[Starry, Starry Night](#) Nov 29 2019 'We'll always be together, won't we?' Childhood friends and cousins Leo and Alice had imagined their whole lives playing out on their beloved Devon beach. But one night when they are teens, sitting on the sand beneath the stars, Alice tells Leo a secret that must never be shared with anybody else . . . then packs her bag and flees. Leo is left to build his own life - without Alice. He surrounds himself with other family and friends and on the whole is content and fulfilled. But he is left with a sense of what - or who - is missing. So decades later, when he receives a note from Alice asking if she can come home, he doesn't hesitate to agree. But as the stars align and their reunion draws near, Leo is left to consider their separation and what so many years apart means for a relationship solidified in youth and a secret which could affect the whole family. Praise for

CAROLE MATTHEWS Alice Rose is a foundling, discovered on the Yorkshire moors above Haworth as a baby. Adopted but then later rejected again by

a horrid step-mother, Alice struggles to find a place where she belongs. Only baking - the scent of cinnamon and citrus and the feel of butter and flour between her fingers - brings a comforting sense of home. So it seems natural that when she finally decides to return to Haworth, Alice turns to baking again, taking over a run-down little teashop and working to set up an afternoon tea emporium. Luckily she soon makes friends - including a Grecian god-like neighbour - who help her both set up home and try to solve the mystery of who she is. There are one or two last twists in the dark fairytale of Alice's life to come .

. . but can she find her happily ever after? Three Rings Jan 30 2020 In this genre-defying book, best-selling memoirist and critic Daniel Mendelsohn explores the mysterious links between the randomness of the lives we lead and the artfulness of the

stories we tell. Combining memoir, biography, history, and literary criticism, *Three Rings* weaves together the stories of three exiled writers who turned to the classics of the past to create masterpieces of their own—works that pondered the nature of narrative itself. Erich Auerbach, the Jewish philologist who fled Hitler's Germany and wrote his classic study of Western literature, *Mimesis*, in Istanbul... François Fénelon, the seventeenth-century French archbishop whose ingenious sequel to the *Odyssey*, *The Adventures of Telemachus*—a veiled critique of the Sun King and the best-selling book in Europe for one hundred years—resulted in his banishment... and the German novelist W. G. Sebald, self-exiled to England, whose distinctively meandering narratives explore Odyssean themes of displacement, nostalgia, and separation from home. Intertwined with these tales of exile and artistic crisis is an account of Mendelsohn's struggles to write two of his own books—a family saga of the Holocaust and a memoir about reading the *Odyssey* with his elderly father—that are haunted by tales of oppression and wandering. As *Three Rings* moves to its startling conclusion, a climactic revelation about the way in which the lives of its three heroes were linked across borders, languages, and centuries forces the reader to reconsider the relationship between narrative and history, art and life. -- Ayad Akhtar

including two squabbling elderly great aunts, and a highly unconventional cook - are a handful. And once it is discovered that Wynter's End once played host to a young Shakespeare, Sophy's ideas for renovating the beautiful seventeenth century knot gardens run riot. Soon, the entire village of Sticklepond is curious about Sophy's plans for Wynter's End, especially charming and attentive Jack. But is he really smitten by Sophy or her inheritance? Gorgeous head gardener Seth is the strong and silent type. But does his passion bloom for anything beyond the horticultural? Could Wynter's End really be a gift from the gods or will it turn it out to be a real mixed blessing?

Good Housekeeping The #1 Christmas novel from Sunday Times bestselling author Trisha Ashley Meg is definitely not in the Christmas mood. She's never gone in for tinsel, baubles and mistletoe, and right now she's still getting over an illness. Yet when she's invited to spend the run-up to Christmas in the snowy countryside, rather than dreary London, she can't refuse. Arriving at a warm and cosy family home in a small hilltop village, Meg soon begins to

wonder what a proper Christmas might be like. But just as she's beginning to settle in, she spots a familiar face. Lex. Despite the festive cheer, Meg suddenly wants nothing more than to get as far away from him, and their past secrets, as she can. But if she stays, could this be the year she finally discovers the magic of Christmas...? Fabulously funny, intelligent and heart-warming, Trisha Ashley's brand-new novel is the feel-good Christmas book of the year. It even contains recipes! Thirty-eight years old, she lives on the twenty-five-acre Hope Farm in Buckinghamshire, surrounded by (mostly) four-legged friends and rolling hills. There's Anthony the anti-social sheep, Tina Turner the alpaca with attitude, and the definitely-not-miniature pig, Teacup. Molly runs the farm as an alternative school for kids who haven't thrived in mainstream education. It's full on, but she wouldn't have it any other way. So when the well-groomed Shelby Dacre turns up at Hope Farm asking to enrol his son Lucas, Molly isn't fazed. But Lucas is distant and soon Molly realises he might be more of a handful than she anticipated. And then there's the added problem that his dad is distractingly handsome. Molly has her beloved farm to think of - could letting Lucas and Shelby in be a terrible mistake, or the start of something wonderful?
