Destination Heartland Feb 13 2021 In today's busy world, it is so important to stay grounded in the Word of God. With our busy schedules and hectic lives, we can sometimes reason with ourselves that we don't have time to do a devotional or read the Bible. But this couldn't be further from the truth.Destination Heartland: 365 Devotionals to Plant in 365 Days is an inspiring collection of succinct devotionals by author Demario Rollins. Written out of years of experience and his personal relationship with God, Demario has created a devotional that poses scriptures to meditate on each day and challenges readers with applications to put the scriptures into practice. Each entry is brief enough to be done in a few minutes while still allowing readers to devote time to hearing the Word of God and creating the mental and spiritual framework to "do" the scripture during the following days, all while underscoring the truth that the entire Bible is God-breathed and inspired. Demario is now bringing the same opportunity to the world, inviting readers to come along on the journey where each devotional able to be reflected on and applied twice in the 365 days. If you are ready for spiritual transformation and want to be a doer, not just a hearer, of the Word, this book is for you! Make this your spiritually best yet! Demario Rollins has regularly enjoyed serving in numerous roles of ministry including teacher, jail minister and youth group leader to name a few. He has a doctorate degree in Philosophy from Florida Agricultural and Mechanical University and is a practicing pharmacist. Demario's inspiration

for this book was a deep desire to provide the reader a succinct publication to pursue God through devotion. This unique presentation provides a daily "Scripture" and a daily "Application" to be covered in one year. Demario and his wife and three children make their home near Little Rock, Arkansas.

Divine Stories Jul 01 2022 Divine Stories is the inaugural volume in a landmark translation series devoted to making the wealth of classical Indian Buddhism accessible to modern readers. The stories here, among the first texts to be inscribed by Buddhists, highlight the moral economy of karma, illustrating how gestures of faith, especially offerings, can bring the reward of future happiness and ultimate liberation. Originally contained in the Divyavadana, an enormous compendium of Sanskrit Buddhist narratives from the early Common Era, the stories in this collection express the moral and ethical impulses of Indian Buddhist thought and are a testament to the historical and social power of narrative. Long believed by followers to be the words of the Buddha himself, these divine stories are without a doubt some of the most influential stories in the history of Buddhism.

3 Cavalry Division 6 Cavalry Brigade 6 Machine Gun Squadron 1921 The War Diaries for the Great War, held under WO95, represent one of the most popular record collections held at the National Archives, Kew, London. For researchers and family historians, the War Diaries contain a wealth of information of greater interest than the army could ever have predicted. They provide unrivalled insight into daily events at the front line and are packed with fascinating detail. They contain no modern editing, opinions or poorly judged comments, just the war day by day, written by the men who fought this 'War to end all Wars'. Without question, the most important source of information available on the war on the Western Front. This is a colour facsimile of each page with specially created chronological index. What is a War Diary? The headquarters of each unit and formation of the British Army in the field was ordered to maintain a record of its location, movements and activities. For the most part, these details were recorded on a standard form headed 'War diary or intelligence summary'. What details are given? Details given vary greatly, depending on the nature of the unit, what it was doing and, to some extent, the style of the man writing it. The entries range from very simple and repetitive statements like 'Training' up to many pages of description when a unit was in battle. Production of the diary was the responsibility of the Adjutant of the headquarters concerned. Do you have any other information or documents with the diaries? Some diaries have other documentation attached, such as maps, operational orders and after-action reports.

Afterburn / Aftershock Feb 25 2022 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the shrewdest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what he was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground—but this time, I knew the rules of the game. In the cutthroat business world, one advantage is to all: keep your enemies close and your ex-lovers closer...
