Jews and Israel. This book will be an extremely valuable reference tool for educators and members of the public interested in religion and the Middle East.

**Trouble in Texas** Sep 30 2022 Weather in San Antonio can be anywhere from nasty to fantastic, but this day was better than fantastic as Johnny Devreau walked toward the cattle barns. The weather reminded him of some nice days he had seen in Hawaii, only cooler. He was at the Joe Freeman Coliseum for the San Antonio Livestock Show and Rodeo, an annual ten-day affair. It seemed everyone, male and female, young and old, was wearing the same thing Levis, cowboy boots, and a western-style shirt and most had a western-style hat. This was standard everyday wear for Devreau. The Saturday rodeo matinee was just over, and the standing room crowd was spilling out of the coliseum in every which direction, or so it seemed. It made getting to where Devreau wanted to be slowgoing.

*Stuck Together (Trouble in Texas Book #3)* Sep 18 2021 When a lawman who values order gets stuck with a feisty crusader who likes to stir things up, there's going to be trouble in Texas! Now that she's settled in town, Tina Cahill is determined to get Broken Wheel's saloon closed for good. To that end, she pickets

outside the place every afternoon. Unfortunately, so far no one has paid any attention. Vince Yates earned the nickname "Invincible Vince" because of his reputation for letting absolutely nothing stop him. But Vince is about to face his biggest challenge yet: his past has just caught up with him. His father, mother, and the sister he didn't know he had show up in Broken Wheel without warning. His father is still a schemer. His mother is showing signs of dementia. And his surprise sister quickly falls for one of Vince's best friends. Vince suddenly has a lot of people depending on him, and Tina doesn't approve of how he's handling any of them. With nearly every other man in town married off, Vince finds himself stuck with strong-willed Tina over and over again. Of course, Tina is the prettiest woman he's ever seen, so if he could just get her to give up her crazy causes, he might go ahead and propose. But he's got one more surprise coming his way: Tina's picketing at the saloon has revealed a dark secret that could put everyone Vince loves in danger.

**Swept Away (Trouble in Texas Book #1)** Aug 30 2022 Laughter, Romance, and Action Abound in This New Series from Mary Connealy Swept away when her wagon train attempts a difficult river crossing, Ruthy MacNeil isn't all that upset at being separated from the family who raised her. All they've ever done is work her to the bone. She prayed for a chance to get away, and then came the raging flood. Alive but disoriented, she's rescued by Luke Stone...so unfortunately, there are more chances to die in her immediate future. Luke is heading home to reclaim the ranch stolen from his family. But the men who killed his father are working hard to ensure Luke doesn't make it alive. He has no choice but to keep moving. Still, he can't just abandon Ruthy, so she'll have to come along. His friends--a ragtag group of former Civil War soldiers--take a fast interest in the pretty gal. Luke thinks that's rather rude--he's the one who found her. And the more time he spends around the hard-working young woman who is a mighty good cook, the more he finds himself thinking beyond revenge and toward a different future. For the first time in a long time, Luke is tempted to turn from his destructive path and be swept away by love.

**Lost Kids** Jul 25 2019 Children and youth occupy important social and political roles, even as they sleep in cribs or hang out on street corners. Conceptualized as either harbingers or saboteurs of a bright, secure tomorrow, they have motivated many adult-driven schemes to effect a positive future. But have all children benefited from these programs and initiatives? *Lost Kids* examines adults' misgivings about, and the inadequate care of, vulnerable children. From explorations of interracial adoption and the treatment of children with disabilities to discussions of the cultural construction of the hopeless child, this multifaceted collection rejects the essentialism of the "priceless child" or "lost youth" ♦ simplistic categories that continue to shape the treatment of those who deviate from the so-called norm.

**Fired Up (Trouble in Texas Book #2)** Jun 27 2022 Rollicking Wild West Adventure and Romance from Bestselling Author Mary Connealy Dare Riker is a doctor who saves lives, but someone seems determined to end his. It may have something to do with the traitors he dealt with during the Civil War, or it might be related to the recent incident with Flint Greer and the ranch. Whoever the culprit is, he or she seems really fired up, and Dare can't let his guard down for a moment, which is a challenge, since right now he's trying to win the heart of the recently widowed Glynna. Glynna Greer came west as a mail-order bride and ended up in a bad situation. Now her husband, Flint, is dead, and she's determined to care for her son and daughter on her own. She wants to believe Dare Riker is as decent as he seems, but she's terrified to lock herself into another marriage. She plans to support her small family by opening a diner--never mind that cooking is not her greatest talent. The men in Broken Wheel, Texas, are so desperate for home cooking that they seem willing to overlook dried-out beef and blackened biscuits. Glynna can't help but notice that danger follows Dare wherever he goes. There's the avalanche. And then the fire. But things really get out of hand when someone plunges a knife from Glynna's diner into Dare's back. Are Flint's cronies still plotting revenge? Is Glynna's son engaged in a misguided attempt to protect his mother? Is a shadowy outsider still enraged over past injustices? And can Dare survive long enough to convince Glynna to take another chance on love?
