In Love With A Heartless Menace 2 Dec 10 2020 "Just when Naudia finally starts opening herself to Tariq she walks in on a situation that causes her to put that wall back up around her. Tariq knows he messed up and tries to fix things with Naudia but she's too stubborn to allow him to and reverts back to old habits. When Naudia finds herself in a dangerous situation, Tariq is the one who must save her. Will she use the traumatic event as an eye-opener, or will she continue to walk on the wild side? Renee and Brady are in a weird place in their relationship right now. Brady's trying to show Renee he wants the two of them to work out, but she's still determined to push him away. He starts to grow fed up with her antics and gives her an alternative. Will Renee miss out on love or will she finally be able to let her past hurt go? Lucas is blown away by the secret he just heard Trevor confess about him and Trinity. What he wasn't expecting was his child's mother to betray him as she did. Now he's left side-eyeing her leaving their relationship at a standstill. Trinity tries to write her wrongs and explain herself to Lucas, but he isn't trying to hear it. When someone from the past and someone new makes their way into both Trinity and Lucas's life they must decide if trying to fix their broken home is worth it or is it truly time to walk away. Along with everything else the guys still are trying to find out who the snitch is working with DEA to take them down. More secrets are revealed, and loyalty will be tested. Will the crew be able to withstand the challenges being thrown their way?"-- Amazon.com.

Who Wants To Be A Baby... Again? (vol 2) Nov 01 2022 It is arguably the most common theme in ABDL fiction - becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance - and the lack thereof - limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of

these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish. In these three books, you will read of adults that become complete babies once more. If they are not originally completely willing to become babies again, they quickly discover the joys, the peace and comfort of diapers, baby clothes, bottle feeds and baby toys. Infancy is entrancing to almost everyone, but for those special people - adult babies - infancy is only a diaper-change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book. Enjoy your stay in the world of refreshing infancy. NOTE: These are the 'Diaper Versions' of the original 'nappy' books - 'Mummy I want to be a baby again!' There are five volumes in this series:

All I Want (Spirits of Laken #2) Jul 29 2022 Megan Bannon is a small-town girl, perfectly content to live her small-town life, until Jess Thorn shows up at her vintage shop, looking for a family heirloom. He's hot, sexy as hell, with an edge of danger she can't quite pin down, and the longer he's in her shop, the more she starts to fantasize about ripping his clothes off. He's made it clear it would only be one night, because the second he finds the amulet, he's gone. Jess is running out of time. From a long line of supernatural hunters, he discovered the amulet possessing his recently deceased brother's soul had been accidentally sold in an online auction. Knowing he only had a brief window of time before his brother's spirit becomes angry, then violent, Thorn is desperate to find it before anything bad happens. Only he hadn't counted on meeting Megan. After a lifetime of hunting the bad, shadowy things in the world, Thorn wants to soak up her goodness and never let her go. But his dead brother is angry, and when it becomes too late, the one person he suddenly can't bear to see hurt becomes the biggest target of all.

I Want To Live Volume 2 Feb 21 2022 This book, I Want To Live, Volume Two, is the follow up to the first I Want To Live book. After my first medical operation for bowel cancer in 1994, I thought then that I was free of this awful disease. But my troubles had only just begun. What had pleasantly turned from good news from the doctors about an illness that was in remission would turn into another nightmare. Just a short eighteen months later, after a Cat-scan at hospital, I was told by the doctors that there had been a recurrence of my illness. Now another serious operation was in the offing in 1996. This second operation took place, following by radiotherapy. I had triumphed again, for how long? I was to return to hospital for another operation in 1997, the third in three years... surely this was the last, I wondered. But it was not to be. Ten years passed, then I returned to hospital again in 2007.

Are You Who You Want 2 Be? Sep 30 2022 My ultimate goal for readers is to gain knowledge on how to seek God to find out what your assignment is. I challenge you, as you read this book to have an open heart and optimistic mindset so you can reach inside, pull out your junk, display it, and deal with it! This book examines my journey growing up without parents and how I applied techniques to become successful. Life was not a crystal stare for me but I made the best of it and will continue until I ascend Somewhere Over the Rainbow! We all have different opinions on where the spirit goes after death. What lies beyond what our human eye can see remains a mystery. We all have our perspective on death and the process thereafter. Who is right? No one can shed light on this, except God. Whatever religions you believe in, at the end of the day we all are human and are all destined

to be great. Are we living a pleasing life and what legacy are we leaving to the next generation? Trust in your gut and grab hold of what life actually means. Live your life as a representation of peace. Remain calm during the storms because the sun will shine on you again. Become the person who you want to be and do not let circumstances or others dictate what your passion is. Are You Who You Want to Be?

Forget Being the Villainess, I Want to Be an Adventurer! Volume 2 Mar 25 2022 Serephione's plan to avoid becoming the villainess is going smoothly. She's made it to her second year of knight school and become an A-rank adventurer at Trundle Guild, all by the age of fourteen! However, just when everything was going well, she faces an unexpected enemy. A background character from the book has taken control of a holy beast, and they want to force Serephione to fight on their side as well! Overpowered, she is forced to resort to her escape plan: flee the country and live on her own as an adventurer. It'll be hard to make it without her beloved family and Lou, but she has some old friends to help her along the way!

Wicked as She Wants Oct 20 2021 The second book in the darkly tempting Blud series, featuring a vampire princess who embarks upon a dangerous journey to claim what is rightfully hers. True love's kiss isn't enough for this Blud princess. But blood and music may win her heart forever. . . . Delilah S. Dawson's delightfully dark series takes readers into a clever new world of endless discoveries and sensuous encounters that will leave them breathless. After four years crammed in a suitcase, drained and unconscious, Ahnastasia Feodor, Crown Princess of Freesia, is not sure which calls to her more: the sound of music or the scent of blood. The source of both is the handsome and mysterious Casper Sterling, once the most celebrated and self-centered musician in Sangland. Fortunately, bleeding one's subjects dry is expected of Blud royalty. Much to Ahna's frustration, however, the debauched and reckless enigma—he is definitely not a Bludman, though not exactly human either—is her only ticket back to her snow-rimmed and magical homeland. Ahna needs Casper's help to defeat an evil sorceress and claim her throne—if she doesn't drain him first. But as they team up for a harrowing journey filled with pirates and painted ladies, daimons and dashing Bludmen, her craving for blood becomes an unrelenting hunger of the heart. . . .

Margaret Thatcher (Volume 2) Dec 22 2021 The sensational second volume of Charles Moore's bestselling authorized biography of the Iron Lady In June 1983 Margaret Thatcher won the biggest increase in a government's Parliamentary majority in British electoral history. Over the next four years, as Charles Moore relates in this central volume of his uniquely authoritative biography, Britain's first woman prime minister changed the course of her country's history and that of the world, often by sheer force of will. The book reveals as never before how she faced down the Miners' Strike, transformed relations with Europe, privatized the commanding heights of British industry and continued the reinvigoration of the British economy. It describes her role on the world stage with dramatic immediacy, identifying Mikhail Gorbachev as 'a man to do business with' before he became leader of the Soviet Union, and then persistently pushing him and Ronald Reagan, her great ideological soulmate, to order world affairs according to her vision. For the only time since Churchill, she ensured that Britain had a central place in dealings between the superpowers. But even at her zenith she was beset by difficulties. The beloved Reagan two-timed her during the US invasion of Grenada. She lost the minister to whom she was personally closest to scandal and almost had to resign as a result of the Westland affair. She found herself isolated within her own government over Europe. She was at odds with the Queen over the Commonwealth and South Africa. She bullied senior colleagues and she set in motion the poll tax. Both these last would later return to wound her, fatally. In all this, Charles Moore has had unprecedented access to all Mrs Thatcher's private and government papers. The participants in the events described have been so frank in interview that we feel we are eavesdropping on their conversations as they pass. We look over Mrs Thatcher's shoulder as she vigorously annotates documents, so seeing her views on many particular issues in detail, and we understand for the first time how closely she relied on a handful of trusted advisors to help shape her views and carry out her will. We see her as a public performer, an

often anxious mother, a workaholic and the first woman in western democratic history who truly came to dominate her country in her time. In the early hours of 12 October 1984, during the Conservative party conference in Brighton, the IRA attempted to assassinate her. She carried on within hours to give her leader's speech at the conference (and later went on to sign the Anglo-Irish agreement). One of her many left-wing critics, watching her that day, said 'I don't approve of her as Prime Minister, but by God she's a great tank commander.' This titanic figure, with all her capacities and all her flaws, storms from these pages as from no other book.
