police, Detective Superintendent Duncan Kincaid and his sergeant, Doug Cullen, are called to the scene. The victim, Sasha Johnson, is a trainee doctor at a nearby hospital, and she's been stabbed. Kincaid immediately calls his detective wife, Gemma James, who has recently been assigned to a task force on knife crime. Along with her partner, detective sergeant Melody Talbot, Gemma joins the investigation. But Sasha Johnson doesn't fit the profile of the typical knife crime victim. Single, successful, daughter of a black professional family, she has no history of abusive relationships or any connection to gangs. She had her secrets, though, and Kincaid uncovers an awkward connection to his Notting Hill friends Wesley and Betty Howard. As the detectives unravel Sasha's tangled relationships, another stabbing puts London in a panic, and Kincaid's team needs all their resources to find the killer stalking the dark streets of Bloomsbury.

2020 From the recipient of the 2010 Clifton Fadiman Medal, an unforgettable novel of one woman's courageous coming-of-age Powerful, disturbing, stirring, Jamaica Kincaid's novel is the deeply charged story of a woman's life on the island of Dominica. Xuela Claudette Richardson, the daughter of a Carib mother and a half-Scottish, half-African father, loses her mother to death the moment she is born and must find her way on her own. Kincaid takes us from Xuela's childhood in a home where she can hear the song of the sea to the tin-roofed room where she lives as a schoolgirl in the house of Jack LaBatte, who becomes her first lover. Xuela develops a passion for the stevedore Roland, who steals bolts of Irish linen for her from the ships he unloads, but she eventually marries an English doctor, Philip Bailey. Xuela's is an intensely physical world, redolent of overripe fruit, gentian violet, sulfur, and rain on the road, and it seethes with her sorrow, her deep sympathy for those who share her history, her fear of her

father, her desperate loneliness. But underlying all is "the black room of the world" that is Xuela's barrenness and motherlessness. The Autobiography of My Mother is a story of love, fear, loss, and the forging of character, an account of one woman's inexorable evolution, evoked in startling and magical poetry.

Kincaid Nov 03 2022 I am Emmalyn Mikaelson. My husband, in a rage, hit me in front of the wrong person. Diego, or Kincaid to most, beat the hell out of him for it. I left with Diego anyway. Even though he could turn on me just like my husband did, I knew I had a better chance of survival with Diego. That was until I realized Kincaid could hurt me so much worse than my husband ever could. Physical pain pales in comparison to troubles of the heart. I am Diego "Kincaid" Anderson. She was a waitress at a bar in a bad situation. I brought her to my clubhouse because I knew her husband would kill her if I didn't. Now she has my protection and that of the Cerberus MC. I never expected her to become something more to me. Scotland Yard detectives Duncan Kincaid and Gemma James. Recently uprooted and feeling his way in his new posting to Camden—an eclectic area of London's counterculture, as well as it's greatest travel hub—Superintendent Kincaid is plunged into the investigation of a fatal bombing during a protest at St. Pancras Station. The already sensitive enquiry is almost immediately complicated by a set of strange circumstances and coincidences. One of the key witnesses to the chaos is Melody Talbot, a fellow detective, and trusted colleague of Kincaid's wife, D.I. Gemma James; the victim appears to have set off the bomb, but all of his associates vehemently deny the possibility; and a mysterious, shadowy bystander has disappeared from the scene—and seemingly from the face of London!—under highly suspicious circumstances. In addition, Kincaid's ex-boss has been brutally attacked, and Kincaid—who never got to the bottom of his own transfer—suspects the circumstances are connected at a higher level. Kincaid, with the

help of Gemma, Melody and his former sergeant, Doug Cullen, is determined to uncover what lies at the dark center. Unfortunately for Kincaid, finding the truth may have more devastating consequences than he could imagine, test his commitment to Scotland Yard, and imperil his family, friends...and his own future... "A wealth of detail about St. Pancras' history and architecture that would do Margaret Truman proud." -Kirkus Reviews

In doing so, she draws a parallel between the dynamics of the mother-daughter relationship in Kincaid's fiction and the more political relationship of the colonizer and the colonized. Ferguson calls this effect the "doubled mother"- a conception of motherhood as both colonial and biological.
