Deadlocked Nov 24 2021 Visting vampires, feuding faeries, deadly romance. No-one throws a party like Sookie Stackhouse ... Sookie has a murder investigation on her hands. A young girl has died at a vampire party - and it looks as though her lover, Eric, might be responsible. Eric swears he didn't do it, the police don't believe him, and even Sookie isn't so sure. Nor is she inclined to take his word for it, not having caught him enjoying the victim's blood minutes before she was killed. But something strange is going on. Why had Sookie been asked to come to the fateful party a few minutes early - just to catch Eric in the act? And why had the victim spiked her blood before approaching Eric? Was it simply because she wanted to be irresistible, or was it something more sinister? Sookie will have to find out ... but it's the worst moment to investigate, as her Fae family are having troubles of their own and Sookie is, inevitably, drawn in. And there is one last complication. The cluviel dor her grandmother left her. It will grant her one wish, which could fulfil Sookie's heart's desire. Now her brother Jason's eyes are starting to change: he's about to turn into a were-panther for the first time. She can deal with that, but her normal sisterly concern turns to cold fear when a sniper sets his deadly sights on the local changeling population. She's afraid not just because Jason's at risk, but because his new were-brethren suspect Jason may be the shooter. Sookie has until the next full moon to find out who's behind the attacks - unless the killer decides to find her first. The police are convinced there's something fishy going on when the grave is opened to reveal the centuries-dead remains of a man, which they'd expected (that being his grave, after all) and a dead girl, which no one expected - except Harper, of course. And suspicions are raised even further because Harper had failed to find eleven-year-old Tabitha Morgenstern when she was abducted two years before. Harper and Tolliver need to find the real killer to prove Harper's innocence, especially after their nocturnal visit to the cemetery in hopes that Harper can sense something more is followed by the discovery, the
