Technical English Oct 10 2020 Nell Ann Pickett and Ann A. Laster have consulted-through seven editions-with people in business, industry, government, and the corporate world as well as with technical and vocational instructors and students, technical communicators, and other professionals to prepare this technical writing text. Their research has been invaluable, laying the foundations for a text students will want to read.

201 Knockout Answers to Tough Interview Questions Sep 08 2020 Employers today are using increasingly tough interview questions to evaluate candidates based on key competencies and determine how well they think on their feet. To stand out in these competency-based interviews, job seekers must be prepared with situation-specific examples and answers to questions that highlight their accomplishments, knowledge, and abilities--and clearly display how all three meet their potential employers' needs. In 201 Knockout Answers to Tough Interview Questions, you'll learn the five core competencies most interviewers are looking for--individual responsibility (decisiveness, independence, flexibility, career goals); managerial skills (leadership, delegation, strategic planning); motivational factors (ambition, initiative); analytical skills (problem solving, attention to detail); and people skills (teamwork, communication, customer service)--and will gain a storehouse of sample interview answers that consistently highlight your ability in these areas. Featuring fill-in-the-blank exercises and a plethora of traditional and quirky interview questions to help you prepare, this powerful book will help you get noticed by key players during the interview process--no matter what questions get thrown your way.
