Lost Legion Dec 26 2021 Pulled from his honeymoon, Tlingit Alaska State Trooper Robert Sable investigates the murders of the governor's brother and the brother's friends. Clutched in the dead men's hands are gold coins imprinted with the likeness of Augustus Caesar. As Sable follows the clues, he realizes a myth Roman soldiers settled in Alaska more than 2,000 years ago may be true. Closing in, he comes face to face with the architect of the murders, a village chieftain who is a descendent of the Romans. The descendents have set into motion a plot to take over the halls of power in Washington, D.C. Even the current Alaskan governor unknowingly is being used as a pawn to achieve this aim. It is up to Sable to foil the plot and put the chief and his fellow conspirators behind bars.
